Releasing Officer:

f. amf.
USEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE : 17 April 2018

Source: OCDRO XI

A. Situation Overview

- On or about 4:00 PM on April 16, 2018, Davao City Central 911 and Davao City PNP recovered 15 bottles of suspected chemical wrapped in plastic bag and buried inside a house in Brgy. Sasa, Davao City.

B. Effects

- 42 people felt dizziness and were immediately evacuated and treated by the Emergency Unit of Central 911.

C. Actions Taken

- BFP Davao City responded to the incident.
- Davao City Disaster Unit, thru Central 911 responded to the incident and provided medical care to the affected residents.
- OCD-RDRRMC XI coordinated with Davao City Disaster Risk Reduction and Management Office (CDRRMO) and BFP which handled the leakage incident.
