NDRRMC UPDATE

FINAL REPORT re Preparedness Measures and Effects for Typhoon "DODONG" (NOUL)

Releasing Officer:

USEC ALEXANDER P. PAMA
Executive Director

DATE : 7-12 May 2015

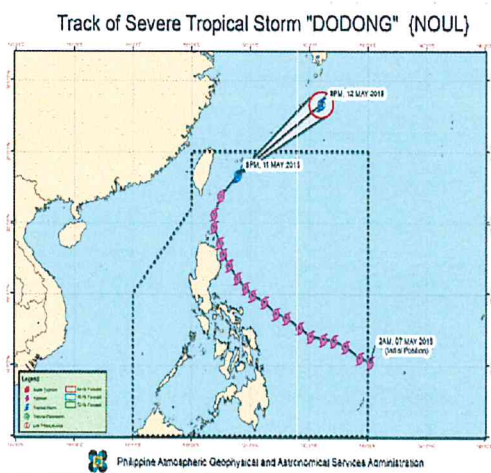

Sources: PAGASA, PCG, AFP, PRC, BFP, DSWD, DILG, DA, DEPED, DOH-HEIMB, DOTC, NGCP, PNP, LTRFB, and OCDRCS I, II, III, IV-A, IV-B, V, VI, VIII, and CAR

I. SITUATION OVERVIEW

A. CHRONOLOGY OF EVENTS AND TYPHOON TRACK

07 May 2015

- At 4:00 AM, The Typhoon east of Visayas has entered the Philippine Area of Responsibility (PAR) and was named "DODONG" with maximum sustained winds of 130 kph and gustiness of up to 160 kph which slightly intensified while moving West Northwest at 15 kph. Public Storm Warning Signal (PSWS) #1 was raised in Catanduanes, Camarines Norte, Camarines Sur, Albay, Sorsogon, Polilio Island and Northern Samar

08 May 2015

- Typhoon Dodong was located at 510 km East of Sorsogon City, intensified to 160 kph maximum sustained winds and gustiness of 195 kph and accelerated West Northwest at 22 kph. PSWS #2 was raised in Catanduanes

09 May 2015

- Typhoon Dodong was at 210 km Northeast of Virac, Catanduanes with strength of 160 kph and gustiness of 195 kph moving West Northwest at 20 kph. PSWS #3 was raised over Cagayan, Isabela, and Northern Aurora.
- At 10pm, it intensified to 165 kph and gustiness of 200 kph moving Northwest at 18 kph

10 May 2015

- TY Dodong further intensified with maximum sustained winds of 185 kph and gustiness of up to 220 kph moving northwest at 20 kph. PSWS #4 was raised over Northeastern Cagayan, Batanes, Babuyan and Calayan Group of Islands
- It made landfall over Pananapan Point, Santa Ana, Cagayan at 4:45PM
- At 10PM, TY Dodong has weakened to 160 kph and gustiness of 195 kph moving north at 16 kph. Areas previously under PSWS #4 were lowered to PSWS #3

11 May 2015

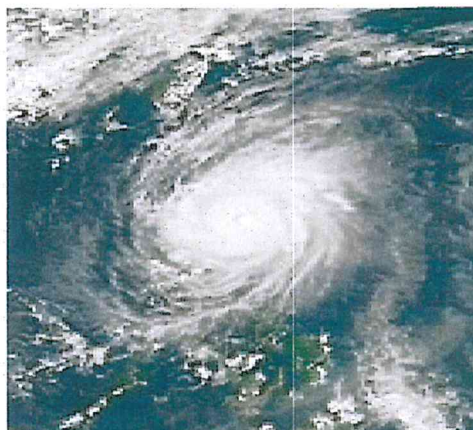

- TY Dodong weakened further as it moved in a Northeast direction with maximum sustained winds of 110 kph and gustiness of up to 140 kph and accelerated Northeast at 35 kph.
- All Public Storm Warning Signals were lowered

12 May 2015

- TY Dodong exited PAR at 5:00 AM and the final weather bulletin was issued

B. TYPHOON ANALYSIS

On 07 May 2015, 4:00 AM, the typhoon East of Visayas has entered the Philippine Area of Responsibility (PAR) and was named "DODONG". TY Dodong weekend as it moved towards Balintang Channel. It slightly intensified as it moved Northwest and made landfall over Pananapan Point, Santa Ana, Cagayan at 4:45PM, 10 May 2015. PSWS #4 was raised over Northeastern Cagayan, Batanes, Babuyan and Calayan Group of Islands.

TY Dodong stayed inside PAR for five (5) days from 07-11 May 2015 and reached a maximum sustained winds of 185 kph near the center and gustiness of up to 220 kph on 10 May 2015, 4:45 PM as it made landfall over Pananapan Point, Sta. Ana, Cagayan. During its stay in the PAR, PSWS Number 4 was the highest signal hoisted.

II. PRE-EMPTIVE EVACUATION

1. A total of **1,029 families / 3,803 individuals** were pre-emptively evacuated starting 09 May 2015 in the Provinces of Isabela and Cagayan:

Region/Province/ Municipality/Barangay	NUMBER OF EVACUEES		Evacuation Center
	FAMILIES	PERSONS

	Corn	187,200.00		
SUB-TOTAL		3,498,700.00		12,800,000.00
GRAND TOTAL				₱16,298,700.00

SOURCE: OCDRC II, DA, and DPWH

D. STATUS OF LIFELINES

POWER SUPPLY

1. Power interruption was experienced in the Municipalities of Gonzaga, Sta. Ana, Buguey, Sanchez Mira, Sta. Teresita, Calayan, and Ballesteros in Cagayan Province on 10 May 2015. Power supply was restored in the said areas on 11 May 2015.

E. STATUS OF PORTS

1. SEA PORTS

- a. The number of strandeers peaked at 10,200 passengers, 33 vessels, 16 motorbancas, and 1,051 rolling cargoes on 09 May 2015 in various coast guard stations in Bicol, Southern Tagalog and Eastern Visayas Regions reported.

2. AIRPORTS

- a. A total of six (6) flights of Cebu Pacific to/from Laoag and Tuguegarao were cancelled on 10 May 2015 due to the typhoon.

F. ROADS AND BRIDGES

1. All roads and bridges are reported passable to all types of vehicles.

B. DISASTER PREPAREDNESS (TAB A)

A. NATIONAL / NDRRMC

1. NDRRMC Operations Center

- a. Alert status at the NDRRMC Operations Center was raised to Blue Alert Status on 07 May 2015, 5:00 PM and Red Alert Status on 09 May 2015, 5:00 PM to continuously monitor and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warnings, and General Flood Advisories to all RDRRMCs/OCDRCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels
- b. A memorandum regarding activation of Alert Status and conduct of PDRA meeting for TY "Dodong" was issued on 07 May 2015 and disseminated to Regions I, II, III, IV-A, V, VI, VIII, and CAR to ensure the execution of preparedness actions and coordination with concerned agencies
- c. Pre-Disaster Risk Assessment (PDRA) Meetings and Press briefings were conducted together with the PDRA Core Group at the NDRRMC Conference, Camp General Aguinaldo, Quezon City on the following dates:
 - 07 May 2015, 11:00 AM, presided by the Civil Defense Deputy Administrator (CDDA)
 - 08 May 2015, 10:30 AM, presided by the Chairperson of NDRRMC
 - 09 May 2015, 10:00 AM, presided by the Administrator, OCD and Executive Director, NDRRMC USEC Alexander P. Pama
 - 10 May 2015, at 10:00 AM, 2:00 PM, and 9:00 PM, presided by the Administrator, OCD and Executive Director, NDRRMC
- d. Activated Clusters for the preparations and response operations

C. PREPAREDNESS ACTIONS TO INCLUDE PREPOSITIONED ASSETS AND PERSONNEL (TAB B)

D. RESPONSE CLUSTER (TAB C)

1. AFP and PNP have assisted LGUs in the conduct of pre-emptive evacuation of 1,029 families / 3,803 individuals in the Provinces of Isabela and Cagayan.
 2. In Benito Soliven, Isabela, 36 plantation workers of Bio-Ethanol Plantation were rescued by the PDRRMO supported by the 8th IB, Philippine Army on 10 May 2015, 8:05 AM.
 3. The Province of Isabela reported no damages and casualties.
 4. Tactical Operations Group (TOG) 2, PAF, assumed operational control of two (2) helicopters from TOG 3, PAF effective 11 May 2015 for utilization in the planned conduct of Rapid Damage Needs Assessment (RDANA).
 5. On 10 May 2015, OCD-RDRRMC II conducted RDANA in the Municipalities of Aparri, Buguey, Sta. Teresita, Gonzaga, and Sta. Ana, all in Cagayan Province to assess the damages incurred. RDANA Team was composed of representatives from AFP, PNP, DILG, DOH, DSWD, and OCD. The team reported that no significant damage was incurred in the Province of Cagayan.
-

**Effects re TY "DODONG" (NOUL)
DISASTER PREPAREDNESS
7-12 May 2015**

A. NATIONAL / NDRRMC**1. NDRRMC Operations Center**

- a. Alert status at the NDRRMC Operations Center was raised to Blue Alert Status on 07 May 2015, 5:00 PM and Red on 09 May 2015, 5:00 PM to continuously monitor and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warnings, and General Flood Advisories to all RDRRMCs/OCDRCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels
- b. A memorandum regarding activation of Alert Status and conduct of PDRA meeting for TY "DODONG" was issued on 07 May 2015 and disseminated to Regions I, II, III, IV-A, V, VI, VIII, and CAR to ensure the execution of preparedness actions and coordination with concerned agencies
- c. Pre-Disaster Risk Assessment (PDRA) Meetings and Press Briefings were conducted together with the PDRA Core Group at the NDRRMC Conference, Camp General Aguinaldo, Quezon City on the following dates:
 - 07 May 2015, 11:00 AM, presided by the Civil Defense Deputy Administrator (CDDA)
 - 08 May 2015, 10:30 AM, presided by the Chairperson of NDRRMC
 - 09 May 2015, 10:00 AM presided by the Usec Alexander P Pama
 - 10 May 2015, at 10:00 AM, 2:00 PM, and 9:00 PM, presided by the Administrator, OCD and Executive Director, NDRRMC
- d. Activation of Clusters for the preparations and response operations

2. Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

- a. Monitored the situation and disseminates Weather Bulletins, Gale Warnings, General Flood Advisories, and 24-hour Public Weather Forecast

3. Department of Health (DOH)

- a. Raised Code White Alert
- b. Sent weather alert memorandum to all DOH Regional Offices (ROs)
- c. Continuously monitors the weather disturbance through PAGASA and continuously coordinates with DOH ROs for their preparatory activities
- d. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC

DOH ROs I, II, III, IV-A, V, VIII, and CAR

- a. Ensured the availability of standby medical teams
- b. Coordinated with RDRRMC and DOH Provincial Offices (POs) for updates on the weather situation, on-going preparations, and typhoon-related events
- c. Prepositioned logistics to their respective provinces

DOH I

- a. Instructed Public Health Team to be ready for possible deployment and to provide technical assistance and logistics
- b. Stockpiled assorted drugs, medicines and other supplies
- c. Coordinated with the three (3) DOH retained hospitals in the region

DOH II

- a. Coordinated with DOH POs to ensure the availability of prepositioned emergency drugs worth ₱100,000.00 per province
- b. Conducted inventory and preparation of drugs, medicines and supplies, first aid kits, family health kits, hygiene kits, transportation, and other supplies and materials available at regional office which may be needed to support requirements of affected areas
- c. Placed response teams and mobile water purification unit on standby

- d. Accounted for and prepared a total of ₱8,081,029.62 worth of drugs, medicines and supplies (200 first aid kits, 450 family health kits, 700 hygiene kits, transportation and other logistics) at the regional office

DOH IV-A

- a. On Code White Alert since May 08, 2015. Informed all Health Team Offices in CALABARZON
- b. Activated the HEMS OpCen, with 08:00 AM-5:00 PM operations
- c. Prepositioned supplies and logistics for health related emergencies/response in the following offices worth ₱1,500,000 (Regional Office IV-A – ₱1,000,000.00; Cavite, Laguna, Batangas, Rizal and Quezon – ₱100,000.00 each)

DOH V

- a. Declared Code White Alert
- b. Monitors all health emergencies in the region and coordinates with key responding agencies
- c. Attended the RDRRMC Bicol PDRA Meeting at OCD5, Legazpi City
- d. Prepositioned drugs and medicines

DOH VI

- a. DOH VI is on alert Status
- b. Prepositioned supplies and medicine to Provincial and City Health Offices

4. Department of Interior and Local Government (DILG)

- a. Informed concerned Governors, Mayors and LDRRMOs of the incoming TY “DODONG” through: personal calls, text blasts and emails
- b. Advised LGUs to activate pre-disaster monitoring
- c. Directed LCEs to comply with disaster preparedness protocols
- d. Alerted concerned LDRRMOs through personal calls, text blasts and emails
- e. Continued monitoring of LGU preparedness actions
- f. Provided constant updates on weather alerts/advisories and projected track to LGUs
- g. Continued personal calls, text blasts and emails on weather advisories and projected track of TY “DODONG”
- h. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC

DILG I

- a. Disseminated weather bulletins to Local Government Units (LGUs) through their DILG Provincial Directors, which started 07 May 2015
- b. Activated Emergency Operation Center (EOC) and ICS for 24/7 monitoring and operations
- c. Conducted inventory of supplies, equipment and stockpiled goods and assessed evacuation centers
- d. Advised fisherfolks and coastal communities to undertake precautionary measures

DILG II

- a. Reactivated Regional Operations and Coordinating Center for the regional monitoring
- b. Coordinated with Provincial Offices re report on the preparedness monitoring sheet of LGUs in Google Drive
- c. Disseminated Memorandum Circular to all Provincial Governors/City and Municipal Mayors, Punong Barangays, Provincial Directors, City/Municipal Local Government Operations Officers re reactivation of LDRRMCs and observance of Operation Listo Protocols based on checklist as guide for preparation
- d. Issued advisory to all DILG Provincial Directors, Cluster Officers, City/Municipal Local Government Operations Officers, Provincial Governors, City/Municipal Mayors, Punong Barangays and other concerned, to reactivate their respective monitoring system and advise all LDRRMCs in their area of responsibility to undertake precautionary measures and other proactive actions for the possible onslaught of the storm
- e. Monitored local situations in LGUs and coordinated with field officers, LDRRMCs and partner agencies for important updates

DILG III

- a. Provided the latest weather updates to Provincial Offices
- b. Attended the RDRRMC's PDRA meeting

DILG IV-A

- a. Assisted in the dissemination of NDRRMC weather advisories within AOR.
- b. Advised officers to convene their respective councils regarding the necessary preparedness measures.
- c. Issued directive to conduct Pre-Disaster Risk Assessment and to assess the situation in their respective AOR.
- d. Continuous monitoring and reporting of LGU preparedness actions every 6 hours.

DILG V

- a. Issued Advisory for Provincial Directors with subject Preparedness Measures for Typhoon "DODONG":
 - Advised DRRM Focal persons to coordinate with PDRRMCs relative to their preparatory measures being undertaken
 - Alerted coastal provinces for rough seas/storm surges
 - Ensured No Sailing Policy is enforced to sea farers and fisherfolks to prevent any untoward incident
 - Pre-emptively evacuated communities in low lying areas prone to floods and landslides if necessity warrants
 - Precautionary measures shall be heightened for possible lahar in the event of heavy rainfall in the Province of Sorsogon, particularly those LGUs within range of Mt. Bulusan
 - Ensured that the basic resources are made available or are prepositioned in their respective DRRM Operation Center/Offices
 - LCEs as a matter of policy shall personally man or are present in their AORs and observe the DRRM Project Listo Manual for their preparations

DILG VI

- a. Alerted the field offices to closely coordinate with LGUs, activate the LDRRMCs, and conduct pre-emptive actions
- b. Recommended all LGUs to take preparedness measures in accordance with "OPERATION LISTO" to all LGUs
- c. Placed operations center on alert status

DILG CAR

- a. Attended PDRA meeting at the OCD-CAR Operation Center
- b. Issued memorandum to all LDRRMCs/LGUs on their preparedness measures and activation of alert status
- c. Municipal Local Government Operations Officer (MLGOOs) were advised to be part of the monitoring team in their AOR
- d. Sent advisory recommending to all LGUs to monitor the level of preparedness using "OPERATION LISTO" as reference and to take all precautionary measures to warn tourists from any untoward incident

5. Department of Public Works and Highways (DPWH)

- a. Activated the DPWH DRRM Teams
- b. All equipment to be used for response were checked and on standby for deployment (520 trucks/service vehicles and 102 heavy equipment / payloaders / backhoes)
- c. Instructed the District Offices to start pruning trees along the road
- d. Clearing and cleaning the waterways and drainage system
- e. Attended the PDRA Meeting at the NDRRMC OpCen

DPWH I

- a. Activated the Regional and District Engineering Offices' DRRM Teams
- b. Prepositioned all available equipment to landslide prone areas identified by concerned District Engineering Offices (DEOs)
- c. Ensured the set-up of a system of assigning a permanent team to conduct RDANA

DPWH II

- a. Prepositioned all available equipment to landslide prone areas identified by concerned DEOs
- b. Activated and alerted all district offices and disaster risk reduction management team

DPWH IV-A

- a. Disseminated guidelines that ensure preparedness in responding to typhoons and release of calamity funds.
- b. Ensured the availability of teams and personnel who would provide assistance to motorists and general public.

DPWH V

- a. On Blue Alert Status
- b. District DRRM Teams on standby alert for any eventualities that may be brought by the Typhoon

DPWH VI

- a. On alert status and already prepositioned their equipment for any untoward incidents

DPWH CAR

- a. District Engineering Offices (DEOs) are on alert status
- b. Prepositioned road clearing equipment with manpower at risk / critical areas
- c. Coordinated with CDRMC OpCen on road closures
- d. Attended PDRA meeting at OCD-CAR Operation Center

6. Department of Tourism (DOT)**DOT IV-A**

- a. Issued directive to local Tourism Officers to monitor the tourist arrivals and ensure their safety
- b. Advised tourist-related establishments to conduct assessment in their areas particularly those in the storm surge, landslide, and flood-prone areas

7. Department of Social Welfare and Development (DSWD)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC
- b. Activated the response pillar particularly the Search, Rescue and Retrieval, Health, Camp coordination and Camp Management, Emergency Telecommunications, Logistics and Food and Non Food Clusters
- c. Deployed Quick Response Team from Capacity Building Bureau (CBB), Administrative Services (AS), Information Management Bureau (IMB), and Disaster Response Assistance and Management Bureau (DReAMB) at National Resources Operation Center (NROC).
- d. Forty-three (43) volunteers from Hewlett Packard Philippines and twenty-eight (28) volunteers from Philippine Navy are in the repacking center at NROC.
- e. 2 Wing Vans and 1 Closed Van are on standby at NROC and ready for deployment at any given time.
- f. Made available relief items and standby funds at each Field Office and NROC:

DSWD I

- a. Placed Quick Action Response Teams on standby
- b. Conducted inventory of stockpile and prepositioned goods regularly during TY "DODONG"

- c. Prepositioned food packs in the following areas:

LGU	No. of Family Food Packs
Laoag, Ilocos Norte	2,000
Burgos, Ilocos Norte	2,000
Vigan City, Ilocos Sur	1,500
Santa, Ilocos Sur	2,000
Cervantes, Ilocos Sur	2,000
Dagupan City, Pangasinan	1,000
Manaoag, Pangasinan	1,000
Sta. Barbara, Pangasinan	1,000
Bani, Pangasinan	3,000
Rosales, Pangasinan	3,000

- d. Activated the Quick Action Response Teams (QUARTs) and the Provincial Operations Offices to closely monitor the typhoon
- e. The regional focal person on disaster management rendered duty to monitor the status of preparation for TY "DODONG"
- f. Stockpiled 24,663 family food packs, of which, 18,500 are prepositioned at satellite warehouses

DSWD II

- a. Alerted all Social Welfare and Development (SWAD) Teams and Disaster Monitoring and Response Teams (DMRT) of the field office are on 24/7 duty
- b. Made available the following:

Standby Funds	₱2,789,129.73
Family Food Packs	26,629 pieces
NFA Rice	2,373 sacks
Assorted canned goods	3,466 boxes
Ready-to-eat-food	6,480 tins
Drinking water	100 boxes

- c. Prepositioned 50 sacks of NFA Rice and 336 boxes of assorted canned goods in Batanes
- d. Repacked 2,373 sacks of NFA rice, 1,445 boxes of corned beef, 927 boxes of meatloaf, 546 boxes of sausage, and 548 boxes of sardines

DSWD III

- a. Alerted all QRTs for possible deployment
- b. Attended the PDRA meeting of RDRRMC III at Hacienda Gracia, Lubao, Pampanga on 08 May 2015

DSWD IV-A

- a. Made available 17,482 Family Food Packs, 90 boxes of ready-to-eat food, 66,630 units of assorted non-food items, and 13,900 Family Food Packs prepositioned to the province of Batangas and Quezon
- b. SWADs and QRTs were placed on standby for response and coordination with LDRRMC. Continuous updating and sharing of weather advisory to SWAD and QRT members for information and preparedness
- c. Alerted all Regional/Provincial QRTs for eventual activation of disaster response duty
- d. Coordinated with NFA for the possible withdrawal of rice when necessary and with NROC for possible augmentation support when necessary

DSWD V

- a. Prepositioned 50 bags of rice to PLGU Catanduanes and family food packs to the following municipalities: (1) Virac; (2) San Andres; (3) Bagamanoc; and (4) Bato
- b. Advised Social Welfare and Development (SWAD) Team of Catanduanes to be on standby in the province and maintain close coordination and provide regular update
- c. Stockpiled food and non-food items: 30,000 family food packs to be given to LGUs at any given time; 26,000 sacks of NFA rice; 5,000 family kits
- d. Made available ₱635,500.00 standby funds

DSWD VI

- a. On Alert status
- b. Ensured food packs and NFIs are available once needed
- c. Prepositioned Food Packs in the Island of Boracay, Malay, Aklan

DSWD CAR

- a. Raised alert status of operations center to Red
- b. Prepositioned 17,801 family packs available for augmentation to the provinces
- c. 16,000 family food packs are ready to augment prepositioned food packs and continuously re-packing additional 5,000 family food packs
- d. Prepositioned NFIs to PDRRMCs
- e. 18 QUART Teams at the Field Office and in the provinces alerted to render duty at their respective PDRRMC/MDRRMC Operation Center
- f. Attended PDRA meeting at OCD-CAR Operation Center

8. Department of Education (DepEd)

- a. Disseminated advise to all school heads in safekeeping their respective education facilities and resources
- b. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at NDRRMC
- c. Activated Operations Center to monitor weather updates and disseminate it to all concerned through SMS
- d. Issued preemptive memorandum to DepEd field offices for the safekeeping of school properties and immediate submission of report in case of any damages

DepEd V

- a. Released Memorandum to schools division superintendents, ro/sdodrrm focal persons, ro/division information officers, public school district supervisors, heads of public and private elementary and secondary schools and others re Reminders to be observed in relation to the upcoming weather disturbance

9. Department of Transportation and Communications (DOTC)

- a. Advised bus operators, ports, and terminals of the weather advisory
- b. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC
- c. Released reminders and guidelines to regional/local units including port and airport managers regarding implementation of relevant protocols for heavy/inclement weather to mitigate the effects of TY "DODONG" on their facilities and equipment
- d. Monitored the situation at ports and airports and secures all facilities, equipment, and vehicles in areas affected

10. Department of Agriculture (DA)**DA I**

- a. Monitored the Reservoir Water Level (RWL) of San Roque Dam in San Manuel, Pangasinan
- b. All Provincial Coordinators monitored their AOR for the effects of TY "DODONG" to fisheries

11. Department of Science and Technology (DOST)**DOST IV-A**

- a. Utilized the Project HANDA Text Blast to continuously disseminate weather advisories

12. Armed Forces of the Philippines (AFP)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC

Northern Luzon Command (NOLCOM)

- a. Advised all field units and EOCs to activate operation centers and raise Blue Alert Status on 09 May 2015
- b. Monitored critical infrastructures: airports, seaports, and dams
- c. Activated the NOLCOM Disaster Response Task Force (DRTF) on 08 May 2015
- d. Declared Blue alert status to operational command units on 08 May 2015

- e. Declared Red alert status on 09 May 2015
- f. Conducted inspection on Disaster Response Unit (DRU) personnel and equipment

71D, Philippine Army (PA)

- a. Deployed Disaster Risk Reduction Operations (DRRO) Company, Headquarters Service Battalion at Headquarters 71D, Fort Magsaysay, Nueva Ecija for possible Search, Rescue, and Retrieval (SRR) operations
- b. Declared Red alert status and placed Disaster Response Task Units (DRTUs) on standby

51D, PA

- a. Two (2) teams were on standby at 51D, Upi, Gamu, Isabela

56th IB, PA

- a. Deployed one (1) section of DRTU at MDRRMO Casiguran, Aurora for possible SRR operations on 09 May 2015
- b. Deployed one (1) squad composed of one (1) officer and five (5) enlisted personnel at Dilasag, Aurora for possible SRR operations on 09 May 2015

811B, PA

- a. Declared Red alert status on 09 May 2015
- b. Alerted DRTUs for possible SRR operations

51D and 502nd BDE, PA

- a. Placed all DRTUs on standby at their respective stations
- b. Provided mobility and manpower assistance for the force evacuation in the Municipalities of Sta. Ana, Buguey, Aparri, and Gonzaga in the Province of Cagayan

502nd BDE, PA

- a. Activated Oplan Lifeguard Alpha
- b. Established Tactical Command Post (TCP) for continuous monitoring of TY "DODONG" in Tuguegarao City, Cagayan

503rd BDE and 51D, PA

- a. Prepositioned provincial resources to provincial disaster operation centers
- b. Placed rescue teams and disaster response unit on standby at respective provincial disaster operation center
- c. Advance Command Post at Camp Allen, Baguio City on heightened alert
- d. Placed communication equipment like Harris manpack/hand held radios on standby
- e. 5th ID issued warning order to all its units to be prepared and will dispatch Disaster Response Teams

86th IB, PA

- a. Placed the following squads/platoons/teams on standby:
 - One (1) Squad from Headquarters Service Company (HSC) at Provincial Capitol, Ilagan, Isabela
 - Three (3) Squads from HSC at San Mariano, Isabela
 - Three (3) Squads from HSC at SitioBalabal, Brgy. Uno, Jones, Isabela
 - One (1) Platoon from Alpha Company at SitioBalabal, Brgy Uno Jones, Isabela
 - One (1) Team from Alpha Company at MDRRMC Office, Jones, Isabela
 - One (1) Team Alpha Company at BrgyYeban Norte, Benito Soliven, Isabela
 - One (1) Squad from Bravo Company at Brgy District 1, Benito Soliven, Isabela
 - One (1) Platoon from Bravo Company at Provincial Capitol, Ilagan City
 - One (1) Platoon from Bravo Company at Brgy. Zone 3, San Mariano, Isabela
 - One (1) Squad from Charlie Company at Zone 1, San Mariano, Isabela
 - One (1) Platoon from Charlie Company at Brgy. Zone 1, San Mariano, Isabela
 - One (1) Platoon from Charlie Company at Brgy. Gomez, San Mariano, Isabela
 - One (1) Platoon from Charlie Company at Brgy.Linomot, Jones, Isabela
 - One (1) Platoon from Charlie Company at Brgy.Minuri, Jones, Isabela
 - One (1) Platoon from Charlie Company at Brgy.Minanga, San Mariano, Isabela
 - Two (2) Platoons at Masaya Patrol Base, Brgy. Masaya, San Agustin, Isabela
 - One (1) section of CAFGU Active Auxiliary, Delta Company, 771B (CAFGU) at Palanan Municipal Hall

- Two (2) officers and thirty (30) enlisted personnel for possible deployment at TCP, PDRRMC, Ilagan City, Isabela
- b. One (1) Squad from Charlie Company facilitated the evacuation of 36 plantation workers of Bio Ethanol at Brgy District 1, Benito Soliven, Isabela on 10 May 2015, 8:05 AM, in coordination with DART Rescue 831
- c. One (1) Section from Bravo Company implemented pre-emptive evacuation in Brgy. Yeban Norte and Brgy. Maluno Norte on 09 May 2015, 12:35 PM
- d. One (1) Platoon from Bravo Company provided assistance in the distribution of relief goods to the 197 evacuees of Brgy. Yeban on 10 May 2015, 3:30 PM
- e. Evacuated affected residents in the Municipalities of Benito Soliven, Maconacon, and Divilacan in the Province of Isabela

17th IB, 5ID, PA

- a. Placed the following squads/platoons/teams on standby:
 - Two (2) platoons from Battalion Headquarters at Alcala, Cagayan
 - Two (2) platoons from Alpha Company at Gattaran, Cagayan
 - One (1) section from Bravo Company at Sta. Teresita, Cagayan
- b. Committed one (1) M-35 truck and five (5) KM450 vehicles for SRR
- c. Deployed the following assets:
 - KM250 at Casambalangan, Sta. Ana, Cagayan
 - KM450 at Aparri, Cagayan
 - KM450 at Gonzaga, Cagayan
 - Three (3) KM450 at Sta. Teresita, Cagayan
- d. Evacuated affected residents in the Municipalities of Sta. Ana, Palauig, Buguey, Gonzaga, Aparri, and Sta. Teresita in the Province of Cagayan

Naval Forces Northern Luzon (NFNL)

- a. Updated all Organic and Operational Control Units

TOG2, PAF

- a. Ensured the availability of one (1) team composed of nine (9) individuals for deployment

Southern Luzon Command (SOLCOM)

- a. Placed all DRTUs on standby alert
- b. Closely coordinated with all Regional and Provincial DRRMCs
- c. Deployed response units in selected strategic areas for easy coordination and quick response as need arises
- d. Established communication centers
- e. Placed major assets on standby alert for HADR operations
- f. Conducted focused monitoring on areas at risk related to TY "DODONG"

Naval Forces Southern Luzon (NFSL)

- a. On standby DRU personnel with mobility and equipment
- b. Attended Mustering and Inspection of DRU personnel & equipment for Typhoon "DODONG"

TOG5, PAF

- a. Placed DRU personnel with mobility and equipment on standby
- b. Attended Mustering and Inspection of DRU personnel & equipment for Typhoon "DODONG"

13. Philippine National Police (PNP)

- a. Attended the series of Pre-Disaster Risk Assessment (PDRA) meetings at the NDRRMC
- b. Evacuated a total of 452 families / 1,537 individuals in the Municipalities of Benito Soliven, Dinapigue, Maconacon, and Divilacan in the Province of Isabela on 09 May 2015
- c. Directed all units to assist in the conduct of pre-emptive evacuation in coordination with LGUs
- d. Placed units and offices on standby for possible deployment for search and retrieval operations

- e. Directed all concerned Police Regional Offices (PROs) to undertake appropriate actions
- f. Conducted a coordinating meeting on 10 May 2015, 4:00 PM, regarding preparations, availability of resources in the affected regions, pre-deployment of personnel, and conduct of pre-emptive evacuation

PRO I

- a. Activated IMPLAN "Saklolo"
- b. Advised all first responders to secure/evacuate their families to safe area before disaster strikes
- c. Strengthened resilience of emergency telecommunications
- d. Ensured the readiness of the SRR equipment and supplies to support operational requirements
- e. Reinforced the police stations/offices to ensure that it can withstand strong winds
- f. Prepositioned SAR assets
- g. Advised Ilocos Sur, La Union, and Pangasinan PPOs for the activation of their respective Disaster Incident Management Task Groups (DIMGs)
- h. Provided police assistance in the evacuation of affected residents in coordination with LGUs
- i. Deployed personnel at the evacuation centers
- j. Pangasinan PPO conducted pre-disaster assessment to disaster prone areas and implemented the "No Fishing Advisory" to all fishermen on coastal areas
- k. Placed 2,108 personnel on standby for possible SRR operation
- l. Advised to prepare their SAR equipment for possible deployment
- m. Placed personnel on standby for deployment and for the conduct of SRR activities

PRO II

- a. Prepositioned manpower to areas likely to be affected
- b. Directed all Provincial/City Directors, and Santiago City Police Office to preposition their disaster response teams in disaster prone and low-lying areas
- c. Directed all Provincial/City Directors, and Santiago City Police Office to preposition their disaster response teams in disaster prone and low-lying areas
- d. Disseminated weather bulletin to all PPOs and City Director (CD), Santiago City Police Office (SCPO)
- e. Directed all Provincial Directors and CD, SCPO to preposition their disaster response teams particularly in the disaster prone and low-lying areas in coordination with their respective PDRRMCs
- f. Alerted residents living in low-lying and mountainous areas against possible flashfloods and landslides
- g. Alerted residents in coastal areas under public storm warning signal against huge waves or storm surges and advised fishing boats and other small sea crafts not to venture out into the sea
- h. Presided the Emergency Meeting attended by members of the DIMG on 10 May 2015, 10:00 AM and discussed therein are the deployment of personnel and the possible disaster response operations
- i. Placed 1,153 personnel on standby for possible SAR operation
- j. Assisted in the evacuation of families in Isabela, Benito Soliven, Dinapigue, Maconacon, Divilacan, Palanan, Gonzaga, and Batanes Province and assisted in the distribution of relief to fishermen / families on 10 May 2015, 3:55 PM

PPOs Cagayan, Isabela, Nueva Vizcaya, Quirino, and Batanes, and CPO Santiago

- a. All COPs were directed to coordinate with their respective LCEs to convene their MDRRMCs
- b. Organized SAR teams ready for deployment
- c. Prepared SAR assets and equipment in coordination with their M/PDRRMOs

PPO Cagayan

- a. Prepared and identify evacuation center
- b. Adhered to the LGU disaster operations manual (DILG OplanListo)
- c. Provided updates on status of public safety

Santiago CPO

- a. Organized monitoring and reporting team and activation 24/7 of emergency operations center at City Hall
- b. Activated Incident Command System
- c. Conducted inventory of supplies, equipment and stockfile of goods thru GSO
- d. Assessed evacuation center and placement of adequate guide markers in strategic locations for evacuees and operations team thru barangay officials/BDRRMC

Batanes PPO

- a. Sabtang OIC reported that MDRRMC conducted meeting on 08 May 2015 and all boat transport from Ivana to Sabtang is cancelled

PRO III and IV-B

- a. Activated their DIMTG and assisted in the evacuation of families in Dinalunga and Casiguran, Aurora

PRO IV-A

- a. Ensured the security of ports where there are stranded passengers
- b. Organized SAR team and other PNP personnel for rapid deployment purposes
- c. Established security control points where there are landslides, traffic accidents and flooded areas
- d. Ensured that PNP communication lines in all levels are operational and properly manned
- e. Ensured that generator sets are readily available down to the police stations
- f. Regional Public Safety Battalion (RPSB) SAR Team on standby and ready for deployment
- g. Instructed all Provincial Directors and Chief of Police to closely coordinate with their respective LDRRMOs
- h. Made 247 SAR teams with 2,288 personnel available

PRO V

- a. Attended the RDRRMC Bicol PDRA for Typhoon "DODONG"
- b. Alerted 120 SAR Personnel
- c. Conducted Mustering and activated PNP-PRO5 Disaster Incident Management Task Group
- d. Provided public assistance through placement of police desks and provision of police presence to maintain order
- e. Referred stranded individuals in Masbate, Albay, and Sorsogon to the nearest inns and hotels

PRO VI

- a. Placed on heightened alert status

PRO CAR

- a. Activated OPLAN SAKLOLO
- b. Alerted all Provincial Police Offices
- c. Disseminated NHQ directive to all Police Stations to activate response groups
- d. Placed Search and Rescue equipment and personnel at PPOs on standby

NCRPO

- a. Dispatched 97 RPSB SAR personnel to affected areas

SAF

- a. Placed seventy-one (71) personnel on standby at SAF Bagong Diwa, Bicutan
- b. Placed sixty-seven (67) personnel of 24th SAC on standby for possible augmentation to PRO II

Maritime Group

- a. Placed 118 personnel on standby

14. Bureau of Jail Management and Penology (BJMP)**BJMP IV-A**

- a. Assessed their respective facilities especially those within hazard-prone areas to prevent possible jailbreak and ensure the safety of the prisoners during the typhoon
- b. Placed all personnel on stand-by alert to assist in the evacuation and SAR

15. Bureau of Fire Protection (BFP)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC

BFP I

- a. Directed all personnel to be ready to extend necessary assistance in case of emergencies
- b. Formulated contingency measures and proactive steps relative to the delivery of fire safety and emergency related services
- c. Ensured availability of personnel, apparatus, and auxiliary units
- d. Directed all operation units to distribute information materials and conduct "Ugnayansa Barangay" particularly on the Basic Safety Tips regarding disaster
- e. Instructed blowing of siren as an early warning system as typhoon approached the area

BFP II

- a. Implemented the contingency plan for typhoon

BFP III

- a. Activated OPLAN PAGHALASA on 09 May 2015
- b. Alerted all BFP stations in their AOR for possible rescue and response activities

BFP IV-A

- a. Alerted all Provincial, City, and Municipal fire stations to assist the LDRRMCs
- b. Alerted city and municipal fire marshals for possible deployment
- c. Ensured the availability of fire trucks and auxiliary units
- d. Raised Blue Alert status on all offices

BFP V

- a. Activated BFP OPLAN PAGHALASA
- b. Placed 212 Special Rescue Units personnel, 973 fire fighters, 123 fire trucks, three (3) ambulances, and one (1) rubber boat on standby
- c. Encouraged all operating units to conduct lateral coordination with their respective DRRMCs
- d. Strategic measures undertaken to address identified landslide and flood prone areas that maybe affected due to heavy rains
- e. Directed all officers and personnel to be on standby and extend necessary assistance in case of emergencies
- f. Ensured provision of water to affected areas for filtration, purification, and treatment with the assistance of DOH and other concerned agencies

16. Philippine Coast Guard (PCG)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC
- b. Advised all units to ensure strict implementation of HPCG Memorandum Circular Number 02-13 (Guidelines on Movement of Vessels during Heavy Weather)

Coast Guard District Northwestern Luzon (CGDNWLZN)

- a. Placed all district operations center on standby
- b. Placed all Water Search and Rescue (WASAR) Teams in AOR on standby
- c. Implemented prevention of fisher folks and other small sea vessels from venturing out to sea to avoid the threat of big waves

Coast Guard District Northeastern Luzon (CGDNELZN)

- a. Observed heightened alert status
- b. Disseminated latest weather bulletin and gale warning to all stations, sub-stations, fisherfolks, and barangay captains along coastal areas within their AOR and advised all small fishing boats not to venture out to sea
- c. Directed all coast guard stations and sub-stations to coordinate with coastal barangays and ship owners
- d. Placed Disaster Response Team (DRT) on standby

- e. Placed the district's Deployable Response Group (DRG) on standby alert and ready for deployment as need arises
- f. Made the following assets available: two (2) rubber boats with OBM, seventeen (17) aluminum boats with accessories and OBM, three (3) sets of diving equipment, life jackets, rescue ropes, 154 personnel (rescue swimmers and divers, WASAR trained personnel, medical personnel, DRG trained on WASAR), and medical equipment (2 spine boards, bag valve devices, BP apparatus, medical kit, and medicines)

Coast Guard District Western Visayas (CGDWV)

- a. Placed on heightened alert status
- b. Conducted regular preparedness measures and enforced regulations in movement of vessels

Coast Guard District Bicol (CGDBCL)

- a. Implemented No Sail Policy for Provinces with Public Storm Warning Signal
- b. Strict implementation of HPCG SOP NR 01-12 (PCG Alert and Response Procedures) and Memo Cir 02-13 (Guidelines on Movement of Vessels During Heavy Weather)
- c. Monitored reported stranded passengers around ports in Bicol

Coast Guard Southern Tagalog (CGDSTL)

- a. Placed on standby with assets ready for deployment to flood prone and coastal areas
- b. Coordinated with coastal barangays and LDRRMOs
- c. Monitored the maritime situation to avert possible maritime incidents
- d. Alerted the deployable response groups

17. Philippine Red Cross (PRC)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC

DMS, OPCEN and Other Services

- a. PRC NHQ and Chapters was on Alert Level II (Imminent Threat: Alertness and Preparedness)
- b. OPCEN collated the chapter's plan and placed WASAR, Rescue, Nurses, and 143 teams on standby
- c. Alerted all chapters nationwide
- d. Prepared all inventory of assets on the ground
- e. On 24/7 monitoring at the PRC NHQ Operations Center
- f. Prepared maps of all provinces to be affected

PRC Aurora Chapter

- a. Alerted staff and volunteers for possible deployment
- b. Activated and alerted all community health volunteers and 143 volunteers
- c. Reported the availability of 200 packs of food items for possible distribution
- d. Ensured the availability of two (2) satellite phones and one (1) SSB radio

PRC Cagayan Chapter

- a. Monitored the weather situation in their AOR
- b. Coordinated with LGUs and other RDRRMC offices
- c. Placed staff and volunteers on standby
- d. Ensured the availability of the following assets: rubber boat with OBM, generator, one (1) service vehicle, and first aid kits
- e. Ensured the availability of 250 packs of non-food items (used clothes, plastic mats, blankets good for 250 families)

PRC Quirino Chapter

- a. Ensured the availability of standby non-food items, assets, and stock of blood
- b. Placed staff and chapter rescue team on standby
- c. Alerted all 143 municipal volunteers in six (6) municipalities
- d. Attended meeting with PDRRMC regarding preparations for TY "DODONG" on 08 May 2015
- e. Prepositioned the following NFIs: 1,400 blankets, 1,400 plastic mats, 700 jerry cans, and 400 tarpaulin and mosquito nets

PRC Kalinga Chapter

- a. Alerted volunteers

PRC Mt. Province Chapter

- a. Placed three (3) chapter volunteers on standby

PRC Ifugao Chapter

- a. Placed seven (7) staff on standby and alerted chapter volunteers

PRC Sorsogon Chapter

- a. Distributed 1,440 bottled water, 1,020 ready-to-eat meals, and 510 cans of sardines to 102 families
- b. Coordinated with Irosin LGU
- c. Monitored the situation in their AOR
- d. Deployed three (3) staff and five (5) RCAT volunteers

PRC Catanduanes Chapter

- a. Alerted three (3) staff and 13 RCAT volunteers
- b. Placed the following assets on standby: ambulance, first aid kits, rescue equipment, service vehicle, and rescue boat with OBM

PRC Albay Chapter

- a. Activated staff and volunteers

PRC Camarines Norte Chapter

- a. Activated Chapter OpCen and closely coordinates with respective DRRMC offices
- b. Attended meeting with MDRRMC Daet to activate "OplanListo"
- c. Activated four (4) staff, ten (10) chapter volunteers, and 150 Red Cross 143 volunteers
- d. Placed ten (10) sacks of rice on standby
- e. Ensured the availability of the following standby assets: ambulance, first-aid kits, and rescue equipment
- f. Monitored the situation and closely coordinated with PDRRMO thru Chapter OpCen

PRC Nueva Ecija Chapter

- a. Alerted staff and volunteers
- b. Standby NFI ready for distribution
- c. Ambulance and rescue boat on standby
- d. Attended coordination meeting with PDRRMC

PRC Quezon-Lucena Chapter

- a. Alerted staff and volunteers
- b. Ambulance on standby

PRC Northern Samar Chapter

- a. Assets on standby (1 ambulance, 1 Hi-Lux, and SSS radio)
- b. Forty (40) boxes of noodles is available for possible relief
- c. Procurement of rice and canned goods

PRC Ilocos Norte Chapter

- a. Alerted and activated chapter staff and volunteers, DRTs, Red Cross 143 volunteers, and Community Health Volunteers (CHVs)
- b. Placed chapter resources and equipment on standby
- c. Ensured availability of blood supply
- d. Submitted chapter capacity and resource inventory to PRC National Headquarters (NHQ) OpCen

PRC Pangasinan – Dagupan City San Carlos City Chapter

- a. Alerted all Red Cross 143 volunteers
- b. Placed emergency and DRT on standby
- c. Prepared logistics for response operations

PRC La Union Chapter

- a. Alerted chapter staff, Red Cross 143 municipal coordinators, and volunteers
- b. Chapter administrator attended the emergency meeting at PDRRMC

18. Philippine Information Agency (PIA)

- a. Attended the Pre-Disaster Risk Assessment (PDRA) meeting at the NDRRMC
- b. Alerted Regional and Provincial offices that are seen to be affected to closely work and coordinate with their PDRRMCs and provide updates and situation reports to pool of recipients through Text Blast.
- c. Instructed regional and provincial offices to maximize communication platforms for dissemination of updates
- d. Alerted the Presidential Communication Operations Office (PCOO) Media ng Bayan Operations Center to prepare and handle messaging and monitoring activities to be forwarded to the different communication pillars of the PCOO

PIA IV-A and CAR

- a. Disseminated weather advisories and warning alerts to the public through text-blasts, social media accounts, and various media outfits

PIA-CAR

- a. Attended PDRA meeting at the OCD-CAR OpCen

19. Bureau of Fisheries and Aquatic Resources (BFAR)

BFAR I

- a. Activated their Command Center
- b. Advised all Provincial Fishery Offices (PFOs), division chiefs, station heads, and project leaders to secure people, facilities, and projects within their AOR
- c. Advised Response Groups / Quick Response Teams (QRTs) to be on alert and prepared office vehicles and floating assets for deployment

20. Ninoy Aquino International Airport (NAIA)

Manila International Airport Authority

- a. Implemented airport emergency plan during weather disturbance
- b. Convened emergency response teams and placed on standby for any untoward incident, for evacuating of people inside the terminals to safer holding areas, assist in medical cases, provide crowd control measures, and ensure facilities and equipment remain operational
- c. Airside operations were made to prepare for strong winds and rains. Small aircraft are tied firmly to the ground or are brought to the hangar, larger ones are repositioned to face the wind's direction

21. Land Transportation Franchising and Regulatory Board (LTFRB)

- a. Issued Cease and Desist Order to all provincial bus operators, advising them to avoid dispatching and operating their units with routes affected by the suspended RORO operations

22. DENR-MGB

DENR MGB III

- a. Discussed the landslide prone areas in the eastern part of the region, specifically Aurora, Nueva Ecija, and Bulacan Province
- b. Issued landslide and flood advisories to all governors and mayors of PDRRMOs on 06 May 2015
- c. Attended the PDRA meeting of RDRRMC III at Hacienda Gracia, Lubao, Pampanga on 08 May 2015
- d. Advised LDRRMCs in the landslide prone areas to be on alert

23. National Food Authority (NFA)

NFA II

- a. Activated their operations center
- b. Assigned office personnel and alerted all warehouse personnel to be ready to assist in the releasing of rice for relief operations

NFA IV-A

- a. Conducted inventory of available rice to ensure availability of supply in case need arises

24. National Grid Corporation of the Philippines (NGCP)

- a. Activated Overall Disaster Command Center on 07 May 2015 in preparation for TY "DODONG"
- b. Implemented necessary preparations and precautions to minimize the impact on power transmission operations and facilities as part of its Integrated Disaster Action Plan (IDAP)

NGCP I

- a. Advised sub-station personnel to conduct intensive operational testing and maintenance of flood control equipment
- b. Ensured availability of standby generators with adequate fuel
- c. Conducted re-orientation of SOPs during system blackout
- d. Prepositioned personnel at strategic sub-stations
- e. Conducted diagnostic assessment and maintenance of communication system
- f. Ensured the availability of key personnel in all command posts
- g. Conducted aerial scanning
- h. Intensified line inspection to critical lines and prioritized correction of line defects that threatens the reliable operation of lines
- i. Implemented the Right-of-Way (ROW) clearing along transmission lines
- j. Conducted correction of hotspots on all transmission lines
- k. Ensured readiness and availability of vehicles, tools, equipment, and critical hardware
- l. Ensured manpower readiness and updated personnel directory
- m. Ensured the availability of aviation/jet fuel at landing points
- n. Conducted upkeep of firefighting equipment to ensure their reliability
- o. Disseminated the NGCP contingency plans

25. National Telecommunications Commission - Communications Wireless Group (NTC-CWG)

NTC-CWG VI

- a. Provided two (2) radio frequencies for regular broadcast of information from PAGASA

B. REGIONAL / RDRRMC

RDRRMCs I, II, III, IV-A, IV-B, V, VI, VIII, and CAR continuously disseminate Weather Advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) thru OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AOR.

1. RDRRMC I

- a. Issued Memorandum No. 28 regarding notice of activation to Blue Alert Status of RDRRMC 1 Operations Center and Memorandum No. 29 regarding the conduct of PDRA meeting relative to TY "DODONG" on 07 May 2015
- b. Issued Memorandum No. 30 regarding the upgrade of alert status from Blue Alert to Red Alert status on 09 May 2015
- c. **Issued Memorandum No. 31 regarding Standby Status of Rapid Damage Assessment and Needs Analysis (RDANA) Team Members for possible deployment to TY "DODONG" hit areas**
- d. Requested all PDRRMCs and RDRRMC member-agencies to be on standby for possible rescue, relief, and other response operations relative to the present weather disturbance
- e. Conducted PDRA Meeting on 09 May 2015 at 9:00 AM at OCD R1 Conference Room, Camp BGen Oscar M Florendo, Parian, City of San Fernando, La Union with the following salient discussions:

- DOST PAGASA Region 1 warned that Ilocos Provinces may experience strong winds and heavy to intense rains, while Western and Central Pangasinan may experience heavy rains and flooding. Storm surges may affect southwest and western parts of Ilocos Norte, specifically Burgos and Bangui
 - Dir. Castro requested DENR-MGB to provide an updated list of vulnerable/ high-risk areas of each province so these areas will be given focus of warning dissemination
 - Dir. Castro proposed that aside from Laoag and Burgos, Ilocos Norte, supplies be prepositioned in Adams, Ilocos Norte as this area is frequently isolated after strong typhoons
- e. Tested and readied the emergency telecommunications kit (BGAN/Thuraya) for immediate use

PDRRMCs Pangasinan, La Union, Ilocos Norte, and Ilocos Sur

- a. Placed Operations Centers on standby

2. Established the NDRC Operation Center at 7:00PM same day.
3. Conducted Response Cluster meeting as part of the preparedness for response.(May 9 and May 10)
4. Response Cluster Leads conducted respective cluster meetings.

NDRRMC Response Cluster

Camp Coordination and Camp Management

DSWD

1. A total of 27 evacuation centers were opened with 929 families and 3,315 persons staying inside these ECs.
2. As of 4AM of May 10, 2015, these ECs were already closed. Families have already returned to their respective residences.

OCD

1. All Unified Commands placed under OPCON of LDRRMCs for the camp security with augmentation from PNP.

BFP

1. Activated OPLAN PAGHALASA
2. Conducted clearing operation
3. Alerted all BFP personnel for possible rescue and response activities,
4. All stations were advised to prepare alternative power source and communication and to assist the affected families during evacuation
5. Deployed fire trucks with crew to distribute water to evacuation center in the affected areas if necessary.

PNP

1. Instructed Police Provincial Office 1, 2, and 3 to give security on identified evacuation centers
2. Assisted in the pre -emptive evacuation of 226 residents from Brgy. Caruan, Gonzaga, Cagayan and brought to People's Gym in the Municipality
3. Assisted the evacuees in going back to their respective residences

Food and Non-Food Items

DSWD

1. Family Food Pack Distribution:

- Sta. Teresita - 300 FFP
- Buguey - 420 FFPs
- Gonzaga - 520 FFPs
- Sta. Ana - 800 FFPs
- Aparri – 500 FFPs

PRC (No update)

1. There are available food and non-food packs as follows:

- Aurora chapter – 200 packs of food items
- Cagayan chapter – 250 packs of non-food items

Search, Rescue and Retrieval

AFP

1. Various DRTU teams in Region 1 and CAR are on standby alert
2. Deployed DRTU Team to Kalinga, Ifugao and Apayao Provinces to monitor the effect of typhoon “Dodong”
3. Monitored critical infrastructure (airports/seaports/dams)
4. Assisted the evacuation of 36 Farm Laborers of bio ethanol at GC 8871876317 Brgy District and Benito Soliven, Isabela

PCG (No update)

1. PCG Districts in North Western Luzon, Southern Tagalog, Bicol and Eastern Luzon, Eastern Visayas have resources such as vessels, rubber boats, fast crafts, fast boats and rescue teams with equipment (VHF radios) are deployed to different barangays along the typhoon path.

PNP

1. Participated in the conduct of Rapid Damage Assessment and Need Analysis (RDANA) with other RDRRMC member agencies.
2. Assisted in road clearing.

DPWH (no update)

1. Alerted respective Engineering Districts in Regions I, II, III and CAR to prepare necessary and available engineering for possible utilization in road clearing and rescue/retrieval operations
2. 70 km from Buguey to Sta Ana passable as of 6pm clearing of fallen trees
3. All roads are passable in Region II

DOH (no update)

1. Prepositioned 10 personnel at Health Emergency Mgmt. Bureau with boxes of medicines;
 - 200 Hygiene kits
 - 200 First aid kits
 - 200 family kits
 - 10 Campolans (good for 100 persons/kit)
 - Jerry cans
2. Prepositioned 7-man Team from Private Sector Disaster Mgmt. Network (PSDMN)
3. Prepositioned Water Search and Rescue (WASAR) Teams in area of responsibilities

Emergency Telecommunications

OCD (no update)

1. Coordinated with the OCD Regional Office II in the municipalities on the areas that will be directly hit by typhoon Dodong (Boguey, Sta. Ana, Gonzaga and Aparri).
2. Set-up of the EOC Communication link through Satellite phones, HF Base Radio and VHF base radio.
3. Coordinated with nearest AFP and PNP units signal / commo units to provide assistance to EOCs of affected areas of region II
4. National Response Cluster provided preparedness actions of mobile service providers in Region II
5. Provided 2 radio frequencies such as 142.2 MHz and 147.5 MHz for regular broadcast and information from PAGASA.
6. 5-man Rapid Emergency Telecommunications Team (RETT) from the AFP with the following capabilities;
 - Communication Van
 - HF Base Radio
 - VHF Base Radio
 - Satphones and Broadband Global Access Network (BGAN) systems
 - WIFI Internet

PRC (no update)

1. Aurora chapter has 2 satellite phones and 1 SSB available.

Logistics

OCD (no update)

1. Coordinated with the following:

- The Philippine Coast Guard (PCG) issuances/guidelines, vessel trips are still suspended in areas over which PSWS #1 or higher are raised.
- With the expected landfall of TY Dodong in Sta. Ana Pt., Cagayan, CAAP has identified the following airports that may be utilized for response operations near the affected areas (e.g. landing area for SRR assets and personnel):
 - Palanan Airport
 - Tuguegarao Airport
 - Cauayan Airport
- All three (3) airports are operational.
- Tuguegarao and Cauayan both currently have commercial flights going to and from them, and have the capacity to accommodate C130s.
- Palanan only has general aviation flights so far.
- Per MIAA, a total of six (6) flights to/from Laoag and Tuguegarao of Cebu Pacific on 10 May 2015 have been cancelled.
- AFP for the availability of C-130, M35 trucks and other mobility assets
