

REPUBLIC OF THE PHILIPPINES

# **NATIONAL DISASTER COORDINATING COUNCIL**

National Disaster Management Center, Camp Gen. Emilio Aguinaldo, Quezon City, Philippines

## **NDCC ADVISORY**

**TO : ALL CHAIRMEN, RDCCs, PDCCs, OCDRCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CARAGA, ARMM, CAR, & NCR**

**SUBJECT : Weather Advisory No. 2 for Active Low Pressure Area (ALPA)**

**DATE : 18 July 2010, 11:00 AM**

Source: PAGASA

The Active Low Pressure Area (ALPA) was estimated based on satellite and surface data at 150 kms Southeast of Baler, Aurora (15.4°N, 122.0°E). This weather system is expected to bring occasional to frequent rains over Luzon especially the northern and eastern sections and may trigger flashfloods and landslides.

Residents in these areas are advised to take all necessary precautionary measures.

For more information, you may contact the Weather Division of PAGASA at telephone numbers: 927-1541, 926-4258 and 927-1335.

You are hereby directed to undertake precautionary measures in your AOR. Likewise, the public and Disaster Coordinating Councils (DCCs) concerned are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken.

**BY AUTHORITY OF THE CHAIRMAN, NDCC:**

  
**BENITO T. RAMOS**  
Administrator, OCD and  
Executive Officer, NDCC
