

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC ADVISORY

TO : ALL CHAIRMEN, RDRRMCs, PDRRMCs, OCDRCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CAR, CARAGA, ARMM and NCR

FROM : Executive Director, NDRRMC and Administrator, OCD

SUBJECT : Weather Advisory No. 1 for Low Pressure Area (LPA) and Easterlies

DATE : 14 February 2012, 10:30 AM

Source: PAGASA-DOST

I. OVERVIEW

At 10:00 AM today, a Low Pressure Area (LPA) was estimated based on satellite and surface data at 820 km East of Mindanao (7.5°N, 134.5°E). This weather system combined with the enhanced easterlies will bring cloudy skies with scattered rainshowers and thunderstorms over Southern Luzon, Visayas and Mindanao becoming widespread rains over Eastern Visayas and Eastern Mindanao.

You are hereby directed to monitor the situation and undertake precautionary measures in your area of responsibility (AOR). Likewise, the public and the Disaster Risk Reduction and Management Councils (DRRMCs) are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken thereof.

BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:

USEC. BENITO T. RAMOS
Executive Director, NDRRMC and
Administrator, OCD
