

NDRRMC ADVISORY

TO : ALL CHAIRMEN, RDRRMCs, PDRRMCs, OCDRCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CAR, CARAGA, ARMM and NCR

FROM : Executive Director, NDRRMC and Administrator, OCD

SUBJECT : Weather Advisory No. 1 for Active Low Pressure Area (ALPA) and Southwest Monsoon

DATE : 19 July 2012, 10:30 AM

Source: PAGASA-DOST

I. OVERVIEW

- At 8:00 AM today, the Active Low Pressure Area (ALPA) was estimated based on satellite and surface data at 570 km east of Casiguran, Aurora (16.5° N, 128.2° E).
- This weather disturbance and the southwest monsoon will bring scattered rainshowers and thunderstorms in Luzon and Visayas becoming widespread rains which may trigger flashfloods and landslides over Cagayan, Isabela, Quirino, Aurora, Quezon, Bicol Region and Samar provinces.

You are hereby directed to monitor the situation and undertake precautionary measures in your area of responsibility (AOR). Likewise, the public and the Disaster Risk Reduction and Management Councils (DRRMCs) are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken thereof.

BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:

EUSECIO BENITO T. RAMOS
Executive Director, NDRRMC and
Administrator, OCD
