

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC ADVISORY

TO : ALL CHAIRMEN, RDRRMCs, PDRRMCs, OCDRCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CAR, CARAGA, ARMM and NCR
FROM : Executive Director, NDRRMC and Administrator, OCD
SUBJECT : Weather Advisory **No. 2 for Active Low Pressure Area (ALPA)**
D A T E : **26 June 2012, 11:30 AM**

Source: PAGASA-DOST

OVERVIEW

- At 8 AM today, the Active Low Pressure Area (ALPA) was estimated based on satellite and surface data at 760 km east northeast of Virac, Catanduanes (14.6°N, 132.4°E).
- The ALPA is expected to bring scattered to widespread rains over Bicol Region, Palawan, Visayas and Western Mindanao.
- Residents living in low lying areas and along mountain slopes are advised to be on alert for possible occurrence of flashfloods and landslides.

You are hereby directed to monitor the situation and undertake precautionary measures in your area of responsibility (AOR). Likewise, the public and the Disaster Risk Reduction and Management Councils (DRRMCs) are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let us untiringly aim for zero casualties.

Submit report on actions taken thereof.

BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:

USEC. BENITO T. RAMOS
Executive Director, NDRRMC and
Administrator, OCD
