

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

MEMORANDUM FOR THE SND AND CHAIRPERSON, NDRRMC

THRU : USND
USCVRA

FROM : Executive Director, NDRRMC and Administrator, OCD

SUBJECT : Weather Advisory No. 3 (FINAL) for Southwest Monsoon

DATE : 05 August 2012, 10:30 AM

Source: PAGASA-DOST

I. OVERVIEW

- Light to moderate rains (1.0 to 5.0 mm/hr) were observed with no possible flashfloods and landslides in the western section of Luzon. However, scattered rainshowers and thunderstorms will continue to affect Luzon and Visayas due to the Southwest Monsoon.
- With this development, this is the final advisory.

II. ACTION/S TAKEN

NDRRMC Weather Advisory No. 3 (FINAL) for Southwest Monsoon was disseminated to all OCD Regions through facsimile and website for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.

For the information of the SND and Chairperson, NDRRMC.
