NDRRMC UPDATE

WEATHER ADVISORY NUMBER 03 for NORTHEAST MONSOON

Releasing Officer

JUSEC BENITO T. RAMOS
Executive Director, NDRRMC
and Administrator, OCD

DATE: 30 December 2010, 11:00 AM

Source: PAGASA

1. OVERVIEW:

- **Northeast Monsoon associated with strong Northeasterly Winds with passing light rains and cooler temperature will continue to prevail over Northern and Central Luzon. Fishermen along these areas are advised not to venture out into the sea due to big waves generated by strong Northeasterly winds**
- **Wind Convergence will affect Southern Luzon, Eastern Visayas and Eastern Mindanao. This weather system will bring scattered to widespread rains particularly Bicol area and Eastern Visayas. Residents living in low-lying areas are advised to take all the necessary measures against possible flashfloods and landslides**

2. ACTIONS TAKEN:

NDRRMC Weather Advisory No. **03** for Northeast Monsoon was disseminated to all regions concerned through facsimile and website for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.
