

NDRRMC UPDATE

Weather Advisory No. 11 (FINAL) for Easterlies

Releasing Officer:

USEC BENITO T. RAMOS
Executive Director, NDRRMC and
Administrator, OCD

DATE : 1 April 2012

Source: PAGASA-DOST

The weather condition has improved for the past 12 hours in provinces of Cagayan, Apayao and the Batanes Group of Islands. However, the Easterlies will still bring mostly cloudy skies with scattered rainshowers and thunderstorms in the said areas.

With this development, this is the final advisory.

I. ACTION/S TAKEN

- **NDRRMC Weather Advisory No. 11 for Easterlies** was disseminated to all OCD Regions through facsimile and website for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels
