Source: Dir. Crispina B. Abat, OCD NCR

#### **SITUATION OVERVIEW**

- On or around 1:45 PM 23 January 2012, an explosion occurred near Salcedo Park Condominium along H.V. dela Costa St., Salcedo Village, Brgy. Bel-Air, Makati City
- The incident damaged the glass panels of the 5<sup>th</sup> and 6<sup>th</sup> floors of the said condominium as well as the front glass panel of nearby Classica 1 Tower
- The explosion also damaged three nearby vehicles. Details are as follows:

VEHICLE TYPE	PLATE NO.	REMARKS
black Subaru SUV	NOE 749	shattered rear windshield and tail light
beige Toyota Avanza	DFP 204	shattered left front glass window
689 Transport Taxi	UVM 263	damage on left rear glass window

#### **ACTIONS TAKEN**

- Makati EOD led by their Officer-in-Charge and Makati Station Investigation and Detective Management Branch (MSIDMB) personnel conducted post blast investigation and interview at the scene of the incident in coordination with SPD-SOCO
- OCD NCR is continuously monitoring the situation
