### 1. Landslide Incident in Mandaue City (Region VII)

#### A. Situation Overview:

1. PAGASA issued a Thundestorm Advisory at 4:09 PM, 13 September 2015. The thunderstorm affected Cebu (Minglanilla, Talisay City, Sibonga, Argao, Cebu City, Danao City, Carmen, Compostela, and Lilo-an), Bohol (Inabanga, Buenavista, Getafe, Bien Unido, and Ubay), and nearby areas which persisted for 1-2 hours.
2. At around 5:00 PM, 13 September 2015, a landslide incident occurred in Sitio Canghang-at, Barangay Tawason, Mandaue City due to the thunderstorm.

#### B. Effects:

1. The landslide caused a riprap of an unfinished subdivision to collapse on to a house initially trapping two (2) individuals inside and injuring one (1) who was rushed to Vicente Sotto Memorial Medical Center for treatment. One of the trapped individuals was rescued alive while the other was found dead:

| NAME                   | AGE    | REMARKS  |
|------------------------|--------|--|
| <b>Dead – 1</b>        |        |  |
| 1. Vicente Cariquitan  | 13 y/o | Recovered at about 1:13 AM,<br>14 September 2015                       |
| <b>Injured - 2</b>     |        |  |
| 1. Vladimir Cariquitan | 19 y/o | Rescued at around 11:00 PM,<br>13 September 2015                       |
| 2. Christly Cariquitan | 3 y/o  | Suffered injury and rushed to<br>Vicente Sotto Memorial Medical Center |

#### C. Actions Taken:

1. Mandaue City Search and Rescue Group (Bantay Mandaue) together with Emergency Rescue Unit Foundation (ERUF) personnel conducted search and rescue operations.
2. DRRMO Mandaue City is continuously monitoring the area for possible evacuation of residents within the vicinity.
3. RDRRMC/OCD-VII coordinated with Mandaue City Disaster Risk Reduction and Management Office and PNP Mandaue for updates on the incident.
