- Fisherfolk are advised NOT to venture out over seaboards of Luzon and Visayas.
- Occasional rains and gusty winds will be experienced over provinces under PSWS#1
 while those under PSWS#2 and #3 will have stormy weather. Residents in low lying and
 mountainous areas of the provinces with PSWS are alerted against possible flashfloods
 and landslides.
- Storm surge may reach to a maximum of up to 2 meters in the provinces affected by the typhoon

II. ACTION/S TAKEN

- NDRRMC Operations Center disseminated Severe Weather Bulletin No. 17 re
 Typhoon "LANDO" to all OCD Regional Centers through SMS and facsimile and
 uploaded on the NDRRMC website for further dissemination to their respective Local
 Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial
 down to the municipal levels.
- Directed RDRRMCs concerned through the OCD Regional Centers to undertake precautionary measures in their Areas of Responsibility (AOR) and subsequently advised local DRRMCs to initiate pre-emptive evacuation of families in low-lying and mountainous areas if situation warrants.
