## PREPAREDNESS MEASURES

### 1. Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

- a. Monitored the weather situation and provided/disseminated weather advisories, updates, and weather outlook from 26 October – 02 November 2015 during the period of UNDAS 2015.

#### **PAGASA REGION X**

- a. Provided weather updates and bulletins to RDRRMC member agencies, local government units and media.

#### **PAGASA CAR**

- a. Provided weather advisories and updates during the period of UNDAS 2015 in Baguio City and the rest of the region.

### 2. Department of Interior and Local Government (DILG)

- a. Issued Memorandum Circular No. 2015-124 dated October 26, 2015 for Local Chief Executives (LCEs) which undertook the following actions:
- Convened respective Local Peace and Order Councils / Committees (LPOCs):
    - ✓ Formulate contingency plan and proper courses of action to anticipate the expected heavy movement of people from different places, always making sure that adequate transportation and emergency medical services are available
  - Caused the mobilization and deployment of Law Enforcers, Barangay Tanods, and Medical Personnel in:
    - ✓ Vicinity of public and private cemeteries, memorial parks to ensure peace and order and public safety
    - ✓ Local and National roads to provide assistance and intensify visibility to the travelling public and motorists and intensify effective traffic management
    - ✓ Critical areas within the city or municipality to prevent the entry and exit of lawless elements and to apprehend individuals violating rules to ensure the safe observance of UNDAS 2015
  - Ensured cleanliness and orderliness in cemeteries and other public places before, during, and after UNDAS 2015
  - Implemented other necessary measures towards peaceful and meaningful observance of UNDAS 2015
- b. DILG Provincial/City Directors and MLGOOs coordinated with the LPOCs and LDRRMCs.
- c. Mobilized all necessary resources to:
- Ensured that garbage are collected and properly disposed
  - Conducted clean-up operations in all public places within their jurisdiction, especially in cemeteries, churches, recreation facilities, public beaches (where applicable), transport terminals, markets, and other places of public gatherings
  - Ensured that traffic is well-managed and that the safety and security of the public are always top priority

#### **DILG REGION I**

- a. Disseminated DILG Memorandum Circular No. 2015-124 – Local Government Actions on the Peaceful and Safe Observance of UNDAS 2015 to All LGUs thru the Provincial Offices on 29 October 2015.
- b. Submitted LGU Actions/Preparations on UNDAS to DILG CODIX for information and reference.
- c. Monitored situations/incidents at the local level thru DILG Field Officers.
- d. DILG Regional Office and 4 DILG Provincial Office Operations Center were on standby/on-call mode. Field Officers coordinated with their respective COPs and Law

Enforcement agencies, LPOCs, and DRRMOs for any untoward incidents in their respective areas of jurisdiction.

#### **DILG REGION IV-A**

- a. Convened Local Peace and Order Councils/Local Disaster Risk Reduction and Management Councils to carry-out contingency plan on peace and order and public safety.
- b. Mobilized and deployed law enforcers, barangay tanods, and other force multiplier groups and medical personnel in:
  - Local and national roads to provide assistance and intensify visibility to the travelling public and motorists and intensify traffic management
  - Air and seaports, bus and other transport terminals to ensure access to convenient, affordable, reliable, efficient, safe and secure transportation to the commuting public
  - The vicinity of the public and private cemeteries and memorial parks to ensure peace and order, public safety and maintain solemnity
  - Critical areas within the city or municipality to prevent the entry of lawless elements and to apprehend individual/s violating rules to ensure the safe observance of UNDAS
- c. Cleanliness and orderliness in cemeteries and other public places were maintained before, during, and after UNDAS.
- d. Implemented other necessary measures.
- e. Activated LGU Operations Center (OPCEN) in respective area of jurisdiction.

#### **DILG REGION IV-B**

- a. Directed local executives to convene their local Peace and Order Council to formulate a contingency plan on peace and order and public safety that will be operationalized to prevent any untoward incident during UNDAS.
- b. Directed local officials to mobilize and deploy law enforcers, Barangay tanods, and medical personnel:
  - In the vicinity of public and private cemeteries and memorial parks to ensure peace and order and public safety
  - Local and National roads to provide assistance and intensify visibility to the travelling public and motorists, and intensify effective traffic management
  - Critical areas within the city or municipality to prevent the entry and exit of lawless elements and to apprehend individuals violating rules to ensure the safe observance of UNDAS 2015
- c. Directed local authorities to see to it that the cleanliness and orderliness in cemeteries and other public places before, during and after UNDAS 2015 are maintained.

#### **DILG REGION V**

- a. Issued advisory to all LGUs in its AOR, to activate their DRRM OpCen to monitor and provide safety measure to their constituents and tourists in the area. Likewise, directed barangays to actively support the PNP in ensuring peace and security to avoid any untoward incident.

#### **DILG REGION VI**

- a. Issued memorandum to all Province / City Directors / Cluster Heads re Local Actions to ensure Peace and Order and Public Safety during the observance of the UNDAS 2015.

#### **DILG REGION X**

- a. Assisted in monitoring LGUs.

#### **DILG REGION XII**

- a. Assisted in the dissemination of weather and warning advisories to all LGUs.
- b. Issued Memorandum Circular 2015-124 to PDs and CDs.
- c. Directed Local Chief Executives (LCEs) to convene POC.

#### **DILG CARAGA**

- a. Monitored ALERTO UNDAS 2015 thru constant coordination with PNP and LGOOs in different local government units.

## DILG CAR

- a. Issued Memorandum Circular No. 2015 -124 directing the Local Government Units towards peaceful and meaningful observance of Undas 2015 including maintenance of cleanliness and orderliness in cemeteries.

### 3. Philippine National Police (PNP)

#### National Capital Region Police Office (NCRPO)

- a. Full Alert Status in effect on 31 October 2015, 6:00 AM.
- b. All Police Districts reviewed and submitted their Security and Development Plan for the observance of UNDAS 2015.
- c. Enhanced protective measures of vital installations and implement counter measures on target vulnerabilities.
- d. Ensured active participation of accredited NGOs, radio groups, transportation, and petroleum companies and community-based volunteers as force multipliers in providing traffic management, road safety, vehicle road worthiness, and community watch during the period.
- e. Established Police Assistance hubs.
- f. Coordinated with Local Government and partner Agencies.

- and popular public places.
- c. Initiated operational and administrative activities which increased public awareness on crime prevention as well as provide public safety tips to the community.
  - d. Deployed Route Safety Marshals for motorists in strategic areas along the roads from and to cemeteries and other areas of convergence, and establish Police Assistance Centers (PACs) for people with disability and the elderly in all cemeteries and in all land, sea, and air transport terminals.
  - e. Conducted police presence operations and security patrols in areas frequented by the general public, such as malls, transport facilities and terminals (bus station, airports and seaport), cemeteries, churches, resorts and other areas vulnerable to terrorist hostile activities in coordination with other concerned law enforcement agencies, LGUs, and private security providers.
  - f. Intensified intelligence, counter-intelligence, and police operations to pre-empt/prevent terrorist activities.
  - g. Coordinated with the LGUs, concerned government agencies, NGOs and radio groups for their assistance in addressing traffic congestion in major thoroughfares.
  - h. Undertaken active security patrols in residential areas during the occasions to prevent break-ins and “akyat-bahay” incidents.
  - i. Conducted random mobile checkpoints/chokepoints in accordance with the PNP Operational Procedures.
  - j. Established Police Assistance Centers (PACs) along major highways, cemeteries, airports, seaports, bus terminals and popular resorts, in coordination with LGUs, concerned government agencies and NGOs/volunteer groups.
  - k. Maintained a safe exclusion area for all conveyances/vehicles such as cars, trucks, delivery vans, motorcycles, tricycles, etc. away from the cemeteries.
  - l. Conducted information campaigns in coordination with LGUs for public safety awareness.
  - m. Provided security coverage to powerplant telecommunication relay stations and vital installations.
  - n. Established Police Assistance Centers (PACs) for people with disability and the elderly in all cemeteries.
  - o. Coordinated with the Office of Transportation Security (OTS) for the possible augmentation of K9 units for deployment in airports, vital installations and other places of convergence.
  - p. Undertook appropriate security measures to airports.
  - q. Coordinated with different civic and amateur radio associations to assist the PNP in the monitoring and reporting of incidents, traffic situation and motorist assistance, among others.
  - r. Operational Procedures and other applicable SOPs on the conduct of operations were observed.
  - s. All tasked units detailed appropriate number of personnel for route safety marshals and in all established Police Assistance Centers (PACs) for the general public and for people with disability and the elderly.

#### **PRO V**

- a. Full Alert Status effective 6:00 AM, 31 October 2015.
- b. Regional Police Community Relation Division (RPCRD) distributed IEC materials at Pacific Mall of Legazpi City and Legazpi City Terminal on 29 October 2015.
- c. Established Police Assistance Desks at cemeteries, terminals and ports.
- d. Deployed PNP Personnel for police visibility and assistance in all places of convergence.

#### **PRO VI**

- a. Provided public safety services to motorists, commuters and general public by conducting intensified security patrols and traffic management along national highways.
- b. Deployed maximum PNP personnel at the provincial / city level stations, particularly mobile patrol units / elements along main thoroughfares leading to and from sites of religious activities, resorts and places of convergence.

- c. Coordinated with church organizers and other agencies concerned to ensure the efficient delivery of public safety services.
- d. Provided security assistance to travellers and tourists in various tourists' spots (e.g. beach resorts).
- e. Tied-up with DOTC on the establishment of Police Assistance Hubs and Motorist/Passenger Assistance Hubs.
- f. Disseminate fliers on precautionary measures through the stations down to the grassroots levels.
- g. PNP Aklan conducted area inspection at catholic cemetery. In addition, Police Assistance Desk/Hubs were established in other municipalities of Aklan.

#### **PRO VIII**

- a. PNP Borongan, Jipapad and Arteche, deployed PNP personnel in cemeteries to provide security.
- b. Established police checkpoints in Jipapad, Eastern Samar.
- c. Disseminated advisories on safety measures.
- d. PNP Victoria, Northern Samar deployed its personnel along with MDRRMO Staff for monitoring of any untoward incident.
- e. Deployed 1,432 personnel in cemeteries region-wide to provide security and to monitor any untoward incidents.
- f. Number of Personnel manning Police Assistance Desks/Centers/Hubs: 2,140
- g. Number of Police Assistance/Desks/Centers/Hubs:292
- h. Number of Safety marshalls Deployed: 183
- i. Number of Anti-criminality teams deployed in the community:193

#### **PRO X**

- a. Ensured public safety services and provide assistance to the general public.
- b. Established Police Action Centers in accident and crime-prone areas.
- c. Placed all rescue assets on alert.
- d. Deployed Non-uniform personnel in residential areas.
- e. Responders were on standby and ready for deployment.
- f. Deployed a total of 861 personnel to the Provincial Police Offices effective 5:00 PM of 30 October 2015 – 6:00 AM of 03 November 2015.
- g. Provided Assistance Desk Centers and Road Safety Marshalls in all places of convergence.

#### **PRO XII**

- a. On alert status.
- b. Monitored the situation in its AOR.

#### **PRO CARAGA**

- a. Help desk were installed in terminals and cemeteries.
- b. Checkpoints were also set-up in critical areas.
- c. Activated PNP Dinagat Islands with standby post in the cemetery.

#### **PRO (BCPO, Police Regional Office Cordillera)**

- a. Baguio City Police Office implemented a traffic re-routing scheme in roads going to the Baguio City Cemetery and other public cemeteries.
- b. Deployed PNP personnel to different Police Assistance Desks in the City's Public Cemeteries (Loakan, Bakakeng, and Nagullian), tourist destinations and transport terminals. Deployed personnel as well for traffic management especially in highways near Public Cemeteries.

### **4. Bureau of Fire Protection (BFP)**

- a. Directed all Regional Directors to submit Operational Plan (OPLAN) or Contingency Plan (CONPLAN), and Deployment of Personnel, Equipment, and List of Assistance Points for All Saint's Day and All Souls Day.
- b. Intensified Community Awareness Campaign:

- Conduct lectures, seminars/symposia or a two-hour community information drive from 27 October to 02 November 2015
  - ✓ Such materials or lectures may include but are not limited to Candle Safety Tip, Precautionary Measures before leaving the house, What to do in case of fire, and Fire Code (RA 9514)
  - ✓ Unlike the usual fire truck visibility, the roaming personnel shall announce in public the fire safety measures in the home
  - ✓ Coordinate with the media through guesting and interviews to further intensify the information dissemination
- c. Intensified Fire Safety Inspection:
  - Conduct fire safety inspection at all transport stations and terminals (land and air); Marine public transportation facilities and piers; Mortuary chapels, columbaria, public and private cemeteries; and other places of assembly during the season:
    - ✓ Inspections of these facilities shall be in consonance with the provisions of Rule 10 of the IRR of RA 9514, especially on measures pertaining to required firefighting appliances installed exits ways and means of egress, and lights and signages
- d. Deployed Personnel and Apparatus:
  - Every station is expected to deploy personnel and firefighting apparatus, ambulance and EMS to visible points of public gathering/assembly on 30 October to 03 November 2015
  - Establish motorist assistance points along major roads to provide assistance to motorists before and after All Saints' Day due to expected influx of travellers
- e. Deployed Ambulances within National Capital Region (NCR):

- f. During All Saints and All Souls Days, every station was expected to deploy personnel and fire fighting apparatus, ambulance, and EMS to visible points of public/assembly on 30 October – 03 November 2015.

## **BFP REGION V**

- a. Issued Memorandum on Fire Safety Measures/Policies to be observed during All Saint's Day (30 October 2015 – 2 November 2015).
- b. Placed on heightened alert.
- c. Raised to Full Alert Status (Code Red).

## **BFP REGION VI**

- a. All operating units and support groups were on its maximum readiness and ensure immediate response to a fire, medical and rescue emergencies.
- b. Lateral coordination of all elements of BFP VI with other government agencies (PNP, DOTC, DOH and Patrol 117, LGUs, NGOs and various levels of DRRMC).

### **BFP Iloilo**

- BFP Zarraga together with PNP and DILG were deployed in the public cemetery in Iloilo.
- Arevalo Fire Station (FS) distributed flyers and sticker hotline in the public and private cemeteries.
- Bago City FS conducted firetruck visibility and rounds of inspection, and provided fire safety leaflets/reminders and assisted the public visiting the cemetery.

### **BFP Capiz**

- BFP Ivisan FS conducted rounds of inspection and provided fire safety leaflets in public and private cemeteries to boost public awareness.
- Cuartero BFP personnel conducted information dissemination through the distribution of leaflets containing candle safety.

## **BFP REGION VII**

- a. Deployed 118 Fire trucks, 394 Personnel together with fire trucks, 9 Ambulances, and 33 Personnel together with ambulance to different cemeteries in the region.

## **BFP REGION VIII**

- a. All stations conducted firetruck and ambulance visibility.
- b. Deployed personnel in public and private cemeteries.
- c. All stations within AOR was on Full Alert status.

## **BFP REGION X**

- a. Placed all rescue assets on Blue Alert.
- b. Provided assistance in the maintenance of law and order.

- c. Responders were on standby and ready for deployment.
- d. Activated Oplan Kaluluwa.
- e. Deployed 103 Fire trucks, 407 Personnel together with fire trucks, 2 Ambulance, and 53 Personnel together with ambulanceto different cemeteries in all five (5) provinces in the Region.

#### **BFP REGION XII**

- a. On heightened alert from 27 October 2015 – 03 November 2015.
- b. Disseminated IEC on public safety.
- c. Conducted inspection in public terminals and other buildings.

#### **BFP CARAGA**

- a. Activated BFP Personnel in Dinagat Islands with standby post at the cemetery.

#### **BFP NCR**

- a. Deployed standby fire truck and medical assistance from 31 October – 02 November 2015.
- b. Enjoined all City and Municipal Fire Marshalls to coordinate with their respective Cemetery Administrators.
- c. Control points for dispatch one (1) Fire truck and ambulance.

#### **BFP CAR**

- a. Disseminated Public Announcement to avoid fire incident during the observance of UNDAS 2015.

### **5. Department of Transportation and Communication (DOTC)**

#### **DOTC-CAR**

- a. Conducted inspection of Public Utility Vehicles in Transport Terminals since 27 October 2015 and will continue until 03 November 2015 to ensure safety of passengers and good working condition of vehicles.
- b. On 24/7 monitoring and strictly prohibits non-yellow plate vehicles and overloading of public utility vehicles.

*Photo credit: www.gov.ph/2015/10/27/oplan-ligtas-biyahe-undas-2015. DOTC activates Oplan Ligtas Biyahe: Undas 2015*

#### **Land Transportation Franchising and Regulatory Board (LTFRB)**

- a. Inspected and monitored all bus terminals and garage inspection of selected transport vehicles in Metro Manila scheduled on 26 October – 28 October 2015.
- b. Conducted Inter-Agency random drug testing of PUV drivers and conductors.
- c. Deployed LTFRB Help Desks in all Major Provincial Bus Terminals.
- d. Conducted random roadside inspections.

#### **LTFRB REGION X**

- Ensured that there are adequate trips to cater to the volume of passengers
- Ensured drivers are fit to conduct passengers and the road-worthiness of all public transportation
- Ensured the franchises are valid and existing
- Enforced passenger capacity of all public transportation and that priority seats are given to PWD, senior citizens, pregnant and children
- Maintained Action Centers in Bus Terminals to cater to the inquiry, complaints, others

#### **Land Transportation Office (LTO)**

##### **LTO REGION II**

- Established Public Assistance and Complaint Desk (PACD) and Motorist Assistance Center in the Provinces of Cagayan, Nueva Vizcaya and Isabela since 26 October 2015

- Conducted inspection of PUBs and PUVs in terminals within the Region to check if vehicles are roadworthy

### **LTO REGION III**

- Motorist Assistance Command Post was placed to ensure immediate response in case of fire incident, road accidents and other emergencies

### **LTO REGION IV-A**

- Directed law enforcers to proceed to their respective areas of assignment to enforce the provisions of RA 4136 and other land transportation laws, rules and regulations being enforced by the LTO including the implementation of OPLAN LIGTAS BIYAHE: ALERTO UNDAS 2015 in line with the road safety program of the office
- Conducted pre-departure inspection of buses and its accessories at terminals for roadworthiness and markings/signage requirements
- Security of the registration and franchise documents to determine the validity of franchise/permits and its current registration
- Counter checking of the conductors and drivers' license to determine its propriety and validity
- Examined drivers'/conductors' physical appearance and conducted any signs of prohibited drugs and alcohol
- Assisted local traffic enforcers in traffic direction and control in respective assigned areas to prevent traffic congestion
- Apprehended and impounded buses found to be operating as colorum.

### **LTO REGION V**

- Put-up Oplan Undas Motorist Assistance Desk

### **LTO REGION X**

- Ensured that there are adequate trips to cater to the volume of passengers
- Ensured drivers were fit to conduct passengers and road-worthiness of all public transportation
- Provided Help Assistance Desks of all public transportation areas
- Ensured that priority seats are given to PWD, senior citizens and children
- Monitored on the volume of bus to and from the provinces

### **Toll Regulatory Board (TRB)**

- a. Deployed ambulant tellers, patrol vehicles, MC riders traffic enforcers/patrollers/marshals at identified toll plazas.
- b. Implemented contingency measures such as toll plaza queuing.
- c. Deployed Emergency/Quick Response Teams.
- d. Suspended road works/construction moratorium from 30 October – 02 November 2015.
- e. Established motorist assistance stations.
- f. Deployed covert operatives at identified areas.
- g. Intensified roving and stationary patrol operations along toll road.

### **PEA Tollway Corporation (PEATC)**

- a. Deployed additional traffic patrol officers, toll tellers/collectors and security personnel.
- b. Activated Motorists Service Camps on 30 October – 02 November 2015.
- c. Made available Emergency Services such as towing and medical service during OPLAN UNDAS.

### **Philippine National Railways (PNR)**

- a. Provided additional commuter train trips in Metro Manila and the Bicol Commuter Operating Areas during UNDAS 2015.
- b. Deployed additional manpower to ticket booths facilities to avoid overcrowding at ticket booths.
- c. Established One-stop "Help Desks" in terminals and stations.
- d. Activated "Quick Response Teams".
- e. Made available medical services.

- f. Security personnel were placed in different terminals and stations.

### **Office for Transportation Security (OTS)**

- a. Established Task Group.
- b. Activated the Transport Security Operations Center (TSOC).
- c. Implemented security measures in all airports, ports, and road and rail terminals.
- d. Deployed Mobile Teams for the conduct of security inspection at priority areas.

### **Civil Aviation Authority of the Philippines (CAAP)**

#### **CAAP REGION VI**

- Activated “OPLAN Ligtas Byahe Undas 2015” started 31 October 2015 until 02 November 2015.
- Activated the CAAP Passenger Information Desk at the Passenger Terminal Building Arrival Lobby for ease of access to information.

#### **CAAP REGION VIII**

- Deployed a three-man (3) team to provide desk assistance to travelers.

#### **CAAP REGION X**

- Provided additional Security Personnel within 16 hours operations and continuous monitoring on the status of arriving and departing flights.

### **Manila International Airport Authority (MIAA)**

- a. Deployed maximum personnel in coordination with various offices involved in the airport preparation during OPLAN UNDAS.
- b. Deployed appropriate transport vehicles, different assistance and airline check-in personnel in all terminals in accordance with the Aircraft Movement Table.
- c. Deployed Covert and Intelligence Operatives in all terminals for safety and security.

### **Mactan Cebu International Airport Authority (MCIAA)**

- a. Activated Help Desks and Public Assistance Counters.
- b. Posted Streamers/Banners and Signages.
- c. Provided additional information provided through electronic “running” messages.
- d. GMCAC ensured sanitation and passenger comfort at the terminal.
- e. 24/7 manning of security service, help desk, etc.
- f. Buses/coasters were on standby to serve the public in the event that there will be shortage of airport taxi service and airport car rental service.

### **Cebu Ports Authority (CPA)**

- a. Coordinated with other agencies in the implementation of OPLAN UNDAS 2015 in port.
- b. Conducted thorough inspection of cargoes and passengers before entry to any port facility.
- c. Activated Passenger Help Desks.
- d. Conducted Foot/Mobile Patrols for safety and security.

### **Maritime Industry Authority (MARINA)**

- a. Monitored all domestic passenger ships prior to scheduled departures.
- b. Complaint of riding public relative to transportation were acted upon immediately in coordination with Monitoring Coordinators.
- c. Established MARINA Public Assistance Help Desk.
- d. Coordinated with the Enforcement Service (ES) with shipping companies regarding monitoring activities.

*Photo credit: [www.gov.ph/2015/10/27/oplan-ligtas-biyahe-undas-2015](http://www.gov.ph/2015/10/27/oplan-ligtas-biyahe-undas-2015). MARINA, Philippine Coast Guard conducting seaworthiness checks for ships this Undas*

## **6. Philippine Coast Guard (PCG)**

- a. Issued LOI Nr. 032-2015 (OPLAN LIGTAS BYAHE: UNDAS 2015) dated 12 October 2015 to all PCG Units to:
  - Ensure availability of safe transportation to address the expected volume of passenger

- Safety inspections of transport vehicles/vessels
  - Ensure orderly processing of passenger and traffic management
  - Provide help desks for passenger assistance
  - Provide additional terminal facilities for passenger comfort
- b. The Coast Guard Action Center (CGAC) provided updates to all PCG Units on the latest Public Weather Forecast.
  - c. Activated Passenger Assistance Centers (PAC) in strategic locations within ports, harbors and appropriate areas.
  - d. Made available personnel from PCG, MARINA, PPA, other GOs and NGOs to man the PAC on a 24-hour basis with three (3) shifts at four (4) hours per shift as practicable and necessary.
  - e. Conducted of Pre-departure Inspection to ensure safe voyage.
  - f. Implemented 24/7 operations on all operating and major support units.
  - g. Full alert noticed to all deployable OPCON assets of the Districts for immediate response to any maritime incidents.
  - h. Since 28 October 2015, a total of Fifty Two Thousand Two Hundred Thirty One (52,231) Outbound Passengers and Fifty One Thousand Seventy Nine (51,079) Inbound Passengers were monitored by PCG Districts in connection with the activation of "Oplan Ligtas Byahe: Undas 2015. Further, PCG Personnel has inspected a total of Three Hundred Seventy Seven (377) vessels, and Eight Hundred Twenty Eight (828) Motobancas in different ports nationwide.
  - i. The Coast Guard Action Center monitored all Coast Guard Districts per OIC,PCG approved Memorandum ensuring PCG's prompt action and response in case emergencies and incidents.

#### **Coast Guard District (CGD) Bicol**

- a. Activated Passenger Assistance Center in stations and ports.
- b. Monitored the situation.

#### **CGD GenSan**

- a. On alert status and monitored maritime activities.
- b. All Operational Control (OPCON) units were on full alert and all floating assets were prepositioned.

#### **CGD Southern Tagalog (CGDSTL)**

- a. Ensured the effective implementation of LO1 NR032-2015 (OPLAN LIGTAS BIYAHE: UNDAS 2015).
- b. Coordinated with the Local PPA and MARINA in the area regarding the establishment of DOTC Passenger Assistance Center.
- c. Coordinated and worked closely with the local PNP, AFP, PPA, and Shipping companies to emphasize respective or integrated commitment to security and safety in water transport services by improving and enforcing safety standards and regulations such as inspection of baggage and implementation of security layers in the ports and passengers terminals to prevent hostile elements from penetrating terrorist acts and likewise, to ensure no overloading of passengers.
- d. Initiated coordinative meeting with concerned government agencies and NGOs regarding the establishment of PAC if no PPA office is present in the area.
- e. Organized, trained, and equipped personnel who will compose the PACs to effectively achieve the mission.
- f. Ensured that all Stations/Substations within AOR to observe heightened alert and activate respective PACs together with cognizant agencies with appropriate number of personnel manning the help desks. Likewise, to adopt the same safety and security arrangements.
- g. Ensured that no colorum watercrafts are operating in their respective AOR Coast Guard district down to their lowest operating units, to initiate an intensified and sustained public awareness campaign against the peril of patronizing colorum watercrafts as means of transportation, and to strictly enforce laws/regulations against violence.
- h. Ensured that all OPCON Units afloat shall likewise observe heightened alert.

- i. Reported daily number of inbound and outbound passengers from each port within respective AOR.
- j. Coordinated/set-up procedures for the processing of stranded passenger's vessel and cargo.
- k. Conducted an information campaign to increase awareness among passenger regarding the increase risk of petty crimes during high passengers volume travels period at seaports.
- l. Provided a minimum effective number of security personnel and/or equipment on duty during the OPLAN period.
- m. Introduced policies to minimize opportunities of unscrupulous entities that may take advantages of the situation.
- n. Introduced new standards within ports to allow for the quicker flow of passenger through the ports
- o. Conducted coordinated effort with MARINA in the processing of special permit for vessels.
- p. Assited His Excellency President Benigno Simeon Aquino III during his visit to one of selected Ports and Harbors in their respective AOR.
- q. Coordinated with shipowners to ensure that their vessels/motorbancas are in seaworthy condition.
- r. Advised beach owners to make precautionary measures and closely monitor their respective guests/customers.

#### **CGD Palawan (CGDPAL)**

- a. Ordered all Coast Guard District Palawan Stations and Sub Stations to observe heightened alert by strict compliance with existing safety and security measures on ports, harbours and passenger terminals within respective areas of responsibility in connection with the traditional All Saints Day and All Souls Day which will be observe from 30 October to 02 November 2015.
- b. Advised all Coast Guard Stations and Sub Stations to ensure that all maritime activities within their respective areas are monitored 24/7 and personnel and assets are readily available and prepared to respond to any untoward maritime incident that may happen, and to be in heightened alert for security purposes
- c. Doubled- up personnel on all critical ports to ensure orderly, safe, convenient and secure sea travel in compliance with DOTC Oplan Ligtas Byahe: Undas 2015.
- d. Directed Coast Guard K9 teams and respective inspectors to exercise extra vigilance in ports and passenger terminals by implementing random inspections on passengers and luggage more than usual.
- e. Advised Ship owners and operators, and passengers to be in their respective port terminals at least 3 hours before departure time and avoid restricted cargoes such as flammable liquids and solids, corrosive materials, toxic and infectious substance, compressed gases, radioactive materials and explosive to avoid search delays and inconvenience.

#### **CGD Western Visayas (CGDWV)**

- a. Activated Public Assistance Center (PAC) from 31 October 2015 to 02 November 2015. To provide assistance on the following concerns:
  - Assist in the embarkation and disembarkation of passengers
  - Provide medical/first aid assistance when needed
  - Act as facilitator on the requests, suggestions and complaints of the riding public for referral to the concerned shipping company
  - Maintain log of complaints and requests
  - Strictly observe a no instance to intercede in passage or accommodation of passengers
- b. Ensured safety, security and convenient travel of the seafaring public during the holiday.

#### **CGD Northern Mindanao (CGDNM)**

- a. All rescue assets were placed on alert.
- b. Ensured the safety and security of sea-going passengers. All vessels must have passed safety standards before allowed to set sail.

- c. Organized and manned the Passengers Assistance Centers

#### **CGD North Eastern Luzon (CGDNELZN)**

- a. Activated Passenger Assistance Centers (PACs) in all ports, harbors and areas where heavy maritime traffic is expected, starting from 28 October to 08 November 2015.
- b. Intensified public awareness campaign against peril of patronizing colorum (unregulated) watercrafts as mean of transportation.
- c. Activated its Deployable Response Team (DRTs) for possible deployment.
- d. Directed all stations/sub-stations to undertake the following:
  - Inspect seaworthiness condition and Emergency Readiness of passenger water transport to ensure that it complies with the existing regulation;
  - Coordinate with the local PPA and MARINA for the availability of appropriate area for the establishment of the DOTC's Passenger Assistance Centers (PACs);
  - Work closely with local PPA, PNP, AFP and shipping companies to ensure security and safety particularly in water transport service by strictly enforcing safety standards and regulations;
  - Ensure that "no colorum" watercraft shall be operating in their respective Area of Responsibility (AOR); and
  - Strictly enforces laws/regulations and impose maximum penalties against all violators.

### **7. Department of Public Works and Highways (DPWH)**

- a. Issued Memorandum directing the Regional and District Engineering Office to activate composite team who will aid the travelling public.
- b. Instructed DEO's that the National Highways leading to both public and private cemeteries shall be thoroughly maintained and always kept in good shape for safe travel and ensure the uninterrupted transport flow in the country.
- c. Dedicated duty personnel from Maintenance Division and District Engineering Offices from 30 October – 02 November 2015.

#### **DPWH REGION II**

- a. Activated all district offices.
- b. Prepositioned all available/operational equipment with operators including designated inspectors to areas identified by concerned District Engineering Offices (DEOs).
- c. Established Motorists Assistance Center per DEOs.
- d. Biliran Engineering District established "Lakbay Alalay" Information Kiosk.

#### **DPWH REGION III**

- a. Establishment of Post / Station for Motorist Assistance.
- b. Made available for any augmentation assistance.
- c. Motorist Assistance Command Post was placed to ensure immediate response in case of fire incident, road accidents and other emergencies.

#### **DPWH REGION IV-A**

- a. Activated teams situated in their respective District Engineering Offices (DEO's)
- b. Alerted personnel to be on stand-by.

#### **DPWH REGION IV-B**

- a. Reactivated District Motorists Assistance Team who will assist the travelling public at strategic locations within the respective areas in coordination with other concerned agencies (LTO, PNP, and Officials of LGU).
- b. For Mindoro Oriental and Southern Mindoro DEOs with ongoing Long Term Performance Based Maintenance Projects, proper coordination with the Project Engineers of both Unified Project Management Office (UPMO) and concerned contractors should be undertaken for the scheduling of their works and installation of necessary traffic advisory.

#### **DPWH REGION V**

- a. Issued Memorandum for "LAKBAY ALALAY" Program for 2015 All Saints' Day, covering the period 30 October 2015 – 2 November 2015.

### DPWH REGION VIII

- a. DPWH Biliran Engineering District established “Lakbay Alalay” Information Kiosk.

### DPWH REGION X

- a. Monitored roads and bridges.
- b. Provided alternate routes as needed.

### DPWH REGION XII

- a. Activated duty system to have stand-by personnel in their Operations Center.
- b. Monitored status of highways and bridges.

### DPWH CAR

- a. Kennon Road was officially opened on 28 October 2015 but motorists are still reminded to take all necessary precautions especially in landslide-prone areas.
- b. On alert status and 24/7 monitoring.
- c. Heavy equipment were deployed in major highways.
- d. Monitored road conditions in the Region and providing traffic assistance to motorist.

## 8. Department of Social Welfare and Development (DSWD)

- a. Emergency Response Services included protection desks for children who get separated to their parents or guardians, assistance to older persons, assistance to strandeers, and assistance to street families.
- b. Alerted the Quick Response Teams of the DSWD-Field Offices.
- c. QRT of the DSWD Field Offices deployed to provide emergency assistance to families and individuals who will need emergency assistance.
- d. Coordinated with the LGUs for emergency response.
- e. A total of **₱58,376,460.00 Standby Funds** and **288,268 FFPs** were prepositioned/available at Regions I, II, III, IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CAR, CARAGA, and NCR:

Region	Stand-by Funds	Prepositioned FFPs
<b>Total</b>	<b>₱58,376,460.00</b>	<b>288,268</b>
Region I	₱16,596.00	21,600
Region II	₱7,500.00	37,952
Region III	₱25,652,045.00	18,756
Region IV-A	₱1,820,833.00	9,323
Region IV-B	₱4,698,783.00	8,855
Region V	₱3,039,000.00	28,465
Region VI	₱5,726,500.00	24,038
Region VII	₱2,492,743.00	23,195
Region VIII	₱3,006,063.00	15,132
Region IX	₱2,063,231.00	9,072
Region X	₱3,408,200.00	27,443
Region XI	₱3,096,651.00	8,427
Region XII	₱2,850,211.00	16,408
NCR	₱1,500.00	15,142
CAR	₱13,500.00	13,625
CARAGA	₱483,104.00	10,835

### DSWD FO II

- a. Disaster Management and Response Teams were on standby / readily available at the Field Offices and in the provinces in case of occurrence of disaster during UNDAS.

### DSWD FO IV-A

- a. Preparations
  - Issued of Memorandum to all the Divisions/Unit and RPQRT to be on alert / stand-by mode during the Observance of UNDAS 2015. Activation of RPQRT when necessary
  - Activated Emergency Operation Centers and Frontline Services - Crisis Intervention Unit starting 29 October - 03 November 2015. Skeletal duty of staff identified

- Coordinated with LGUs to monitor status of AOR and untoward incident, if there is any
- b. Responses
- Made available Standby Funds amounting to Php1,820,832.55 at any given time
  - Ensured availability of Food and Non-Food Items at GMA Warehouse and Pre-positioned to LGUs
  - Ensured availability of DSWD Truck and 1 vehicle to conduct Rapid Assessment and monitoring when necessary

**DSWD FO XII**

- Activated DIRS (Disaster Incident Report System).
- Has standby fund of PHP 1M and 30,000 family food packs.
- Activated standby duty system until alert status is lowered to white.

**9. Armed Forces of the Philippines (AFP)**

- AFP, GHQ Radiographic Message Directive dated 28 October 2015 to Unified Commands, JTF-NCR, and Major Services:
  - Unified Commands and the JTF-NCR coordinated with their PNP counterparts (thru JPSCC) for the conduct of joint target hardening to secure targeted facilities and establishments against the threat and organized crime groups in order to ensure the security and safety of the general public at places of convergence like cemeteries, transport terminals, malls, beaches, local tourist spots, markets, and churches and other places of worship
  - Unified Commands were also tasked to intensify intelligence effort for enhanced situational awareness and operational readiness with the capability to respond quickly to possible and simultaneous tactical offensives and atrocities by the threat groups in AOR, to ensure that Unit Commanders remind the troops of force-protection measures even when performing admin-related tasks for personal security, to exercise pro-active measures against kidnapping of prominent and target personalities/officials at respective AORs in coordination with counterpart authorities
  - JTF-NCR coordinated with the National Capital Region Police Office (NCRPO) for the conduct of joint target hardening in the National Capital Region (NCR), to be alert on the possible mass protest actions of militant groups and organizations in connection with the Maynilakbayan 2015, and to also assist the NCRPO in the conduct of support to security operations for the Manila North Cemetery
  - Major Services to provided the following for JTF-NCR:

UNIT	80-MAN CDM Company	K9 Team	EOD Team
Philippine Army	1	2	2
Philippine Air Force	1	2	2
Philippine Navy	1	2	2
Total	1	6	6

- The Philippine Army ensured the safe and peaceful commemoration of the All Saints' / Souls Day at the Libingan ng mga Bayani, in Taguig City and its vicinity
- The AFPC monitored the preparation for UNDAs 2015; video teleconferencing to monitor the situation nationwide (prior, during, and after) in order to ensure the safety and security of the general public

**South Luzon Command (SOLCOM)**

- Ensured assistance and augmentation in manpower.

**Tactical Operations Group - 10**

- Placed all rescue assets on alert.
- Responders were alerted and readied for deployment.

**4<sup>th</sup> Infantry Division, PA & 2<sup>nd</sup> Mechanized Brigade**

- Placed all rescue assets on alert.

- b. Provide assistance in the maintenance of law and order.
- c. Provide Logistical Support in terms of land transport, when needed.
- d. Responders are alerted and ready for deployment.

#### **52<sup>nd</sup> Engineering Brigade**

- a. Placed all rescue assets on alert.
- b. Responders were alerted and ready for deployment.
- c. Assisted DPWH in keeping roads and bridges passable and / or provide assistance provide alternate routes, if needed.
- d. Provided logistical support in terms of land transport.

#### **102<sup>nd</sup> Infantry Division, BDE PA**

- a. Prepositioned assets in their AOR.
- b. Monitored the situation.
- c. Relayed emergency hotlines to RDRRMC XII Member Agencies and other stakeholders for fast dissemination of information.

#### **Joint Task Force (JTF) Gensan**

- a. Monitored with CDRRMC to ensure the safety of the public in cemeteries, malls, beaches and other crowded places.
- b. Positioned checkpoints in Barangays Bawing, Apopong, Mabuhay, Tinagacan and Buayan, all in General Santos City.
- c. Deployed two (2) IED Detection Teams.

### **10. Department of Health (DOH)**

- a. Identified medical teams to be deployed in response to any untoward incident during the All Saints' Day and All Souls Day.
  - Number of medical teams on stand-by with ambulances in their respective hospitals in Metro Manila: 20 (from 20 DOH-retained Metro Manila Hospitals)
  - All DOH-retained Hospitals from 16 other regions already have response teams ready for deployment to respond to any untoward incidents

Photo credit: Credit: <http://kickerdaily.com/wp-content/uploads/2015/10/feat39.jpg>

- b. Identified receiving hospital within the Metropolitan Manila and sixteen (16) other regions.
  - All DOH-retained Hospital nationwide
- c. Disseminated of health advisories to the public.
- d. Raised its alert level status to Code White Alert from 30 October to 02 November 2015.

#### **DOH REGION I**

- a. Raised Code White Alert at Regional Operation Center and four (4) Provincial DOH Office Operation Centers (PDOHO-OpCens) effective on 30 October to 03 November 2015.
- b. Coordinated with respective DRRMCs in monitoring "UNDAS" related events.
- c. Three (3) DOH Retained Hospitals on 24-hour duty with their response teams were on standby and readied for possible dispatch.
- d. Four (4) DOH Regional Office Staff rendered duty at the Operations Center.

**DOH REGION II**

- a. On 24-hour monitoring of the situation in the region.
- b. Activated Code White Alert.

**DOH REGION III**

- a. On "White Alert", ready to respond in any eventualities.

**DOH REGION IV-A**

- a. Activated and alerted Teams A and B for possible deployment on 29 October to 03 November 2015 and render duty from 9:00 PM – 5:00 AM in cemeteries.
- b. Provided Information, Education and Communication (IECs) in areas near cemeteries about dengue awareness.
- c. Responded in any eventualities.
- d. On Code White Alert status.
- e. Monitored their AOR.

**DOH REGION IV-B**

- a. Raised Code White Alert for the Regional DOH Office and DOH Retained Hospitals in Observance of UNDAS Season.
- b. OPCEN was activated on 24-hour basis and should be manned by RDOHO and hospital employees.
- c. Monitored all health emergencies of the region.
- d. Provided material and logistical support to the Provincial Health Team Offices and Local Government Unit.
- e. Monitored vehicular and maritime incident.
- f. Coordinated with local response group for unified health emergency response, SAR Teams, other response units and region for augmentation.
- g. Deployed medical team within their catchment areas.
- h. Prepositioned drugs/medicines in PDOHO extensions and Regional Office amounting to ₱11,133,795.00.
- i. Deployed NDPs and RHMPPs to all areas of concern including entrance and exit points (Air/Seaports) and to establish Health Assistance Desk.
- j. Standing order to WASH Team, MHPSS, Nutrition and RHA for possible deployment.
- k. Advised the Health facilities and emergency response teams, Health personnel with access to mobile phones and 2-way radio to be available until declaration of safe environment, DOH REPS/PDOHO in 5 provinces to be available at the LGU, Finance Division to ensure availability of funds in case of emergency purchase, Supply Section to coordinate with suppliers for additional requirements, Transport section to ensure availability of all vehicles and back-up fuel; to prepare emergency rooms; to condition transport ambulance and ensure availability of all health personnel; and to coordinate with RDRRMC IVB, LDRRMCs, and PDOHO Operations Center.
- l. Coordinated with Philippine Airforce 505 Search and Rescue for the utilization of Air Medical Services.

**DOH REGION VIII**

- a. Raised Code White Alert at the DOH Regional Office and the six (6) DOH Provincial Offices effective 31 October to 02 November or until it was lifted.
- b. Attended PDRA meeting conducted by RDRRMC VIII on 28 October 2015.
