1. Progress Report re Bomb Explosion in Davao City

A. Situation Overview:

- On or about 9:40 AM, November 18, 2015, a bomb exploded inside a passenger van for hire with Plate Number MVM 553 at SM Terminal, Ecoland Subdivision, Davao City.
- The said van had just arrived from Pikit, North Cotabato.

B. Effects:

- One (1) person was injured during the explosion and his name is Alberto Besaños, Jr.
- He was immediately brought to Southern Philippines Medical Center for treatment and is already out of the hospital.

C. Actions Taken:

- Davao City Police Office and Task Force Davao-AFP operatives are continuously conducting thorough investigation on the said incident and tighten security measures in Davao City and adjacent areas.
- OCD-XI is continuously monitoring any update of the said incident.
