- It has a maximum sustained winds of 65 kph near the center and gustiness of up to 80 kph.

2. 13 December 2015

- At 4:00 AM, "NONA" intensified into a Severe Tropical Storm (STS) and further intensified to a Typhoon (TY) in the afternoon.
- Public Storm Warning Signal (PSWS) No. 1 was raised in Samar Provinces

3. 14 December 2015

- It made three (3) landfalls on 14 December 2015: 1st landfall at 11:00 AM in Batag Island, Laoang, Northern Samar; 2nd landfall at 4:00 PM in Bulusan, Sorsogon; and 3rd landfall at 9:45 PM in Burias Island, Masbate

4. 15 December 2015

- It made its 4th landfall at 5:30 AM in Banton Island, Romblon. At 10:30 AM, it made its 5th and last landfall in Pinamalayan, Oriental Mindoro
- In the afternoon of the same date, Typhoon "NONA" has slowed down as it crossed Northern Mindoro.

5. 16 December 2015

- Typhoon "NONA" has slightly weakened and as it moved to the West Philippine Sea with maximum sustained winds of 130 kph near the center and gustiness of up to 160 kph
- In the afternoon, "NONA" has weakened into Severe Tropical Storm as it continued its slow movement over the West Philippine Sea.
- "NONA" has weakened into Tropical Storm and moved towards Northern Luzon.

6. 17 December 2015

- a. At about 4:00 AM, "NONA" has further weakened into Tropical Depression (TD) and was located 60 km West of Iba, Zambales.
- b. At 8:00AM, "NONA" was located at 75 km West of SBMA, Olongapo City, Zambales as it further weakened into a Low Pressure Area (LPA).

II. DISASTER PREPAREDNESS (Tab A)

A. NATIONAL / NDRRMC

1. NDRRMC Operations Center

- a. Disseminated weather information to all RDRRMCs/OCDRCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.

Issued and disseminated the following advisories:

- 24-hour Public Weather Forecast
 - General Flood Advisories
 - Flood Bulletin No. 1 Bicol River Basin on 13 December 2015
 - Severe Weather Bulletins:
 - No. 1 on 11 December 2015
 - No. 1-A, 2, and 3 on 12 December 2015
 - No. 4, 5, 6, 6-A, and 7 on 13 December 2015
 - No. 8, 9, 10, and 11 on 14 December 2015
 - No. 12, 13, 14, and 15 on 15 December 2015
 - No. 16, 17, 18, and 19 on 16 December 2015
 - No. 20 and 21 (Final) on 17 December 2015
 - Gale Warnings:
 - No. 1 and 2 on 13 December 2015
 - No. 3 and 4 on 14 December 2015
 - No. 5 and 6 on 15 December 2015
 - No. 7 and 8 on 16 December 2015
 - No. 9 on 17 December 2015
 - Lahar Advisory for the Provinces of Albay and Sorsogon related to TY NONA
 - Notice on Dam Discharge Warning Operation for Angat Dam on 17 December 2015, 8:00 AM issued on 16 December 2015, 9:00 PM
 - Report on Commencement of Preparatory Phase of Flood Warning Operation for San Roque Dam issued on 16 December 2015, 8:03 PM
- b. Pre-Disaster Risk Assessment (PDRA) Meeting was conducted on 11 December 2015, 10:00 AM at the NDRRM Operations Center, Camp General Aguinaldo, Quezon City.
 - c. A follow-up PDRA Meeting were conducted on 13, 14, and twice on 15 December 2015 at the NDRRMC Operations Center, Camp General Aguinaldo, Quezon City.
 - d. Directed all concerned OCD Regional Centers to conduct PDRA Meeting and raise respective alert levels corresponding to the forecast situation in their respective AORs to ensure the execution of preparedness actions and coordination with concerned agencies.
 - e. On 13 December 2015, the ED, NDRRMC and Administrator, OCD directed concerned OCD Regional Directors, in coordination with DILG the conduct of pre-emptive evacuation in the Provinces of Camarines, Albay, and Sorsogon in Region V, Eastern and Northern Samar in Region VIII, and Region IV-B.
 - f. Issued and disseminated a memorandum to PAGASA, DSWD, AFP, PNP, PCG, BFP, MGB, DepEd, and DOST-Project NOAH, requiring the said agencies to send their Detailed Duty Officers (DDOs) to render duty at the NDRRMOC to ensure continuous coordination and to assist in facilitating the submission of consolidated preparedness measures of their respective agencies.

B. REGIONAL / RDRRMC

- a. RDRRMCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, X, CAR, Caraga, NCR, and NIR continuously disseminates weather advisories to RDRRMC member-agencies, P/C/MDRRMCs, and quad-media through OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AORs.

III. EFFECTS

A. PRE-EMPTIVE EVACUATION (Tab B)

1. A total of **165,554 families / 742,991 persons** were pre-emptively evacuated in Regions IV-A, IV-B, V, VII, and VIII.

B. SERVED POPULATION INSIDE and OUTSIDE EVACUATION CENTERS (ECs) - (Tab C)

1. About **62,799 families / 287,227 persons** in four (4) cities, 71 municipalities in fourteen (14) provinces of Regions III, IV-A, IV-B, V, and VIII are still being served inside and outside evacuations centers (ECs).

Inside 304 ECs :	16,833 families / 80,885 persons
Outside ECs:	45,966 families / 206,342 persons

C. CASUALTIES (Tab D)

1. **DEAD – 42**: six (6) in Region II; three (3) in IV-A; fourteen (14) in IV-B; ten (10) in V; eight (8) in VIII; and one (1) in NCR
2. **INJURED – 24**: four (4) in Region II; one (1) in IV-A; thirteen (13) in IV-B; and six (6) in V
3. **MISSING – 4**: one (1) in Region II; two (2) in IV-A; and one (1) in IV-B

D. INCIDENTS MONITORED

1. Landslide Incident in Nueva Ecija
 - a. On 16 December 2015, a series of landslides occurred in the stretch of Pantabangan-Aurora Road in the vicinity of Barangay Cadaclan and Barangay Marikit, Pantabangan which totally damaged four (4) houses. The said road was rendered impassable.

At around 7:20 AM, 18 December 2015, four (4) military vehicle convoy of 546ECBN while traversing Maharlika Highway to transport relief goods in areas affected by TY "NONA" were ambushed by undetermined number of armed lawless elements at the vicinity of Brgy. Madalunot, Pinabacdao, Samar. Two (2) military personnel were reported wounded.

E. FLOODED AREAS (Tab E)

1. A total of **332 flooded areas** were reported in Regions I, III, IV-B, and NCR. Of which, floodwaters in **202 areas already subsided**

F. STATUS OF LIFELINES

Power Supply (Tab F)

1. Fifteen (15) cities and 201 municipalities in Regions II, III, IV-A, IV-B, V, and VIII experienced power interruption since 14 December 2015. Of which, **power in eight (8) cities and 142 municipalities has been restored.**
2. **As of 24 December 2015, a total of seven (7) cities and 59 municipalities are still experiencing power interruption.**

Communication

1. Communication lines in the following areas are fully restored:

➤ Occidental Mindoro	➤ Batangas
➤ Oriental Mindoro	➤ Camarines Norte
➤ Palawan	➤ Marinduque
➤ Albay	➤ Quezon
2. Communication lines in Camarines Sur and Cavite for Globe Telecom are 99% restored.
3. Cellular Signal Rate (operational):

GLOBE

2G (call & text services) for Northern Luzon as of 6:00 PM, 22 December 2015.

- Cagayan, 105 out of 106 (99%)
- Isabela, 92 out of 93 (99%)
- Pampanga, 151 out of 153 (99%)

2G (call & text services) for Southern Luzon as of 6:00 PM, 22 December 2015.

- Marinduque, 20 out of 23 (87%)
- Masbate, 29 out of 30 (97%)
- Oriental Mindoro, 46 out of 57 (81%)
- Romblon, 34 out of 35 (97%)
- Sorsogon, 29 out of 34 (85%)

2G (call & text services) for Visayas as of 6:00 PM, 22 December 2015

- Northern Samar, 21 out of 25 (84%)

SMART/SUN

2G (call & text services)

For Southern Luzon as of 6:00 PM, 22 December 2015

- Masbate, 15 out of 21 (71%)
- Oriental Mindoro, 14 out of 15 (93%)

- Romblon, 16 out of 17 (94%)
- Sorsogon, 16 out of 16 (100%)

3G (call, text and internet services)

For Southern Luzon as of 6:00 PM, 22 December 2015

- Camarines Sur, 36 out of 36 (100%)
- Catanduanes, 11 out of 11 (100%)
- Cavite, 23 out of 23 (100%)
- Laguna, 30 out of 30 (100%)
- Masbate, 13 out of 18 (72%)
- Occidental Mindoro, 10 out of 10 (100%)
- Palawan, 20 out of 20 (100%)
- Quezon, 41 out of 41 (100%)
- Romblon, 13 out of 14 (93%)
- Sorsogon, 15 out of 15 (100%)

2G (call & text services) For Visayas as of 6:00 PM, 22 December 2015

- Northern Samar, 12 out of 20 (60%)

3G (call, text & internet services) for Visayas as of 6:00 PM, 22 December 2015

- Northern Samar, 10 out of 12 (83%)

Roads and Bridges (Tab G)

1. A total of **22 roads** and **14 bridges** are still not passable in Regions II, III, IV-A, IV-B, V, VIII, and CAR.

Gabaldon, Nueva Ecija as of 16 December 2015

G. SUSPENSION OF CLASSES (Tab H)

1. Classes in 32 cities and 45 municipalities in 23 provinces were suspended from 14 to 18 December 2015 due to TY "NONA".
2. By virtue of the Department of Education Order No.9, s. 2015, it was declared that 19 December 2015 is the start of Christmas break for public elementary and secondary schools, thus, no class suspension is in effect. Classes will resume on 04 January 2015.

H. STATUS OF PORTS

AIRPORTS (Tab I)

1. A total of **132 domestic flights** were cancelled from 14 to 18 December 2015.
2. Catarman, Northern Samar Airport Terminal Building is not operational due to collapsed ceiling; commercial power is out but operating on a back-up power; runway is still usable and flight service station is operational.

SEAPORTS

1. On 19 December 2015, 4:00 AM, there were no reported stranded passengers, vessels, rolling cargoes and motor bancas in any port due to TY "NONA".

I. DAMAGED HOUSES (Tab J)

1. A total of **279,487 houses were damaged** (Totally – 98,371 / **Partially – 181,116**) in Regions III, IV-A, IV-B, V, and VIII.

J. COST OF DAMAGES (Tab K)

1. An estimated cost of damage to infrastructure and agriculture amounting to **P6,455,183,879.80** were reported in Regions II, III, IV-A, IV-B, V, and VIII.

Infrastructure: **P2,127,839,992.88**

Agriculture: **P4,327,343,886.92**

2. **Damage to Health Facilities:** A total of **thirty-nine (39) health facilities** were reported damaged, one (1) of which is from Region III, **one (1) from Region IV-B**, nine (9) are from Region V, and twenty-eight (28) from Region VIII:

Region	Province	Type and Number of Health Facility Damaged			Functionality
		Hospital	Rural Health Unit (RHU)	Brgy. Health Station (BHS)	
III	Nueva Ecija	1 – partially damaged	0	0	Functional
IV-B	Oriental Mindoro	0	1 – partially damaged	0	Functional
V	Sorsogon	0	8 partially damaged	0	All functional
	Masbate	0	1 – partially damaged	0	Functional
VIII	Northern Samar	3 LGU Hospitals – partially damaged	9 partially damaged	7- (4 partially damaged, 3 totally damaged)	All partially damaged are functional. The 3 totally damaged BHS are not operational
	Eastern Samar	0	2 partially damaged	7 partially damaged	All functional

Source: **DOH HEARS Plus Report as of 23 December 2015**

Note: The cost of damages to health facilities in Regions III are still subject for validation.

3. **Damage to Educational Facilities:** A total of **420 schools** have incurred damaged classrooms (**949 totally and 1,423 partially damaged**) in Regions III, IV-A, IV-B, V, and VIII.

K. COST OF ASSISTANCE (Tab L)

1. A total of **P88,037,660.38** worth of relief assistance from combined resources of Department of Social Welfare and Development, Local Government Units, and Non-Government Organizations was provided in Regions III, IV-A, IV-B, V, and VIII.

L. DECLARATION UNDER STATE OF CALAMITY

1. On 18 December 2015, H.E. President Benigno S. Aquino III declared a National State of Calamity through Proclamation No. 1186
2. The Local Sangguniang Panlalawigan declared the following areas under State of Calamity through Sangguniang Resolutions:

Region	Area	Resolution Number	Date
IV-B	Province of Oriental Mindoro	No. 2853 -2015	15 December 2015
	Municipality of Torrijos, Marinduque	No. 2015-199	16 December 2015
	*Municipality of Concepcion, Romblon	62-2015	17 December 2015
	*Municipality of Corcuera, Romblon	94 s.2015	16 December 2015

V	Province of Sorsogon	No. 270-2015	16 December 2015
	Province of Albay	No. 0060-2015-B	14 December 2015
VIII	Province of Northern Samar	No. 207 series of 2015	15 December 2015

*Has yet to submit official documents.

IV. DISASTER RESPONSE (Tab M)

- a. The Response Cluster was activated on 14 December 2015, 12:00 NN, to monitor and act accordingly on identified/required needs and resources for response operations.
- b. Response Cluster Meetings conducted for TY "NONA":
 1. 15 December 2015, 11:00 AM at the NDRRM Operations Center.
 2. 16 December 2015, 10:30 AM at the NDRRMC Conference Room.
- c. NDRRM Council conducted an Emergency Council Meeting regarding Typhoon "Nona" and TD Onyok, on 17 December 2016, 2:00 PM at NDRRMC Conference Room, Camp General Emilio Aguinaldo. The Council agreed to recommend to his H.E. Benigno S. Aquino a Presidential Declaration of State of Calamity in affected provinces to ensure continuous delivery of response and recovery services to communities.
- d. RDRRMCs/OCDs IV-A and V deployed Regional RDANA Teams to assess the damages and identify the immediate needs of the affected communities.
- e. RDRRMCs/OCDs III and VIII conducted an aerial survey in typhoon-affected areas.
- f. AHA Centre deployed one (1) In-Country ERAT Member to NDRRM Operations Center to serve as a Liaison Officer to AHA Centre, primarily to obtain necessary information to assess whether there's a need for them to deploy additional resources in support of the emergency response operations in relation with TY "NONA".

**EFFECTS OF TY “NONA”
DISASTER PREPAREDNESS
24 December 2015, 6:00 AM**

A. NATIONAL / NDRRMC

1. NDRRMC Operations Center

- a. Alert status at the NDRRM Operations Center was raised to Blue Alert Status effective on 12 December 2015, 8:00 AM, and further raised to Red Alert effective 13 December 2015, 12:00 NN to continuously monitor and ensure dissemination of Weather Advisories and 24-hour Public Weather Forecasts to all RDRRMCs/OCDRCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.
- b. Issued and disseminated the following advisories:
 - 24-hour Public Weather Forecast
 - General Flood Advisories
 - Flood Bulletin No. 1 Bicol River Basin on 13 December 2015
 - Severe Weather Bulletins:
 - No. 1 on 11 December 2015
 - No. 1-A, 2, and 3 on 12 December 2015
 - No. 4, 5, 6, 6-A, and 7 on 13 December 2015
 - No. 8, 9, 10, and 11 on 14 December 2015
 - No. 12, 13 and 14 on 15 December 2015
 - No. 16, 17, 18 and 19 on 16 December 2015
 - No. 20 and 21 (Final) on 17 December 2015
 - Gale Warnings:
 - No. 1 and 2 on 13 December 2015
 - No. 3 and 4 on 14 December 2015
 - No. 5 and 6 on 15 December 2015
 - No. 7 and 8 on 16 December 2015
 - No. 9 on 17 December 2015
 - Lahar Advisory for the Provinces of Albay and Sorsogon related to TY NONA
 - Notice on Dam Discharge Warning Operation for Angat Dam on 17 December 2015, 8:00 AM issued 16 December 2015, 9:00 PM
 - Report on Commencement of Preparatory Phase of Flood Warning Operation for San Roque Dam issued on 16 December 2015, 8:03 PM
- c. Pre-Disaster Risk Assessment (PDRA) Meeting was conducted on 11 December 2015, 10:00 AM at the NDRRM Operations Center, Camp General Aguinaldo, Quezon City.
- d. A follow-up PDRA Meeting were conducted on 13, 14 and 15 December 2015 at the NDRRMC Operations Center, Camp General Aguinaldo, Quezon City.
- e. Directed all concerned OCD Regional Centers to conduct PDRA Meeting and raise respective alert levels corresponding to the forecast situation in their respective AORs to ensure the execution of preparedness actions and coordination with concerned agencies.
- f. Issued and disseminated a memorandum to PAGASA, DSWD, AFP, PNP, PCG, BFP, MGB, DepEd, and DOST-Project NOAH, requiring the said agencies to send their Detailed Duty Officers (DDOs) to render duty at the NDRRMOC to ensure continuous coordination and to assist in facilitating the submission of consolidated preparedness measures of their respective agencies.

2. Armed Forces of the Philippines (AFP)

GHQ, AFP

- a. Conducted a video tele-conference with Unified Commands and major services regarding updates and preparations for Typhoon “Nona”
- b. Activated the AFP HADR Crisis Action Team (CAT) on 13 December 2015

- c. Placed Major Services, Joint Task Force (JTF) NCR, SOLCOM, and CENTCOM on Red Alert status on 13 December 2015
- d. Convened the SOLCOM Battle Staff "Bravo" on 13 December 2015
- e. Directed the 2ID and 9ID, PA to activate their respective Battle Staff for action planning
- f. Alerted the other Unified Command HADR Units and HADR Units of Major Services on 13 December 2015
- g. Conducted coordination meeting by AFP Battle Staff Bravo and HADR CAT at 2:00 PM, 14 December 2015
- h. Issued warning message to units to prepare for the possible effects of the weather disturbance on 11 December 2015
- i. Directed all Unified Commands, Major Services, and AFP Wide Support and Separate Units (AFPWSSUs) to alert their respective HADR units/assets on 12 December 2015

AFP Command Center (AFPCC)

- a. Issued directive to Unified Commands and Major Services to keep track of the tropical cyclone and monitor the areas that are prone to landslide and flooding, for the conduct of pre-emptive evacuation, proactive measures, and Humanitarian Assistance and Disaster Relief (HADR) operations in coordination with LGUs and LDRRMC.

Southern Luzon Command (SOLCOM)

- a. Placed personnel and equipment on standby for possible HADR operations
- b. Identified strategic areas for prepositioning of Quick Response Disaster Response Operations (DRO) Teams.
- c. Directed Operational Command (OPCOM) units to alert DRRO units to prepare DDRO assets and initiate coordination with LDRRMCs.
- d. Ensured the availability of vehicles and air assets in case needs arises
- e. Directed the 2ID and 9ID to activate their respective DRO units and take all necessary preparations to address the possible effects of the weather disturbance
- f. Established coordination with RDRRMC, LGUs, and other partner agencies to facilitate the possible conduct of DRO
- g. Declared the red alert status on 13 December 2015
- h. 902Bde, PA DRU team with one (1) KM450 truck proceeded to Naga City for possible evacuation operations; one (1) DRU team with one (1) KM250 proceeded to Ragay, Camarines Sur to augment one (1) KM450 and personnel; and placed one (1) DRU team with two (2) KM450, one (1) M35, and one (1) KM250 on standby at Camarines Norte
- i. 903Bde, PA prepositioned DRRO personnel for the briefing of HADR operations and installation of communication equipment
- j. Deployed the 202nd Brigade Communication Team to OCD IV-A to monitor the effects of TY "NONA"

Naval Force Northern Luzon (NFNL)

- a. Continuously monitors the track of TY "NONA" and updates all organic and Operational Control (OPCOM) Units especially floating assets, including Naval Base Camilo Osias (NBCO) in Cagayan and Civil Military Operation Unit, Northern Luzon (CMOU-NL) in Casiguran, Aurora through text blast and other means of communication.

203rd Brigade

- a. Alerted DRO Platoons of 4IB, 76IB, and 203rd brigade for possible deployment in case of floods and landslide
- b. Prepared their WASAR and USAR equipment and placed on standby
- c. Ensured the availability of one (1) squadron in case of need for clearing operations and six (6) vehicles in Mansalay

Western Command (WESCOM)

- a. Placed all DRRM and HADR units and rescue equipment on standby for possible deployment

Central Command (CENTCOM)

- a. Directed lower units to conduct PDRA in coordination with the regional and local DRRMCs and to undertake preparations ensure operational readiness of response units and forces
- b. Declared Red Alert Status on 13 December 2015
- c. Directed subordinate units to implement their respective HADR Plans in coordination with local DRRMCs on 13 December 2015

63rd Infantry Battalion (IB), PA

- a. Deployed one (1) team from Bravo Company with one (1) KM250 truck at Poblacion Mondragon, Northern Samar and one (1) team with one (1) KM250 truck at Poblacion Bonbon, Northern Samar to assist the MDRRMOs on 14 December 2015

20th IB, PA

- a. Deployed one (1) team with two (2) KM250 trucks at Palapag, Northern Samar and one (1) team from Bravo Company with two (2) KM250 trucks at Lower Libertad, Gamay, Northern Samar to assist the MDRRMOs on 14 December 2015

TOG8

- a. Prepositioned one (1) UH-1H helicopter at the headquarters for possible relief and SRR operations

Headquarters, Philippine Army

- a. Directed the 525 Engineer Construction Battalion (ECB) to prepare for possible augmentation to Unified Commands

Joint Task Force – NCR

- a. Prepositioned assets and ready for deployment

3. Bureau of Fire Protection (BFP)**BFP I**

- a. Directed all BFP personnel to be ready on call anytime and extend the necessary assistance in case of emergencies and other eventualities that may arise
- b. Ensures the availability of fire/rescue/emergency medical personnel, apparatus, and auxiliary units that would suit all operational needs
- c. Maintain vigilance and ensure prompt and effective delivery of basic emergency services
- d. Directed all BFP operation units that no personnel will be on leave and to distribute information materials/flyers on disaster preparedness to the citizenry
- e. Directed all BFP personnel of operation units to conduct “Ugnayan sa Barangay” particularly on the Basic Safety Tips on what to do during typhoon
- f. Provides early warning to the citizenry by blowing the sirens of the rescue ambulance/fire trucks as the typhoon/flood is approaching their area

BFP II

- a. On Red Alert Status
- b. Alerted all responding units to coordinate with concerned authorities regarding the monitoring of water level in their AOR.
- c. Ensured the availability of fire, rescue services, apparatus, and auxiliary units suited for all operations needs.

BFP III

- a. All Operations are on Alert
- b. Activated Oplan PAGHALASA and Oplan LISTO
- c. Alerted all BFP stations for possible rescue and response activities
- d. Roving within AOR is being conducted per station.
- e. Coordinated with other government agencies such as RDRRMC, PDRRMO, MDRRMO, PNP, LGU and others within their respective AOR.

BFP IV-A

- a. Alerted all Provincial, City and Municipal Fire Stations to assist the LDRRMCS and be on standby alert upon receipt of the RDRRMC IV-A advisory.
- b. City/municipality fire marshals coordinate with Local Government Officials in order to determine if there is need for personnel deployment that will serve as rescuers to affected areas.

BFP IV-B

- a. Constantly coordinates with MDRRMOs and LGUs.
- b. Alerted all BFP personnel for any disaster related response.
- c. Placed all response assets on standby
- d. Placed on Red Alert Status on 13 December 2015

BFP V

- a. Issued memorandum to all Provincial/City/Municipal Fire Marshals, Municipal Fire Prevention Officers regarding Full Alert Status on 11 December 2015, 12:00 NN.
- b. Activated OPLAN PAGHALASA (Paghahanda Laban sa Sakuna) with the following additional instructions:
 - All operating units shall undertake proactive steps in partnership and coordination with the R/P/C/MDRRMC, concerned AFP, PNP, LGUs and other government and non-government agencies relevant to the delivery of fire safety, rescue/emergency medical services and disaster related operations;

 - All personnel must be present to ensure prompt and effective delivery of fire safety/rescue/emergency medical services and relief operations;
 - Fire Marshals shall ensure that required actions contained in the DILG OPLAN LISTO-LGU Disaster Preparedness Manual checklist will be properly undertaken; and
 - Fire Marshals shall observe Special Operations and Disaster Management under BFP Operational Procedures Manual.

4. Department of Agriculture (DA)**DA III**

- a. Released an advisory that harvesting and drying activities in provinces with crops in maturity phase is suspended due to rain showers.

DA IV-B

- a. Ensured the availability of buffer stock of planting material to replace damage crops in DA Provincial Offices

5. Department of Environment and Natural Resources – Mines and Geosciences Bureau (DENR – MGB)**DENR – MGB III**

- a. Issued advisory for Bulacan and all other areas for possible landslides.

DENR – MGB IV-A

- a. Issued advisories to identified landslides- and flood-prone areas.

6. Department of Education (DepEd)

- a. Disseminated weather advisories to all DepEd local officials and DRRM Coordinators to coordinate with their respective LGUs for possible class suspension on 14 December 2015 via INFOboard text blast.

- b. Reiterated preemptive advisory to DepEd local officials and coordinators of Regions IV-A, IV-B, V, VI, VII, and VIII to inform school heads in their respective area of responsibility (AOR) to secure all school records and properties in preparation of the incoming TY “NONA”.

DepEd IV-A

- a. Ensures the availability of schools that can be utilized as evacuation centers.
- b. Activated the Operations Center to monitor weather updates and disseminate it to all school heads.
- c. Prepared alternative Temporary Learning Space (TLS) to ensure continuity of learning.

DepEd IV-B

- a. Sent advisories to schools to ready classrooms in case a need for evacuation has occurred

7. Department of the Interior and Local Government (DILG)

- a. Informed/alerted concerned Governors, Mayors and LDRRMOs of incoming TY “NONA” through: personal calls, text blasts and emails.
- b. Advised LGUs to activate pre-disaster monitoring teams.
- c. Directed Local Chief Executives (LCEs) to comply with disaster preparedness protocols.
- d. Provided constant updates on weather alerts/advisories and projected track to LGUs.

DILG I

- a. Continuously disseminates weather bulletins to LGUs through DILG Provincial Directors regarding TY “NONA”
- b. Posts weather advisories through facebook for wider coverage.
- c. DILG Provincial Offices (POs) to ensure the serving of written notices to Local Chief Executives (LCEs) as proof of service that DILG RO/POs notified the LGUs regarding the impending disaster.
- d. Closely coordinates with OCD and four (4) provinces in their AOR.

DILG II

- a. Issued advisory to all DILG Provincial and City Offices and LDRRMOs to activate their Operations Centers.

DILG III

- b. Issued advisory to all DILG Provincial/City Directors regarding the potential risk areas that will be affected by the typhoon on 14 December 2015.
- c. Is on White Alert Status effective on 15 December 2015 and advised Governor/Mayors and DILG personnel to observe all existing disaster protocols.
- d. Issue advisories in the conduct of preemptive evacuation in critical areas and downstream barangay along Pampanga River to the Provinces of Bulacan, Nueva Ecija, Pampanga, and Tarlac as well as flash flood alert on 16 December 2015.
- e. Issued potential risk areas for matrix for TS NONA and DILG-CODIX Hotdog to all provinces and cities.

DILG IV-A

- a. Assisted in the dissemination of NDRRMC weather advisories within their AOR.
- b. Alerted all Local Government Operations Officers (LGOOs) to ensure the preparedness of LGUs were undertaken.
- c. Issued Advisories to all DILG Provincial and City Directors, Cluster Officers, Municipal Local Government Operations Officers, Provincial Governors, City/Municipal Mayors, Punong Barangays, and other concerned to activate their respective monitoring systems and advised all LDRRMCs in their AOR to undertake precautionary measures and other proactive actions for the possible effects of the Typhoon “NONA”.

- d. Ensured preparedness and in close coordination with Teresa, Rizal; San Andres, Quezon and Sampaloc, Quezon due to heavy rainfall

DILG IV-B

- a. Activated all DILG Provincial Operations Centers
- b. Activated the monitoring and reporting system of LGUs based on Operations Listo.
- c. Disseminated NDRRMC weather advisories within their AOR.
- d. Advised all LGOOs to ensure that the preparedness of LGUs were undertaken.

DILG V

- a. Implemented/operationalized Project Listo Protocols.
- b. Ensured the presence of LCEs in their respective stations to personally supervise the preparatory measures to be undertaken by the LDRRMC as prescribed under Project Listo Protocols. Travels of LCEs, both local and foreign, are not allowed until such time that the tropical cyclone no longer poses threat in their respective localities.
- c. Activated DRRM Operations Center/Monitoring Units.
- d. Prepositioned goods and necessary services.
- e. Ensured that communication "feedbacking" through various channels by PDRRMOs is available. Back-up power supply shall be secured to prevent disruption of reporting to this level and RDRRM Operation Center.
- f. Activated their Disaster Monitoring Team on 11 December 2015

DILG VI

- a. Activated the disaster monitoring and working system for TY "NONA".
- b. Advised the PDRRMOs and CDRRMOs to activate their monitoring system
- c. Alerted LDRRMCs

DILG VIII

- a. Activated the Disaster Monitoring and Reporting System initiated by CODIX and constant updating of the LGUs thru field offices.
- b. Monitored LGUs thru field offices in different provinces of the region thru all means of communication.
- c. Triangulation on information/reports on damage assessed, affected families, casualties and status of lifelines received.
- d. Close coordination with PNP and DOH for validation of information/updates.
- e. Participated in the aerial survey conducted in Northern Samar

DILG X

- a. Disseminated the warnings and bulletins to the LGUs.
- b. Operation Center on 24/7 and on standby for any eventualities

DILG CAR

- a. Advised all Local Chief Executive to introduced Oplan Listo as reference for preparations.
- b. Ensured coordination with DSWD Provincial Directors to alert LGUs on the potential threat of the typhoon.

DILG NIR

- c. Activated Alert Level Alpha

8. Department of Health (DOH)

- a. On Code White Alert.
- b. Issued alert memorandum to affected regions
- c. Sent weather forecast to all stakeholders.
- d. Continuously monitors and provides updates regarding the weather disturbance through Smart Infoboard.
- e. A total of ₱9,983,325.74 worth of logistics were prepositioned in Regions IV-B, V, VI, VIII, and NCR and a total of ₱102,299,963.50 worth of logistics is present at DOH Regional Offices' warehouse and DOH Central Office

- f. Operations Centers of regional offices and hospitals affected are activated and operate on a 24/7 basis
- g. Checked adequacy of prepositioned medicines and logistics
- h. Ensured the availability of standby medical teams in the Regional and Provincial DOH Offices and retained hospitals
- i. Reminded Regional and Provincial DOH Offices to attend DRRMC meetings at all levels

DOH-HEMB

- j. Issued weather alert to all regional offices and weather updates to concerned agencies and hospitals through Smart Infoboard

DOH I

- a. RESU-HEMS Pre Disaster Risk Assessment (PDRA) Core Group Meeting at the Concord Building on December 14, 2015.
- b. Operations Center (OpCen) raised its status to "Code Blue Alert" and on 24-hour duty to monitor health events related to TY "NONA".
- c. The four (4) Provincial DOH OpCen are likewise activated and on 8-5 PM duty; Teams on-duty are ready for 24-hour shift if necessary and in direct coordination with their local DRRMCs and local units for needed assistance.
- d. Alerted Cluster Heads of DOH RO1/Public Health Team for ready deployment and provision of technical assistance and logistics.
- e. Prepositioned Drugs and Medicines to Provincial DOH Offices as of October 14, 2015:

Province	Items	Amount
Ilocos Sur	Assorted Drugs and Medicines	₱ 376, 018.60
Ilocos Norte		468, 026.00
Pangasinan		45, 613.00
La Union		330, 757.56
TOTAL		₱1,220, 415.16

- f. Stockpile of Drugs and Medicines (Assorted):

Unit	Estimated Cost
Warehouse (General Supply)	₱ 25, 970,916.67

DOH III

- a. On Code White Alert. While DOH Retained Hospitals are on Code Blue Alert
- b. Advised all PDOHOs to continuously monitor the situation and to conduct Rapid Health Assessment (RHA) at their AOR.
- c. Distributed Doxycycline and Aquatabs to the typhoon-affected areas.
- d. Provided Dignity Kits in the Provinces of Nueva Ecija (300 kits), Bulacan (200 kits), and Zambales (200 Kits).
- e. Advised LGUs to activate SPEED.
- f. Deployed RHA Team in the Provinces of Nueva Ecija and Aurora.

DOH IV-A

- g. Alerted all personnel to closely monitor weather conditions and any untoward incident in the Region.
- h. Placed all health personnel and medical teams on stand-by and ready for deployment.
- i. Ensured the availability of medicines and medical supplies to all DOH Extension Offices.
- j. Prepositioned drugs and medicines:

• Cavite:	₱485,500.00
• Laguna:	₱348,413.50
• Batangas:	₱440,495.00
• Rizal:	₱886,820.00
• Quezon:	₱612,410.00
• <u>DOH RO IV-A:</u>	<u>₱10,000,000</u>
	₱12,773,639

DOH IV-B

- a. Raised Code White Alert
- b. Prepositioned assorted drugs and medicines in Provincial DOH Offices
- c. Continuously coordinates with DOH retained hospitals and other attached agencies including entry and exit points.
- d. Advised PDOHOs to coordinate with HEMS-PHO for health emergencies monitored and Ports Authority and advised nearby Port Health Facilities to be on standby for possible health assistance.
- e. Coordinated with Philippine Air Force (PAF) 505 Search and Rescue (SAR) for the utilization of Air Medical Services in the region.
- f. PHO Palawan prepositioned medicines and medical supplies in the Municipalities of Coron and Busuanga, Palawan.

DOH V

- a. On Code White Alert effective on 11 December 2015.
- b. Prepositioned logistics at Provincial DOH Offices amounting to ₱564,550.10
- c. Ensured the availability of assorted drugs, medicines, and supplies for distribution
- d. Continuously coordinates with PDOs, PHOs, and DOH retained hospitals in relation to TY "NONA"
- e. Deployed nurses under Nurse Deployment Program of DOH to different evacuation centers
- f. In coordination with PDOs, PHO's and DOH Retained hospitals on actions taken for TY "NONA".
- g. In continuous monitoring of pre-emptive evacuation of different provinces in the region.
- h. Deployed Rapid Health Assessment teams and NDP Nurses to different evacuation centers.
- i. Prepositioned medicines to PDOs worth P564,550.10
- j. Augmentation to PHO Albay (Folding beds and Hygiene kits 120pcs) worth ₱43,028.40 and to PHO Sorsogon (Hygiene kits 100 pcs) worth ₱23,357.00.

DOH VIII

- a. Raised Code White Alert
- b. Activated their Operations Center with standby response teams
- c. Health Information Management closely monitors the weather status
- d. Coordinates with RDRRMC member agencies and field counterparts

DOH NCR

- a. Prepositioned assorted medicines (4,000/district) worth ₱3,000,000.00

9. Department of Science and Technology (DOST)**DOST IV-A**

- a. Closely monitors the weather Early Warning System (EWS) within their AOR
- b. Utilized Project HANDA Text Blast to continuously disseminate weather advisories.

10. Department of Public Works and Highways (DPWH)**DPWH IV-A**

- a. Activated DRRM Teams in all district offices in the region.
- b. Placed all heavy equipment and assets on standby.
- c. Continuously monitors the status of national roads in the region.

DPWH IV-B

- a. Activated Motor Vehicle User Charge (MVUC) and maintenance crew of District Disaster Risk Reduction and Management Teams to monitor condition of national roads and bridges and other infrastructures facilities.
- b. Placed equipments on standby for possible mobilization.
- c. Maintenance Point Persons of the District Offices were deployed on their respective area of assignment, assessing possible effect of the typhoon.

DPWH V

- In continuous monitoring of the situation.
- DRRM teams on continuous monitoring and are on standby and ready for deployment.
- All national roads and bridges are passable.

DPWH VIII

- Prepositioned equipment and vehicle at DPWH District Engineering Offices

DPWH CAR

- Continuously monitors road conditions in the region.
- Prepositioned heavy equipment for possible clearing operations.

DPWH NCR

- Recommended to stop deep excavation activities, secure on-going construction of high-rise buildings, and alert flood prone areas

11. Department of Social Welfare and Development (DSWD)

- Prepositioned a total of **₱707,871,861.62 standby funds, 297,768 family food packs, and ₱196,300,713.08 worth of food and non-food items** available at the Field Offices in Regions III, IV-A, IV-B, V, VI, VII, VIII, NCR, and National Resource Operations Center (NROC) **as of 14 December 2015:**

REGION	STANDBY FUNDS (₱)	STOCKPILE COSTS			
		Family Packs		Food (₱)	Non-Food (₱)
		Quantity	Total Cost		
TOTAL	707,871,861.62	297,768	98,878,181.08	93,529,625.82	102,771,087.26
NCR	3,030,605.00	80	29,496.00	3,180,977.31	1,113,342.75
III	3,087,451.27	20,867	7,303,450.00	222,604.80	144,878.56
IV-A	1,956,192.55	14,700	4,948,900.00	1,038,267.60	5,056,857.84
IV-B	4,174,331.05	8,855	2,961,937.90	5,140,792.94	1,170,940.61
V	3,039,000.00	28,465	11,556,790.00	6,757,400.00	20,350,752.42
VI	5,726,500.00	23,065	7,842,231.00	9,956,335.00	1,145,279.45
VII	6,031,892.87	38,112	7,769,764.00	24,757,705.00	15,860,696.60
VIII	3,006,063.00	13,882	6,385,720.00	-	1,099,380.00
CARAGA	8,603,503.88	13,598	5,950,176.02	1,399,368.06	4,568,658.74
NROC	669,216,322.00	136,144	44,129,716.16	41,076,175.11	52,260,300.29

DSWD I

- Placed Quick Action Response Teams (QART) on standby for possible deployment.
- Regular monitors and conducts inventory of stockpile and prepositioned goods

DSWD II

- Prepositioned 9,500 FFPs in different municipalities of four (4) provinces of the region.
- The Field Office has available standby funds amounting to PhP13,773,654.43 and 25,274 FFPs stockpile and other available goods consisting of 378 cases of corned beef, 230 cases of sausage, 49 cases of sardines, 1,1158 sacks of NFA rice and 3,696 ready-to-eat food (RTEF) and additional 34,774 FFPs are available for augmentation support to the affected localities.
- Disaster Management Response Teams (DMRTs) of the Field Office, SWD Teams and P/CMATs are regularly provided with advisories on the progress of the monsoon rains since December 14, 2015 and reminded of their responsibilities.
- Regular monitors and conducts inventory of stockpile and prepositioned goods.

DSWD III

- Packed 1,525 Family Food Packs.
- Coordinated and validated reports of affected individuals and families.

DSWD IV-A

- a. Alerted all Social Welfare and Development (SWAD) teams to monitor their respective areas.
- b. Ensures the availability of Disaster Assistance and Family Access Card (DAFAC) to master list the possible affected families.
- c. Continuously monitors the status of the tropical cyclone
- d. Activated all Regional/Provincial Quick Response Teams (R/PQRTs) to monitor the weather disturbance.
- e. Prepositioned 1,000 FFPs in Batangas on 15 December 2015

DSWD IV-B

- a. Activated Field Offices Crisis Intervention/Quick Response Teams to monitor the situation.
- b. Prepositioned food and non-food items in geographically isolated depressed areas
- c. Prepositioned relief goods in Coron, Palawan

DSWD V

- a. Placed SWAD teams in six (6) provinces on standby
- b. SWAD teams are continuously coordinating with P/C/MDRMOs
- c. Prepositioned a total 8,000 family food packs in Matnog and Castilla, Sorsogon, Tinambac and 3rd district of Camarines Sur, and Guinobatan, Albay
- d. Prepositioned a total of 8,000 FFPs in the following municipalities:
 - Matnog, Sorsogon – 2,000 FFPs
 - Castilla, Sorsogon – 1,000 FFPs
 - Tinambac, Camarines Sur – 1,000 FFPs
 - Guinobatan, Albay – 3,000 FFPs
 - 3rd District of Camarines Sur – 2,000 FFPs

DSWD VI

- a. Prepositioned a total of 30,661 family food worth ₱370.00/pack (assorted canned goods and noodles).
- b. Allocated Quick Response Fund (QRF) amounting to ₱5,400,000.00
- c. Ensured the availability of standby stocks of 130 sacks of rice for the 1st District of Iloilo and 25 kilos of rice/family for island barangays

DSWD VIII

- a. Mobilized field staff to assist in the conduct of rapid assessment
- b. Activated the Quick Response Team at the field office on 24/7 operation to render disaster monitoring and response duty.
- c. Delivered relief goods/commodities both food and non-food for distribution to affected families.
- d. Deployed staff of Office of Civil Defense (24/7) duty along with other RDRRMC member agencies to monitor the effects of typhoon
- e. Alerted the Social Welfare and Development (SWAD) Team in the provinces

DSWD CAR

- a. Prepared and prepositioned family food packs in the provincial offices.

DSWD NCR

- b. Alerted disaster teams for possible response operation.
- c. Prepositioned 6,680 family food packs, 5,000 mats, and 4,932 blankets

DSWD CARAGA

- a. Alerted Provincial and Municipal Action Teams (P/MATs)
- b. PSWDO and PDDMC of the Province of Dinagat Islands have stockpile of 2,000 family food packs
- c. Prepositioned a total of 8,000 family food packs to Loreto, Tubajon, and Libjo in the Province of Dinagat Islands, and Burgos, Socorro, Pilar, and Dapa in Surigao del Norte

12. Metropolitan Manila Development Authority (MMDA)

- a. Placed composite teams on standby.

13. National Food Authority (NFA)

- a. Activated Operations Center (OpCen) to ensure ready assistance
- b. Constant market monitoring is being undertaken. To date, no reported increase in prices of commercial rice.
- c. Regular coordination with LGUs and other relief agencies
- d. Ensured NFA warehouses in areas affected by TY "NONA: have sufficient stock inventory for rice issuances/withdrawals for relief operations.

14. National Grid Corporation of the Philippines (NGCP)

- a. Ensures the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.

15. Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

- a. Continuously monitors the situation and disseminates Weather Advisories, Severe Weather Bulletins, and 24-hour Public Weather Forecast.

PAGASA V

- a. Ensures the provision of weather updates / advisories including localized updates.
- b. Conducts continuous weather monitoring

PAGASA Baguio Station

- a. Continuously monitors the situation and disseminates Weather Advisories, Severe Weather Bulletins, and 24-hour Public Weather Forecast to OCD CAR Operations Center, council members, and member agencies.

16. Philippine Coast Guard (PCG)

- a. Activated a total of 143 Teams with assets in seven (7) stations/substations and for possible deployment
- b. Advised all PCG units to ensure strict implementation of HPCG Memorandum Circular Number 02-13 (Guidelines on Movement of Vessels during Heavy Weather)

PCG District Northwestern Luzon (CGDNWLZN)

- a. Placed all district operations centers and Water, Search and Rescue (WASAR) Teams on standby.
- b. Implemented the policy of preventing fisher folks and other small sea vessels from venturing out the sea given the threat of big waves in coordination with local leaders.

PCG Southern Tagalog (STL) / NCR

- a. PCG-STL/NCR on standby alert mode with assets ready for deployment to flood prone and coastal areas.
- b. Continuously coordinates with coastal barangays and LDRRMOs.
- c. Monitors the maritime situation to avert maritime emergencies/ incidents.
- d. Activated Deployable Response Group and closely monitoring the movement of TY "NONA".
- e. Placed three (3) Deployable Response Group (DRG) with four (4) rubber boats, diving equipment, and two (2) aluminum boats on standby and ready for deployment
- f. Directed all units to make maximum information drive to all coastal barangays
- g. Directed all units to strictly observe the guidelines on movement of vessels during bad weather conditions

PCG District Palawan

- a. Placed rescue boats and other assets on standby
- b. Advised all CG Stations and Substations to ensure strict implementation of guidelines on the movement of vessels during bad weather
- c. Advised all response groups of the Coast Guard Special Forces Unit to place all floating assets on standby
- d. Ensured that all CG stations and personnel are ready for deployment in any areas affected by TY NONA
- e. Reminded all frontline units of stations in the province to have discretion in the cancelation of sailing

PCG Bicol

- a. Placed on heightened alert
- b. Ensured that all assets are ready for deployment.
- c. All Coast Guard stations have coordinated with all LGU's in their respective Area of Responsibility (AORs).
- d. Attended PDRA meeting for TY "NONA".
- e. Issued directives to all PCGDB substations to advise all vessels plying in respective AOR not to venture out into the sea and make necessary coordination with P/MDRRMO and local radio broadcaster for the dissemination of the said information.

PCG District Western Visayas

- a. Enforced the suspension of voyage of all watercrafts/vessels bound for Cebu, Batangas, Manila, and other destinations north of Panay Island
- b. Lifted the suspension of trips from Iloilo to Bacolod at 9:00 AM, 14 December 2015

Coast Guard Station – Iloilo

- a. Enforced the suspension of voyage of all vessels bound for Cebu, Batangas, Manila and other destinations north of the Panay Island Area due to the passage of TY "NONA" on 13 December 2015

Coast Guard Station – Roxas City

- a. Cancelled trips of passenger vessels to ensure safety of seafarers and passengers

Coast Guard Station – Surigao City

- a. Suspended all types of sea vessel trips and other sea activities over the Province of Dinagat Islands and Siargao Islands

17. Philippine Information Agency (PIA)**PIA II**

- a. Regular monitoring of weather bulletins and disseminated the information to the public.

PIA IV-A

- b. Assists RDRRMC IV-A in the dissemination of advisories and provision of updates.

PIA VI

- a. Continuously uses their TextPlus program to relay information and answer queries.
- b. Utilized Infoboard and social media accounts in posting relevant information to help people in preparing for possible disaster.
- c. Provides daily updates through their website and local newspaper.

18. Philippine National Police (PNP)**PNP IV-A**

- a. Directed all Provincial Directors, Chiefs of Police to prepare assets and place on standby for possible deployment, coordinate with LDRRMCs and force multipliers, and activate their respective Disaster Operations Centers.

- b. Placed Regional Public Safety Battalion Search and Rescue personnel on standby.
- c. Alerted SAR Teams and other PNP personnel for rapid deployment.

PNP IV-B

- a. Alerted all Police Provincial Office down to their lower units.
- b. The Regional Tactical Operations Center (RTOC) was converted to Regional Disaster Operations Center (RDOC) on 13 December 2015
- c. Activated the PRO MIMAROPA Disaster Incident Management Task Group
- d. Placed SAR teams on standby and ready for deployment
- e. PPOs/CPOs disseminates information regarding TY NONA

PNP V

- a. Heightened alert status to full alert
- b. Conducted inventory of Disaster Response Units (DRUs)
- c. Activated the holding areas for stranded vehicles in Matnog, Irosin, Juban, and Casiguran Municipal Police Stations and Sorsogon City Police Station
- d. Directed lower units to coordinate with their respective LDRRMCs
- e. Directed Police Provincial Offices (PPOs) and CPO to identify staging areas, evacuation routes, and evacuation centers
- f. Directed PPOs and CPO to conduct inventory of SAR teams and assets

Sorsogon PPO

- a. Alerted personnel to provide police visibility in vacated areas in case of evacuation and to provide security at designated evacuation centers.
- b. Ensured readiness of SAR equipment and supplies.
- c. Placed patrol cars on standby for possible evacuation and warning system.

Catanduanes PPO

- a. A total of 113 SAR assets are made available.

PNP VIII

- a. Closely coordinates with PPOs and Municipal and City Police Stations
- b. Placed SAR team on standby and ready for deployment

NCRPO

- a. Placed manpower and equipment on standby alert status

19. Philippine Red Cross (PRC)

PRC Albay-Legazpi

- a. Staff and volunteer on standby mode
- b. Prepositioned food items for possible distribution to evacuees
- c. 2LMS on standby for water support.

B. REGIONAL / RDRRMC

- a. RDRRMCs I, II, III, IV-A, IV-B, V, VI, VII, VIII, X, CAR, Caraga, NCR, and NIR continuously disseminates weather advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AORs.
- b. RDRRMCs IV-A, V, VI, NCR, and CAR conducted Pre-Disaster Risk Assessment (PDRA) meetings in preparation for the effects of Typhoon "NONA"

1. RDRRMC / OCD I

- a. Prepared and submitted Preparedness Measures re: TY "NONA" to OCD Central Office.

- b. Requested all PDRRMCs and RDRRMC Member Agencies to be on standby for possible rescue, relief and other response operations relative to the present weather disturbance.
- c. Issued Memoranda re: Notice of Activation to BLUE ALERT STATUS of RDRRMC1 Operations Center on 15 December 2015 and Submission of Preparedness Measures re: TY "NONA".
- d. Conducted PDRA meeting on 14 December 2015, 10:30 AM at Concord Building, Camp BGen Oscar M Florendo, Barangay Parian, San Fernando City, La Union.
- e. Raised Alert Status from Blue to Red Alert and disseminated to all RDRRMC Member Agencies and PDRRMOs.

PDRRMCs Pangasinan, La Union, Ilocos Sur, Ilocos Norte

- a. Placed Operations Centers on standby.
- b. Conducts warning dissemination to communities and to local radio stations.

PDRRMC Ilocos Norte

- a. Informed all organic heads of the Provincial Government of Ilocos Norte and to PDRRMC Ilocos Norte member-agencies to monitor their AOR.
- b. Advised Provincial Engineering Office (PEO) to ready equipment and the Provincial Social Welfare and Development Officer (PSWDO) to check available relief goods and evacuation centers, and health emergency management system.
- c. Advised agriculture office to monitor production areas on corn, mango, tobacco, fisheries, and livestock.

PDRRMC La Union

- a. Prepositioned assets ready for deployment and relief goods ready for distribution.
- b. Placed their Medical Response Team on standby and ready for deployment.
- c. Continuously monitors the possible effects of TY "NONA" in the province.
- d. Alert Status elevated from Blue to Red
- e. Rescue teams and rescue equipment on standby
- f. Informed MDRRMOs and partner agencies of current alert status

PDRRMC Ilocos Sur

- a. Advised City/Municipal DRRM Councils to preposition their assets and equipment for possible deployment.
- b. Alerted municipalities together with member agencies and informed the governor.
- c. Placed rescue teams on standby and ready for mobilization.

PDRRMC Pangasinan

- a. Continuously monitors the weather situation and the San Roque Water Dam elevation
- b. On standby to attend phone calls of any untoward incidents that may need assistance of the PDRRMC.
- c. Clustering of Disaster Response and Rescue Teams (DRRT) and
- d. Prepositioned disaster assets and equipment.
