

REPUBLIC OF THE PHILIPPINES  
**NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL**

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

## **NDRRMC UPDATE**

**SitRep No. 08 re Tropical Depression "ONYOK"**

**Releasing Officer:**

  
**USEC ALEXANDER P. PAMA**  
Executive Director

**DATE: 22 December 2015, 8:00 AM**

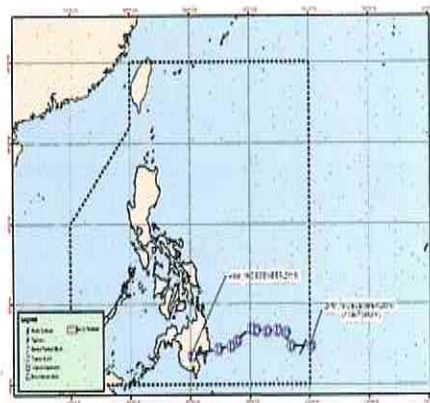

Sources: AFP, BFP, DepEd, DILG, DOH, DPWH, DSWD, NFA, PAGASA, PCG, PNP, PIA, and OCDRCs VI, IX, X, XI, XII, NIR, CARAGA, and ARMM

### **I. OVERVIEW**

#### **A. Chronology and Tropical Depression Track**

##### **16 December 2015**

The Tropical Depression East of Mindanao has entered the Philippine Area of Responsibility (PAR) and was named "ONYOK". At 10:00 PM, "ONYOK" slightly intensified as it moved in westward direction towards Eastern Mindanao.

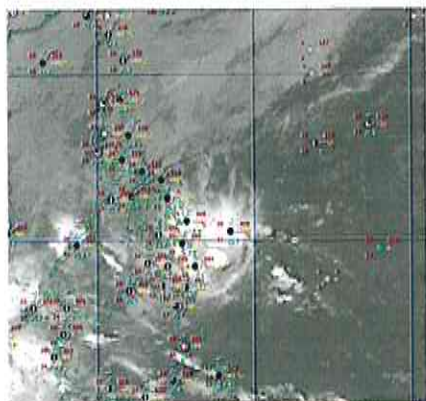

##### **17 December 2015**

"Onyok" has maintained its strength as it poses a threat over CARAGA Region. Public Storm Warning Signal (PSWS) No. 1 was raised in Surigao del Sur including Siargao Island, Surigao del Norte, Dinagat Province, Misamis Oriental, Camiguin, Agusan del Norte, Agusan del Sur, Davao Oriental, Davao del Norte, Compostela Valley, Bukidnon, Lanao del Norte, Lanao del Sur, Misamis Occidental, Davao del Sur and North Cotabato.

##### **18 December 2015**

"ONYOK" has made landfall over Caraga / Manay, Davao Oriental and has weakened into a Low Pressure Area (LPA). The provinces of Zamboanga del Norte, Zamboanga del Sur, Zamboanga Sibugay, northern part of Davao Occidental, Sultan Kudarat, Maguindanao, and the northern part of South Cotabato, were added to the areas placed under PSWS No. 1. On the same day, "ONYOK" weakened into a low pressure area.

#### **B. Tropical Depression Analysis**

"ONYOK" as a weak tropical depression has entered the PAR in the afternoon of 16 December 2015. It slightly intensified as it continued to move almost west direction closer to Eastern Mindanao. "ONYOK" has made landfall over Caraga / Manay, Davao Oriental and weakened into a LPA on the late evening of 18 December 2015.

TD "ONYOK" brought moderate to heavy rains in major parts of Mindanao. During its stay from 16 to 18 December 2015, its highest maximum sustained winds attained was recorded at 55 kph near the center.

## II. DISASTER PREVENTION AND MITIGATION

### NDRRMC OPERATIONS CENTER

1. Disseminated Weather Advisories, 24-hour Public Weather Forecasts, Gale Warnings, and General Flood Advisories to all RDRRMCs/OCDCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.
2. Issued Severe Weather Bulletins:
  - a. No. 1 and 2 on 16 December 2015
  - b. No. 3, 4, and 5 on 17 December 2015
  - c. No. 6, 7, 8, and 9 (Final) on 18 December 2015

## III. DISASTER PREPAREDNESS

### A. Pre-emptive evacuation (Tab A)

1. A total of 3,916 families/18,481 persons were pre-emptively evacuated in Regions X, XI, and CARAGA.

### B. NDRRMC Operations Center

1. Conducted a Full Council Meeting regarding TD "ONYOK" and TY "NONA" at 2:00 PM, 17 December 2015 at the NDRRMC Conference Room, Camp General Emilio Aguinaldo, Quezon City. The meeting was presided by the SND and Chairperson, NDRRMC Voltaire T. Gazmin. The C, NDRRMC directed all member agencies to be on full alert for any possibilities in relation to TD "ONYOK".
2. Pre-Disaster Risk Assessment (PDRA) Meeting was conducted on 18 December 2015, 10:00 AM at the NDRRMC Building, Camp General Emilio Aguinaldo, Quezon City, presided by Executive Director, NDRRMC USec Alexander P. Pama.

### C. Armed Forces of the Philippines (AFP)

1. Issued directive to all Unified Commands and major services to keep track of the typhoon and monitor landslide and flood-prone areas and to conduct pre-emptive evacuation, proactive measures, and Humanitarian Assistance and Disaster Response (HADR) operations in coordination with Local Government Units (LGUs) and LDRRMCs within their respective area of responsibility (AOR) if situation warrants.

#### AFP VI

1. All assets are ready for deployment.

#### AFP XI

1. All units with rescue teams are on standby.
2. Assisted in the pre-emptive evacuation.

#### AFP CARAGA

1. 29IB, PA on standby, ready for deployment.
2. Philippine Navy alerted Philippine Naval Reservist for possible augmentation on water rescue and relief operations with following standby assets:
  - PG 739
  - PG 385
  - DF 350
  - 2 IRB
  - 40 Naval Reservist

### D. Bureau of Fire Protection (BFP)

1. Ensured the availability of fire personnel, apparatus, and auxiliary units and directed all BFP personnel to be ready to extend necessary assistance if situation warrants.

**BFP CARAGA**

1. Activated Regional BFP Oplan Paghahanda Laban Sa Sakuna (PAGHALASA).
2. Conducted fire truck visibility, "Bandilyo" (public announcement of warning thru a crier), and "Recoreda" (rounds/patrolling) at the municipal level.
3. Assisted in the conduct of pre-emptive evacuation.
4. Monitored flood-prone areas for possible rescue operations.

**BFP XI**

1. Rescue teams are on standby.

**E. Department of Education (DepEd)**

1. DepEd Disaster Risk Reduction Management Service (DRRMS) is closely monitoring TD "ONYOK" and its effects to concerned offices and schools.
2. Deployed DRRMS Staff at NDRRM Operations Center and participated in PDRA Meetings; and disseminated DOST-PAGASA's weather briefing presentations to Field Offices
3. DRRMS Staff sent-out the following information to all DepEd Local Officials and DRRM Coordinators via InfoBoard textblast:
  - a. Weather advisories
  - b. Advisory regarding pre-emptive measures to be undertaken in preparation for TD "ONYOK"
  - c. Reminders to Field Offices regarding reporting of schools used as evacuation centers for TD "ONYOK" to all DepEd Local Officials and DRRM Coordinators via InfoBoard textblast.

**DepEd CARAGA**

1. Disseminated PAGASA weather bulletins to DepEd personnel through DepEd InfoBoard System.
2. Sent-out Regional Memorandum regarding Monitoring and Preparation for the Tropical Depression.

**F. Department of Interior and Local Government (DILG)**

1. Informed concerned Local Chief Executive (LCEs) and LDRRMOs of Local Government Units (LGUs) regarding TD "ONYOK" through personal calls, text blasts, and email.
2. Advised LGUs to activate pre-disaster monitoring.
3. Directed LCEs to comply with disaster preparedness protocols.
4. Provided constant updates to LCEs and LDRRMOs of LGUs.

**DILG VI**

1. Activated the disaster monitoring and working system.
2. Alerted the LDRRMCs in their AOR.

**DILG XI**

1. Assisted in the dissemination of advisories to P/C/MDRRMCs identified as highly susceptible to flashflood/flood/landslide.

**DILG XII**

1. Assisted in the dissemination of weather and warning advisories to all LGUs.
2. Closely monitors the LGUs through OPLAN LISTO.

**DILG CARAGA**

1. Activated Disaster Monitoring System for Tropical Depression "Onyok" effective 16 December 2015.
2. Issued Regional Order 2015-92 activating DILG XIII (CARAGA) Regional Disaster Monitoring System to ensure Local DRRM Councils' appropriate actions and for field officers to be at their respective stations religiously coordinating with their respective Local Chief Executives.

#### **G. Department of Health (DOH)**

1. Issued alert memorandum to all regions.
2. Checked adequacy of prepositioned medicines and logistics.
3. Ensured availability of standby medical teams in the Regional and Provincial DOH Offices and retained hospitals.
4. Reminded Regional and Provincial DOH Offices to attend DRRM and other coordination meetings.
5. Continuously monitors weather situation through PAGASA and provision of the same to Regional and Provincial Offices.
6. Operations Center is on 24/7 monitoring together with standby response teams.
7. Prepositioned the following logistical support:

REGION	PREPOSITIONED (PHP)	PRESENT AT WAREHOUSE (PHP)
XI	360,000.00	500,000.00
XII	1,800,000.00	20,000.00
XIII	100,000.00	2,500,000.00
<b>TOTAL</b>	<b>2,260,000.00</b>	<b>3,020,000.00</b>

##### **DOH Regional Offices**

1. All affected Regional Offices activated their respective Operations Centers.
2. Standby medical teams are in placed in all affected Regional Offices and their retained hospital with prepositioned medicines and other logistics.
3. Continuously coordinates with RDRRMC and other agencies.

##### **DOH CARAGA**

1. Activated Regional Operations Center.
2. Issued Code White Alert Memorandum to all Provincial DOH Office, PHO, and CHO.
3. Prepositioned medicines to PHOs, PHTs and LGUs.
4. Medical Teams are on standby.
5. Prepositioned ₱2.5 Million of medicines in warehouse and ₱500,000.00 worth of Jerry Cans (789 pcs).

#### **H. Department of Public Works and Highways (DPWH)**

##### **DPWH XI**

1. To provide logistical support whenever needed.
2. Prepositioned heavy equipment for possible road and debris clearing.

##### **DPWH CARAGA**

1. Agusan del Sur DPWH 1<sup>st</sup> Engineering District maintenance team is on standby.

#### **I. Department of Education (DepEd)**

1. Issued DepEd Order No. 9 s 2015 "School Calendar for School Year 2015-2016". School break for elementary and secondary schools will commence on 19 December 2015.
2. Continuously sends weather advisories to all DepEd Local Officials and DRRM Coordinators.

##### **DepED VI**

1. Identified schools to be used as evacuation centers in collaboration with Local DRRMCs.

##### **DepED CARAGA**

1. Disseminated PAGASA Weather Bulletins to all DepEd Personnel through DepEd Information Board System.
2. Sent-out Regional memorandum re Monitoring and Preparation for Tropical Depression "ONYOK".

## J. Department of Social Welfare and Development (DSWD)

1. Prepositioned a total of **₱673,565,266.67** standby funds, **204,665** family food packs, and **₱111,501,055.70** worth of food and non-food items available at the Field Offices in Regions X, XI, XII, CARAGA, and National Resource Operations Center (NROC) as of 18 December 2015:

REGION	STOCKPILE COSTS			
	Family Packs		Food	Non-Food
	Quantity	Total Cost	(Value in ₱)	(Value in ₱)
<b>TOTAL</b>	<b>204,665</b>	<b>₱69,670,197.14</b>	<b>₱48,546,838.17</b>	<b>₱62,954,217.53</b>
X	27,922	10,690,775.36	3,852,040.00	4,402,185.50
XI	27,001	8,899,529.60	2,219,255.00	1,723,073.00
CARAGA	13,598	5,950,176.02	1,399,368.06	4,568,658.74
NROC / CO	136,144	₱44,129,716.16	₱41,076,175.11	₱52,260,300.29

REGION	STANDBY FUNDS
<b>TOTAL</b>	<b>₱673,565,266.67</b>
X	3,408,200.00
XI	3,007,520.67
XII	2,856,814.00
CARAGA	3,076,410.00
NROC / CO	661,216,322.00

### DSWD VI

1. Prepositioned relief goods and have 30,661 family food packs composed of assorted canned goods and noodles available.
2. Allocated Quick Response Fund (QRF) amounting to **₱5,726,500**.
3. Standby stocks of 130 sacks of rice for the 1<sup>st</sup> District of Iloilo and 25 kilos of rice/family for island barangays.

### DSWD X

1. Quick Response Teams are continuously monitoring the situation within the AOR and are on standby.

### DSWD XI

2. Prepositioned 2,000 food packs at Davao Oriental Provincial Capitol for distribution to affected municipalities.

### DSWD XII

3. Activated Quick Response Teams (QRTs), P/MATs.
4. Prepositioned 30,000 FFPs and another 30,000 FFPs in ARMM.
5. Prepositioned 10,000 hygiene kits, tarpaulins, 30,000 malongs, mats and mosquito nets.

### DSWD CARAGA

1. Prepositioning of food items regionwide.
2. RDRRMC Response Committee conducted a meeting facilitated by DSWD as Vice-Chairperson for Response. The following actions were identified:
  - Activated Provincial and Municipal SWD Action Teams
  - Prepositioned of **₱4,225,740.12** worth non-food items
  - Prepositioned of 14,486 family food packs, breakdown as follows:
    - ✓ Loreto, PDI with 1,000 food packs
    - ✓ Tubajon, PDI with 1,000 food packs
    - ✓ Libjo, PDI with 1,000 food packs
    - ✓ Burgos, SDN with 500 food packs
    - ✓ Socorro, SDN with 500 food packs
    - ✓ Pilar, SDN with 500 food packs

- ✓ Dapa, SDN with 500 food packs
  - ✓ Tubay AND with 500 food packs
  - ✓ Jabonga AND with 1,000 food packs
  - ✓ PSWDO-SDN with 3,000 food packs
  - ✓ PSWDO-SDS with 500 food packs
  - ✓ DSWD Warehouse – Tiniwisan – 4,486 food packs
  - ✓ Non-food items – ₱4,255,740.12
3. Identified 1,143 evacuation centers regionwide, ready to accommodate evacuees.
  4. Identified 6 Volunteer groups (Mormons, Bancasi Brigade 402<sup>nd</sup>, Constituency Office of Representative Lawrence Fortun, CSU, FSUU, and CHED Caraga) with about 200 members, ready to assist for repacking of Family Food Packs (FFPs) at DSWD Warehouse in Tiniwisan, Butuan City.
  5. Ongoing repacking of FFPs in DPWH Warehouse.
  6. Quick Response Team (QRT) is on standby.
  7. Continuously coordinated with P/MAT for updates and reports.

#### **DSWD ARMM**

1. Prepositioned relief goods for needed assistance.

#### **K. Department of Trade and Industry (DTI)**

##### **DTI XI**

1. Continuous monitoring of possible sudden increase of basic commodities.

#### **L. National Food Authority (NFA)**

##### **NFA VI**

1. Has sufficient rice stocks for distribution in difference province in the region.

##### **NFA XI**

1. On standby to provide rice as need arises and to ensure rice availability.

#### **M. Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)**

1. Continuously monitors the situation and disseminates Weather Advisories, Severe Weather Bulletins, Gale Warnings, General Flood Advisories, and 24-hour Public Weather Forecast.

#### **N. Philippine Coast Guard (PCG)**

1. Advised all PCG units to ensure strict implementation of HPCG Memorandum Circular Number 02-13 (Guidelines on Movement of Vessels during Heavy Weather).
2. Deployable Resource Groups (DRGs), floating assets, and all necessary response equipment are on standby for possible dispatch.

##### **Coast Guard District – Western Visayas (CGD-WV)**

1. Enforced suspension of voyage of all types of vessels/watercrafts bound for Mindanao area in compliance with of HPCG Memorandum Circular Number 02-13.
2. All stations on heightened alert.
3. Advised fishermen not to venture out into the sea.
4. Regional Teams composed of 7 personnel are on standby; ready for deployment.

##### **PCG CARAGA**

1. Issued "No Sail Policy".

#### **O. Philippine National Police (PNP)**

1. Informed all Police Regional Offices to prepare assets and coordinate with LGUs and other force multipliers in their AORs.

#### **PNP VI**

1. Directed all municipal stations to be on full alert status and coordinate with their local MDRRMC.
2. Standby of one (1) company from their technical support platoon, two (2) Military Police (MP) M35 Truck, three (3) 6x6 trucks and SAR equipment.

#### **PNP XI**

1. Compostela Valley PPO rescue team is on standby. Assisted LDRRMC in the conduct of pre-emptive evacuation.

#### **PNP XII**

1. Alerted Search and Rescue Groups of Provincial and City Police Offices.

#### **PNP CARAGA**

1. On standby for possible augmentation and deployment.

### **P. Philippine Information Agency (PIA)**

#### **PIA VI**

1. Continuous usage of their TextPlus program to relay information and answer queries.
2. Utilized their Infoboard and social media accounts in posting relevant information to help people in preparing for possible disaster.
3. Provides daily updates through their website and local newspaper.

### **Q. Philippine Red Cross (PRC)**

1. Emergency Response Teams are on standby.
2. Provided 3,105 hotmeals in Compostela Valley (2,329), Surigao del Norte (672), Agusan del Sur (104).
3. Mobilized the following teams:
  - a. 1 team with 10 manpower for ocular assessment in Monkayo, Compostela Valley, New Bataan, and Montevista.
  - b. 1 team for welfare/first aid station at Lipata Ferry Terminal.
  - c. 1 team with 3 crew for ocular survey near the river banks in Brgy. Carmen, Balulang, Causuagan, Bonbon, and Ipunan, Misamis Oriental); additional standby teams of ERU Volunteers composed of 10 personnel; and mobilized 10 Staff and 40 Volunteers in Misamis Oriental.

### **R. REGIONAL / RDRRMC**

1. RDRRMC/OCD Regional Centers VI, IX, XI, XII, CARAGA, and ARMM are on Alert Status to continuously disseminates weather advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) though OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all RDRRMCs and PDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AORs.
2. RDRRMC / OCD Regional Centers VI, X, XI, CARAGA, and ARMM conducted Pre-Disaster Risk Assessment (PDRA) meeting in preparation for the entry and possible effects of TD "ONYOK".

#### **I. RDRRMC / OCD VI**

##### **1. PDRRMC Guimaras**

- a. On alert status to closely monitor the effects of TD "ONYOK" in their AOR.
- b. Issued warnings to barangays particularly those in the coastal areas through text messaging.
- c. Has stockpiles readily-available.
- d. Conducted PDRRMC Emergency Meeting re Preparations for Tropical Depression "ONYOK".
- e. Alerted MDRRMCs and BDRRMCs.

- f. Response Teams and equipment on standby.
2. **PDRRMCs Aklan, Antique, Capiz, and Iloilo**
  - a. Closely monitors their respective AOR.
3. **PDRRMCs Antique, Iloilo and Capiz and CDRRMC Iloilo**
  - a. Placed on standby alert.
  - b. Local Response Teams on standby.
4. **PDRRMC Capiz**
  - a. OpCen continuously monitors weather situation, water level and amount of rainfall in the whole province.
5. **PDRRMC Iloilo and CDRRMC Iloilo City**
  - a. Rescue volunteers are prepositioned and on standby.

## II. RDRRMC / OCD NIR

- a. Disseminated weather advisories to PDRRMC and LDRRMCs through text messaging.
- b. Continuously monitors weather updates.
1. **PDRRMC Negros Occidental**
  - a. Continuously monitors the amount of rainfall observed in different LGUs through local automated warning system.
2. **PDRRMC Negros Oriental**
  - a. Disseminated weather advisories and alerted LDRRMCs to take precautionary measures.

## III. RDRRMC / OCD IX

- a. Advised PDRRMO Zamboanga del Norte Ato convene the council regarding the weather disturbance.
- b. Coordinated with; DOST-PAGASA in relation to the threat of TD "ONYOK" and PDRRMOs of Zamboanga del Sur and Zamboanga Sibugay for up-to-date weather-related incidents.
1. **PDRRMC ZAMBOANGA DEL NORTE**
  - a. Gov. Uy convened the Executive Committee of PDRRMC on 17 December 2015. The agenda focused on the possible effects of TD "ONYOK" and the needed preparatory measures.
  - b. Planning Division of PDRRMO convened for the prepositioning of response assets.
  - c. Continuously monitors the weather situation in the whole province.
2. **PDRRMC ZAMBOANGA SIBUGAY**
  - a. Provided warning advisory to all municipalities thru radio messages.
  - b. Continuously monitors the weather situation in the whole province.
3. **PDRRMC ZAMBOANGA DEL SUR**
  - a. Coordinated with flood-prone municipalities to monitor the situation and provide report/updates.
  - b. Continuously monitors the weather situation in the whole province.
4. **CDRRMC ZAMBOANGA CITY**
  - a. Advised the residents along the riverbanks, low-lying areas, mountainous areas, and coastal areas to take precautionary measures.
  - b. Urged BDRRMCs to be on alert and to monitor weather-related incidents in their AOR.

## IV. RDRRMC / OCD X

- a. Disseminated up-to-date warning bulletins to RDRRMC Member Agencies and LDRRMCs.

- b. Conducted two (2) PDRA Core Group Meetings on 17 and 18 December 2015, respectively.
- c. Alerted Response Teams all over the region.
- d. RDRRMC Member Agencies continuously monitoring the situation of the Local DRRMCs.
- e. Raised BLUE ALERT Status as well as in the lower DRRMCs.
- f. Deployed RDANA Teams for the five (5) provinces of Bukidnon, Camiguin, Lanao del Norte, Misamis Occidental, and Misamis Oriental.

**1. PDRRMC BUKIDNON**

- a. Constant monitoring of weather condition.

**1.1 CDRRMC Malaybalay**

- a. Activation of CDRRMC Operations Center and 46 BDRRMC Operations Centers.
- b. All responders are on alert status.
- c. Information-dissemination of weather advisories.
- d. Identified and alerted flood-prone areas (18 Barangays) priority for pre-emptive evacuation.

**1.2 CDRRMC Valencia**

- a. Continuously monitors the situation within the AOR.

**2. PDRRMC CAMIGUIN**

- a. Information-dissemination of weather advisories.
- b. Identified and alerted flood-prone areas (12 Barangays) priority for pre-emptive evacuation (4 barangays in Mambajao, 6 barangays in Sagay, and 2 barangays in Mahinog)
- c. Continuously monitors the situation within the AOR.

**3. PDRRMC LANA DEL NORTE**

- a. Information-dissemination of weather advisories.
- b. Identified and alerted flood-prone areas (11 Barangays) priority for pre-emptive evacuation.
- c. Continuously monitors AOR specially flood and landslide-prone areas.

**4. PDRRMC MISAMIS OCCIDENTAL**

- a. Conducted PDRA; constant monitoring of weather updates; response services and radio communications organizations already on standby.
- b. Continuously monitors the weather and the situation within the AOR.

**4.1 CDRRMC Oroquieta**

- a. Conducted PDRA.
- b. All vehicles already on standby for possible conduct of pre-emptive evacuation.
- c. CSWD already prepared family food packs.
- d. Identified and alerted flood-prone areas (8 Barangays) priority for pre-emptive evacuation.
- e. Continuously monitors the situation within the AOR.

**4.2 CDRRMC Ozamiz**

- a. Implemented Incident Command System and activation of Early Warning System (EWS) and Evacuation Centers (ECs).
- b. Weather monitoring and updating.
- c. Possible conduct/implementation of pre-emptive evacuation.
- d. Continuously monitors the situation within the AOR.

**4.3 MDRRMC Sinacaban**

- a. Responders and rescue vehicles on standby.
- b. Constant monitoring of upland barangays.
- c. Identified and alerted flood-prone areas (6 Barangays) priority for pre-emptive evacuation.

#### **4.4 MDRRMC Clarin**

- a. Identified and alerted flood-prone areas (4 Barangays) priority for pre-emptive evacuation.

#### **5. PDRRMC MISAMIS ORIENTAL**

- a. Closely monitoring the situation and on standby alert.
- b. PDRRMO under Code Blue Alert; sent letter to Local MDRRMOs to be prepared in any eventualities and to ensure safety of communities especially those in low-lying areas; identified and alerted flood-prone and landside-prone areas (3 Cities and 17 Municipalities).
- c. Continuously monitors all riverine and landslide-prone areas in the province.

##### **5.1 CDRRMC Cagayan de Oro**

- a. On Orange Alert Status effective 18 December 2015, 2:00 PM.
- b. Information-dissemination of weather advisories; public address warning system.
- c. Constant monitoring of Cagayan de Oro City as well as its river.
- d. Identified and alerted flood-prone areas (19 Barangays) priority for pre-emptive evacuation.
- e. Advised to conduct pre-emptive evacuation of low-lying areas.

##### **5.2 CDRRMC Gingoog**

- a. Conducted public awareness since 17 December 2015 thru all local radio stations.
- b. Alerted all Front-line Agencies; on Blue Alert Status.
- c. Alerted all BDRRMCs particularly flood-prone and landside-prone areas to conduct public awareness in their respective AOR.
- d. Conducted PDRA.
- e. Conducted inventory of business centers to ensure availability of food supplies; prepared evacuation centers and other facilities; inspected all rescue equipment and coordinated all vehicle thru CEO Motorpool division for pre-emptive evacuation and other disaster-related activities.
- f. Identified and alerted flood-prone areas (24 Barangays) priority for pre-emptive evacuation.

#### **6. PDRRMC LANA DEL SUR**

##### **6.1 CDRRMC Iligan**

- a. Information-dissemination of weather advisories.
- b. Monitoring the situation of Iligan River, Mandulog River, Abuno River, and Tipanoy River.
- c. Identified and alerted flood-prone areas (13 Barangays) priority for pre-emptive evacuation.
- d. Continuously monitors the situation within the AOR.

#### **V. RDRRMC / OCD XI**

- a. RDRRMC/OCD XI Regional Director presided the conduct of PDRA in preparation for TD "ONYOK" and issued memorandum to all Local DRRMCs to activate their respective Disaster Operations Center, to conduct PDRA, and to closely monitor the weather disturbance and proactively prepare for the possible impacts of TD ONYOK.
- b. Raised RED ALERT Status in RDRRMC XI Operations to closely monitor TD ONYOK.
- c. Activated the Regional Incident Management Team and placed on standby alert.
- d. Issued memorandum to all Local DRRMCs to conduct pre-emptive evacuation of areas with high susceptibility to landslide and flashfloods, and activation of Regional Rapid Damage Assessment and Needs Analysis (RDANA) for possible deployment to affected areas.

- e. Conducted follow-up PDRA Meeting for TD Onyok on 17 and 18 December 2015.
- f. Conducted response meeting re effects of LPA to discuss activation of Regional Incident Command System, and possible deployment of Regional RDANA and Incident Management Teams on 19 December 2015.
- g. Regional Incident Management Team conducted operational briefing.
- h. Continuously disseminates weather advisories to all Regional DRRMC Member Agencies and Local DRRMCs thru quad-media.
- i. Continuously monitors AOR.
- j. Conducted preemptive evacuation to identified high risk areas in AOR.
- k. Conducted staff meeting regarding the conduct of Rapid Damage Assessment and Needs Analysis (RDANA) to affected areas of Davao del Norte, Compostela Valley and Davao Oriental.

**1. PDRRMCs Davao Oriental, Davao del Norte, Davao del Sur, and Compostela Valley**

- a. Conducted PDRA in their respective AOR in preparation for TD ONYOK.

**2. PDRRMC Davao del Norte**

- a. Declared cancellation of classes for preschool and elementary level on 17 December 2015.
- b. Declared cancellation of classes in all levels on 18 December 2015, as preventive measure.

**3. PDRRMC Compostela Valley**

- a. Declared cancellation of classes in all levels on 18 December 2015, as preventive measure.
- b. Ordered activation of Municipal and Barangay Incident Management Teams.
- c. Continuous monitoring of weather disturbance thru PROJECT NOAH and PAGASA.
- d. Ordered pre-emptive evacuation to families likely to be affected by flood or landslide.
- e. Issued stoppage of mining operations and fishing activities.
- f. Established constant communication to all MDRRMCs through SMS, phone calls and radio.
- g. Emergency Response Team is on standby.
- h. Continuous monitoring of data from automatic rain gauges and water level monitoring sensors.
- i. Heavy equipments are on standby for road and debris clearing.
- j. Broadcasted weather condition over local radio station and reiterated pre-emptive evacuation order.

**3.1 MDRRMCs/BDRRMCs**

- a. Activated Municipal Incident Management Team
- b. Implemented the stoppage of mining operation.
- c. Conducted pre-emptive evacuation.

**4. PDRRMC Davao Oriental**

- a. Continuous monitoring of AOR.
- b. Issued memorandum regarding the conduct of preemptive evacuation to all MDRRMCs particularly to all identified high-risk areas for flooding and landslides.
- c. Prepositioned PDRRMC Response Team for possible SAR Operations to affected areas.

**4.1 MDRRMCs**

- a. Emergency Response Teams conducted pre-emptive evacuation on their respective AOR.
- b. Continuous monitoring of their AOR.

## **VI. RDRRMC / OCD XII**
