1. Explosion at Brgy. Talon-Talon, Zamboanga City

A. Situation Overview:

- On or about 2311H of 17 December 2015, a grenade explosion occurred along Logoy Diutay, Barangay Talon-Talon, Zamboanga City. A security guard of the said fishing company, who is also a resident of Talon-Talon Loop Zamboanga City sustained injuries on his upper left arm and was brought to the nearest hospital for medical treatment.
- Immediately, PNP elements of ZCPO proceeded to the scene to secure the area. EOD personnel were also deployed to the scene for post-blast investigation.

B. Effect:

- The security guard, Carlito Magallanes Bastian, was injured and brought to the hospital.
- The gate of the establishment was damaged, and cost of damages was still under investigation.

C. Actions Taken:

- Upon receipt of the report, OCD RO 9 immediately coordinated with the PNP-PRO 9 of Zamboanga City for confirmation and details of the said report.
- OCD R9 is closely monitoring the situation for significant updates and for concerns that need immediate attention.

Progress report to follow.

2. Initial Report re Fire Incident in Malabon City

A. Situation Overview:

- At around 181736H December 2013, a fire broke out in a two-storey residential unit at #37 Celia St. Brgy. Tinajeros, Malabon City. Alarm levels were at 1st alarm at 1743H and 2nd alarm at 1745H. It was declared Fire Out at 1836H. Cause and origin of fire have yet to be determined.
- Malabon BFP and other fire brigade volunteers immediately responded to the scene.

D. Effects:

- No available data on the effects of the fire at the moment.

E. Actions Taken:

- Upon receipt of the report, OCD NCR coordinated with Malabon BFP for the Initial Report, which was subsequently submitted to the NDRRMC OPCen for information.
 - *Progress report to follow.*
