#### **I. SITUATION OVERVIEW**

The annual observance of Semana Santa brings forth a volume of traveling population to the provinces and places of worship. The expected high density movement of traveling public increases the vulnerability of people to several human-induced hazards. In this regard, the National Disaster Risk Reduction and Management Council (NDRRMC) and member-agencies implemented initiatives and operational plans to achieve a casualty-free Lenten Season.

The Department of Public Works and Highways (DPWH) - Metro Manila Engineering Office advised the repair of the following road sections along EDSA during the Holy Week, namely:

- EDSA northbound between Madison Street San Juan City and Ortigas Avenue, Mandaluyong City
- EDSA southbound between Ortigas flyover and Boni Avenue

#### **II. INCIDENTS MONITORED (Tab A)**

A total of **sixty-one (60)** incidents were monitored in Regions I, II, III, IV-A, IV-B, VII, X, XI, and CAR. **Thirty-six (36)** of which were vehicular incidents, **three (3)** fire incidents, and **twenty-one (21)** drowning incidents.

#### **III. CASUALTIES (Tab B)**

A total of **thirty-two (32)** deaths and **107** injured were reported in Regions I, II, III, IV-A, IV-B, VII, X, XI and CAR.

#### **IV. DISASTER PREPAREDNESS**
