Executive Director, NDRRMC and
Administrator, OCD

DATE : 11 June 2016

Sources: OCD VIII and OCD X

1. Incident Report re Diarrhea cases in Eastern Visayas (Region VIII)

A. Situation Overview:

- OCD VIII received report from DOH-HEMS on 09 June 2016 about diarrheal cases in Eastern Visayas from 01 April - 08 June 2016 due to intake of contaminated food and water which coincided with the occurrence of El Niño where dry spell caused water scarcity experienced in highland communities

B. Effects:

- A total of 1,601 cases in 12 municipalities in Northern and 14 municipalities in Western Samar

C. Actions Taken:

- DOH Regional Office VIII was raised to Code White Alert in anticipation for any further increase of the said outbreak and advised the public to ensure usage of safe and clean water, observe proper hand washing, and clean food preparation
- Regional Epidemiology and Surveillance Unit conducted investigation and collected samples of laboratory confirmation
- RHEMS provided IV fluids, assorted medicine, and aquatabs to Calbiga, Samar, and Catarman, Northern Samar amounting to ₱34,497.15
- Samar, Eastern Samar, and Northern Samar Provincial DOH Offices coordinated with RHU and LGUs for continuous monitoring
- LGUs conducted consultation, health education, and health assessment
- OCD VIII attended and participated in the meeting and discussion with DOH Team, LGUs in the provinces Samar and Northern Samar

2.Initial Report re Landslide Sitio Langa and Mahindang Damay, Brgy. San Vicente, Sumilao, Bukidnon (Region X)

A. Situation Overview:

- On or about 6:45 PM, 10 June 2016, a landslide incident transpired in Sitio Langa and Sitio Mahindang Damay of Brgy. San Vicente, Sumilao, Bukidnon due to continuous rains associated with localized thunderstorm

B. Effects:

- No casualties reported

C. Actions Taken:

- OCD X continuously monitors the said incident
 - LGU Sumilao and a road contractor conducted clearing operations
-
