NO TROPICAL CYCLONE WARNING SIGNAL

 The public and the disaster risk reduction and management council concerned are advised to take appropriate actions and watch for the next weather bulletin to be issued at 11:00PM today.

II. ACTION/S TAKEN

- NDRRM Operations Center disseminated Severe Weather Bulletin No. 01 re Severe Tropical Storm "FERDIE" (I.N. MERANTI) to all OCD Regional Centers through SMS and facsimile and uploaded on the NDRRMC website for further dissemination to their respective local disaster risk reduction and management councils (LDRRMCs) from the provincial down to the municipal levels
- Directed RDRRMCs concerned through the OCD Regional Centers to undertake precautionary measures in their areas of responsibility (AOR) and subsequently advised local DRRMCs to initiate pre-emptive evacuation of families in low-lying and mountainous areas if situation warrants.
