Releasing Officer:

Mr. USEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE : 04 October 2016

Sources: OCDROs CALABARZON, VIII, and NCR

1. Ground Movement in Barangay Parasanon, Pinabacdao, Samar (Region VIII)

A. Situation Overview:

- A critical ground movement was detected by PHIVOLCS – Development and Deployment of Early Warning System for Deep-Seated Catastrophic Landslides (DEWS-L) at 7:05 AM, 27 September 2016, in Barangay Parasanon, Pinabacdao, Samar, subsequently, they issued an advisory raising Alert Level 3 (critical ground movement observed in the last 48 hours, landslide may be imminent) in the said barangay. It was recommended that residents at risk in the section of Maharlika Highway be evacuated.
- On 28 September 2016, MDRRMO Pinabacdao conducted an emergency meeting with the concerned barangay and conducted ground assessment. Approximately 30 families were evacuated, of which, four (4) families were evacuated in the Barangay Hall while the others opted to stay with their relatives.
- On 29 September 2016, 2:45 PM, the Technical Working Group of RDRRMC VIII together with the Municipal Mayor of Pinabacdao, Samar convened to discuss the incident.
- To date, three (3) cracks are still being monitored by PHIVOLCS DEWS-L and A3 alert level still persist in Barangay Parasanon, Pinabacdao, Samar. Residents are still advised to be evacuated.

B. Actions Taken:

- OCD VIII coordinated with PHIVOLCS, MGB Regional Office VIII, PDRRMO-Samar, and MDRRMO-Pinabacdao for further assessment and updates on the said ground movement.
- OCD VIII conducted an Emergency Meeting relative to the detected the ground movement and convened the RDRRMC VIII TWG members on 29 September 2016.
- PDRRMO Samar closely coordinated with DPWH, OCD VIII, and Provincial Engineering Office for updates and possible deployment of assessment team.

- MDRRMO Pinabacdao conducted an emergency meeting together with Barangay Parasanon Officials.
- MDRRMO Pinabacdao conducted ground assessment and ocular inspection in Barangay Parasanon.
- MDRRMO Pinabacdao prepared food packs for the evacuees.
- MDRRMO Pinabacdao placed signages to alert motorists regarding the situation in the area.
- OCD VIII, PDRRMO Samar, and MDRRMO Pinabacdao closely monitors the incident.
