f

The residents and the Local Disaster Risk Reduction and Management Councils (DRRMC's) concerned are still advised to **further** maintain precautionary measures to mitigate adverse impacts of river flooding combined with the effects of tide, flooding due to ponding and at areas with poor drainage systems.

Let's untiringly aim for zero casualties.

Submit report on actions taken.

**BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:**

**USEC. RICARDO B. JALAD**  
Executive Director, NDRRMC and  
Administrator, OCD
