No. 03 (Final) for Region VIII (Eastern Visayas)

FORECAST 12-HR RAINFALL	LIGHT RAINS
WATERCOURSES NO LONGER TO BE AFFECTED	Rivers and Tributaries in: <ul style="list-style-type: none">• Leyte – particularly Sangputan, Palo, Salano (Quilot), Daguitan Marabang, Cadaca, Bonquiogon, Salug, Pagbanagaran, Pagsangahan and Binahaan.• Northern Samar – particularly Catarman, Bugko, Pambukhan, Catubig, Palapag, Maou and Gamay.• Eastern Samar – particularly Oras, Dolores, Ulot, Taft, Borongan, Suribao, Llorento, Balangiga and Sulat.• Samar– particularly Basey, Silaga, Calbiga and Jibatan.• Southern Leyte – particularly Bisay, Himbangan and Pandan.• Biliran – All rivers and tributaries.
With this development and unless significant rain occurs, this is the final General Flood Advisory for this event.	

People living near the mountains slopes and in the low-lying areas of the above-mentioned river systems and the Local Disaster Risk Reduction and Management Councils (LDRRMCs) concerned are still advised to take necessary precautionary measures.

You are hereby directed to monitor the situation and undertake precautionary measures in your area of responsibility (AOR). Likewise, the public and the DRRMCs are advised to take appropriate actions, as necessary.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let's untiringly aim for zero casualties.

Submit report on actions taken.

BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:

USEC RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD
