People living near the mountains slopes and in the low-lying areas of the above-mentioned river systems and the local disaster risk reduction and management councils concerned are advised to be alert for possible flash floods.

You are hereby directed to monitor the situation and undertake precautionary measures in your area of responsibility (AOR). Likewise, the public and the DRRMCs are advised to take appropriate actions, as necessary.

Let's untiringly aim for zero casualties.

Submit report on actions taken.
