PUBLIC WARNING:

People living in low-lying areas particularly those adjacent to the above-mentioned waterways and the Disaster Risk Reduction and Management Councils (DRRMCs) concerned are advised to take necessary appropriate actions for river overflowing at main river sections.

THE RESIDENTS AND THE LOCAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCILS (DRRMC) CONCERNED ARE STRONGLY ADVISED TO TAKE APPROPRIATE ACTIONS.

ACTIONS TAKEN:

NDRRMC-OPCEN

- Disseminated **Flood Bulletin No. 11** for Pampanga River Basin and Allied River System to OCD Regional Center III through SMS and facsimile and uploaded same at the NDRRMC website for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels
 - Directed RDRRMC(s) concerned through the OCD Regional Center to undertake precautionary measures in their Area of Responsibility (AOR) and subsequently advised local DRRMCs to initiate pre-emptive evacuation of families in low-lying and mountainous areas if situation warrants.
-
