NDRRMC UPDATE

SitRep No. **04** re Preparedness Measures and Effects of Weather Disturbances in the Country enhanced by Typhoon "PAOLO" and a Low Pressure Area (LPA)

Releasing Officer:

USEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD 

DATE : 21 October 2017

Sources: DOST-PAGASA, DSWD, DILG, DOH, RDRRMCs/ OCDROs MIMAROPA, V, VII, IX, XII, CARAGA and ARMM

I. SITUATION OVERVIEW

15 October 2017

Intertropical Convergence Zone (ITCZ) affecting Southern Luzon, Visayas, and Mindanao.

16 October 2017

At 10:00 PM, the Tropical Storm with international name "LAN" entered the Philippine Area of Responsibility and was named "PAOLO". It has maximum sustained winds of up to 80 km/h near the center and gustiness of up to 95 km/h.

The center of Tropical Storm "PAOLO" was estimated based on all available data at 940 km East of Guiuan, Eastern Samar (11.0°N, 134.3°E). Estimated rainfall amount was from moderate to heavy within the 425 km diameter of the Tropical Storm.

Intertropical Convergence Zone (ITCZ) affecting Southern Luzon, Visayas, and Mindanao.

17 October 2017

As of 11:00 AM, TS "PAOLO" has intensified into a Severe Tropical Storm as it moved over the Philippine Sea. At 10:00 AM, the center of Severe Tropical Storm "PAOLO" was estimated based on all available data at 765 km East of Guiuan, Eastern Samar (11.0°N, 132.7°E).

As of 11:00 PM, STS "PAOLO" slightly intensified as it moved over the Philippine Sea. At 10:00 PM, the center of "PAOLO" was estimated based on all available data at 675 km East Northeast of Hinatuan, Surigao del Sur (10.5°N, 132.1°E) with maximum sustained winds of up to 105 km/h near the center and gustiness of up to 130 kph.

The estimated rainfall amount was from moderate to heavy within the 450 km diameter of the Severe Tropical Storm. The outer rain bands of "PAOLO" brought scattered light to moderate with occasional heavy rains over Bicol Region, Visayas and Mindanao.

Meanwhile, at 10:00 PM, the Low Pressure Area (LPA) was estimated based on all available data at 200km West Northwest of Puerto Princesa City, Palawan (10.9°N, 117.1°E). This weather system brought scattered light to moderate with possible

occasional heavy rains over Palawan embedded along the ITCZ affecting Southern Luzon, Visayas and Mindanao.

18 October 2017

At 10:00 AM today, the eye of Typhoon "PAOLO" was located based on all available data at 735 km East of Guiuan, Eastern Samar (11.8 °N, 132.4 °E). It has maintained its strength and continues to move in a North Northwest direction.

Meanwhile, the Low Pressure Area (LPA) was estimated based on all available data at 280km West of Puerto Princesa City, Palawan (9.7°N, 116.2°E). This weather system brought scattered light to moderate with occasional heavy rains over Palawan.

19 October 2017

At 10:00 PM, the eye of Typhoon "PAOLO" was located based on all available data at 930 km East NorthEast of Baler, Aurora (17.3°N, 130.1°E). It maintained its strength and moved north northwest over the Philippine Sea.

Meanwhile, at 10:00 PM, the Low Pressure Area (LPA) was estimated based on all available data at 235 km North Northwest of Puerto Princesa City, Palawan (11.6°N, 117.8°E). This weather system, along with the outer rainbands of "PAOLO" and the southwesterly windflow enhanced by this Typhoon brought scattered to widespread rains and thunderstorms over Palawan, Bicol Region, Visayas, CARAGA, Northern Mindanao, Zamboanga Peninsula and ARMM.

20 October 2017

At 10:00 AM, TY "PAOLO" has slightly changed course and is now moving in a North Northeast direction with a maximum sustained winds of up to 130 kph and gustiness of up to 160 kph. At 10:00 PM, it maintains its direction and is slowly moving away from the country. Meanwhile, the LPA near Mindoro has already dissipated.

The outer rainbands of TY "PAOLO" and the southwesterly windflow enhanced by this typhoon will bring scattered to widespread rains and thunderstorm over Visayas and the regions of MIMAROPA and Bicol.

II. EFFECTS

A. INCIDENTS MONITORED (13)

LANDSLIDE - 3

CARAGA - 1

1. On 16 October 2017, 08:00 PM, heavy rains caused a landslide along National Highway in P-4, Barangay Bangonay, Jabonga, Agusan del Norte. Three (3) houses were totally damaged. The area is now cleared of debris as of 6:00 PM, 18 October 2017.

MIMAROPA - 2

1. On 17 October 2017, 07:00 AM, a landslide incident occurred along national road in Brgy. Napsan, Puerto Princesa City, Palawan due to continuous heavy rains. DPWH District Office conducted clearing operations to clear the road of debris. As of 17 October 2017, 10:00 AM the road is passable to all types of vehicles. No reported casualties/damages.
2. On 17 October 2017, 07:00 AM, a landslide incident occurred along City road in Brgy. Buenavista, Puerto Princesa City, Palawan due to continuous heavy rains. Clearing operations was conducted by City Engineering Office. As of 17 October 2017, 1:00 PM the road is already passable to all types of vehicles. No reported casualties/damages.

FLOODING/FLASHFLOOD - 8

MIMAROPA - 3

1. On 17 October 2017, 06:00 AM, heavy rains caused 1.8 m flooding in Purok Reynakan and Purok Damayan in Brgy. Maoyon, Puerto Princesa City, Palawan. A total of forty-five (45) individuals were affected 45 and were evacuated to Brgy. Hall of Maoyon.
2. Around 1:00 PM of 20 October 2017, a flooding incident was reported in the intersection of Barangays Cambunang, Campaasan, and Nasukob in Bulacacao, Oriental Mindoro. Flood waters were approximately 0.5 meters deep. Flooding is now subsiding. There are no reported evacuees as of this time.
3. Around 11:00 AM of 20 October 2017, another flooding incident was reported in Barangay Poblacion, Magsaysay, Occidental Mindoro. Flood waters were approximately 0.2 meters deep. Flooding is now subsiding.

REGION IX - 3

1. A total of eighteen (18) barangays in Zamboanga City were affected by flashflood brought about by heavy rainfall due to ITCZ.
2. On 16 October 2017, flooding incidents occurred in the Municipalities of Siocon and Liloy in Zamboanga del Norte due to overflowed rivers (Mucas River in Liloy, and Siocon and Pisawak Rivers in Siocon).
3. At around 12:00 AM of 15 October 2017, rivers were swollen in municipality of Sibuco in Zamboanga del Norte due to moderate to heavy rainfall. River beds can no longer contain the water resulting to overflow in the direction of nearby houses in Brgys. Malayal, Lintangan, Cusipan, Poblacion, and Puliran while coastal barangays were pampered by big waves in Lingayon, Limpapa, Lambaguan, Mantivoh, Anongan and Cawit-Cawit.

CARAGA - 1

1. On 16 October 2017, 08:00 PM, Brgy. Bangonay in Jabonga, Brgy. Poblacion 1 (Agay) in Remedios T. Romuladez, and Brgys. Poblacion 2, Pangaytan, Kasagatan in Santiago all in the Province of Agusan del Norte were flooded after a heavy downpour. All areas are now flood free as of 6:00 PM, 18 October 2017.

ARMM - 1

1. Water level in Simuay River has gradually increased due to continuous rains which caused flooding to low-lying barangays in Sultan Mastura, Maguindanao.

STRONG WINDS / BIG WAVES - 2

REGION XII - 1

1. Big waves brought about by strong winds and heavy rainfall was experienced in three (3) coastal barangays of Kalamansig, Sultan Kudarat on 19 October 2017, around 6:00 AM. As a result, pre-emptive evacuation was conducted on the affected families currently staying at 3 evacuation centers.

ARMM - 1

1. Houses were reported damaged in the municipalities of Tapul, Jolo, Kalingalang Caluang, and Pata, all in the province of Sulu due to strong winds and big waves brought about by ITCZ.

B. AFFECTED POPULATION

1. A total of **23,009 families / 115,039 persons** were affected in Regions IX, XII, CARAGA, and ARMM:

PROVINCE/MUNICIPALITY/CITY	AFFECTED	
	FAMILIES	PERSONS
GRAND TOTAL	23,009	115,039
REGION IX	6,763	33,613
Zamboanga del Sur	3,895	19,475
Zamboanga City	3,895	19,475
Zamboanga del Norte	2,868	14,138
Liloy	14	40
Siocon	1,507	7,535
Sibuco	1,347	6,563
REGION XII	85	425
Sultan Kudarat	85	425
Kalamansig	85	425
CARAGA	195	1,171
Agusan del Norte	195	1,171
Jabonga	5	13
Remedios T. Romualdez	15	56
Santiago	175	1,102
ARMM	15,966	79,830
Maguindanao	15,966	79,830
Ampatuan	646	3,230
Mangundadatu	3,417	17,085
Northern Kabuntalan	2,960	14,800
Shariff Saydona	1,812	9,060
Sultan sa Barungis	1,612	8,060
Sultan Kudarat	4,980	24,900
Sultan Mastura	539	2,695

Source: OCDROs IX, CARAGA, and ARMM

Note: Data is still subject to change due to ongoing validation of the total number of affected families

C. SUSPENSION OF CLASSES

1. Classes in the following areas of Regions MIMAROPA, VII, VIII, and X were suspended:

AREA	LEVEL	DATE
REGION MIMAROPA		
Busuanga, Palawan	Elementary and High School	20 October 2017
Coron, Palawan	All Levels	20 October 2017
Culion, Palawan	All Levels	20 October 2017
San Jose, Occidental Mindoro	All Levels (Public)	20 October 2017
Magsaysay, Occidental Mindoro	All Levels	20 October 2017
REGION VII		
Province of Siquijor	All levels	19 October 2017
Jagna, Bohol	All levels	18 October 2017
REGION VIII		
Naval, Biliran	Elementary and High School	18 October 2017
REGION X		
Gingoog City, Misamis Oriental	All levels	20 October 2017

D. STATUS OF LIFELINES

ROADS AND BRIDGES

1. Daang Maharlika Road in Sogod, Southern Leyte were reported not passable due to landslide since 18 October 2017

POWER SUPPLY

1. As of 19 October 2017, 2:00 AM, the mainland area of the Province of Surigao del Norte (excluding Siargao Island) experienced black out due to the tripping off of electrical lines of NGCP Surigao-Placer service area brought about by strong winds. As of 19 October 2017, 7:05 A.M, NGCP has already restored its power lines. However, the Surigao del Norte Electric Cooperative (SURNECO) has not yet restored its power system due to damaged electric lines/wires. Power has been restored in mainland Surigao del Norte on 9:00 PM, 19 October 2017.
2. As of 19 October 2017, Brgy. Talon, Capitulangan, Alagatan, Maribucan, Mimbabalan, and Tinabalan in Gingoog City experienced power interruption due to toppled electric posts. As of 20 October 2017, the whole Gingoog City experienced power interruption.

E. STATUS OF PORTS

SEAPORTS

1. A total of 252 passengers, 56 rolling cargoes, and 3 passengers/cargo vessels were stranded at Liloan Port Ferry Terminal on 19 October 2017 due to rough seas caused by strong to gale force winds associated with Typhoon "PAOLO". Normal port operations resumed on 20 October 2017.

AIRPORTS

1. A total of eight (8) domestic flights were cancelled due to bad weather on 20 October 2017:

FLIGHT NO.	DESTINATION	DATE
2P 2084 / 2085	Manila – Basco – Manila	20 October 2017
M8 715 / 716	Manila – Busuanga – Manila	
T6 110 / 111	Manila – El Nido – Manila	
T6 112	Manila – El Nido	
T6 147	El Nido – Manila	

F. DAMAGES

1. HOUSES

- a. A total of **998 houses were reported damaged (513-partially / 485-totally)** in Regions IX, CARAGA and ARMM, with breakdown as follows:

Region/Province/ Municipality/City/Barangays	Damaged Houses		TOTAL
	Partially	Totally	
GRAND TOTAL	513	485	998
REGION IX			
Zamboanga del Sur	459	309	768
Zamboanga City	459	309	768
CARAGA			
Agusan del Norte	3		3
Jabonga	3	-	3
ARMM			
Sulu	22	10	32
Tapul	2	-	2

Pata	7	-	7
Kalingalang Caluang	4	1	5
Pandami	3	-	3
Pangutaran	-	1	1
Banguingui	6	8	14
Tawi Tawi	29	166	195
Bongao	29	166	195

2. OTHER DAMAGES

Zamboanga City

- Some facilities in Limpapa National High School and Sea Wall in Brgy. Patalon incurred damages due to flashflood.
- Crops and fishponds in Brgy. Vitali incurred damages due to the flashflood.
- Two (2) *Palakaya* (Small fishing vessel) were reported damaged due to big waves in Jolo Wharf.
- One (1) pump boat were partially damaged in Brgy. Pandami due to big waves.
- Slope protection in Zamboanga City incurred damages due to ITCZ.

Zamboanga del Norte

- Damages to crops, infrastructure, fishing industry, and properties were reported in the municipality of Siocon due to heavy rainfall.

III. DISASTER PREPAREDNESS

A. National Disaster Risk Reduction and Management Council

1. NDRRM Operations Center (NDRRMOC)

- Conducted Emergency Response Preparedness (ERP) re Severe Tropical Storm (STS) "PAOLO" on 17 October 2017, 10:00 AM.
- Issued NDRRMOC Memorandum No. 128 to all RDRRMCs re Submission of RDRRMOC's Preparedness Actions in relation to TY "PAOLO".
- Issued NDRRMOC Memorandum to NDRRMOC Member-Agencies re the continuation of the Alert Status at the NDRRMOC.
- Continuously disseminating Severe Weather Bulletins to RDRRMCs/OCDROs concerned through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared Emergency Alert and Warning Messages (EAWM) re Heavy rainfall warning due to TY "PAOLO" and forwarded the same to Telecommunications Service Providers for widest dissemination to the public.

2. Philippine Atmospheric, Geophysical and Astronomical Services Administration (DOST-PAGASA)

- Provided updates on the track of the said weather disturbance and Status of monitored major dams during the ERP Meeting on 17 October 2017.
- Continuously disseminating Severe Weather Bulletins, General Flood Advisories, Flood Bulletins, and Gale Warnings re Typhoon "PAOLO".

3. Department of Interior and Local Government (DILG)

- Provided information/advisories to all concerned DILG ROs regarding the development of the TY "PAOLO" thru emails and text blasts.
- Instructed all concerned DILG ROs to take proactive measures in the impending disaster.

- c. Provided updates on weather alerts/advisories to all ROs and LGUs.
- d. Alerted and advised all concerned DILG Regional Offices and LGUs concerned on the following:
 - Monitor all PAGASA weather advisories and typhoon bulletins as well as the Project NOAH via website
 - Established critical preparedness actions based on the Operation L!STO protocols, and prioritize prepositioning of supplies and equipment for response
 - Visit the MGB Geo-Hazard Web Portal at gdis.denr.gov.ph/mgbgoogle for additional information
- e. Continue to monitor all PAGASA weather advisories and typhoon bulletins via <http://www.pagasa.dost.gov.ph/>, as well as the Project NOAH website www.noah.dost.gov.ph.
- f. Coordination with PAGASA and MGB in monitoring for updates.
- g. Continuous monitoring of all affected LGUs.

4. Department of Social Welfare and Development (DSWD)

- a. Prepositioned stockpiles and standby funds amounting to ₱ 1,029,778,311.50.
- b. DSWD-DReAMB Operations Center is on GREEN alert and place on standby for BLUE Alert Status.
- c. The Disaster Response Operations Monitoring and Information Center (DROMIC) of the DSWD-DReAMB is on standby for monitoring of disaster events and report updates.

B. Regional / Local Disaster Risk Reduction and Management Councils (R/LDRRMCs)

- Continuously disseminates weather advisories/ bulletins to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCD InfoBoard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty.

1. REGION III

Office of Civil Defense III

- a. Disseminated NDRRMC Advisories on Weather, Flooding, Thunderstorm, and Severe Weather Bulletins to all concerned Local Chief Executives, Local DRRM Officers, and Regional DRRMCs thru SMART Info-board, facsimile, and email for widest dissemination of information and warnings.
- b. Continuous close coordination with the P/M/C and member agencies regarding Typhoon "PAOLO".

2. MIMAROPA

OCD MIMAROPA

- a. On Blue Alert Status
- b. Continuous coordination with response agency and monitoring of weather situation in area of responsibility.
- c. Ensure close coordination with response agencies and concerned LGUs re situation updates and the possible effects of TY "PAOLO" and the LPA.

DILG MIMAROPA

- a. Sent advisory to all provincial offices re TY "PAOLO".

DSWD MIMAROPA

- a. Activated all P/C/M Quick Response Teams in five (5) provinces of MIMAROPA to regularly monitor the situations in their areas.
- b. Activated all members of R/P/C/M QRTs together with special projects on a 24/7 basis in case there is any untoward incident report happened due to weather disturbance.
- c. Advised our P/MQRTs to coordinate with concerned LGUs to report any unusual eventualities in their respective areas.
- d. In close coordination with the Office of Civil Defense (OCD) for any warning signal updates for monitoring purposes and response mechanism for areas that will be affected.
- e. With available stockpile of 34,424 family food packs to all SWADT and Regional Warehouses including prepositioned goods in identified GIDA/critical areas.
- f. With available Standby funds amounting to ₱ 2,090,608.54
- g. Available Family Food Packs (FFPs) in DSWD MIMAROPA warehouses:

Warehouse location	# of available of family food packs
Regional office manila	6,923
Oriental Mindoro	2,946
Occidental Mindoro	3,650
Marinduque	3,136
Romblon	4,462
Palawan	2,760
Total	23,877

Department of Health (DOH) MIMAROPA

- a. Prepositioned water disinfectant and collapsible Jerry Cans in flood-prone areas of MIMAROPA and Provincial Department of Health Office (PDOHO).
- b. Advised Quad-Cluster Teams (Health, NIE, MHPSS, WASH) to be on standby for deployment and augmentation of services.
- c. Advised Human Resource Management for Health to be available on their catchment areas to augment health services and establish health assistance desk once evacuation starts.
- d. Continuous coordination and active monitoring with all PDOHO and HEMS Point Persons for any untoward incident.
- e. Continuous coordination with DOH retained hospitals and other attached agencies including entry and exit point.
- f. Continuous coordination with other Regional agencies including, PCG, PPA, RDRRMC, OCD, LGUs, PNP station and other stakeholders.
- g. Advised PDOHO to coordinate with HEMS-PHO for the health emergencies monitored.
- h. Advised PDOHO to coordinate with Ports Authority and advised nearby port health facilities to be on standby for possible health assistance in relation to the surge of passengers with medical assistance needed.
- i. Advised PDOHO to coordinate with Philippine National Police, Provincial and Municipal Disaster Risk Reduction Management Offices and other response groups in relation to the preparedness and response activities of the event/s being monitored.
- j. Advised PDOHO to conduct roving to all areas of concern especially those with potential risk for mass casualty incident and evacuation.

- k. Coordinated with PDOHO's and DOH Retained Hospital in relation to the inventory of all available drugs, medicines and medical supplies including vaccines and transportation assets.
- l. Coordinated with Human Resource Management for the inventory of RO/PDOHO warm bodies for the period of monitoring.
- m. Coordinated with General Services Unit for the inventory of transportation assets in the Regional Office, Provincial DOH Offices and DOH retained hospitals.
- n. Coordinated with Logistics Management Unit in relation to the availability of essential drugs/medicines and medical supplies.
- o. Coordinated with all HEMS Coordinators in the Provinces of MIMAROPA and advised to proactively coordinate with RO HERO OpCen for and submit daily situation updates.
- p. Coordinated with Philippine Air force 505 Search and Rescue for the utilization of Air Medical Services in the Provinces of MIMAROPA as contingency for Air Medevac.
- q. Advised PAMAS Air Ambulance Services through the Provincial DOH-Palawan for possible utilization of air evacuation.
- r. Coordinated with Regional Epidemiology Surveillance Unit (RESU) MIMAROPA and advised to send Event-Based Surveillance and Response (ESR) updates and notifiable diseases.
- s. Coordinated with Health Promotion Unit MIMAROPA to disseminate and establish health information kiosk to areas of gathering.
- t. Advised PDOHO to render duty at the PDRRMO Operations Center to ensure seamless and effective multi agency coordination for the potential effects brought by STS "PAOLO" in their respective catchment areas.
- u. Prepositioned drugs, medicines and medical supplies amounting to ₱ 1,471,150.24
- v. Prepositioned drugs, medicines and medical supplies in strategic areas and areas of concern amounting to ₱ 2,505,930.96
- w. Prepositioned water disinfectants for the onset of rainy season amounting to ₱ 425,000.00.
- x. Prepositioned collapsible jerry cans for the onset of rainy season amounting to ₱ 1,111,880.00.

DOST MIMAROPA

- a. Provides update to LGUs and uploaded updates on Facebook page thru DOST Provincial Science and Technology Center (PSTC).
- b. Monitors Automatic Rain Gauges and Water Level Monitoring Station in MIMAROPA as source of data thru "Project NOAH" and "PREDICT" website.

Department of Public Works and Highways (DPWH) MIMAROPA

- a. Alerted all maintenance crew of the District Disaster Risk Reduction and Management Teams to monitor condition of National Roads and Bridges and other infrastructure facilities.
- b. Placed all equipment on standby status for easier mobilization as situation warrants.

COAST GUARD DISTRICT SOUTHERN TAGALOG

- a. Advised all CG stations and substations are to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Placed all Deployable Response Groups (DRGs) on standby status 24/7.

- c. Placed all assets on standby status ready for deployment on flood-prone and coastal areas.
- d. Closely monitoring weather forecast.
- e. In close coordination with LGUs, and other government agencies.
- f. Continuous monitoring of situation in their respective AORs.
- g. Ensure the operational status of HF and VHF radio communications in support to the province operational concern in case of power black-out.

COAST GUARD DISTRICT PALAWAN

- a. Advised all CG station and substation to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Prepared PCG boarding teams, SAR assets and Deployable Response Group (CDRG) Teams and closely monitors maritime traffic and weather condition for prompt, sustained and effective implementation of existing command policies, rules and regulations and doctrines.
- c. Continuous monitoring of situation in their respective AORs.
- d. Placed assets on standby status ready for deployment on flood-prone and coastal areas.
- e. Placed Deployable Response Groups (DRGs) on standby status 24/7.

POLICE REGIONAL OFFICE MIMAROPA

- a. Ensures the availability of search and rescue assets and personnel.
- b. Alerted all Police Provincial Office down to their lower units and continuous monitoring of situation in their respective AORs.
- c. Coordinated with PAGASA, PDRRMC and other agencies.
- d. directed all lower units to undertake precautionary measures and other disaster preparedness activities such as the following:
 - Strengthen resilience of emergency communications
 - Ensure readiness of the SRR equipment and supplies to support operational requirements (eg. rubber boat, utility rope, floating device, multi-tool items, 30L of GOL for generator, flashlights with extra battery, communications equipment, first aid kit, MRE, etc.)
 - Forward deployment and pre-positioning of Search and Rescue (SAR) assets
 - Coordination with Local DRRM
 - Activation of Disaster Incident Management Task Groups (DIMG) as the situation may require

Bureau of Fire Protection (BFP) MIMAROPA

- a. Constant coordination with LGUs, NGOs and other government agencies to support the operational activities.
- b. Linkages/coordination with Police Forces, Barangay Officials, Tanods and Citizen Crime Watch to provide security to the evacuation centers.
- c. Alerted all BFP personnel for any disaster related response.
- d. Prepared all trucks and response asset for easier mobilization in case needed.

CDRRMC PUERTO PRINCESA CITY, PALAWAN

- a. Distributed 125 food packs to the affected families of Brgy. Maoyon, Puerto Princesa City regarding the flooding incident.

3. REGION V

Office of Civil Defense V

- a. Attended NDRRMC PDRA Meeting thru Skype on 17 October 2017 at Handyong Hall, OCD V, Camp Ola, Legazpi City.
- b. OCD V OPCEN is on BLUE ALERT STATUS effective 17 October 2017 for Typhoon "PAOLO" and Low Pressure Area.
- c. Disseminated Weather Advisory thru SMS facility.
- d. On close monitoring and continuous coordination with Local DRRMCs and Response Agencies.

DOST PAGASA

- a. Provides weather updates/advisories including localized updates and continuous weather monitoring.

DSWD V

- a. 6,408 family food packs are available at DSWD Warehouse ready for prepositioning to LGUs if the need arises.
- b. With available standby funds amounting to ₱3,517,710.34
- c. Available food items are NFA Rice (227 sacks), corned beef (107 boxes and 20 tins), sardines (43 boxes and 4 tins), and coffee (32 boxes and 186 pieces).
- d. While non food items are malongs (46,942 pieces), laminated sacks (394 rolls), blankets (54,832 pieces), and dignity kits (7,327 pieces).
- e. PAT and MAT members are on standby and were instructed to coordinate with the P/MDRRMOs for status reports and updates.
- f. DSWD V is on continuous monitoring.

PDRRMC Sorsogon

- a. Conducts continuous monitoring and updates of the weather disturbance thru Infoboard and Infosys.
- b. Continuously coordinating with different Council Members for possible implementation of appropriate contingency plans.
- c. Dispatched relative information and updates obtained from PAGASA.
- d. Plots the coordinates provided by PAGASA to view the path of the typhoon.
- e. Ensured clear lines of communication with all DRRMOs for updates and coordination processes.
- f. Round-the-clock monitoring of further developments.

PDRRMC Albay, Camarines Norte, Camarines Sur, Masbate, Catanduanes

- a. Continuous monitoring of situation in their respective AORs.
- b. Dissemination of weather advisories.

CDRRMC Naga City

- a. Continuous monitoring of situation in respective AOR.
- b. Dissemination of weather advisories.

4. REGION VII

OCD VII

- a. Coordinated with Local DRRM Officers regarding the status of their areas.
- b. Coordinated with the Philippine Coast Guard in relation to the cancelled trips incoming and outgoing Central Visayas.

Philippine Coast Guard

- a. Monitored and cancelled trips incoming and outgoing Central Visayas.
- b. Prepositioned Special Operations Group for possible deployment.

PDRRMC Bohol

- a. Alerted all City/ Municipality and monitors any untoward incident.
- b. Placed all SRR Team on standby status.

PDRRMO Cebu

- a. On standby status due to heavy rains.

MDRRMC Tudela

- a. Notified all Brgy. Captains in its Area of Responsibility (AOR) re Typhoon "PAOLO".
- b. Placed all SRR Team on standby status.
- c. Conducted clearing operation in all river/water passage way.

CDRRMC Cebu City

- a. Conducts regular broadcast thru two (2) way radio to all Brgy. Responders for constant monitoring and appropriate action in case of flood and landslide.
- b. Conducted periodic check by C-3 on partner agencies.

5. REGION VIII**OCD VIII**

- a. On Blue Alert Status
- b. Continuous dissemination of Weather Advisories and General Flood Advisories to RDRRMCs, PDRRMCs, CDRRMCs, LGUs, Local Radio Station and line member agencies through SMS, info board, facsimile and uploaded the same to OCD RDRRMC MIMAROPA Facebook and Skype accounts to ensure widest dissemination of these advisories.
- c. Continuous coordination with response agency and monitoring of weather situation in area of responsibility.
- d. Ensure close coordination with response agencies and concerned LGUs re situation updates and the possible effects of TY "PAOLO" and the LPA.

PCG VIII

- a. Issued no sail policy in view of the present weather disturbance.
- b. Advised fishing boats and vessels not to venture-out to sea.
- c. Coordinated with coastal barangays to not allow fishermen to venture-out to sea.
- d. Placed two (2) ERTs on standby, ready for deployment, likewise two (2) Aluminum Boats are on standby ready for dispatch.
