NDRRMC UPDATE

SitRep No. 08 re Preparedness Measures and Effects of Weather Disturbances in the Country enhanced by Typhoon "PAOLO" and a Low Pressure Area (LPA)

Releasing Officer:

TUSEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 25 October 2017

Sources: DOST-PAGASA, DSWD, DILG, DOH, PCG, RDRRMCs/ OCDROs MIMAROPA, V, VII, IX, XII, CARAGA and ARMM

I. PRESENT WEATHER

SYNOPSIS

- a. Intertropical Convergence Zone (ITCZ) affecting Palawan and Mindanao.

FORECAST WEATHER CONDITIONS

- a. Palawan and Mindanao will experience cloudy skies with scattered rains and thunderstorms caused by ITCZ. Possible strong winds, lightning and scattered light to moderate with occasionally heavy rains which may cause flooding/landslides
- b. Eastern Visayas will experience cloudy skies with scattered rains and thunderstorms caused by trough of Tropical Storm "SAOLA".
- c. Rest of Visayas will experience partly cloudy to cloudy skies with isolated rainshowers caused by localized thunderstorms.
- d. Metro Manila and the rest of Luzon will experience partly cloudy to cloudy skies with isolated light rains caused by northeasterly surface windflow.

FORECAST WIND AND COASTAL WATER CONDITIONS

- a. Visayas, Palawan, and the regions of Davao and CARAGA will experience moderate to strong winds in a northeast to northwest direction. Coastal waters will be moderate to rough.
- b. Rest of Luzon will experience moderate to strong winds coming from northeast direction. Coastal waters will be moderate to rough.
- c. Rest of Mindanao will experience light to moderate winds blowing from northwest to west. Coastal waters will be slight to moderate.

II. CHRONOLOGY OF WEATHER DISTURBANCES

15 October 2017

Intertropical Convergence Zone (ITCZ) affecting Southern Luzon, Visayas, and Mindanao.

16 October 2017

At 10:00 PM, the Tropical Storm with international name "LAN" entered the Philippine Area of Responsibility and was named "PAOLO". It has maximum sustained winds of up to 80 km/h near the center and gustiness of up to 95 km/h.

The center of Tropical Storm "PAOLO" was estimated based on all available data at 940 km East of Guiuan, Eastern Samar (11.0°N, 134.3°E). Estimated rainfall amount was from moderate to heavy within the 425 km diameter of the Tropical Storm.

Intertropical Convergence Zone (ITCZ) affecting Southern Luzon, Visayas, and Mindanao.

17 October 2017

At 11:00 AM, TS "PAOLO" has intensified into a Severe Tropical Storm as it moved over the Philippine Sea. At 10:00 AM, the center of Severe Tropical Storm "PAOLO" was estimated based on all available data at 765 km East of Guiuan, Eastern Samar (11.0°N, 132.7°E).

At 11:00 PM, STS "PAOLO" slightly intensified as it moved over the Philippine Sea. The center of STS "PAOLO" was estimated based on all available data at 675 km East Northeast of Hinatuan, Surigao del Sur (10.5°N, 132.1°E) with maximum sustained winds of up to 105 km/h near the center and gustiness of up to 130 kph.

The estimated rainfall amount was from moderate to heavy within the 450 km diameter of the Severe Tropical Storm. The outer rain bands of "PAOLO" brought scattered light to moderate with occasional heavy rains over Bicol Region, Visayas, and Mindanao.

Meanwhile, the Low Pressure Area (LPA) was estimated based on all available data at 200 km West Northwest of Puerto Princesa City, Palawan (10.9°N, 117.1°E). This weather system brought scattered light to moderate with possible occasional heavy rains over Palawan embedded along the ITCZ affecting Southern Luzon, Visayas, and Mindanao.

18 October 2017

At 10:00 AM today, the eye of Typhoon "PAOLO" was located based on all available data at 735 km East of Guiuan, Eastern Samar (11.8 °N, 132.4 °E). It has maintained its strength and continues to move in a North Northwest direction.

Meanwhile, the Low Pressure Area (LPA) was estimated based on all available data at 280km West of Puerto Princesa City, Palawan (9.7°N, 116.2°E). This weather system brought scattered light to moderate with occasional heavy rains over Palawan.

19 October 2017

At 10:00 PM, the eye of Typhoon "PAOLO" was located based on all available data at 930 km East Northeast of Baler, Aurora (17.3°N, 130.1°E). It maintained its strength and moved north northwest over the Philippine Sea.

Meanwhile, the Low Pressure Area (LPA) was estimated based on all available data at 235 km North Northwest of Puerto Princesa City, Palawan (11.6°N, 117.8°E). This weather system, along with the outer rainbands of "PAOLO" and the southwesterly windflow enhanced by this Typhoon brought scattered to widespread rains and thunderstorms over Palawan, Bicol Region, Visayas, CARAGA, Northern Mindanao, Zamboanga Peninsula, and ARMM.

20 October 2017

At 10:00 AM, TY "PAOLO" has slightly changed course and is now moving in a North Northeast direction with a maximum sustained winds of up to 130 kph and gustiness of up to 160 kph. At 10:00 PM, it maintains its direction and is slowly moving away from the country. Meanwhile, the LPA near Mindoro has already dissipated.

The outer rainbands of TY "PAOLO" and the southwesterly windflow enhanced by this typhoon will bring scattered to widespread rains and thunderstorm over Visayas and the regions of MIMAROPA and Bicol.

21 October 2017

At 10:00 PM, TY "PAOLO" has maintained its strength and is about to exit the Philippine Area of Responsibility (PAR) with a maximum sustained winds of up to 185 kph and gustiness of up to 225 kph. It is forecasted to move North Northeast at 27 kph.

The southwesterly wind flow enhanced by this Typhoon was forecasted to bring cloudy skies with scattered light to moderate and at times heavy rainshowers during thunderstorms over Mindanao, Western Visayas, and Palawan.

22 October 2017

At 4:00 AM, TY "PAOLO" has exited PAR and was located at 1,345 km East Northeast of Basco, Batanes with a maximum sustained winds of 185 kph near the center and gustiness of up to 225 kph.

III. EFFECTS

A. AFFECTED POPULATION (TAB A)

1. A total of **33,384 families / 163,349 persons** were affected in Regions VI, VII, IX, XII, CARAGA, and ARMM:

Inside **14 ECs**: **723 families / 3,479 persons**
 Served Outside Ecs: **24,343 families / 118,467 persons**

Note: The decrease in the affected families was due to validated data from the field.

B. INCIDENTS MONITORED (TAB B)

1. A total of **eighteen (18) incidents** were monitored in Regions MIMAROPA, IX, XII, CARAGA, and ARMM.

C. SUSPENSION OF CLASSES

1. Classes in the following areas of Regions MIMAROPA, VII, VIII, and X were suspended:

AREA	LEVEL	DATE
REGION MIMAROPA		
Busuanga, Palawan	Elementary and High School	20 October 2017
Coron, Palawan	All Levels	20 October 2017
Culion, Palawan	All Levels	20 October 2017
San Jose, Occidental Mindoro	All Levels (Public)	20 October 2017
Magsaysay, Occidental Mindoro	All Levels	20 October 2017
REGION VII		
Province of Siquijor	All levels	19 October 2017
Jagna, Bohol	All levels	18 October 2017
REGION VIII		
Naval, Biliran	Elementary and High School	18 October 2017
REGION X		
Gingoog City, Misamis Oriental	All levels	20 October 2017

D. STATUS OF LIFELINES

ROADS AND BRIDGES

1. Daang Maharlika Road in Sogod, Southern Leyte was reported not passable due to landslide since 18 October 2017.
2. Dinganen Bridge in Buldon, Maguindanao was damaged due to flash flood on 18 October 2017, 9:00 AM. To date, a pathway beside the said bridge is being used as an alternate route.

POWER SUPPLY

1. As of 19 October 2017, 2:00 AM, the mainland area of the Province of Surigao del Norte (excluding Siargao Island) experienced black out due to the tripping off of electrical lines of NGCP Surigao-Placer service area brought about by strong winds. As of 19 October 2017, 7:05 A.M, NGCP has already restored its power lines. However, the Surigao del Norte Electric Cooperative (SURNECO) has not yet restored its power system due to damaged electric lines/wires. Power has been restored in mainland Surigao del Norte on 9:00 PM, 19 October 2017.
2. As of 19 October 2017, Brgy. Talon, Capitulangan, Alagatan, Maribucay, Mimbabalon, and Tinabalan in Gingoog City experienced power interruption due to toppled electric posts. As of 20 October 2017, the whole Gingoog City experienced power interruption.

E. STATUS OF PORTS

SEAPORTS

1. A total of 123 passengers were stranded in the Ports of Bulan and Pasacao in Bicol on 21 October 2017 due to rough seas caused by strong to gale force winds associated with TY "PAOLO". Normal port operations resumed on 20 October 2017.

AIRPORTS

1. A total of eight (8) domestic flights were cancelled due to bad weather on 20 October 2017:

FLIGHT NO.	DESTINATION	DATE
2P 2084 / 2085	Manila – Basco – Manila	20 October 2017
M8 715 / 716	Manila – Busuanga – Manila	
T6 110 / 111	Manila – El Nido – Manila	
T6 112	Manila – El Nido	
T6 147	El Nido – Manila	

Note: 2P – PAL Express / M8 – Skyjet / T6 – Air Swift

F. DAMAGES

1. HOUSES

- a. A total of **1,111 houses were reported damaged (532-partially / 579-totally)** in Regions IX, XII, CARAGA, and ARMM, with breakdown as follows:

Region/Province/ Municipality/City/Barangays	Damaged Houses		TOTAL
	Partially	Totally	
GRAND TOTAL	532	579	1,111
REGION IX			
Zamboanga del Sur	459	309	768
Zamboanga City	459	309	768
REGION XII

Bongao	31	199	230

Source: OCD Region IX, XII, CARAGA, and ARMM

2. OTHER DAMAGES

Region IX

Zamboanga City

- Some facilities in Limpapa National High School and Sea Wall in Brgy. Patalon incurred damages due to flashflood.
- Crops and fishponds in Brgy. Vitali incurred damages due to the flashflood.
- Slope protection in Zamboanga City incurred damages due to ITCZ.

Zamboanga del Norte

- Damages to crops, infrastructure, fishing industry, and properties were reported in the municipality of Siocon due to heavy rainfall.

ARMM

Sulu

- Two (2) *Palakaya* (Small fishing vessel) were reported damaged due to big waves in Jolo Wharf.
- One (1) pump boat was partially damaged in Brgy. Pandami due to big waves.

G. DECLARATION OF STATE OF CALAMITY

- Zamboanga City was declared under State Of Calamity with Resolution No. 1375 dated 19 October 2017.

H. COST OF ASSISTANCE

- A total of **₱1,684,006.00** worth of assistance was provided to the affected families in Regions VI, IX, and XII.

Region/Province/ Municipality	Cost of Assistance		TOTAL
	DSWD	LGU	
GRAND TOTAL	1,130,760.00	553,246.00	1,684,006.00
REGION VI			
Negros Occidental	115,200.00	322,126.00	437,326.00

IV. DISASTER PREPAREDNESS AND RESPONSE

A. National Disaster Risk Reduction and Management Council

1. NDRRM Operations Center (NDRRMOC)

- a. Conducted Emergency Response Preparedness (ERP) re Severe Tropical Storm (STS) "PAOLO" on 17 October 2017, 10:00 AM.
- b. Issued NDRRMOC Memorandum No. 128 to all RDRRMCs re Submission of RDRRMOC's Preparedness Actions in relation to TY "PAOLO".
- c. Issued NDRRMOC Memorandum to NDRRMOC Member-Agencies re the continuation of the Alert Status at the NDRRMOC.
- d. Continuously disseminating Severe Weather Bulletins to RDRRMCs/OCDROs concerned through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- e. Prepared Emergency Alert and Warning Messages (EAWM) re Heavy rainfall warning due to TY "PAOLO" and forwarded the same to Telecommunications Service Providers for widest dissemination to the public.

2. Philippine Atmospheric, Geophysical and Astronomical Services Administration (DOST-PAGASA)

- a. Provided updates on the track of the said weather disturbance and Status of monitored major dams during the ERP Meeting on 17 October 2017.
- b. Continuously disseminating Severe Weather Bulletins, General Flood Advisories, Flood Bulletins, and Gale Warnings re Typhoon "PAOLO".

3. Department of Interior and Local Government (DILG)

- a. Provided information/advisories to all concerned DILG ROs regarding the development of the TY "PAOLO" thru emails and text blasts.
- b. Instructed all concerned DILG ROs to take proactive measures in the impending disaster.
- c. Provided updates on weather alerts/advisories to all ROs and LGUs.
- d. Alerted and advised all concerned DILG Regional Offices and LGUs concerned on the following:
 - Monitored all PAGASA weather advisories and typhoon bulletins as well as the Project NOAH via website
 - Established critical preparedness actions based on the Operation LISTO protocols, and prioritize prepositioning of supplies and equipment for response
 - Visit the MGB Geo-Hazard Web Portal at gdis.denr.gov.ph/mgbgoogle for additional information
- e. Continue to monitor all PAGASA weather advisories and typhoon bulletins via <http://www.pagasa.dost.gov.ph/>, as well as the Project NOAH website www.noah.dost.gov.ph.
- f. Coordination with PAGASA and MGB in monitoring for updates.
- g. Continuous monitoring of all affected LGUs.

4. Department of Social Welfare and Development (DSWD)

- a. Prepositioned stockpiles and standby funds amounting to ₱ 1,029,778,311.50.
- b. DSWD-DReAMB Operations Center is on GREEN alert and placed on standby for BLUE Alert Status.

- c. The Disaster Response Operations Monitoring and Information Center (DROMIC) of the DSWD-DReAMB is on standby for monitoring of disaster events and report updates.

B. Regional / Local Disaster Risk Reduction and Management Councils (R/LDRRMCs)

- Continuously disseminates weather advisories/ bulletins to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCD InfoBoard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty.

1. REGION III

Office of Civil Defense III

- a. Disseminated NDRRMC Advisories on Weather, Flooding, Thunderstorm, and Severe Weather Bulletins to all concerned Local Chief Executives, Local DRRM Officers, and Regional DRRMCs thru SMART Info-board, facsimile, and email for widest dissemination of information and warnings.
- b. Continuous close coordination with the P/M/C and member agencies regarding Typhoon "PAOLO".

2. MIMAROPA

OCD MIMAROPA

- a. On Blue Alert Status.
- b. Continuous coordination with response agency and monitoring of weather situation in area of responsibility.
- c. Ensure close coordination with response agencies and concerned LGUs re situation updates and the possible effects of TY "PAOLO" and the LPA.

DILG MIMAROPA

- a. Sent advisory to all provincial offices re TY "PAOLO".

DSWD MIMAROPA

- a. Activated all P/C/M Quick Response Teams in five (5) provinces of MIMAROPA to regularly monitor the situations in their areas.
- b. Activated all members of R/P/C/M QRTs together with special projects on a 24/7 basis in case there is any untoward incident report happened due to weather disturbance.
- c. Advised our P/MQRTs to coordinate with concerned LGUs to report any unusual eventualities in their respective areas.
- d. In close coordination with the Office of Civil Defense (OCD) for any warning signal updates for monitoring purposes and response mechanism for areas that will be affected.
- e. With available stockpile of 34,424 family food packs to all SWADT and Regional Warehouses including prepositioned goods in identified GIDA/critical areas.
- f. With available Standby funds amounting to ₱2,090,608.54
- g. Available Family Food Packs (FFPs) in DSWD MIMAROPA warehouses:

Warehouse location	No. of available Family Food Packs
Regional Office Manila	6,923
Oriental Mindoro	2,946
Occidental Mindoro	3,650
Marinduque	3,136
Romblon	4,462
Palawan	2,760
Total	23,877

Department of Health (DOH) MIMAROPA

- a. Prepositioned water disinfectant and collapsible Jerry Cans in flood-prone areas of MIMAROPA and Provincial Department of Health Office (PDOHO).
- b. Advised Quad-Cluster Teams (Health, NIE, MHPSS, WASH) to be on standby for deployment and augmentation of services.
- c. Advised Human Resource Management for Health to be available on their catchment areas to augment health services and establish health assistance desk once evacuation starts.
- d. Continuous coordination and active monitoring with all PDOHO and HEMS Point Persons for any untoward incident.
- e. Continuous coordination with DOH retained hospitals and other attached agencies including entry and exit point.
- f. Continuous coordination with other Regional agencies including, PCG, PPA, RDRRMC, OCD, LGUs, PNP station and other stakeholders.
- g. Advised PDOHO to coordinate with HEMS-PHO for the health emergencies monitored.
- h. Advised PDOHO to coordinate with Ports Authority and advised nearby port health facilities to be on standby for possible health assistance in relation to the surge of passengers with medical assistance needed.
- i. Advised PDOHO to coordinate with Philippine National Police, Provincial and Municipal Disaster Risk Reduction Management Offices and other response groups in relation to the preparedness and response activities of the event/s being monitored.
- j. Advised PDOHO to conduct roving to all areas of concern especially those with potential risk for mass casualty incident and evacuation.
- k. Coordinated with PDOHO's and DOH Retained Hospital in relation to the inventory of all available drugs, medicines and medical supplies including vaccines and transportation assets.
- l. Coordinated with Human Resource Management for the inventory of RO/PDOHO warm bodies for the period of monitoring.
- m. Coordinated with General Services Unit for the inventory of transportation assets in the Regional Office, Provincial DOH Offices and DOH retained hospitals.
- n. Coordinated with Logistics Management Unit in relation to the availability of essential drugs/medicines and medical supplies.
- o. Coordinated with all HEMS Coordinators in the Provinces of MIMAROPA and advised to proactively coordinate with RO HERO OpCen for and submit daily situation updates.
- p. Coordinated with Philippine Air force 505 Search and Rescue for the utilization of Air Medical Services in the Provinces of MIMAROPA as contingency for Air Medevac.
- q. Advised PAMAS Air Ambulance Services through the Provincial DOH-Palawan for possible utilization of air evacuation.
- r. Coordinated with Regional Epidemiology Surveillance Unit (RESU) MIMAROPA and advised to send Event-Based Surveillance and Response (ESR) updates and notifiable diseases.
- s. Coordinated with Health Promotion Unit MIMAROPA to disseminate and establish health information kiosk to areas of gathering.
- t. Advised PDOHO to render duty at the PDRRMO Operations Center to ensure seamless and effective multi agency coordination for the potential effects brought by STS "PAOLO" in their respective catchment areas.
- u. Prepositioned drugs, medicines and medical supplies amounting to ₱1,471,150.24

- v. Prepositioned drugs, medicines and medical supplies in strategic areas and areas of concern amounting to ₱2,505,930.96
- w. Prepositioned water disinfectants for the onset of rainy season amounting to ₱425,000.00.
- x. Prepositioned collapsible jerry cans for the onset of rainy season amounting to ₱1,111,880.00.

DOST MIMAROPA

- a. Provides update to LGUs and uploaded updates on Facebook page thru DOST Provincial Science and Technology Center (PSTC).
- b. Monitors Automatic Rain Gauges and Water Level Monitoring Station in MIMAROPA as source of data thru "Project NOAH" and "PREDICT" website.

Department of Public Works and Highways (DPWH) MIMAROPA

- a. Alerted all maintenance crew of the District Disaster Risk Reduction and Management Teams to monitor condition of National Roads and Bridges and other infrastructure facilities.
- b. Placed all equipment on standby status for easier mobilization as situation warrants.

COAST GUARD DISTRICT SOUTHERN TAGALOG

- a. Advised all CG stations and substations are to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Placed all Deployable Response Groups (DRGs) on standby status 24/7.
- c. Placed all assets on standby status ready for deployment on flood-prone and coastal areas.
- d. Closely monitoring weather forecast.
- e. In close coordination with LGUs, and other government agencies.
- f. Continuous monitoring of situation in their respective AORs.
- g. Ensure the operational status of HF and VHF radio communications in support to the province operational concern in case of power black-out.

COAST GUARD DISTRICT PALAWAN

- a. Advised all CG station and substation to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Prepared PCG boarding teams, SAR assets and Deployable Response Group (CDRG) Teams and closely monitors maritime traffic and weather condition for prompt, sustained and effective implementation of existing command policies, rules and regulations and doctrines.
- c. Continuous monitoring of situation in their respective AORs.
- d. Placed assets on standby status ready for deployment on flood-prone and coastal areas.
- e. Placed Deployable Response Groups (DRGs) on standby status 24/7.

Police Regional Office MIMAROPA

- a. Ensures the availability of search and rescue assets and personnel.
- b. Alerted all Police Provincial Office down to their lower units and continuous monitoring of situation in their respective AORs.
- c. Coordinated with PAGASA, PDRPMC and other agencies.
- d. Directed all lower units to undertake precautionary measures and other disaster preparedness activities such as the following:

- Strengthen resilience of emergency communications
- Ensure readiness of the SRR equipment and supplies to support operational requirements (eg. rubber boat, utility rope, floating device, multi-tool items, 30L of GOL for generator, flashlights with extra battery, communications equipment, first aid kit, MRE, etc.)
- Forward deployment and pre-positioning of Search and Rescue (SAR) assets
- Coordination with Local DRRM
- Activation of Disaster Incident Management Task Groups (DIMG) as the situation may require

Bureau of Fire Protection (BFP) MIMAROPA

- a. Constant coordination with LGUs, NGOs and other government agencies to support the operational activities.
- b. Linkages/coordination with Police Forces, Barangay Officials, Tanods and Citizen Crime Watch to provide security to the evacuation centers.
- c. Alerted all BFP personnel for any disaster related response.
- d. Prepared all trucks and response asset for easier mobilization in case needed.

CDRRMC PUERTO PRINCESA CITY, PALAWAN

- a. Distributed 125 food packs to the affected families of Brgy. Maoyon, Puerto Princesa City regarding the flooding incident.

MDRRMCs RIZAL and SAN JOSE, OCCIDENTAL MINDORO and MDRRMC BUSUANGA, PALAWAN

- a. Activated the Emergency Operations Center

MDRRMC BULALACAO, ORIENTAL MINDORO

- a. Provided hot meals to evacuees of Sitio Tabuk, Brgy. Poblacion, Bulalacao, Oriental Mindoro.

3. REGION V

Office of Civil Defense V

- a. Attended NDRRMC PDRA Meeting thru Skype on 17 October 2017 at Handyong Hall, OCD V, Camp Ola, Legazpi City.
- b. OCD V OPCEN is on BLUE ALERT STATUS effective 17 October 2017 for Typhoon "PAOLO" and Low Pressure Area.
- c. Disseminated Weather Advisory thru SMS facility.
- d. On close monitoring and continuous coordination with Local DRRMCs and Response Agencies.

DOST PAGASA

- a. Provides weather updates/advisories including localized updates and continuous weather monitoring.

DSWD V

- a. 6,408 family food packs are available at DSWD Warehouse ready for prepositioning to LGUs if the need arises.
- b. With available standby funds amounting to ₱3,517,710.34.
- c. Available food items are NFA Rice (227 sacks), corned beef (107 boxes and 20 tins), sardines (43 boxes and 4 tins), and coffee (32 boxes and 186 pieces).
- d. While non food items are malongs (46,942 pieces), laminated sacks (394 rolls), blankets (54,832 pieces), and dignity kits (7,327 pieces).
- e. PAT and MAT members are on standby and were instructed to coordinate with the P/MDRRMOs for status reports and updates.
- f. DSWD V is on continuous monitoring.

PDRRMC Sorsogon

- a. Conducts continuous monitoring and updates of the weather disturbance thru Infoboard and Infosys.
- b. Continuously coordinating with different Council Members for possible implementation of appropriate contingency plans.
- c. Dispatched relative information and updates obtained from PAGASA.
- d. Plots the coordinates provided by PAGASA to view the path of the typhoon.
- e. Ensured clear lines of communication with all DRRMOs for updates and coordination processes.
- f. Round-the-clock monitoring of further developments.

Albay, Camarines Norte, Camarines Sur, Masbate, and Catanduanes

- a. Continuous monitoring of situation in their respective AORs.
- b. Dissemination of weather advisories.

CDRRMC Naga City

- a. Continuous monitoring of situation in respective AOR.
- b. Dissemination of weather advisories.

4. REGION VI**OCD VI**

- a. Continuous dissemination of Weather Updates to key members of RDRRMCs and LDRRMCs.
- b. Continuous monitoring of AOR.

DSWD VI

- a. Distributed 806 food packs as augmentation on 21 October 2017 for the evacuees in the Municipality of Ilog, Negros Occidental.

DPWH VI

- a. Monitored all national roads and bridges in area of responsibility.
- b. Prepared all equipment and crew for deployment in case of emergency.

PDRRMC Antique

- a. Continuous monitoring of water level and area of responsibility.
- b. Facilitated the distribution of food packs for the evacuees in evacuation centers.

PDRRMC Capiz

- a. Operations Center is continuously monitoring the weather situation in the whole province.
- b. All CDRRMOs and MDRRMOs are monitoring area of responsibility.
- c. Coordinated with Provincial DILG for incident/update or actions taken by PDRRMC OpCen.

MDRRMC Oton, Iloilo

- a. Continuously monitoring area of responsibility.

MDRRMC of Ilog, Negros Occidental

- a. Evacuated affected families to evacuation centers on 19 October 2017.
- b. Rescuers are on alert and standby.
- c. Received 147 food packs from LGUs on 19 October 2017.

5. REGION VII**OCD VII**

- a. Coordinated with Local DRRM Officers regarding the status of their areas.
- b. Coordinated with the Philippine Coast Guard in relation to the cancelled trips incoming and outgoing Central Visayas.

PCG

- a. Monitored and cancelled trips incoming and outgoing Central Visayas.
- b. Prepositioned Special Operations Group for possible deployment.

PDRRMC Bohol

- a. Alerted all City/ Municipality and monitors any untoward incident.
- b. Placed all SRR Team on standby status.

PDRRMO Cebu

- a. On standby status due to heavy rains.

MDRRMC Tudela

- a. Notified all Brgy. Captains in its Area of Responsibility (AOR) re Typhoon "PAOLO".
- b. Placed all SRR Team on standby status.
- c. Conducted clearing operation in all river/water passage way.

CDRRMC Cebu City

- a. Conducts regular broadcast thru two (2) way radio to all Brgy. Responders for constant monitoring and appropriate action in case of flood and landslide.
- b. Conducted periodic check by C-3 on partner agencies.

6. REGION VIII**OCD VIII**

- a. On Blue Alert Status.
- b. Continuous dissemination of Weather Advisories and General Flood Advisories to RDRRMCs, PDRRMCs, CDRRMCs, LGUs, Local Radio Station and line member agencies through SMS, info board, facsimile and uploaded the same to OCD RDRRMC MIMAROPA Facebook and Skype accounts to ensure widest dissemination of these advisories.
- c. Continuous coordination with response agency and monitoring of weather situation in area of responsibility.
- d. Ensure close coordination with response agencies and concerned LGUs re situation updates and the possible effects of TY "PAOLO" and the LPA.

DSWD VIII

- a. DSWD is in skeletal force even with the suspension of classes and government work.
- b. Alerted SWAD Teams in all provinces for possible deployment.
