NDRRMC UPDATE

**SitRep No. 03 re Preparedness Measures and Effects of
Tropical Depression "RAMIL"**

Releasing Officer:

4. USEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE : 03 November 2017, 8:00 AM

Sources: DOST-PAGASA, DSWD, DILG, DOH, OCDRO/RDRRMCs I, II, CALABARZON, MIMAROPA, V, VI, VIII, and NCR

I. SITUATION OVERVIEW

31 October 2017

At 10:00 AM, a Low Pressure Area (LPA) has entered the Philippine Area of Responsibility (PAR) and was estimated in the vicinity of Sogod, Southern Leyte. This weather system was forecasted to bring moderate to occasionally heavy rains and thunderstorms over Visayas, Bicol Region, and MIMAROPA.

Also, it is forecasted to bring light to moderate rains over the regions of Northern Mindanao and CARAGA.

01 November 2017

The LPA was located South Southwest of Masbate City, Masbate has developed into a Tropical Depression (TD) and was named "RAMIL".

At 4:00 AM, it was estimated based on all available data at 85 km West of Roxas City, Capiz (11.6°N, 122.0°E) with maximum sustained winds of 45 km/h near the center and gustiness of up to 70 km/h. It is forecast to move West at 20 km/h. Northeast Monsoon affecting Northern Luzon.

Tropical Cyclone Warning Signal (TCWS) No. 1 was raised over Northern Palawan including Calamian Group of Islands, Aklan, and Antique.

At 7:00 AM, "RAMIL" has maintained its strength as it moved toward Calamian Group of Islands. Additional provinces under TCWS No. 1 were raised in Southern Occidental, Mindoro, and Southern Oriental Mindoro.

At 4:00 PM, "RAMIL" has slightly intensified and was located in the vicinity of Calamian Group of Islands. Its center was estimated at 25 km South of Coron with maximum winds of 55 kph near the center and gustiness of up to 75 kph. It was forecasted to move west at 18 kph.

At 8:00 PM, it maintained its strength as it crossed the Calamian Group of Islands with TCWS No. 1 still hoisted over the remaining provinces, Northern Palawan including Calamian Group of Islands and Southern Occidental Mindoro.

02 November 2017

TD "RAMIL" has maintained its strength and was over the West Philippine Sea. At 4:00 AM, it was located at 230 km West of Coron, Palawan with maximum winds of 55 km/h near the center and gustiness of up to 65 km/h. It was forecasted to move West at 15 km/h.

At 10:00 AM, "RAMIL" has intensified into a Tropical Storm (TS) while moving Westward over the West Philippine Sea. TS "RAMIL" was estimated at 365 km West of Coron, Palawan (12.4°N, 116.9°E).

At 11:00 PM, TS "RAMIL" has slightly accelerated. "RAMIL" is expected to exit PAR between 11:00 PM, 02 November 2017 and 2:00 AM, 03 November 2017.

03 November 2017

At 3:00 AM, the center of Tropical Storm "RAMIL" was estimated at 240 km North of Pagasa, Palawan (OUTSIDE PAR) (13.1°N, 114.5°E).

"RAMIL" has intensified into a Severe Tropical Storm and is now outside the Philippine Area of Responsibility (PAR).

II. EFFECTS

A. Affected Population

1. A total of **78 families / 305 persons** were affected in **6 barangays** in **MIMAROPA and Region V**, all of which were evacuated in their respective barangays' evacuation centers:

PROVINCE / MUNICIPALITY	NUMBER OF AFFECTED		
	Brgys.	Families	Persons
TOTAL	6	78	305
Camarines Norte	4	61	231
<i>Vinzons</i>	3	45	168
<i>Mercedes</i>	1	16	63
Camarines Sur	1	13	59
<i>Lagonoy</i>	1	13	59
Oriental Mindoro	1	4	15
<i>Calapan City</i>	1	4	15

B. Incidents Monitored (Tab A)

1. A total of **twelve (12)** incidents were monitored in Regions CALABARZON, **MIMAROPA**, and Region V.

Type of Incident	Number of Incident
Capsized Banca	2
Flooding/ Flashflood	3
Vehicular Accident	1
Landslide/Rock Fall/Soil Erosion	5
Drowning	1
Total	12

C. Flooded Areas

1. A total of **fourteen (14)** cities/municipalities in CALABARZON, MIMAROPA, and Region V were reported flooded. Of which **twelve (12)** has already subsided:

AREA		REMARKS
CALABARZON		
Laguna – 3		
<i>Famy</i>	At 6:00 AM, 01 November 2017, waist-deep flood waters was reported affecting Brgys. Batuhan and Bulihan.	No reported evacuees. As of 8:00 AM, 02 November 2017, flood waters has gone down to knee-deep. Areas affected are now passable.
<i>Mabitac</i>	At 8:00 AM, 01 November 2017, knee-deep flood waters affected three (3) barangays namely, San Antonio, Libis ng Nayon, and Bayanihan.	No reported evacuees. As of 8:00 PM, 01 November 2017, all roads in Brgy. San Antonio are passable. As of 5:00 PM, 02 November 2017, Brgys. Libis ng Nayon, and Bayanihan are still knee-deep but are now passable. Meanwhile, leg-deep flood waters affected Brgy. Sinagtala but is still passable.
<i>Siniloan</i>	Flood waters affected lakeshore barangays namely, Gen Luna, Pandino, and Wawa	No reported evacuees As of 02 November 2017, flood has already subsided.
MIMAROPA		
Oriental Mindoro - 4		
<i>Baco</i>	Reported in Brgys. Bangkatan, Katwiran and Tagumpay.	No reported evacuees. As of 5:00 PM, 02 November 2017, the flood has already subsided.
<i>Socorro</i>	Reported in Brgy. Catiningan	Floodwaters was approximately 0.5 meters. As of 3:00 PM, 02 November 2017, the flood has already subsided.
<i>Calapan</i>	Reported in Brgy. Suqui	Floodwaters was approximately 0.5 meters high. As of 3:00 PM, 02 November 2017, the flood has already subsided.
<i>Pinamalayan</i>	Reported in Brgys. Pili, Guinhawa, and Banilad	As of 3:00 PM, 02 November 2017, the flood has already subsided.
Region V		
Camarines Sur – 7		
<i>Baao</i>	On 31 October 2017, seven (7) barangays reported flooded due to the continuous rains.	As of 3:00 PM, 01 November 2017, flood has already subsided
<i>Iriga City</i>	On 31 October 2017, one (1) barangay was reported flooded due to the continuous rains.	
<i>Garchitorena</i>	On 31 October 2017, one (1) barangay was reported flooded due to the continuous rains.	
<i>Balatan</i>	On 31 October 2017, two (2) barangays were reported	As of 10:00 AM, 01 November 2017, flood water has already subsided and

	flooded due to the continuous rains.	power supply was restored.
<i>Caramoan</i>	Knee-level flood due to continuous rain affecting one (1) barangay	As of 10:00 AM, 02 November 2017, flood water has already subsided.
<i>Magarao</i>	Six (6) barangays were flooded due to continuous rains	As of 10:00 AM, 01 November 2017, flood water has already subsided.
<i>Lagonoy</i>	Four (4) barangays were flooded due to the overflowing of spillway	As of 3:00 PM, 01 November 2017, flood has already subsided

D. Status of Lifelines

1. Power Supply

As of 12:00 NN, 01 November 2017, the Municipality of Caramoan, Camarines Sur (Region V) has no power supply.

2. Roads and Bridges

REGION II			
Cagayan			
Roads/Bridges	Location	Status	Remarks
Cabasan Overflow Bridge	Peñablanca	Not passable as of 01 November 2017	Closed to traffic due to swollen river
Pinacanauan Na Tuguegarao Ave.	Tuguegarao City		
Tawi Overflow Bridge	Peñablanca	Passable for light vehicles only as of 02 November 2017	Closed to heavy vehicles due to swollen river. LGU installed temporary approach for light vehicles.
Isabela			
Alicaocao Overflow Bridge	Cauayan City	Not passable since 31 October 2017	Closed to traffic due to swollen river
Sta. Maria – Cabagan Overflow Bridge	Sta. Maria		
Sto. Tomas – Cansan Overflow Bridge	Sto. Tomas		
REGION V			
Camarines Sur 3 rd DEO	Along Sibanguan-Bongalon, Sagnay	One-lane passable due to landslide	Ongoing clearing operations

E. Status of Ports

1. Airport

As of 01 November 2017, a total of **eight (8) domestic flights** were cancelled:

FLIGHT NO.	DESTINATION
5J 821/822	Manila - Virac - Manila
5J 504/505	Manila - Tuguegarao - Manila

5J 506/507	Manila - Tuguegarao - Manila
2P 2014/2015	Manila - Tuguegarao - Manila

Source: MIAA * 2P-PalExpress / 5J-Cebu Pacific

2. **Seaport**

As of 4:00 AM, 03 November 2017, total of **143 passengers, 1 vessel, and 1 motorbanca** are still stranded in Coast Guard Station (CGS) El Nido.

Station / Port	Stranded			
	Passenger	Rolling Cargoes	Vessels	MBCA
CGS El Nido	143	-	1	1
TOTAL	143	-	1	1

Source: PCG SitRep No. 11 as of 03 November 2017

F. **Suspension of Classes**

1. A total of **two (2) provinces in CALABARZON and six (6) municipalities and one (1) city in MIMAROPA** suspended classes due to TS RAMIL:

AREA	LEVEL	DATE
CALABARZON		
Province of Batangas	All levels (Public and Private)	02 November 2017
Province of Cavite	Preschool to Elementary	02 November 2017
MIMAROPA		
Oriental Mindoro		
Calapan City	All levels	02 November 2017
Naujan	All levels	02 November 2017
Puerto Galera	Pre-school to High School	02 November 2017
Pola	All levels	02 November 2017
Baco	All levels	02 November 2017
Pinamalayan	Pre-school to High School	02 November 2017
Marinduque		
Mogpog	All levels	02 November 2017

III. **DISASTER PREPAREDNESS**

A. **National Disaster Risk Reduction and Management Council (NDRRMC)**

1. **NDRRM Operations Center (NDRRMOC)**

- a. The NDRRMOC Alert Status is on BLUE effective 8:00 AM, 31 October 2017 to continuously monitor the situation and maintain close coordination with concerned, Regional DRRMCs, member-agencies and offices.
- b. Continuously disseminating Severe Weather Bulletins to RDRRMCs/OCDROs concerned through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).

2. **Philippine Atmospheric, Geophysical and Astronomical Services Administration (DOST-PAGASA)**

- a. Continuously disseminates Severe Weather Bulletins, General Flood Advisories, Flood Bulletins and Gale Warnings re TS "RAMIL".

3. Department of Social Welfare and Development (DSWD)

- a. The DSWD Central Office (CO), concerned Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to ₱908,689,530.69 with breakdown as follows:
 - Stockpiles - A total of 338,824 Family Food Packs (FFPs) amounting to ₱120,042,440.94 and available Food and Non-food Items (FNIs) amounting to ₱404,670,479.96
 - Standby Funds - A total of ₱383,976,609.79 standby funds in the CO and FOs. Of the said amount, ₱337,496,759.05 is the available Quick Response Fund in the CO

B. Regional/Local Disaster Risk Reduction and Management Councils (R/L DRRMCs)

- a. **RDRRMCs I, II, CALABARZON, MIMAROPA, V, VI, VIII, and NCR** continuously disseminate weather advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCD InfoBoard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AORs.

1. RDRRMC II

Office of Civil Defense (OCD) Region II

- a. On BLUE Alert Status effective 8:00AM, 30 October 2017.
- b. Disseminated the Cagayan Valley RDRRMC Memorandum No. 31 dated 27 October 2017 regarding the Raising of Alert Status at the Cagayan Valley RDRRMOC and LDRRMOCs to BLUE Alert Status to P/C/MDRRMCs and other stakeholders.

DSWD Field Office (FO) II

- a. The Disaster Management and Response Team (DMRT) in the Field Office, SWAD and MAT Teams in the provinces of Batanes, Cagayan, Isabela, Quirino and Nueva are on-call and standby.
- b. The Field Office has an available standby fund amounting to ₱5,396,786.43 and stockpile of 11,902 family food packs, readily available in the event the LGUs are in need of assistance.
- c. A total of 13,400 family food packs were prepositioned in different municipalities of Cagayan, Isabela, Quirino, and Nueva Vizcaya.
- d. A total of 264 sacks of NFA rice and assorted canned goods (92 cases corned beef, 88 cases sardines, 92 cases sausage) prepositioned in the province of Batanes.

Bureau of Fire Protection (BFP) II

- a. Placed all units on Full Alert Status starting 31 October 2017 to 02 November 2017 to maximize the deployment of personnel and to keep all stations ready to respond to any untoward incidents.
- b. Directed all stations to conduct lectures or community information drive, going about their areas of responsibility, distributing safety materials, and announcing on public address systems safety precautions.

- c. Directed all BFP to conduct safety inspection at air transport stations and terminals (land and air), marine public transportation and pier, and other places of assembly.
- d. Directed all stations to deploy personnel and firefighting apparatus, ambulances, and EMS to areas likely to be affected by the weather system.

CDRRMC Tuguegarao (Cagayan)

- a. Continuous dissemination of advisories to all CDRRMC members, BLGUs, BDAOs, and other stakeholders through SMS.
- b. Continuous monitoring of AOR.
- c. Directed all BDRRMCs to undertake the necessary precautionary measures.
- d. Prepositioned rescue equipment at rescue outposts.

2. RDRRMC CALABARZON

OCD CALABARZON

- a. On Blue Alert effective since 28 October 2017, 8:00 AM.

Department of Interior and Local Government (DILG) CALABARZON

- a. Alerted all DILG Provincial, City, and Municipal Offices to closely coordinate with LCEs, Chief of Police, Fire Marshalls, and other concerned authorities for strict enforcement of protocols.
- b. Activation of DILG Operations Center and monitoring of reports of LGU actions taken and incident monitoring (thru channels).
- c. Assistance in the dissemination of weather advisories to Local Government Units in respective AOR thru channels.
- d. Continuous coordination with RDRRM OpCen.

DSWD CALABARZON

- a. DSWD Disaster Management Unit (DMU) is already on heightened alert together with the Quick Response Teams (QRTs).
- b. Ensured availability of funds and family food pack that may be given to victims if disaster occurs.
- c. Prepositioned stockpile (food and non-food items) at the field office and at the warehouses in all 5 provinces of the region.
- d. DSWD QRTs are already tied up with the PDRRMOs ready for deployment if disaster operations occur.

Department of Health CALABARZON

- a. The Health Emergency Management Staff (HEMS) operations center is on active surveillance to monitor any health or health-related emergencies.

Coast Guard District (CGD)-Southern Luzon and NCR

- a. Coordinate with the local PPA and MARINA in the area regarding the establishment of DOTC Passenger Assistance Center. Likewise, enjoin members of the PCGA to participate.
- b. Ensure that all Stations/Substations within AOR would observe full alert and activate respective PACs together with cognizant agencies with appropriate number of personnel manning the help desks.
- c. Direct CGK9-STL, CGSOU-STL, CGMED-STL to augment and act as additional deployment in the Passengers Assistance Centers (PAC) in CGDSTL stations and substations.
- d. Direct DF310 and DF 308 to ensure readiness of their vessels to be deployed in maritime related incidents.

- e. Ensure the promptness of Deployable Response Group (DRG) to respond in any companies to emphasize respective or integrated commitment to security and safety in water transport services by improving and enforcing safety standards and regulations, such as inspection of baggage's and implementation of security layers in the ports and passenger terminals to prevent hostile elements from perpetrating terrorist acts and other focus of security threats, and likewise, to strictly ensure no overloading of passengers.

Police Regional Office (PRO) CALABARZON

- a. Enhance police presence through foot and mobile patrols in areas frequented by the general public, such as malls, train tracks stations and other transport facilities and terminals (bus stations, airports, and seaports), cemeteries, churches, resorts and other areas vulnerable to terrorist hostile activities in coordination with other concerned law enforcement agencies, LGUs, and private security providers.
- b. Conduct information campaigns in coordination with LGUs for public safety awareness.
- c. Alert Quick Response Teams to respond to any emergency cases.

- e. Coordinate with community-based volunteers and other force multipliers to be deployed during the security operations to wear appropriate uniform or identification cards for security reasons.

Philippine Red Cross (PRC) Laguna and Rizal Chapters

- a. Continuously providing updates RDRRMOC.
- b. On standby 24/7 to provide first aid and medical assistance to possible road accidents and other emergencies that may occur.

Philippine Information Agency (PIA) CALABARZON

- a. Ensured timely and accurate dissemination of situation reports that will be the basis of government agencies involved in disaster response to act immediately in the rescue, relief and rehabilitation of the affected population.

Southern Luzon Command, AFP

- a. Directed all AFP units to coordinate with PNP counterparts for the conduct of Joint Target hardening to secure targeted facilities and establishments against threat and organized crime groups in order to ensure the security and safety of the general public at places of convergence like cemeteries, transport terminal, malls, market, churches, and other places of worship.
- b. Conduct checkpoints in coordination with PNP to maximize the presence of government forces in critical areas.
- c. Provide motorist assistance in major thoroughfares and highways.
- d. Intensify intelligence effort.
- e. Maximize the utilization of K9 and EOD Units in the conduct of Explosive Detection at possible entry/exit points in urban centers and/or cities.

Philippine Ports Authority (PPA) Batangas

- a. Preparations were made to ensure passengers' security and safety while within port premises and on board sea vessels through their destination of choice are all in place.
- b. Putting up of Public Assistance Desk.
- c. Operationalization of safety and security equipment.

- d. Random inspection of transport vehicles.
- e. Imposed stricter security checks at port facilities.
- f. Vehicle inspection and manual frisking and inspection of carry-on bags and luggage in all PPA gates were set.

PDRRMCs Batangas, Cavite, Laguna, Rizal, and Quezon

- a. The Operations Center is on 24/7 monitoring.
- b. Continuously sending updates re Provincial Situation.

3. RDRRMC MIMAROPA

OCD MIMAROPA

- a. Continuous coordination with response agency and monitoring of weather situation in area of responsibility.
- b. Ensure close coordination with response agencies and concerned LGUs regarding situation updates and the possible effects of TS "RAMIL".

Department of Science and Technology (DOST) MIMAROPA

- a. Provides update to LGUs and uploaded updates on Facebook page Thru DOST Provincial Science and Technology Center (PSTC).
- b. Ensured availability of Automatic Rain Gauges and Water Level Monitoring Station in MIMAROPA as source of data thru "Project NOAH" and "PREDICT" website.

DILG MIMAROPA

- a. Disseminated advisories to all provincial offices.

DSWD MIMAROPA

- a. Activated all Provincial, City, and Municipal Quick Response Teams in MIMAROPA to regularly monitor the situations in their areas.
- b. Advised our P/MQRTs to coordinate with concerned LGUs to report any unusual eventualities in their respective areas
- c. Closed coordination with OCD for any warning signal updates for monitoring purposes and response mechanism for areas that will be affected.
- d. With available stockpile of 34,424 family food packs to all SWADT and Regional Warehouses including prepositioned goods in identified GIDA/critical areas.
- e. Standby funds amounting to ₱2,090,608.54.

BFP MIMAROPA

- a. Continuous coordination with LGUs NGOs and other government agencies to support the operational activities.
- b. Linkages/coordination with Police Forces, Barangay Officials, Tanods and Citizen Crime Watch to provide security to the evacuation centers.
- c. Alerted all BFP personnel for any disaster related response.
- d. All trucks and response asset are readily available in case needed.

DOH MIMAROPA

- a. Prepositioned water disinfectant and collapsible Jerry Cans in flood prone areas of MIMAROPA and PDOHO
- b. Advised Quad-Cluster Teams (Health, NIE, MHPSS, WASH) to be on standby for deployment and augmentation of services.

- c. Advised Human Resource Management for Health to be available on their catchment areas to augment health services and establish health assistance desk once evacuation starts.
- d. Continuous coordination and active monitoring with all PDOHO and HEMS Point Persons for any untoward incident.
- e. Continuous coordination with DOH retained hospitals and other attached agencies including entry and exit point.
- f. Continuous coordination with other Regional agencies including, PCG, PPA, RDRRMC, OCD, LGUs, PNP station and other stakeholders.
- g. Advised PDOHO to coordinate with the following:
 - i. HEMS-PHO for the health emergencies monitored.
 - ii. Ports Authority and advised nearby port health facilities to be on standby for possible health assistance in relation to the surge of passengers with medical assistance needed.
 - iii. Philippine National Police, Provincial and Municipal Disaster Risk Reduction Management Offices and other response groups in relation to the preparedness and response activities in relation to the event/s being monitored.
- h. Advised PDOHO to conduct roving to all areas of concern potential risk for mass casualty incident and evacuation.
- i. Coordinated with PDOHO's and DOH Retained Hospital in relation to the inventory of all available drugs, medicines and medical supplies including vaccines and transportation assets.
- j. Coordinated with Human Resource Management for the inventory of RO/PDOHO warm bodies for the period of monitoring.
- k. Coordinated with General Services Unit for the inventory of transportation assets in the Regional Office, Provincial DOH Offices and DOH retained hospitals.
- l. Coordinated with Logistics Management Unit in relation to the availability of essential drugs/medicines and medical supplies.
- m. Coordinated with all HHEMS Coordinators in the Provinces of MIMAROPA and advised to proactively coordinate with RO HERO OpCen for and submit daily situation updates.
- n. Coordinated with Philippine Air force 505 Search and Rescue for the utilization of Air Medical Services in the Provinces of MIMAROPA as contingency for Air Medevac.
- o. Advised PAMAS Air Ambulance Services through the Provincial DOH-Palawan for possible utilization of air evacuation.
- p. Inventory of available drugs and medicines in all PDOHO' S coordinated and preparation of standby drugs and medicines coordinated with Logistics Management Unit
- q. Coordinated with RESU MIMAROPA and advised to send ESR updates and notifiable diseases.
- r. Coordinated with Health Promotion Unit MIMAROPA to disseminate and establish health information kiosk to areas of gathering.
- s. Advised PDOHO to render duty at the PDRRMO Operation Center ensure seamless and effective multi agency coordination for the potential effects brought by STS in their respective catchment areas.

Department of Public Works and Highways (DPWH) MIMAROPA

- a. Maintenance crew of the District Disaster Risk Reduction and Management Teams are alerted to monitor condition of National Roads and Bridges and other infrastructures facilities.
- b. Necessary equipment are on standby and ready for mobilization.

CGD Southern Tagalog

- a. All Coast Guard stations and substations are closely monitoring weather forecast and advised to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Deployable Response Groups (DRGs) are placed on standby status 24/7.
- c. Assets are placed on standby status ready for deployment on flood-prone and coastal areas.
- d. Close coordination with LGUs, and other government agencies.
- e. Continuous monitoring of situation in their respective AORs
- f. Ensured the operational status of HF and VHF radio communications in support to the province operational concern in case of power black-out.

CGD Palawan

- a. All CG station and substation are advised to ensure strict implementation of Guidelines on the movement of vessels during heavy weather (HPCG Memo Circular 01-09) and in the absence of weather bulletin in the locality (HPCG Memo Circular 03-01).
- b. Prepared PCG boarding teams, SAR assets and Deployable Response Group (CDRG) Teams and closely monitors maritime traffic and weather condition for prompt, sustained and effective implementation of existing command policies, rules and regulations and doctrines.
- c. Continuous monitoring of situation in their respective AORs.
- d. Assets are placed on standby status ready for deployment on flood-prone and coastal areas.
- e. Deployable Response Groups (DRGs) are placed on standby status 24/7.

PRO MIMAROPA

- a. Ensured availability of search and rescue assets and personnel.
- b. Alerted all Police Provincial Office down to their lower units and continuous monitoring of situation in their respective AORs.
- c. Coordinated with PAGASA, PDRRMC, and other agencies.
- d. Lower units are directed to undertake precautionary measures and other disaster preparedness activities.

4. RDRRMC V

OCD V

- a. On BLUE Alert Status effective 8:00AM, 30 October 2017.
- b. Provided logistics support to detailed duty officers at the Bicol RDRRMOC.

PAGASA V

- a. Continuous monitoring of weather situation and dissemination of updates and advisories.

DPWH V

- a. Provided date, information and update via situational reports.
- b. Closely monitoring all national roads within the region.

CGD BICOL

- a. Closely monitoring all ports in Bicol Region.

PDRRMCs Albay, Camarines Norte, Camarines Sur, Catanduanes, Masbate and Sorsogon / CDRRMC Naga

- a. Closely monitoring the situation within their respective areas of responsibility (AORs).
- b. Continuous updating and providing of situation reports.
- c. Continuous dissemination of weather advisories and updates.

5. RDRRMC VIII

OCD VIII

- a. Raised alert status to "**BLUE**" effective 31 October 2017 and duty personnel from various response agencies and volunteer radio communication groups reported on duty to facilitate immediate coordination and to monitor incidents and related activities within their respective AORs.
- b. Conducted Emergency Response Preparedness (ERP) Meeting on 30 October 2017 at the OCD Conference Room, Tacloban City, to assess the preparations for the possible effect of the LPA in the region and observance of UNDAS 2017.

DOST

- a. Monitoring the status of 142 hydro-meteorological station within the region.

Philippine Navy (Tacloban Station)

- a. Five (5) personnel aboard on duty in Tacloban Naval Station.
- b. DRRU on standby for possible disaster response.
- c. One (1) M35 Truck and one (1) Multicab ready for mobilization.

PDRRMC Samar

- a. Coordinated with the Rescue Volunteers and other responsible agencies to discuss preparedness measures for the LPA.
- b. Continuously monitoring the update of the LPA and disseminate advisories to the MDRRM Officers and other concerned personnel in the Province.
- c. Precautionary measures were undertaken to ensure zero casualty if the said LPA intensified into a tropical depression.

6. RDRRMC NCR

DSWD - NCR

- a. Stockpile and Status of Commodities and Standby Funds:

Particulars	Quantity
Relief Goods	10,615 Family Food Packs
NFA Rice	1 sack
Plastic Mats	3,682
Blankets	6,533
Mosquito Nets	4,136
Bottled Water	19,937
Standby Fund	₱3,021,659.00

- b. Daily monitoring of weather conditions and other emergencies through telephone, internet, cell phone, television, etc. by the Disaster Response Section Staff and Quick Response Team Leaders and members.

- c. The Planning Section of FO-NCR and the FO-DROMIC Focal is assigned to prepare the consolidation of disaster reports in the event of 24 hours monitoring.
 - d. Continuous provision of Disaster Assistance Family Access Card to requesting LGUs.
 - e. Administrative Division is ensuring to maximize the availability and accessibility of at least four (4) vehicles.
 - f. The Quick Response Teams of FO-NCR composed of organic staff from the Field Office and Centers and Residential Care Facilities (C/RCFs) is on standby alert and will be activated in response to any eventualities. The assignment of said staff is scheduled per day.
-

Preparedness Measures and Effects by Tropical Storm "RAMIL"

INCIDENTS MONITORED

As of 03 November 2017, 8:00 AM

AREA	DATE/TIME	REMARKS
TOTAL INCIDENTS <u>12</u>		
CAPSIZED BANCA - 2		
MIMAROPA		
Palawan		
<i>Puerto Galera</i>	12:00 PM, 01 November 2017	A Motorized Banca named MB King Jonel, owned by a certain Jun-Jun Mendoza, onboard with Captain Reno Ace Garcia 27 y/o together with his boat men: Ian Roy Quinery 19 y/o and Justin Macalalad 19 y/o with six (6) others found to be Chinese national namely: Fel Cao 34 y/o, Juan Juan Shi 34 y/o, Rong Jun Wang 34 y/o, Jio Lo Sai 40 y/o, Xi Min Yu 61 y/o, and Xing Eng Zho 40 y/o.
