PUBLIC WARNING:

The public and the Local Disaster Risk Reduction and Management Council (LDRRMOs) within the basin are advised to take precautionary measures to mitigate the adverse impacts of possible flooding due to the accumulation / ponding of rainwater combined with the effects of high tides and to continue monitoring for updates particularly Thunderstorm / Rainfall Advisories and Heavy Rainfall Warnings issued by PAGASA Regional Services Divisions.

ACTION/S TAKEN:

NDRRMC Flood Advisories were cascaded to **OCD Regional Office II** through facsimile, SMS, and website for further dissemination to respective LDRRMCs from the provincial down to the municipal levels.
