2. Philippine Atmospheric, Geophysical and Astronomical Services Administration (DOST-PAGASA)

- Continuously disseminating weather forecasts and General Flood Advisories

B. Regional / Local Disaster Risk Reduction and Management Councils (R/LDRRMCs)

1. REGION II

OCDO II

- Continuous monitoring of situation and dissemination of Weather advisories, Gale Warning, and flood bulletins to RDRRMC Cagayan Valley Member-Agencies, P/C/MDRRMCs, Media and other stakeholders thru Smart Infoboard text blast system and social media accounts.
- Close coordination with member-agencies, stakeholders, and P/M/CDRRMCs.
- Established communication link with PDRRM OpCen thru HF/VHF radio
- Disseminated CVRDRRMC Memorandum No. 32 to all P/C/MDRRMCs re raising alert status.
- Disseminated Memorandum No. 33 dated 5 November 2017 to all P/C/MDRRMCs re Conduct of Pre-emptive evacuation along the major rivers of Batanes, Cagayan, Isabela, Quirino, Nueva Vizcaya, and its tributaries and also areas susceptible to landslides.

DSWD II

- a. Social Welfare and Development (SWAD) Teams and Municipal Action Teams are alerted and advised to continuously monitor the possible effects of the Northeast Monsoon to their areas of responsibility.
- b. SWAD and MAT Teams are closely coordinating with their respective Local Disaster Risk Reduction Management Councils for any concerns needed to be addressed.
- c. Has an available standby funds of ₱ 5,396,786.43 and stockpile of 11,902 family food packs.
- d. Prepositioned a total of 14,600 family food packs to the municipalities and PSWDO of the provinces of Cagayan, Isabela, Quirino, and Nueva Vizcaya
- e. Prepositioned 264 sacks of NFA rice and assorted canned goods in the province of Batanes for immediate augmentation to the affected families

DOST II

- a. Continuous monitoring of Automatic Rain Gauges (ARG), Water Level Monitoring Stations (WLMS) and Automatic Weather Stations (AWS) to ensure that it sends data every 10-15 minutes
- b. Continuous dissemination of latest weather bulletins to LGUs and concerned stakeholders.

DILG II

- a. Regular dissemination of weather advisories to LGUs.
- b. Close coordination with OCD and PAGASA re situation updates.

DOH II

- a. On Code White Alert
- b. Prepositioned drugs, medicines and other HEM related logistics worth ₱250,000.00 per province.
- c. Deployed Regional Response Team.
- d. Distributed Hygiene Kits and Jerry Cans and other logistics
- e. Continuous coordination with field DOH personnel for any updates on affected areas.

PCG Coast Guard Northeastern Luzon

- a. Implemented OPLAN KAHANDAAN 2017
- b. Closely monitoring PAGASA weather bulletins and strict implementation of the Guidelines of Movement of Vessels during Heavy Weather forecast and other PCG rules and regulations.

PIA II

- a. Continuous dissemination of weather advisories/updates thru SMS to all local media outlets and information officers.

PNP PRO II

- a. Continuous dissemination of weather advisories to all PPOs and SCPOs
- b. Directed all PDs and CD, SCPO, BC, RPSB2 to preposition their disaster response teams particularly in the disaster prone and low-lying areas in coordination with their respective PDRRMCs and to ensure readiness of the SAR equipment and supplies in coordination with PDRRMC and MDRRMC to support the operational requirements.
- c. Continuous monitoring of all overflow bridges and water levels.

PDRRMCs Isabela, Batanes, Nueva Vizcaya

- a. Monitoring the situation in AOR.

- b. Close coordination with MDRRMCs and continuous dissemination of weather advisories to MDRRMCs and other stakeholders.

PDRRMC Quirino

- a. Raised alert status from Blue to Red as of 05 November 2017, 8:00 PM
- b. Advised MDRRMCs to raise their alert status from Blue to Red.
- c. Continuous dissemination of weather advisories to P/MDRRMC members and other stakeholders.

PDRRMC Cagayan
