Instrumental Intensity	Intensity II- Borongan, Eastern Samar
Expecting Damage	NO
Expecting Aftershocks	YES

You are hereby directed to undertake precautionary measures and monitor the situation in your AOR. Likewise, the public and LDRRMCs concerned are advised to take appropriate actions.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Let's untiringly aim for zero casualties.

Submit report on actions taken.

BY AUTHORITY OF THE CHAIRPERSON, NDRRMC:

USEC RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD
