Releasing Officer:

for: [Signature]
UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC
and Administrator, OCD

DATE : 01 July 2019, 02:00 PM

Source: DOST-PAGASA

TROPICAL DEPRESSION "EGAY" REMAINS ALMOST STATIONARY WHILE OVER THE LUZON STRAIT DUE EAST OF BABUYAN GROUP OF ISLANDS.

- Today, the **Southwest Monsoon** will bring **light to moderate with at times heavy monsoon rains** over most of Luzon, including Metro Manila, and Western Visayas, while **cloudy skies with scattered rain showers and thunderstorms** over Caraga, Davao Region, and the rest of Visayas.
- **Tomorrow (02 July 2019), monsoon rains** may continue over Metro Manila, Ilocos Region, Cordillera, Zambales, Bataan, Tarlac, Pampanga, Bulacan, Mindoro Provinces, and Palawan.
- Residents in the aforementioned areas, **especially those living in areas identified to be at high risk of flooding and landslides**, are advised to take precautionary measure, coordinate with Local Disaster Risk Reduction and Management Offices, and continue monitoring for updates, **especially the Thunderstorm Advisories and Heavy Rainfall Warnings** to be issued by **PAGASA Regional Services Divisions**.
- **Moderate to rough seas** will prevail over the seaboard of Northern Luzon and the western seaboard of Central and Southern Luzon in next 24 hours. Those with small seacrafts **are advised not to venture out** in these areas.
- This weather disturbance is **expected to weaken into a Low Pressure Area** within 12 to 24 hours.
