NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC UPDATE

Sitrep No. 03 re Preparedness Measures for Tropical Depression “EGAY” Enhanced by Southwest Monsoon as of 03 July 2019, 8:00 AM

Releasing Officer:

f: [Signature]
USEC RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE : 03 July 2019, 8:00 AM

Sources: DOST-PAGASA, DSWD DROMIC, DILG, PCG, OCDROs CAR, I, II, III, CALABARZON, MIMAROPA, NCR, and VI

I. SITUATION OVERVIEW

01 July 2019

At 4:00 AM today, the center of Tropical Depression “EGAY” was estimated based on all available data at 195 km East Northeast of Aparri, Cagayan or 205 km East of Calayan, Cagayan (18.90°N, 123.4°E) with maximum sustained winds of 45 km/h near the center and gustiness of up to 60 km/h. It is moving Northwest at 40 km/h. Southwest Monsoon affecting Luzon and Visayas.

Rains with gusty winds due to TD Egay will be experienced over Batanes and Babuyan group of Islands. Cloudy skies with scattered rainshowers and thunderstorms is expected over the provinces of Aurora, Ilocos Norte, Ilocos Sur, La Union, Pangasinan, Apayao, Abra, Benguet, Mt. Province, Ifugao, Kalinga, Isabela, Quirino, Nueva Vizcaya, and the rest of Cagayan caused by Southwest monsoon.

Moderate to strong winds coming from the Southwest will prevail over Northern Luzon and in Aurora Province. The coastal waters will be moderate to rough.

II. EFFECTS

A. Affected Population

1. A total of **70 families / 244 persons** were affected in **4 Barangays** in the two (2) Provinces of Region III.
2. Currently, a total of **35 families or 99 persons** are being served inside and outside evacuation centers (ECs):
 - Inside **2 ECs: 30 families / 82 persons**
 - Outside ECs: **5 families / 17 persons**

Province/Municipality /City/Barangays	AFFECTED			No. of ECs	Inside ECs		Outside ECs		TOTAL SERVED-CURRENT (Inside + Outside)	
	Brgys	Families	Persons		Families	Persons	Families	Persons	Families	Persons
GRAND TOTAL	4	70	244	2	30	82	5	17	35	99
REGION III	4	70	244	2	30	82	5	17	35	99
Bulacan	1	30	150							
<i>Bocaue</i>	1	30	150							
Zambales	3	40	94	2	30	82	5	17	35	99
<i>Castillejos</i>	2	20	47	1	10	35	5	17		
<i>Olongapo City</i>	1	20	47	1	20	47	0	0

B. Incident Monitored

1. A total of one (1) incident of landslide/soil erosion were reported in Bugasong, Antique (Regions VI) on 01 July 2019.

C. Suspension of Classes (TAB A)

- Classes in **72 areas** in Regions III, CALABARZON, and VI were suspended on 01 July 2019 due to TD "EGAY":

D. Status of Lifeline

FLOODED AREAS

A total of **two (2) areas** were reported flooded in Region III.

BARANGAY	LOCATION	DEPTH OF FLOOD	REMARKS
Abangan Sur	McArthur Highway	< 1 foot	Passable to all types of vehicles
Ibayo	McArthur Highway in front of SM City Marilao	< 1 foot	Passable to all types of vehicles

Source: OCDRO III

1. Airport

- A total of **two (2) domestic flights** were cancelled on 01 July 2019 due to bad weather.

FLIGHT NO.	DESTINATION	TIME
Cebu Pacific		
5J 561	Manila – Cebu	4:00 AM
5J 562	Cebu – Manila	4:00 AM

2. Seaports

- As of **8:00 PM, 2 July 2019**, a total of **26** passengers were **stranded in port due to the Low-Pressure Area (LPA)**.

COAST GUARD (CG) DISTRICT / STATIONS / SUB-STATION	PORTS	PASSENGERS	ROLLING CARGOES	VESSELS	MBCA
GRAND TOTAL		26	0	0	0
CGDBICOL	CGS Camarines Sur	26	0	0	0

III. DISASTER PREPAREDNESS

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Continuous monitoring and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).

2. DOST-PAGASA

- a. Continuous weather monitoring and provision of weather updates.

3. DSWD

- a. The Disaster Response Management Bureau (DRMB) is on BLUE Alert Status and is closely coordinating with the concerned DSWD-Field Offices for significant disaster preparedness for response updates.
- b. All QRT members and emergency equipment are on standby and ready for deployment. The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to **₱1,974,755,075.16** with breakdown as follows (see Table 1):

o Standby Funds

A total of **₱1,174,771,923.28** standby funds in the CO and FOs. Of the said amount, **₱1,128,751,613.00** is the available Quick Response Fund (QRF) in the CO.

o Stockpiles

A total of **319,478 Family Food Packs (FFPs)** amounting to **₱122,137,558.80** and available **Food and Non-food Items (FNIs)** amounting to **₱677,845,593.08**.

FIELD OFFICE	STANDBY FUNDS	STOCKPILES				SUB-TOTAL (Food and FNIs)	Total STANDBY FUNDS & STOCKPILE
		Family Food Packs		Other Food Items	Non Food Items		
		Quantity	Total Cost	Total Cost	Total Cost		
TOTAL	1,174,771,923.28	319,478	122,137,558.80	172,726,260.97	505,119,332.11	677,845,593.08	1,974,755,075.16

*Quick Response Fund (QRF) as of 28 June 2019

4. DILG

- a. DILG recommended pre-emptive evacuation in areas with high to very high susceptibility to flooding and landslide as identified by PAGASA and DENR-MGB.
- b. DILG recommended that all LGUs which are not in the list of MGB's high to very high susceptibility to floods and rain-induced landslides but have recently experienced landslides, thunderstorms and heavy rainfalls be advised to take extra precautionary measures in conducting critical preparedness actions in anticipation for possible flooding, especially areas prone to landslide.
- c. CODIX continuously provided advisories and updates of TD EGAY to all DILG regional and field offices.
- d. DILG field offices relayed all advisories and updates of TD EGAY to all concerned LGUs.
- e. DILG regional and field offices recommended to all concerned LGUs the following actions.
 - Established critical preparedness actions based on the Operation

L!STO protocols and prioritize prepositioning of supplies and equipment for response.

- Activated Barangay DRRMCs for early warning measures and vigilant monitoring of areas with settlements at the base of sliding slopes or ridges with manifestations of rockslide/landslide, tension cracks, and areas identified as very high/critical landslide zones.
- Monitored and reported the impending weather disturbances and other incidents.
- Continuously inform/advise all communities thru but not limited to the local television channels and radio stations of the updates of the situation and preparedness actions of the localities.
- Monitored the levels of river water and settlements in low-lying areas or near riverbanks which have experienced recent and repeated flooding;
- Monitored the possible riverbank erosion and shift of river flow direction.
- Monitored and prepared the necessary preparedness actions for possible dam overflow and release of water that may affect the communities.
- Prepared implemented pre-emptive evacuation and forced evacuation, protocols, if necessary, in areas with high to very high susceptibility to storm surges, landslide and flood.
- Ensured communication lines are working.
- Restricted or banned tourist activities such as, but not limited to, mountaineering/hiking, surfing, and diving within their areas of jurisdiction during this period.
- Warned small-scale miners to stay in safer grounds and avoid any mining activities.

3. DOH

- a. Attended the Pre-Disaster Risk Assessment at NDRRMC.
- b. Raised Code White Alert.
- c. Issued alert Memorandum to all Centers for Health Development (CHDs) and hospitals on the following:
 - Weather Disturbance
 - Activation of Code Alert and 24/7 Operation Center
 - Health Emergency Response Teams are on standby and ready for deployment
- d. Continuous monitoring and coordination with affected CHDs and NDRRMOC on any health-related incidents monitored and responded.

Center for Health Development

- Alerted all provincial DOH Offices to actively monitor and report untoward incidents in their respective area of responsibility.
- Prepositioned assorted medicines in the provinces through the Provincial DOH Offices.
- Alerted all DOH Regional Hospitals for possible augmentation.

- Continuous coordination with Provincial DOH Offices (PDOHOs), Provincial Health Offices (PHOs), Office of Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Councils.
- Continuous monitoring of any untoward incidents related to the effects of TD Egay and Southwest Monsoon Rains.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs CAR, NCR, II, III, CALABARZON, and VI are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC CAR

OCD CAR

- Issued Cordillera RDRRMC Memo No. 31 s. 2019 to maintain the BLUE alert status of the Emergency Operations Center.
- Issued Cordillera RDRRMC Memo No. 27 s. 2019 alerting all P/ MDRRMOs regarding possible threats of the weather disturbance specifically to:
 - Utilize all Early Warning Systems (EWS) such as the use of Public Address Systems, Short Messaging System (SMS), social media, radio stations, and text blast systems to ensure the widest dissemination of timely weather and safety advisories.
 - Ensure the implementation of pre-emptive evacuation in identified high risk areas.
- Issued an Advisory for public to refrain from doing outdoor activities (caving, spelunking, surfing, mountaineering and other similar activities) and avoid going to landslide and flood-prone areas.
- Revisit their respective Contingency Plans for Hydro-met hazards for possible activation and implementation.
- Continuous sending weather advisories and alert status to all stakeholders thru all means of communication.
- In close coordination with PAGASA Baguio Synoptic Station and continuously sending weather advisories to the public, LDRRMCs and member-agencies of the Cordillera RDRRMC.
- Continuous coordination with the Local Disaster Risk Reduction and Management Councils (LDRRMCs) in the region on weather status, road conditions, and reported incidents.
- Continuous sending of public advisories and warning alerts thru text blasts, social media accounts and in all available means of communication in partnership with PIA-CAR and local media outlets.
- Issued preparedness tips to prevent any possible eventualities due to the enhanced southwest monsoon and localized thunderstorms.

Department of Science and Technology CAR

- Continuous monitoring and maintaining of Community-Based Flood Early Warning Systems (CBFEWS) in coordination with LGUs and DOST-ASTI. Overall,

DOST-CAR already installed 30 CBEWS stations in CAR and 5 of them are defective as of reporting time (to be repaired).

PAGASA Baguio Synoptic Station

- a. Continuously monitoring the AOR and providing weather updates or forecast for dissemination.

Department of Social Welfare and Development Cordillera

- a. In close coordination with Armed Forces of the Philippines (AFP) for the utilization of their warehouses for prepositioning of various food and non-food items (NFIs) in CAR provinces.
- b. In close coordination with the PNP-PROCOR for mobility support and for the utilization of police stations as warehouses for the NFIs.
- c. Stand-by funds, prepositioned food, and Non-Food Items (NFIs) for possible response/augmentation.

Department of Public Works and Highways

- a. Continuously providing Situational Report on National Roads and Bridges.
- b. Prepositioned a total of 57 heavy equipment and 93 tools/light equipment owned by DPWH-CAR at the regional/ district engineering offices.
- c. Prepositioned 95 privately-owned heavy equipment all over CAR ready for possible augmentation.
- d. DPWH-CAR is maintaining its 24/7 monitoring of road status through the Maintenance Division.

Department Environment and Natural Resources CAR

- a. Continuously monitoring trees (dead or alive) posing danger for possible pruning/cutting.
- b. In close coordination with its local counterparts, electric cooperatives, and other stakeholder for monitoring and possible augmentation.

Commission on Higher Education CAR

- a. Continuously advising delegated safety officers in different colleges or universities to conduct safety inspection.
- b. On-stand by for possible monitoring of class suspensions.

Police Regional Office Cordillera

- a. On heightened alert and continuously monitoring the AOR.
- b. PNP-PROCOR personnel and capabilities/resources on standby for possible augmentation for response.

Bureau of Fire Protection Cordillera

- a. On heightened alert and continuously monitoring the area of responsibility.
- b. BFP-CAR personnel and capabilities/resources are on standby.
- c. On-call anytime to extend assistance or response in case of emergencies and other eventualities.

Philippine Information Agency Cordillera

- a. Continuous dissemination of public advisories and warning alerts to the public through text blasts, social media accounts, and various media outfits.

2. MMDRRMC NCR

OCD NCR

- a. Facilitated the conduct of PDRA Meeting on 26 June 2019 at the Metro Manila Crisis Management and Monitoring Center (MMCMC) which was presided by the Senior Vice Chairperson, MMDRRMC and Regional Director, OCD-NCR.
- b. Continuous monitoring the situation.

DILG NCR

- a. Issued a Memorandum to all DILG NCR City Directors for the submission of preparedness measures within AOR.

DSWD NCR

- a. Prepositioned stockpile of commodities such as 6084 family food packs, 700 sacks of NFA rice, 8653 plastic mats, 6044 blankets, 12608 mosquito nets, 5072 family kits, 5221 dignity kits, 7759 hygiene kits, 5345 malong in Legarda and NROC.
- b. Standby funds of Php 3292543.50 emergency purchase.
- c. Conducts regular monitoring of weather conditions.
- d. Consolidates monitored reports gathered 24/7.
- e. Continuous provision of disaster assistance to LGUs.
- f. Four (4) standby vehicles for response operations.
- g. Placed on standby their Quick Response Teams.
- h. Standby riders.

Metro Manila Development Authority (MMDA)

- a. Continuous monitoring of the flooding situations in Metro Manila.

CDRRMC Mandaluyong

- a. Held a council meeting on 20 June 2019 and discussed the rainy season and its effects in Mandaluyong City.
- b. CDRRM Office Operations Center to continue monitoring the weather situation and disseminate information of weather updates and flooded areas thru various channels as necessary.
- c. All Barangay and City responders are on standby alert due to the enhanced Southwest Monsoon.
- d. REACT Mandaluyong Tiger Group to provide situation reports.
- e. Barangay Volunteer Groups are on standby alert for possible deployments.

CDRRMC NAVOTAS

- a. Conducts trainings or workshop to volunteers and the community.
- b. Develops comprehensive planning processes between public and private sectors.

- c. Ensures complete interoperable communications capabilities between all responder and the Barangays.
- d. Provides relevant weather information to the barangay level.
- e. On 24/7 monitoring and placed response team on standby.

CDRRMC Parañaque

- a. CDRRMO, Emergency Operation Center (EOC) on white status, normal operations and monitoring of AOR, will raise alert whenever necessary. Continuous coordination with 16 Barangay DRRM Committees and CDRRM Council member agencies, disseminated information about current situation and possible flooding secondary to heavy rain through all communication platforms. Prepared water rescue assets for possible WaSAR operations.
- b. BFP Parañaque prepared standby teams to augment possible WaSAR operations.
- c. DILG Parañaque coordinated with DRRMO regarding preparedness measures ICOW Habagat and closely monitoring the situation in the AOR.
- d. CENRO / DPWH conducted declogging of drainages in the main thoroughfare and major roads to mitigate flooding in some areas in the AOR, desilting and dredging of water ways and clean up drive in the coastal area.

CDRRMC Pasig

- a. 24/7 monitoring through the City Command Center.
- b. Monitoring of weather forecast.
- c. Coordinated with barangays and school on the status of their AOR.
- d. Dissemination of weather advisory via quad media.

MDRRMC Pateros

- a. Pateros DRRM Office – Rescue Unit on Code White status.
- b. Alert status may be raised whenever necessary.
- c. On 24/7 continuous weather monitoring.
- d. Emergency First Responders Personnel of Pateros Rescue Unit will be on standby and on- call status.
- e. Pateros Business District Administration Office and Traffic Enforcement Unit personnel to augment on the monitoring of flooded areas and response operations.
- f. Two (2) wooden boats and One (1) fiber plastic Urban Search and Rescue boats and personal protective gears are readily available and trained flood rescuers are on standby when needed.
- g. Volunteer groups are also on standby.
- h. Should flooding be observed Emergency Response Teams shall be deployed accordingly for assistance purposes.
- i. Municipal Social Welfare and Development Office (MSWDO) and Pateros Health Department – Health Emergency Management Staff on standby in case of eventualities.

CDRRMC San Juan

- a. Disseminates Alert Notices, Warnings, and Advisories.

- b. San Juan DRRM Office is on blue alert from 25 June 2019 and continuously disseminating advisories to all BDRRMC.

CDRRMC Taguig

- a. Prepositioned response/rescue teams, EMS, transport and response vehicles.
- b. Prepositioned EMS medical supplies.
- c. Emergency Operations Center on alert status.
- d. All personnel on – alert status on – call 24/7.
- e. Checked readiness of evacuation area and facilities.
- f. Prepositioned aluminium boats.
- g. Regularly monitor of flooding on all low-lying areas in the city especially 15 barangays in District 1.
- h. Social Services Department (DDS) stockpiling and prepositioning of 1,000 family food packs and makes sure that status of commodities and standby funds.
- i. City Health Office prepositioned medical supplies, equipment's and ambulances, Barangay Health Centers on – alert status and inventory of Medical Supplies.

CDRRMC Valenzuela

- a. Conducted PDRA meeting.
- b. Continuous monitoring on weather and flood situations within AOR.
- c. Prepositioning of rescue and water equipment in satellite stations / 3S Centers.
- d. Deployment of amphibious vehicles especially in low lying areas.
- e. All personnel are on call status.

3. RDRRMC I

OCD I

- a. Organized a Pre-Disaster Risk Assessment meeting at OCD R1 Conference Hall on 01 July 2019 to discuss the preparedness measures of each agency, harmonize response operations and address the operational gaps of all frontline agencies for Tropical Depression EGAY.
- b. Updated inventory of response resources and directories to concerned offices on all levels of government.
- c. Continuous redundant dissemination of weather bulletins and other warnings to all stakeholders.
- d. Continuous monitoring of AOR and close coordination with RDRRMC1 Member Agencies and Provincial DRRM Councils.

DOST

- a. Close coordination with PAGASA for the monitoring of Hydromet Stations established within the region.

DILG

- a. Disseminated advisories of TO Egay to all provinces
- b. Disseminated advisories activating DILG disaster monitoring and reporting

- c. Informed concerned LGUs to activate their LDRRMCs following the Operation Listo (Alpha).

DSWD

- a. Disaster Response Management Division (DRMD) is continuously monitoring the possible effects of the weather disturbance.
- b. Provincial Operations Offices (POOs) are in close coordination with OCD and different Provincial/City/Municipal DRRM Councils.
- c. Available Quick Response Fund amounting to PHP 2,379, 275.00.

BFP

- a. Activation of Alert in connection with TD EGAY standby personnel and ready for deployment.
- b. Ready HAZMAT Team.

DEPED

- a. Conduct of Brigada Eskwela to ready the schools for any effects of hazards
- b. Strengthened IEC to schools.
- c. Trained School DRRM Coordinators on RadAR reporting and ensured knowledge on suspension of classes.

DOH

- a. Full activation of OpCen 24/7.
- b. Continuous coordination with the four (4) Provincial DOH Office Operations Center.
- c. Continuous coordination with other concerned agencies.

DPWH

- a. ORRM is activated.
- b. All equipment are prepositioned at strategic locations.
- c. All maintenance crew are standby for any emergency response as needed.

PCG

- a. Implements NHQ-PCG/CG-3 LOI Nr. 0619-023 "OPLAN KAHANDAAN for Typhoon Season 2019":
 - Strengthening the presence & preparedness of PCG operating units
 - Preparedness of multi-role DRGs for immediate dispatch
 - Ensuring the thorough conduct of boarding & inspection of vessels

PRO

- a. Strengthened IEC and media presence to inform the public on preparedness.
- b. Conduct of drills and simulation exercises on different hazards.
- c. Conduct of clean-up drives on esteros, canals, water ways and coastal areas
- d. Conduct of tree/mangrove planting.
- e. Continuous conduct of seminars and trainings for PNP personnel and Force Multipliers.
- f. Use of P.AC.D.A.A.R. (Pro-active advisory on crimes, disaster, alerts and advocacy reminders) program to involve the public and raise awareness.

PDRRMC LA UNION

- a. Raised alert status into Blue Alert ON 01 July 2019.
- b. Continuous strengthened IEC advocacy campaigns on DRRM.
- c. Establishment of CCTV Cameras in all LGUs especially those prone to various hazards.
- d. Ready assets and resources for deployment.

4. RDRRMC II

OCD II

- a. Participated in the Pre-Disaster Risk Assessment (PDRA) Meeting with NDRRMC on 30 June 2019, 2:00 PM.
- b. OCD/CVRDRRM EOC on BLUE Alert Status effective 01 July 2019, 5:00 AM re: TD "EGAY".
- c. Continuous monitoring of the regional situation.
- d. Continuous dissemination of Weather Updates to Cagayan Valley RDRRMC member-agencies, P/C/MDRRMCs, Media and other stakeholders thru SMS.
- e. Coordinated to PDRRMO Batanes and coastal municipalities of Cagayan.
- f. Established communication link with Batanes PDRRM EOC and Calayan, Cagayan MDRRMOC thru HF/VHF radio communications.

DILG

- a. Disseminated Memorandum to all LGUs to establish critical preparedness actions based on OPERATION LISTO protocol.

DSWD

- a. Close coordination with the Social Welfare and Development (SWAD) Teams, P/C/M DRRMCs and the P/C/M SWDs re: Monitoring of AOR.
- b. Continuous dissemination of weather advisories to all SWADTs and City / Municipal Action Teams (C/MATs) for information and reference.

PRO

- a. All Provincial Directors (PDs) and City Director, were directed to preposition their disaster response teams particularly in the disaster prone and low-lying areas in coordination with their respective PDRRMC.
- b. All PDs and CD, SCPO, Regional Mobile Force Battalion ensured readiness of the SAR equipment and supplies in coordination with PDRRMC and MDRRMC to support the operational requirements (e.g. Rubber boat, utility rope, floating device, multi-tool items, 30L of GOL generator, flashlights with extra battery, communication equipment, first aid kit, and MRE).

Philippine Coast Guard

- a. Monitored the situation in AOR.
- b. Residents living in low lying areas and mountainous areas are continuously alerted and monitored against possible flashfloods and landslides.
- c. Fishermen using fishing boats and other small sea crafts were advised not to venture out into the seaboard due to tropical storm.

PDRRMC Batanes

- a. Monitored the situation in AOR.
- b. On Red Alert Status effective 1 July 2019, 5:00 AM.
- c. Close coordination with MDRRMCs re situation in their AOR.
- d. Continuous dissemination of weather updates to MDRRMOs.

PDRRMC Cagayan

- a. Continuous monitoring of the situation in AOR.
- b. On Red Alert Status effective 1 July 2019, 5:00 AM.
- c. Close coordination with MDRRMCs re situation in their AOR.
