

## NDRRMC UPDATE

### Severe Weather Bulletin No. 02 for Tropical Depression (TD) "FALCON"

Releasing Officer:

  
**UNDERSECRETARY RICARDO B. JALAD**  
 Executive Director, NDRRMC  
 and Administrator, OCD

**DATE : 15 July 2019, 11:00 AM**

Source: DOST-PAGASA

#### **TROPICAL DEPRESSION "FALCON" HAS SLIGHTLY ACCELERATED WHILE MAINTAINING ITS STRENGTH.**

- **Today (15 July), scattered to widespread rainshowers and thunderstorms** will be experienced over Bicol Region and Eastern Visayas due to the trough of Tropical Depression "FALCON" and over Zamboanga Peninsula, Bangsamoro, MIMAROPA and the rest of Visayas due to the Southwest Monsoon.
- **Tomorrow (16 July), light to moderate with occasional heavy monsoon rains** will prevail over MIMAROPA, Western Visayas, Zamboanga Peninsula, and Bangsamoro.
- **On Wednesday (17 July), moderate to heavy rains** will be experienced over Ilocos Region, Cordillera Administrative Region, Cagayan Valley, Zambales, Bataan and Mindoro Provinces due to the combined effects of "FALCON" and the enhanced Southwest Monsoon. Meanwhile, light to moderate with occasional heavy monsoon rains will prevail over Metro Manila, CALABARZON, Western Visayas, and the rest of Central Luzon and MIMAROPA.
- Residents in the aforementioned areas, especially those living in areas identified to be at risk of flooding and landslides, are advised to take precautionary measures, coordinate with local disaster risk reduction and management offices, and continue monitoring for updates, especially the Thunderstorm Advisories and Heavy Rainfall Warnings to be issued by PAGASA Regional Services Divisions.
- Fisherfolks and those with small seacrafts are advised **not to venture** out over the eastern seaboard of Mindanao.
- "FALCON" may intensify into a Tropical Storm before approaching or making landfall over Extreme Northern Luzon on Wednesday afternoon or evening.
- Tropical Cyclone Wind Signal may be raised over portions of Northern Luzon tomorrow morning.
