PUBLIC WARNING:

People living near the low-lying areas particularly those adjacent to and along the abovementioned rivers are alerted against possible landslides and flashfloods and the Local Disaster Risk Reduction and Management Councils (LDRRMCs) concerned are advised to take appropriate actions.

ACTION/S TAKEN:

NDRRMC Flood Advisories were cascaded to **OCD Regional Office II** through facsimile, SMS, and website for further dissemination to respective LDRRMCs from the provincial down to the municipal levels.
