

NDRRMC UPDATE

Weather Advisory No. 02 for the Low Pressure Area (LPA)

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC
and Administrator, OCD

DATE : 13 January 2020, 11:00 AM

Source: PAGASA-DOST issued on 13 January 2020, 11:00 AM

I. SITUATION OVERVIEW:

At 10:00 AM today, the Low Pressure Area (LPA) was estimated based on available data at **615km East of Hinatuan, Surigao del Sur (8.2 deg N, 131.9 deg E)**. This weather system will bring light to moderate with intermittent heavy rains over CARAGA and Eastern Visayas.

Residents in the aforementioned areas, especially those living in highly susceptible to flooding and rain-induced landslides are advised to take appropriate actions. Coordinate with Local Disaster Risk Reduction and Management Offices (LDRRMO) and continue monitoring for updates including thunderstorms or rainfall advisories and heavy rainfall warnings issued by PAGASA Regional Services Division.

The next advisory on this weather disturbance will be issued at 11:00 AM tomorrow.

II. ACTIONS TAKEN:

NDRRM Operations Center disseminated **Weather Advisory No. 02** to all OCD Regional Offices through SMS and facsimile and uploaded on the NDRRMC website for further dissemination to their respective local DRRMCs from the provincial down to the municipal levels.
