P-D-I-T-R STRATEGY

With reference to the National Action Plan (NAP) for COVID-19, the National Task Force is intensifying efforts to PREVENT the spread of the COVID-19, TEST individuals and communities, ISOLATE those that are identified to be confirmed cases, TREAT and provide with appropriate health care, and REINTEGRATE them back to the community.

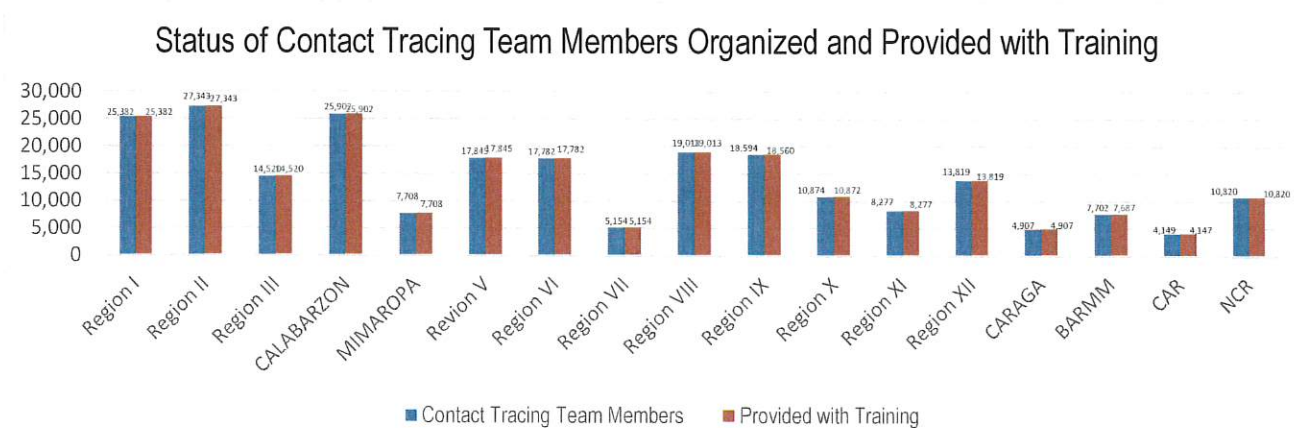

PREVENT

PREVENT enables to change mindsets and behaviors to advocate for a shared responsibility in ensuring compliance to minimum public health standards and protocols and address stigma and division in the communities, workplaces, schools. To implement the PREVENT strategy, community quarantine declarations are made in various localities, enforcing stricter regulations and disease preventive measures particular for areas with high cases. Status of community quarantine declarations is summarized as follows:

DETECT

DETECT entails active screening of those presenting with signs and symptoms of COVID-19 in the community as well as other disease surveillance activities. For this purpose, contact tracing teams have been organized and provided with appropriate training. Summary is as follows:
