Crisis Communication Efforts¹⁴

Several strategies were used to deliver key messages to address the public health emergency. Information, education and communication IEC campaigns and efforts were conducted under the leadership of the Presidential Communications such as social media postings, press briefings and press releases since 04 February 2020 to present

Key messages include the following:

- Highlights and milestones of government efforts
- Support of NDRRMC member agencies to Inter-Agency Task Force (IATF)
- Conduct of meetings to discuss response actions and priorities
- Distribution of donated personal protective equipment (PPEs) and other supplies
- Corrections on false information

Based on monitoring of the OCD's accounts, terms of people reached (total people who viewed the content) and impressions (total number of times the content is displayed in the webpage) are as follows:

TOTAL PEOPLE REACHED	TOTAL IMPRESSIONS
73,695	58,806
