- Continuously monitoring COVID-19 situation
- Activated Regional Intelligence Fusion Center(RIFC) on March 15, 2020.
- Provided information on Government Efforts in response to COVID-19
- Provided analysis and assessment of the situation:

April 27, 2020	<i>The number of confirmed cases of COVID-19 disease still continues to rise due to the direct exposure of some frontliners, particularly medical personnel, to the infected individuals who are being treated in the hospital. Proper protective clothing should be provided to them to avoid being contaminated and spread the disease to their co-workers. Meanwhile, CTG front groups will continue to exploit the situation and will utilize its relief operations to gain propaganda mileage among the affected residents. Moreso, CTG-affiliated student sectors will continue to be utilized as fronts by these groups purposely for fund generating schemes.</i>
