**REFERRALS/ CALLS RECEIVED**

- From Concerned Citizen (1)
- Province of Cebu
- Cebu Provincial Government was able to release PhP 24,500,000.00 to 49 LGUs. This said allocation/LGU support is charged against the Provincial DRRM Fund. As of April 2, 2020 Cebu Provincial Government allocated another P373,200,000.00 cash aid for 51 LGUs which is ready for release. The said amount will be distributed according to population and income class of the towns and cities.

**BOC 7**

- On 17 April, the Bureau of Customs (BOC) in Cebu facilitated the release of 23 more shipments of PPE. This is on top of about 1,182 shipments of PPE and medical supplies that had been allowed to leave the Cebu Port on 16 April.
- Since the outbreak of the COVID-19 and the implementation of ECQs, the Cebu Port Authority has been monitoring the container vans especially the refrigerated vans containing food that are inside the Cebu Port and that have not been withdrawn yet from the port.

**DTI 7**

- DTI 7 has collaborated with some MSMEs to produce some medical supplies for frontliners involved in COVID-19 related activities. In Dumaguete City, for instance, the agency partnered with the Negros Oriental Chamber of Commerce and Industry (NOCCI) to produce more face shields using donations received to pay the salaries of employees of

local MSMEs doing the assembling of the face shields. DTI 7 also acknowledged the work of community volunteers who helped in the production as well as distribution of the produced items.

- DTI 7 is working with MSMEs in the region for the latter to get endorsements from the agency so they could avail of financing assistance under the P1- billion Enterprise Rehabilitation Financing loan facility which is being implemented by the government as part of the economic relief program for small businesses greatly affected and marginalized by the COVID-19 pandemic.
- The economic relief program aims to restore the financially distressed businesses during the pandemic or to let them restructure or repurpose their business operations to suit the demand of the market under the “new normal”.
- The loan facility is open to micro and small enterprises with at least one year continuous operation prior to March 2020, and whose businesses suffered drastic reduction in sales during the ensuing epidemic.
- Micro enterprises with an asset size of not more than P3 million can borrow P10,000 up to P200,000 while small enterprises with an asset size of not more than P10 million can borrow a larger amount not to exceed P500,000.

#### **DA 7**

- DA 7 reported that nine (9) agricultural research stations, mostly located in Bohol, are being primed to provide support to the government's Plant, Plant, Plant program in the midst of the COVID-19. The stations have been propagating seeds and seedlings that will be made available to LGUs as well as farmers in the region in support of the food sufficiency program of government.
- Strengthening its Food Resiliency Program. The program consists of 3 components, namely: Food Availability, Food Accessibility, and Food Price Stability
- Continued to distribute vegetable seeds to farmers in all the provinces of the region to promote food sufficiency.
- The DA 7 reported that farmers in Central Visayas was able to earn P700,000 in 2 days from the launching of the KADIWA stores in Cebu and Bohol.

#### **DOLE 7**

- DOLE 7 reported that as of 16 April, the agency released a total of PhP 8.5 million in financial assistance to 2,103 workers in the informal sector in the region under its Tupad #BKBK program. Tupad #BKBK is an emergency employment program whose beneficiaries are required to work 4 hours a day for 10 days doing cleaning and sanitation work. They are paid P404 a day, which is the highest possible wage that could be paid to minimum wage workers in Central Visayas.
- Meanwhile, DOLE 7 announced that it is suspending its acceptance of applications for financial assistance under the CAMP program which targets displaced workers in the formal sector. It cited the near depletion of its P1.6 billion national allocation for the program as reason for the stoppage. As of 14 April 2020, DOLE 7 paid out a total of PhP109.7 million to 21,945 workers of establishments in the region affected by the COVID-19 and the ECQS under its CAMP program. About 1,199 establishments in Central Visayas availed of the program.

#### **DBM 7**

- DBM 7 disclosed that it has released the guidelines on the use of the Bayanihan Grant which is given to provinces to augment their funding requirement for COVID-19 related activities.
- Cebu is set to receive P159.05 million, Negros Oriental P98.41 million, Bohol P94,070,863, and Siquijor P24.37 million from the Bayanihan Grant. The allocation per province is equivalent to one half (1/2) of the one-month Internal Revenue Allotment (IRA) share of that province for FY 2020.
- DBM 7 explained that the funds can be used to maintain the operation of the provincial checkpoints set up in strategic areas in the province.

## **NFA 7**

- The National Food Authority (NFA7) reported that a total of 79,500 bags of rice had been distributed to all the 4 provinces in the region in support of the relief efforts of LGUs. About 50,000 bags are still in the warehouse of NFA in the region which is good for 13 days. The agency, however, expects the inflow of 100,000 bags of rice into the region in May from Region 6.
