Table 7 Summary of Strategic Communication efforts

Crisis Communication is the new cluster organized as part of the Response Cluster of the NDRRMC and NTF, PCOO as the lead agency. Based on the report of OCD and PCOO, several strategies were used to deliver key messages to address the public health emergency.

III. WAYS AHEAD

The RDRRMCs are currently undergoing transition as Regional Task Forces (RTFs) for COVID-19. Reports from the RTFs will be gathered by the NDRRMC EOC for inclusion in the NTF Situation Report.

Information indicated are based on initial reports submitted to the NDRMC EOC. Data from other national government agencies and the three (3) Task Groups are currently being gathered by the NDRRMC EOC to be reflected in succeeding Situation Reports.
