NDRRMC UPDATE

Sitrep No. 12 re Preparedness Measures and Effects of Typhoon "AMBO" (I.N. "VONGFONG")

Releasing Officer:

UNDERSECRETARY RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE : 24 May 2020, 5:00 PM

Sources: DOST-PAGASA, DOH, DSWD, DENR-MGB, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, IX, CAR, and NCR

I. SITUATION OVERVIEW

On 10 May 2020, the Low Pressure Area (LPA) being monitored east of Mindanao has developed into a Tropical Depression (TD) and was named "AMBO".

By evening of 12 May 2020, "AMBO" intensified into a Tropical Storm (TS) with international name "VONGFONG".

In the afternoon of 13 May 2020, it intensified into a Severe Tropical Storm (STS). Tropical Cyclone Warning Signal (TCWS) No. 1 was raised in Sorsogon, Ticao Island, Catanduanes, Albay, Northern Samar, Samar, and Eastern Samar. By evening, "AMBO" rapidly intensified into a Typhoon (TY). TCWS No. 2 was raised in Northern Samar, the northern portion of Eastern Samar, and northern portion of Samar.

On 14 May 2020, 5:00 AM, TCWS No. 3 was raised in Northern Samar, the northern portion of Eastern Samar, and the northern portion of Samar.

By 15 May 2020, "AMBO" weakened into a Severe Tropical Storm. Subsequently, it weakened into a Tropical Depression by evening of 16 May 2020 and in the afternoon of 17 May 2020, "AMBO" weakened into an LPA.

"AMBO" has made seven (7) landfalls:

- San Policarpo, Eastern Samar, 14 May 2020, 12: 15 PM
- Dalupiri Island, Northern Samar, 14 May 2020, 10:15 PM
- Capul Island, Northern Samar, 14 May 2020, 10: 30 PM
- Ticao Island, Masbate, 15 May 2020, 12:00 AM
- Burias Island, Masbate, 15 May 2020, 3:00 AM
- San Andres Quezon, 15 May 2020, 7:45 AM
- Real, Quezon, 15 May 2020, 5:00 PM

II. EFFECTS

A. AFFECTED POPULATION (TAB A)

A total of **140,119 families or 578,571 persons** were affected in **49** cities/municipalities in **9** provinces of Regions I, II, III, VIII, and CAR. As of 17 May 2020, the evacuation centers used during the height of the tropical cyclone are now closed and there are no more displaced/evacuated families/persons.

Note: Changes in number is due to the on-going assessment and validation.

Source: DSWD DROMIC Report #13 as of 23 May 2020, 6:00 PM

B. CASUALTIES (TAB B)

A total of **169 persons were injured** in Regions III, CALABARZON, and VIII disaggregated as follows:

MALE		120
FEMALE		49
Total		169
BY AGE	Senior Citizens (60+)	15
	Below 60 years old	154
	Total	169

Source: DOH HEMB HEARS Report as of 21 May 2020

NOTE: Ongoing validation and verification.

C. STATUS OF ROADS (TAB C)

A total of two (2) bridges and seven (7) road sections in Regions II, CALABARZON, VIII, and CAR were reported passable as of 18 May 2020.

Source: OCD VIII and DPWH

D. FLOODED AREAS

- Areas in the Cities of Mandaluyong and Malabon (NCR) that were reported flooded on 15 May 2020 had subsided as of 16 May 2020.
- Areas in Meycauayan City, Bulacan, and Baler, Aurora (Region III) that was reported flooded (1-4 ft.) had subsided as of 16 May 2020.

E. DAMAGED STRUCTURE (TAB D)

- A total of **336 structures** including schools and health facilities were reported damaged in Regions I, II, III, CALABARZON, MIMAROPA, V, VIII and CAR:

Hospital Facilities	27
School Facilities	306
Others (gymnasium, seawall)	3
TOTAL	336

Sources: OCDRO VIII and DOH-HEMB HEARS Report as of 21 May 2020 and DepEd SitRep No.7 (FINAL) as of 20 May 2020, 5:00 PM

F. DAMAGED HOUSES (TAB E)

- A total of **55,433 houses were reported damaged** (7,512 totally damaged / 47,921 partially damaged) in Regions III and VIII.

Sources: OCDROs III and VIII/DSWD DROMIC Report #13 as of 23 May 2020

G. STATUS OF LIFELINES

1. POWER LINES (TAB F)

- A total of **285 areas in 20 provinces** of Regions III, CALABARZON, MIMAROPA, V, VIII, and NCR experienced power line interruption. Of which, power in **152 areas were already restored as of 20 May 2020**.

Note: Increase in the total number of areas is due to further validation of reports

2. COMMUNICATION LINES

- Areas in Jipapad, Arteche, San Policarpo, Oras, Dolores, and Maslog in Eastern Samar (Region VIII) experienced signal interruption on 15 May 2020.
- Weak Globe signal and no signal for Smart were reported in Northern Samar (Region VIII) on 15 May 2020 of which, all were restored as of 18 May 2020.

H. STATUS OF PORTS

- As of 17 May 2020, there are no reported strandeeds and ports had resumed operations in CALABARZON, MIMAROPA, Regions V, and VIII.

I. CANCELLATION OF WORK

- Work in government offices were suspended in Region VIII particularly in Southern Leyte (19 LGUs), Samar (Gandara, Motiong, Paranas, Zumarraga), and Eastern Samar as well as in the Province of Nueva Vizcaya (Region II).
- Work in government offices in the Province of Samar resumed on 18 May 2020.

J. COST OF DAMAGES (TAB G)

- A total of **₱1,574,512,997.00 worth of damages** were incurred in Regions II, III, CALABARZON, MIMAROPA, V, VIII, and CAR:

REGION	INFRASTRUCTURE	AGRICULTURE
II	554,125,000.00	-
III	-	75,493,774.00
CALABARZON	35,000,000.00	431,244,840.00
MIMAROPA		19,705,594.00
V	6,700,000.00	242,168,573.00
VIII	11,000,000.00	191,351,482.00
CAR	7,500,000.00	223,734.00
TOTAL	₱614,325,000.00	₱960,187,997.00

Source: DA Bulletin #10 as of 19 May 2020 and DPWH Terminal Report as of 20 May 2020

NOTE: Decrease in the total damage and losses in agriculture is attributed to the updated reports from CALABARZON and Central Luzon, particularly on high value crops and rice, after initial validation (Source: DA).

III. COST OF ASSISTANCE (TAB H)

A total of **₱16,597,225.26 worth of assistance** was distributed to the affected areas of which, **₱11,707,403.26** was provided by DSWD and **₱4,889,822.00** by LGUs:

Note: DSWD provided assistance to the families in Sorsogon as part of its pre-emptive efforts.

Source: DSWD DROMIC Report #13, 23 May 2020

IV. PRE-EMPTIVE EVACUATION (TAB I)

A total of **46,812 families or 182,916 persons** were pre-emptively evacuated in 1,304 ECs in Regions II, III, CALABARZON, MIMAROPA, V, VIII, and CAR.

Sources: OCDROs and DSWD DROMIC #9 as of 19 May 2020

Note: Change in data is due to the continued validation and consolidation.

V. DISASTER PREPAREDNESS and RESPONSE (TAB J)

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations for TY "AMBO."
- b. Continuous monitoring and ensures dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Conducted Pre-Disaster Risk Assessment (PDRA) Meetings on 11 and 14 May 2020 via video-conference at the NDRRMOC Bldg., Camp Aguinaldo to discuss the preparedness measures of concerned agencies and regions.
- d. Conducted a Response Cluster Meeting with the participation of agencies and OCD Regional Offices via Zoom to discuss the effects of TY "AMBO" on 19 May 2020, 2:00 PM at the NDRRMOC Bldg. Camp Aguinaldo.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VII, VIII, IX, CAR, and NCR are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

**Preparedness Measures and Effects for TY “AMBO” (I.N. “VONGFONG”)
DISASTER PREPAREDNESS AND RESPONSE
As of 24 May 2020, 5:00 PM**

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations for TY “AMBO.”
- b. Continuous monitoring and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, facsimile, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Conducted Pre-Disaster Risk Assessment (PDRA) Meetings on 11 and 14 May 2020 via videoconference at the NDRRMOC Bldg., Camp Aguinaldo to discuss the preparedness measures of concerned agencies and regions.
- d. Conducted a Response Cluster Meeting with the participation of agencies and OCD Regional Offices via Zoom to discuss the effects of TY “AMBO” on 19 May 2020, 2:00 PM at the NDRRMOC Bldg. Camp Aguinaldo.
- e. Issued 27 Emergency Alert and Warning Messages (EAWM) to the public from 14 May to 16 May 2020:

EAWM TYPE	DATE & TIME	AREA
Tropical Cyclone Wind Signal (TCWS) No. 2	14 May 2020, 11:26 AM	Quezon, Camarines Norte, Camarines Sur, Catanduanes, Albay, Burias Island, Masbate, Biliran, Samar, Eastern Samar
TCWS No. 2	14 May 2020, 11:48 AM	Sorsogon, Albay, Ticao Island, Northern Samar, northern portion of Eastern Samar and Samar.
Landfall	14 May 2020, 1:10 PM	Eastern Samar
TCWS No. 2	14 May 2020, 3:41 PM	Marinduque and Leyte
TCWS No. 3	14 May 2020, 3:41 PM	Catanduanes, Camarines Sur, Masbate and Biliran
Red Rainfall Warning	14 May 2020, 8:58 PM	Northern Samar
Orange Rainfall Warning	14 May 2020, 8:58 PM	Sorsogon
Storm Surge (3.1m – 4.0m high)	14 May 2020, 11:50 PM	Camarines Sur and Quezon
Storm Surge (2.1m – 3.0m high)	14 May 2020, 11:50 PM	Catanduanes and Camarines Norte
Storm Surge (1.0m – 2.0m high)	14 May 2020, 11:50 PM	Northern Samar, Samar, Sorsogon, Masbate, Albay and Aurora
TCWS No. 3	15 May 2020, 12:37 AM	Sorsogon, Albay, Camarines Norte, Marinduque and Quezon.
TCWS No. 3	15 May 2020, 12:37 AM	Northern Samar and Samar
TCWS No. 2	15 May 2020, 12:37 AM	Aurora at Nueva Ecija, Pampanga, Bulacan, Cavite, Metro Manila, Batangas, Laguna, Rizal at Romblon
TCWS No. 2	15 May 2020, 12:37 AM	Eastern Samar
TCWS No. 2	15 May 2020, 3:16AM	Tarlac
TCWS No. 2	15 May 2020, 6:38AM	Nueva Vizcaya and Quirino
Landfall	15 May 2020, 7:39AM	Quezon
TCWS No. 3	15 May 2020, 9:09AM	Laguna

EAWM TYPE	DATE & TIME	AREA
TCWS No. 2	15 May 2020, 9:09AM	Pangasinan
Red Rainfall Warning	15 May 2020, 3:40PM	Quezon
TCWS No. 2	15 May 2020, 3:40PM	Ilocos Norte, Ilocos Sur, Apayao, Abra, Kalinga, La Union, Ifugao, Mt. Province, Benguet at Isabela
Red Rainfall Warning	15 May 2020, 3:55PM	Marinduque
Landfall	15 May 2020, 5:27PM	Quezon
Red Rainfall Warning	15 May 2020, 8:13PM	Metro Manila, Bulacan, Rizal, and Nueva Ecija
Signal No. 2	15 May 2020, 11:45PM	Cagayan
Orange Rainfall Warning	16 May 2020, 2:35AM	Quirino, Nueva Vizcaya, Isabela and Pangasinan
Orange Rainfall Warning	16 May 2020, 6:50AM	Aurora

2. DOST-PAGASA

- a. Presented weather updates during the PDRA Meeting on 11 May 2020.
- b. Conducted continuous weather monitoring and provision of weather updates.

3. Department of Social Welfare and Development (DSWD)

- a. Placed DSWD-Central Office Operations Center on standby for activation to **Blue Alert**.
- b. Placed all transport logistics assets ready for handling/hauling of relief resources.
- c. The DSWD Central Office (CO), Field Offices (FOs), and the National Resource Operations Center (NROC) prepositioned the following resources:
 - Total stockpiles and standby funds: **₱1,442,943,149.84**
 - **Standby Funds:** A total of **₱524,295,934.96 standby funds** in the CO and FOs. Of the said amount, **₱484,852,023.93** is the **available Quick Response Fund (QRF)** in the CO
 - **Stockpiles:** A total of **377,063 family food packs (FFPs)** amounting to
 - **₱170,036,710.32**, other food, **other food items** amounting to **₱264,921,689.17** and non-food items amounting to **₱483,688,815.39**.

DSWD-DRMB

- a. Placed the Disaster Response Management Bureau (DRMB) on BLUE alert status and closely coordinated with concerned field offices for significant disaster response updates.
- b. Placed all QRT members and emergency equipment on standby and ready for deployment.
- c. DRMB participated in the Online Pre-Disaster Risk Assessment Meeting on Tropical Depression “AMBO” on 11 May 2020 with other response cluster member agencies.
- d. Placed all QRT members and emergency equipment on standby and ready for deployment

DSWD NCR

- a. Placed the Disaster Response Management Division and the FO Quick Response Teams on standby-alert and/or already activated for any eventualities.
- b. Continuously coordinated with the Local Social Welfare and Development Offices of the 17 LGUs in Metro Manila with regard to any augmentation assistance needed by the affected families.

DSWD FO I

- a. Closely coordinated with RDRRMC I and monitored the possible effects of TS "AMBO."
- b. Provincial Operations Offices (POOs) closely coordinated with the different Provincial/City/Municipal DRRMCs and Provincial/City/Municipal SWDOs to monitor the adverse effects that may be brought by the weather disturbance.

DSWD FO II

- a. Directed the Regional Disaster Management Team SWADTs/P/C/MATs of the provinces of Cagayan, Isabela, Quirino, Batanes and Nueva Vizcaya to continuously monitor possible effects of Typhon "Ambo" per Area of Responsibilities (AOR). Likewise, directed all to render 24/7 duty to continuously monitor affected families or individuals for possible flashflood.
- b. DMRD through the Regional Resource Operations Section ensured the availability of Food and Non-Food Items at any given time.
- c. Closely coordinated with the Regional/City/Municipal Disaster Risk Reduction and Management Council (R/P/C/MDRRMC) in any concerns that need to be addressed.
- d. Coordinated with SWADTs and PAT/C/MATs to continuously monitor and coordinate with the LGUs to gather report on the possible effects of Typhoon "AMBO".
- e. SWADTs/Provincial Operations Offices (POOs)/C/MAYs closely coordinated with its respective Provincial/City/Municipal Disaster Risk Reduction and Management Council (P/C/NDRRMCs) for updates on the adverse effects brought by the weather disturbance.

DSWD FO III

- a. Activated the DRMD Skeletal duty from the Regional Office and DSWD Provincial Extension Officer of the 7 provinces.
- b. Monitored the weather updates in coordination with the concerned LGUs.
- c. Convened Response Cluster Meeting with RDRRMC III Response Cluster.

DSWD FO CALABARZON

- a. Coordinated with the National Food Authority (NFA) to facilitate the hauling of NFA Rice for the production of relief good in preparation to any untoward incident.
- b. Activated the Emergency Operations Center to monitor the possible effects of TS "AMBO."
- c. Disaster Response Management Division (DRMD) constantly communicated with the Local Social Welfare and Development Offices

- (LSWDOs) with pre-disaster assessments being conducted.
- d. DRMD conducted close coordination with the Local Government Units (LGUs) with regards to the preparedness efforts undertaken in Flood, Landslide, and Storm Surge prone areas.
 - e. DRMD coordinated with SWAD Team Leaders and Provincial Action Team of the CALABARZON and advised them to monitor and coordinate with the LGUs to gather reports on the possible effects of TS “AMBO”.
 - f. DRMD coordinated with LSWDOs and LDRRMOs and instructed them to be on standby alert and prepare their respective evacuation centers, and family food packs should need arises.
 - g. DRMD coordinated with the RDRRMC CALABARZON OpCen for updates on the preparedness level of the members of the Response Cluster of the region.
 - h. Informed the member agencies of the response cluster to be on standby alert and ready for mobilization.
 - i. CALABARZON Regional Response Cluster conducted a PDRA Meeting through Video Teleconference which served as an avenue to identify areas of cooperation between and among Regional Line Agencies (RLAs) and the Local Government Units.
 - j. DRMD advised the LSWDOs to closely monitor and oversee the overall conduct of the operations in their respective areas in coordination with their Local Disaster Risk Reduction and Management Offices.
 - k. Continuously coordinated with the SWAD Team Leaders and Provincial Action Team of the Region and advised them to monitor and check the LGUs to gather any reports on the effects of the weather disturbance.
 - l. Coordinated with the LSWDOs and LDRRMOs and instructed them to be on standby alert and prepare their respective evacuation centers, and family food packs should the need arises.
 - m. Coordinated with RDRRMC CALABARZON Operations Center for updates on the status of the Response Cluster members within the Region.
 - n. Continuously monitored TY “AMBO” through news reports and social media.
 - o. Advised SWAD Teams of in all provinces of CALABARZON to liaise and coordinate with the LDRRMOs for any unreported incidents that may require response from DSWD-FO CALABARZON.

DSWD FO MIMAROPA

- a. Alerted the DRMD and Provincial Project Development Officers to monitor the daily local weather condition and ensure on the provision of information to all concerned offices, divisions, sections, and offices.
- b. Alerted all P/C/M Quick Response Team within the five provinces of MIMAROPA to regularly monitor the situation within the AOR.
- c. Placed the R/P/C/M QRT on 24/7 on-call status for the possible activation of the Operations Center.
- d. Closely coordinated with OCD/RDRRMC MIMAROPA for any warning signal updates, monitoring purposes, and response mechanism for areas likely to be affected.
- e. Placed standby logistical equipment and workforce through coordination with SWADT Offices and concerned LGUs on the management of stranded passengers, if any, in ports and terminals.
- f. Placed the Information and Communication Technology Management

Unit (ICTMU) on standby status to ensure robust communication system.

- g. Placed all members of Rapid Emergency Telecommunications Team on-call and standby status ready for deployment.
- h. Ensured that the Rapid Emergency Telecommunications Equipment (GX Terminal, BGAN Terminals and Satellite Phones) are in good condition and ready for deployment to areas that will experience potential emergencies.
- i. Ensured the availability of an on-call truck for the delivery of goods and equipment to areas that will be affected.

DSWD FO V

- a. Closely coordinated with LGUs for food ration requirement.
- b. DRMD continuously monitored weather updates and information.
- c. The Resource Operation Section ensured the availability of family food packs and non-food items, as need arises.
- d. Activated the DSWD-FO V QRTs.
- e. Activated the PAT and MAT members in the 6 provinces and instructed to coordinate with the P/MDRRMOs and C/MSWDOs for TS AMBO reports.
- f. Encouraged the LGUs to distribute fresh farm produced products as alternative to family food packs.
- g. Resource Operation Section ensured the availability of family food packs and non-food items as need arises.
- h. Activated (six) 6 Provincial Action Teams and 114 C/Municipal actions teams and instructed same to coordinate with the P/MDRRMOs, C/MSWDOs for TY Ambo reports and updates.
- i. P/C/MATs attended the P/C/MDRRMC meetings relative to LGUs' preparedness on TY Ambo.
- j. MAT of Baleno, Placer, Esperanza, and Aroroy in the province of Masbate assisted the LGU in profiling the evacuees.

DSWD FO VII

- a. Joined the PDRA Meeting for TS AMBO on 11 May 2020.
- b. DSWD Regional DROMIC Focal continuously monitored the latest weather updates from PAGASA and cascaded the same for widest dissemination to P/C/MATs.
- c. Alerted the City and Municipal Action Team and SWAD Offices and requested to closely coordinate with their local counterparts and respective LDRRMCs and likewise, field staff was requested to monitor AOR and provide reports and updates to the Regional DROMIC Focal.
- d. Placed the Provincial/City/Municipal Quick Response Team on standby alert and ready for mobilization for any assistance and augmentation support needed from the LGUs.
- e. Regional Disaster Division closely coordinated with the OCD-7 and other members of the RDRRMC for any response mobilization activities/strategies.
- f. Placed the warehouses in the three island provinces on ready alert.

DSWD FO VIII

- a. Advised Provincial/City/Municipal Action Teams to closely coordinate and gather data at the Local Government Units and other partner agencies/offices.

- b. Attended RDRRMC Meeting to discuss updates and issues and concerns in relation to Typhoon Ambo.
- c. Alerted the Disaster Response and Recovery Section (DRRS) in case relief operations are needed.
- d. Disaster Response Information Management Section (DRIMS) continuously monitored the weather situation and closely coordinated with the PDOs assigned at the field.
- e. Alerted the Regional Resource Operations Section (RROS) to ensure the readiness of dispatching the Food and Non-Food commodities whenever needed.
- f. Requested 20K FFPs at VDRC and 2 trucks from Northern Samar picked up the additional 1,100 FFPs to be prepositioned in strategic area in Northern Samar.
- g. Facilitated the loading and transporting of 1,000 FFPs to be prepositioned in Eastern Samar on 14 May 2020.
- h. Prepared a detailed report on the Relief Augmentation to LGUs with details as of **19 May 2020**:
 - Delivered **11,950** FFPs in Northern Samar while **4,500** FFPs are still in transit.
 - Delivered **9,900** FFPs in Eastern Samar while **6,200** FFPs are still in transit.
 - Awaiting delivery of 3,300 FFPs in Eastern Samar.
- i. Pre-emptively evacuated a total of 11,750 families or 45,514 persons in 22 Evacuation Centers in Region VIII of which, as of 18 May 2020, all evacuation centers were reported closed.

DSWD FO X

- a. Updated 914 Quick Response Team members including P/MAT.
- b. Provided report on the updated list of their warehouse, available operational vehicles/trucks and telecommunications equipment.

DSWD FO XI

- a. Activated the field office and RPMO's (SWADTs, PATs, MATs, CATs) Quick Response Team be on-call, ready for deployment.
- b. Coordinated with all SWADOs and PSWDOs/CSWDO/MSWDOs for the monitoring of the situation in the different parts of Davao Region.
- c. Ensured personnel in the warehouse be on alert to ensure the readiness to dispatch relief goods (food and non-food items) at any given time.
- d. Ensured the availability of disaster wing van, vehicles, and drivers in the event of relief operation.
- e. Closely coordinated with the OCD XI for logistical support monitoring.
- f. Closely coordinated with staff rendering skeletal duty in the DRMD Office and City/Municipal Action.

DSWD CARAGA

Attended the PDRA/ERP Meeting through teleconferencing with the CARAGA RDRRMC Member agencies to discuss the preparedness and response measures regarding the tropical depression.

DSWD CAR

- a. DRMD continuously monitored the situation on the ground.
- b. Delta 4 QRT rendered duty at the DSWD FO CAR Operations Center.

- c. Placed the Municipal Action Teams on duty.
- d. Continuously coordinated with the DRMD PDO IIs assigned in the PSWADTs and with the LDRRMOs for updates.
- e. Placed the Rapid Emergency Telecommunications Team (RETT) and International Maritime/Marine Satellite (INMARSAT) equipment on standby.
- f. Raised the alert status of the Operations Center to RED.
- g. Closely coordinated with the Cordillera Regional Disaster Risk Reduction and Management Council Emergency Operations Center for updates.
- h. Provincial SWAD Teams rendered 24 hours duty within its respective AOR.

4. Department of the Interior and Local Government (DILG)

- a. Issued an advisory to all DILG Offices and Regional DRR-CCA Focal Persons on the Low Pressure Area (LPA) on 10 May 2020.
- b. Issued an advisory to all DILG Regional Offices and Regional DRR-CCA Focal Persons on 10 May 2020 regarding the weather disturbance.
- c. Instructed all DILG ROs to take proactive measures and direct all LGUs to monitor all PAGASA weather advisories and bulletins, and use the Met-Hydro Decision Support InfoSystem (Meteopilipinas), ASTI's Philsensor website, MGB's Geohazard Web Portal, and HazardHunterPH (to check for natural hazards and hazard assessment reports).
- d. Provided all available information to all concerned DILG ROs and FOs regarding the TD within PAR through texts and emails.
- e. Activated the Disaster Online Reporting and Monitoring System (DORMs) of DILG Regions CAR, I, II, III, CALABARZON, MIMAROPA, NCR, V, and VIII; and issued an advisory to all DILG Regional Offices and Regional DRR-CCA Focal Persons re TD "AMBO" on 11 May 2020.
- f. Provided constant updates, advisories, and information to all DILG ROs regarding the development of TS "AMBO" through texts and emails.
- g. Provided constant updates on other weather systems to all ROs and FOs.
- h. Continuously monitored TS "AMBO" (I.N. VONGFONG) and its possible effects to the country.
- i. Prepared the LGUs to implement pre-emptive protocols, if necessary, in areas within the Storm Surge Warning
- j. CODIX continuously disseminating weather advisories and alerts from PAGASA to all DILG regional and field offices regarding TY "AMBO" thru emails and text blasts.
- k. DILG field offices relayed all advisories and updates of TY "AMBO"

DILG Regional Level Actions:

- a. Constantly monitored the weather condition and updates to the LGUs through the C/MLGOOs.
- b. Disseminated advisories received from PAGASA and CODIX.
- c. Disseminated list of Barangays susceptible to flooding and landslides from the Mines and Geosciences Bureau.

- d. Monitored critical preparedness actions of the LGUs within their respective jurisdictions.
- e. Submitted updates and situational reports to the SILG thru DILG-CODIX.

5. Department of Health (DOH)

- a. CHDs I, II, III, CALABARZON, MIMAROPA, V, VI, VIII, NCRO, and CAR prepositioned within their respective AORs logistics amounting to **₱29,447,028.89**:

REGION	PREPOSITIONED LOGISTICS (in ₱)
I	5,002,319.75
II	1,253,581.00
III	700,000.00
CALABARZON	1,481,341.10
MIMAROPA	7,765,066.24
V	350,000.00
VI	10,081,580.42
VIII	2,210,650.20
NCR	87,815.74
CAR	514,674.44
Total	₱29,447,028.89

Note: Prepositioned logistics are still subject for further validation.

- b. Ensured the availability of commodities amounting to ₱31,429,049.39 at DOH Central Office warehouse.
- c. Raised Code Alert.
- d. Attended the PDRA Meeting
- e. Disseminated weather alert memorandum to BARMM Ministry of Health, Centers for Health Development and DOH-retained hospitals on Weather disturbance and Activation of Code Alert and 24/7 OpCen, and placed Health Emergency Response Teams on standby, ready for deployment
- f. Continuously monitored the weather disturbance.
- g. Augmented assorted medicines and supplies amounting to a total of **₱753,065.26** from CHD VIII (**₱700,065.26**) and CHD III (₱53,000.00).

Centers for Health Development (CHD)

- a. Raised Code Alert.
- b. Alerted all Provincial DOH Offices to actively monitor and report untoward incidents within respective AOR.
- c. Alerted all DOH Regional Hospitals for possible augmentation in case there is an increase of patients.
- d. Placed Health Emergency Response Teams on standby for immediate deployment consisting of the Rapid Health Assessment Teams; Medical/Public Health Teams; Water, Sanitation and Hygiene Teams; Mental Health and Psychosocial Support Teams; and Nutrition in Emergencies Teams.
- e. Continuously coordinated with the Provincial DOH Offices (PDOHOs), Provincial Health Offices (PHOs), Office of the Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Councils.

CHD III

- a. Distributed doxycycline to 128 families affected in Rizal, Nueva Ecija.
- b. Prepositioned 1,000 tabs of doxycycline and 20 tubes of mupirocin ointment to San Fernando City, Pampanga Health Emergency.

CHD CALABARZON

- a. Initially conducted a Rapid Health Assessment in the affected provinces.
- b. Prepositioned emergency medicines and other medical supplies at the MDRRMC Office and RHU.
- c. Assessed the families/individuals sheltered at the Municipal Evacuation Centers.

CHD VIII

- a. Deployed three (3) RHA teams from PDOHO Eastern Samar on 16 May 2020 to provide assessment and data gathering in the province of Eastern Samar.
- b. Conducted Rapid Health Assessment in Jipapad, Arteche, San Policarpio and other parts of Samar and Northern Samar.
- c. Issued advisories to all health facilities through text brigade and social media to continue the implementation of COVID-19 precautionary measures while undergoing pre-emptive evacuations.

6. Department of Education (DepEd)

- a. Attended and participated in the PDRA online meetings conducted by NDRRMC OpCen on 11 and 13 May 2020.
- b. Disseminated advisories from DOST-PAGASA and IECs on Preparedness Measures for Tropical Cyclones, Storm Surge, and Flood to exposed and affected regions and divisions
- c. Facilitated a PDRA online meeting for TY ‘AMBO’ with regions and divisions concerned on 14 May 2020.
- d. Monitored schools on their preparedness measures as per DO 83 s. 2011 and DM 108 s. 2016 and in connection to the on-going COVID-19 pandemic
- e. Monitored regions and divisions with schools used/ to be used as evacuation centers (ECs), and other incidents related to TY AMBO.
- f. Generated a Rapid Assessment Damages Report (RADaR) relative to TY AMBO.
- g. Recorded a total of 230 schools being used as evacuation center/facility in CALABARZON, MIMAROPA, and Region V as of 19 May 2020.
- h. Generated a Rapid Assessment Damages Report (RADaR) due to TY AMBO

7. Department of Public Works and Highway (DPWH)

- a. Reported two (2) road sections not passable to all types of vehicles in anticipation to possible occurrence of landslide and ill effects due to the typhoon as of 15 May 2020, 6:00 AM:

REGION	ROAD SECTION	REMARKS
CAR	Kennon Road	Warning signs were installed to inform motorists. Alternate Route: Marcos Highway, Asin- Nangalisan-San Pascual-Rizal-

		Anduyan Road and Baguio Bauang Road
VIII	Eastern Samar DEO Wright-Taft-Borongon Road K0861+(-439) - K0890+176 (S00172SM)	Warning signs were installed to inform motorists. Alternate Route: Alternate Route to all motorists bound for Eastern Samar: JCT. Buenavista - Lawaan Road Section.

- b. Reported all other road sections in Regions I, CALABARZON, MIMAROPA, and V as passable to all types of vehicles on 15 May 2020, 6:00 AM.
- c. Activated the Regional and District Engineering Offices Disaster Risk Reduction and Management (DRRM) Teams and Disaster Operation Centers
- d. Prepositioned Assets (Equipment and Manpower) at strategic locations for immediate deployment.
- e. Continuously monitored the situation of national roads and bridges.

8. DENR-MGB

- a. Presented updates/list of barangays susceptible to landslide and flood during the PDRA Meeting on 11 and 14 May 2020.
- b. Regularly reported to NDRRMOC and other concerned agencies/offices the list of barangays susceptible to flood and landslide

9. Department of Agriculture (DA)

- a. Prepositioned a total of ₱700 million under Quick Response Fund (QRF) for the rehabilitation of affected areas.
- b. Prepositioned rice seeds (109,586 bags), corn seeds (10,116 bags), and assorted vegetable seeds (1,195 kg) in Regions CAR, Regions I, III, CALABARZON, V, VI, VII, and VIII.
- c. Prepositioned drugs and biologics for livestock and poultry needs.
- d. Ensured enough funds from the Philippine Crop Insurance Corporation (PCIC) to indemnify farmers.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VII, VIII, IX, CAR, and NCR are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC I

Issued and disseminated RDRRMC Memorandum 21, s. 2020 dated 15 May 2020 ICOW the heightened preparedness measures for TS "AMBO" to all concerned Local DRRMCs.

OCD I

- a. Maintained RED Alert Status relative to the COVID-19 Operations and impending effects of TS AMBO.

- b. Issued RDRRMC I Memorandum No. 19 for the submission of preparedness measures.
- c. Attended PDRA with NDRRMC via Zoom teleconference.
- d. Issued RDRRMC Memorandum 20, s. 2020 ICOW the conduct of pre-emptive evacuation and DOH-DILG guidelines on the management of evacuation centers.

DSWD FO I

- a. Deployed duty personnel as member of the Regional Incident Management Team
- b. Closely coordinated with the MSWDO Basista through its IMT Branch in Pangasinan regarding the validated data of affected population and damaged houses.

DILG I

- a. Attended PDRA meeting with RDRRMC I and NDRRMC via Zoom.
- b. Disseminated advisories, critical cyclone track charts, and MGB List of LGUs susceptible to landslides.
- c. Activated and used the Disaster Reporting and Monitoring System.
- d. Informed all concerned LGUs on the updates regarding TD AMBO and to follow the Operation L!STO Disaster Preparedness Protocols May 15, 2020, 6:00 AM.
- e. Continuously monitored the DILG and LGU actions.
- f. Deployed duty personnel as member of the Regional Incident Management Team.

DPWH I

- a. Prepositioned all available/ operational equipment with operator including designated inspectors to landslide/flood prone areas identified by the concerned DEOs.
- b. Disseminated and coordinated the heightening of alert status to Blue to concerned DPWH-DEOCs through all means of communication.
- c. Ensured the provision of passable transport network, assistance to deliver goods and services, and technical support in accordance with the DPWH mandate.
- d. Submitted inventory of resources and cluster plans to RDRRMC I EOC.

DOH RO I

- a. Deployed duty personnel as member of the Regional Incident Management Team.
- b. Placed DOH RO1 Operations Center on CODE WHITE and 24-hour duty to monitor health events related to Typhoon "AMBO" and directly coordinate with the RDRRMC, PDOHOs, and DOH Retained Hospitals in the region.
- c. Placed the four (4) provincial DOH Offices' OpCens on 8:00AM to 5:00PM duty and to conduct direct coordination with its respective DRRMCs.
- d. Placed the three (3) DOH-Retained Hospital Emergency Management Staff (Mariano Marcos Memorial Hospital and Medical Center, Batac City, Ilocos Norte; Ilocos Training and Regional Medical Center, San Fernando City, La Union; and Region 1 Medical Center, Dagupan City, Pangasinan on 24-hour duty to attend possible emergency events brought by Typhoon "AMBO".

- e. Placed the DOH CHD-1 Public Health Teams on standby mode for possible deployment.

PNP I

- a. Ensured the activation of respective DIMTG as the situation may require.
- b. Coordinated with the local DRRMC relative to the weather disturbance.
- c. Reminded all responders to secure/evacuate their family to safe area before disaster strikes.
- d. Strengthened resilience of emergency telecommunications and advised the public to bring down antennas.
- e. Ensured readiness of the SRR equipment and supplies to support operational requirements (e.g. rubber boat, utility rope, floating device, multi-tool items, gasoline, generator, flashlights with extra battery, communication equipment, and first aid kit).
- f. Forwarded deployment and prepositioning of Search and Rescue assets.
- g. Provided police assistance in the evacuation of affected residents in coordination with the LGU.
- h. Ensured the deployment of personnel at the evacuation centers.
- i. Deployed personnel at the Incident Command Post of the Regional IMT.

BFP I

- a. Directed all BFP personnel to be ready and “on call” anytime and extend the necessary assistance in case of emergencies and other eventualities that may arise.
- b. Formulated contingency measures and proactive steps in partnership and the needs of the emergency related services.
- c. Ensured the availability of fire personnel, apparatus, and auxiliary units that suit the needs of the emergency situation.
- d. Maintained vigilance and ensured prompt and effective delivery of basic emergency services.
- e. Directed all BFP operating units that no personnel will be on leave during disaster or natural calamities, and distribute information materials/flyers on disaster preparedness to the public.
- f. Directed all BFP personnel of operation unit to conduct “Ugnayan sa Barangay” particularly on the Basic Safety Tips on what to do during disaster.
- g. Ensured blowing of siren of the rescue ambulance/fire trucks as an early warning system to the public that a typhoon or flood is approaching the area, and continuously monitored the weather condition from PAG-ASA.
- h. Prepared/submitted SitRep to the higher headquarters on the status of the affected areas hit by the typhoon.
- i. Directed all operating units that no personnel will be on leave.
- j. Directed all BFP operation units to distribute information materials on disaster preparedness.
- k. Directed all Fire Stations to monitor and ready to respond to any untoward incident.

PIA I

- d. Ensured constant publication and dissemination press release through website/social media related to the preparedness activities of RDRRMC I on the onslaught of TY “AMBO.”
- e. Ensured constant posting and sharing of socmed cards regarding the weather updates on TY “AMBO” on all PIA I official FB/Twitter pages and chat groups.
- f. Issued SitReps relative to TY “AMBO” and its impact to the residents in Region I, and disseminated it through PIA I regional and provincial groups/networks to include national government executives (RDs), LCEs, IOs, media, and youth info groups.
- g. Intensified redundant disseminations of updates of TS “AMBO” via digital, online, and traditional media platforms.
- h. Deployed duty personnel as member of the Regional Incident Management Team.
- i. Produced/shared regional/national social media cards regarding updates on TY AMBO to PIA I official FB/Twitter pages and chat groups.
- j. Produced/shared Sitreps regarding updates on TY AMBO to all PIA regional and provincial groups/networks, national government executives (RDs), LCEs, IOs, media, and youth info groups.

PCG Northwestern Luzon

Monitored its respective AOR on the implementation of No Sail Policy.

National Nutrition Council I

- a. Advised all Provincial/City/Municipal Nutrition Clusters to be ready for possible effects of the tropical cyclone which may cause possible displace of constituents particularly the nutritionally vulnerable groups to include pregnant and lactating mothers, infants, preschool children, and elderlies.
- b. Advised local nutrition clusters to review response plan and preposition available nutrition assets and resources.
- c. Advised local nutrition clusters to coordinate with Local DRRMC for the possible deployment of nutrition service providers.

BFAR Region I

- a. Activated BFAR RO1 Regional Command Center relative to the weather disturbance.
- b. Prepared measures for implementation by all operating units.
- c. Monitored fishery projects and production facilities.
- d. Ensured periodic reporting by concerned Provincial Command Centers.

Local DRRMCs

PDRRMC Ilocos Norte

- a. Advised City/Municipal DRRMC to inform all barangay officials to disseminate information regarding the upcoming tropical depression and to undertake necessary precautions.
- b. Advised local DRRMCs to conduct pre-emptive evacuation of residents in highly vulnerable areas.
- c. Constantly monitored and disseminated weather updates.
- d. Conducted inspection of evacuation centers to ensure its functionality.

- e. Strictly prohibited fishing and swimming in swollen rivers and creeks.
- f. Ensured readiness of vehicles, food packs, personnel, and other resources.
- g. LGUs reactivated OPCEN and BDRRMCs and conducted LDRRMC meetings.
- h. Conducted PDRA relative to TY Ambo.

PDRRMC La Union

- a. Conducted PDRA involving all Local EOCs.
- b. Continuously monitored and disseminated weather advisories, 24-hour public weather forecasts, gale warning, and other advisories to all C/MDRRMOs through La Union 911.
- c. Placed EOC on Red Alert Status.
- d. Advised all personnel to standby at the PDRRM Office starting 15 May 2020, 6:00 AM.
- e. Checked and prepared water assets for possible deployment.
- f. Briefed, monitored incident, and conducted roving at the local Emergency Operations Centers on 15 May 2020.
- g. Conducted Operations Briefing with the Response Cluster of the Province of La Union
- h. Activated the Incident Management Team on 14 May 2020.

CDRRMC San Fernando, La Union

- a. Activated the Incident Management Team on 15 May 2020.
- b. Convened CBDRRM Council Meeting re precautionary measures for TD Ambo on 12 May 2020.
- c. Provided information to 59 barangays re weather update and preparedness measures through the use of social media and text messaging.
- d. Conducted inventory of disaster equipment, assets, and vehicles of frontline offices and partner agencies.
- e. Conducted de-clogging of canals and pruning of trees by the City Engineering Personnel within the CBD area.

PDRRMC Pangasinan

- a. Conducted Emergency Response Preparedness or PDRA on 13 May 2020, 9:00AM.
- b. Continuously monitored the situation in the Province (Weather, San Roque Dam, River System).
- c. Placed the Incident Management Team on standby for possible deployment.
- d. Placed two (2) SAR teams on standby for possible deployment.
- e. Informed all Mayors and LDRRMOs through TxtConnect re TY "AMBO" and encouraged them to conduct PDRA and implement its respective preparedness measures.
- f. Encouraged observance of minimum health care standards such as wearing of face mask, social distancing, and constant hand washing in the conduct of preparedness measures for Tropical Storm "AMBO".
- g. Disseminated information on preparedness and advisories through tri-media and social media to ensure public safety.
- h. Continuously coordinated with C/MDRRMOs regarding the situation within its respective AOR.

- i. Continuously posted updates in the Facebook page regarding the weather situation and other advisories.
- j. Continuously informed LDRRMOs relative to gale warning through TxtConnect.
- k. Placed 10 dump trucks from PEO on standby for possible pre-emptive evacuation assistance and designated 1 personnel to join IMT.
- l. Placed two (2) teams from GSO on standby for possible clearing operations and one (1) PHO personnel on standby to join IMT.
- m. Placed two (2) PSWDO Teams on standby for possible relief operations and updated stockpiling of FNFI.

CDRRMC Dagupan

- a. Coordinated with DRRMC member agencies and Barangay DRRMCs to be on Blue Alert Status.
- b. Continuously monitored the weather condition and disseminated information to the public.
- c. Prepared DRRM vehicles/equipment/tools to be used if the need arises.
- d. Advised Barangays to activate its BDRRMC/Operations and Evacuation Centers adhering to RDRRMC Memo No. 21.
- e. Advised BDRRMC to instruct residents to take necessary precautions.

FOOD AND NON-FOOD ITEMS (F/NFIs)

DSWD FO I

- a. Prepositioned a total of 21,751 Family Food Packs (FFPs) amounting to ₱9,491,914.14 at different strategic locations:

City/ Municipality/ Province	No. of Stockpiled Relief Goods	Amount
DSWD FO 1 Regional Warehouse, Biday, City of San Fernando, La Union	19,751	₱8,737,634.14
Area 1 Vocational Rehabilitation Center (AVRC-1), Bonuan Gueset, Dagupan City, Pangasinan	2,000	₱754,280.00
Total	21,751	₱9,491,914.14

- b. Prepositioned a total of 14,686 non-food items amounting to ₱29,666,367.00 at different strategic locations:

Items	No. of Stockpiled Relief Goods	Amount
Family Kit	3,290	₱8,066,100.00
Hygiene Kit	9,434	₱17,550,341.75
Kitchen Kit	1,878	₱2,705,925.25
Tent	84	₱1,344,000.00
Total	14,686	₱29,666,367.00

- c. **Standby Funds:**

Prepositioned a total of ₱650,455.20 quick response funds and ready for disaster operations use.

- a. Closely monitored the possible effects of TY “AMBO” in close coordination with RDRRMC I.
- b. Provincial Operations Offices (POOs) closely coordinated with the different Provincial/City/Municipal DRRMCs and Provincial/City/Municipal Social Welfare and Development Offices (P/C/MSWDOs) to monitor the adverse effects that might be brought by the weather disturbance.

SEARCH, RESCUE AND RETRIEVAL

PNP RO I

- a. Activation of respective DIMTG as the situation may require
- b. Forward deployment and prepositioning of Search and Rescue assets

DWPH I

- a. Made responsible for the clearing operations, dispatch of equipment (e.g. Backhoe, pay loader, dump truck, chainsaw) for SRR Team.

TOG 1 (PAF)

- b. Alerted its Disaster Response Teams with HADR equipment

LOGISTICS

RESPONSE ASSETS ON STANDBY

PNP-PRO I

- a. Ensure readiness of the SRR equipment and supplies to support operational requirements (eg. Rubber boat, utility rope, floating device, multi-tool items, gasoline, generator, flashlights with extra battery, communication equipment, first aid kit, etc);

OCD RO I

- a. Ensured that the following resources are ready for deployment:

Items/ Descriptions	Stock on Hand / Qty	Location of Warehouse
Portable Generator	43 units	Brgy. Pagdalagan, City of San Fernando, La Union
Chainsaw	40 units	Brgy. Pagdalagan, City of San Fernando, La Union
Family Kit	150 boxes	Brgy. Pagdalagan, City of San Fernando, La Union
Emergency Tent	1 unit	Brgy. Pagdalagan, City of San Fernando, La Union

BFP I

- a. Placed the following resources on standby:

Special Recue Unit	61
Hazmat Trained	35
Emergency Medical Technician	14
EMS Personnel	301

- b. Checked the serviceability of the vehicles.

DPWH I

- a. Prepositioned all available/ operational equipment with operator including designated inspectors to landslide/flood prone areas identified by the concerned DEOs.

- b. Placed on standby to provide heavy equipment, request thru EOC clearing operations, delivery of NFI, evacuation, land transport operations, air transport and sea transport operations, and initial rehab operations.
- c. DME's and MPP's constantly monitored the National Roads and Bridges.
- d. Maintenance crew continuously cleared canals and lateral drainages, and prepositioned equipment strategic location for immediate response.

Naval Forces Northern Luzon

- a. Alerted DRR Teams and make available two (2) M35 Trucks with DRRT Trailers for possible deployment;
- b. Conducted inventory and warm-up of DRRT equipment.

LAW AND ORDER

PNP-PRO I

- a. Coordinated with local DRRMC relative to the weather disturbance.
- b. Deployed personnel in evacuation and vacated areas to conduct patrolling.

ETC CLUSTER

PNP-PRO I

Strengthened resilience of emergency telecommunications and brought down antennas.

DPWH I

Assisted in the clearing operations of damaged telecommunication and power installations.

702nd Infantry Brigade

Deployed duty personnel with communication equipment (Harris radio) as members of the Regional Incident Management Team.

Camp Coordination and Camp Management CLUSTER

PNP PRO I

- a. Reminded all responders to secure/evacuate their family to safe area before disaster strikes.
- b. Provided police assistance in the evacuation of affected residents in coordination with the LGU.

DPWH I

Provide passable transport network as soon as possible; assist to deliver goods and services; technical support in accordance with DPWH mandate

MDM CLUSTER

DPWH I

Assisted in the transportation of injured person.

Health CLUSTER

DOH I

Conducted inventory of equipment, supplies, drugs, and medicines for health emergency management as of 15 May 2020:

Office/Province	Estimated costs of Available items
Ilocos Norte	398,740.84
Ilocos Sur	3,751,808.16
La Union	4,947.90
Pangasinan	832,950.00
DOH CHD 1 Office	3,715,262.32

2. RDRRMC II

OCD II

- a. Raised alert status to RED effective 14 May 2020, 6:00 PM.
- b. Placed on BLUE alert status effective 11 May 2020, 12:00 NN.
- c. Directed all LDRRMCs to raise the alert status of their respective Operations Center to BLUE effective 11 May 2020 at 12:00 NN.
- d. Constantly monitored high-risk areas.
- e. Placed response assets on alert and standby status.
- f. Closely monitored major river systems in the region and its tributaries to include the water sources from the Sierra Madre Mountains, Cordillera Mountains and others.

- a. Informed the 25 barangays especially along the coastal areas to take precautionary measures in anticipation of the possible impact of STS AMBO.
- b. Checked and ensured availability of standby goods.
- c. Informed the rescuers to be on-call anytime.

MDRRMC Masinloc, Zambales

- a. Conducted Information and Education Campaign (IEC) through bandillo, radio, and social media.
- b. Accounted disaster equipment: vehicle, floatation device, ropes and other related equipment.
- c. Conducted meeting with DRRM personnel and volunteers.
- d. Prepositioned food supplies and available/ready suppliers.
- e. Prepared the Evacuation Centers to be used if the need arises.
- f. Procured Personal Protective Equipment's (PPE's), rain boots, rain coats, and umbrellas.
- g. Continuously monitored Weather Stations.

MDRRMC Candelaria, Zambales

- a. Monitored weather forecast and updates from PAGASA.
- b. Prepositioned heavy equipment and inventory of food packs.

MDRRMC Palauig, Zambales

- a. MDRRMC members convened on 13 May 2020, 9:00 AM at designated OpCen to ensure and undertake necessary precautionary measures to continuously monitor and ensure dissemination of Weather Advisories to barangay level.
- b. Conducted PDRA Core Group Meeting.
- c. Ensured early warning and emergency telecommunications were functional.
- d. Prepositioned response resources.
- e. Coordinated with PB Lorna Gloria and PB Howard Caasi of the possible pre-emptive evacuation of 286 families living in landslide prone area specifically the Tribal group in So. Dampay, Palauig, Zambales.

MDRRMC San Felipe, Zambales

- a. Disseminated advisories to all barangays.
- b. Monitored weather reports.

MDRRMC San Marcelino, Zambales

- a. Provided weather updates and disseminated information in connection with TY “AMBO” through the social media platform.
- b. Conducted MDRRMC meeting in preparation for TY “AMBO”.
- c. Provided timely weather update and information dissemination in connection with TY “AMBO” utilizing the social media platform.

MDRRMC Subic, Zambales

Monitored PAG-ASA Weather Forecast and disseminated advisories to all Barangays.

MDRRMC Cabangan, Zambales

- a. Activated the MDRRM Opcen, ICP, and Staging Area.
- b. Prepositioned MDRRM vehicles (3 dumptrucks and 1 rescue ambulance) and rescue equipment (WASAR vests, first aid kits, chainsaws, and clearing materials).
- c. Prepared the evacuation center building and supplies.
- d. Convened MDRRMC for a meeting.
- e. Activated the BDRRMCs relative to the weather disturbance.

4. RDRRMC CALABARZON

OCD CALABARZON

- a. Maintains Red Alert Status since COVID-19.
- b. Continuously monitored the movement of TS “AMBO”.
- c. Participated in the PDRA Meeting at NDRRMC through VTC on 11 May 2020, 10:00 AM.
- d. Conducted Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.
- e. Advised LDRRMOs to enhance its CP for Hydro-Met Hazard due to COVID-19.

- f. Conducted aerial assessment of the affected areas in Quezon with DPWH CALABARZON, DSWD CALABARZON, DA CALABARZON, PIA CALABARZON, Quezon-Provincial Agriculture Office, Quezon PDRRMO, and Quezon PIO.

DSWD CALABARZON

- a. Coordinated with the National Food Authority (NFA) to facilitate the hauling of NFA Rice and the production of relief goods in preparation for any untoward incidents.
- b. Activated the Emergency Operations Center to monitor the possible effects of TS "AMBO".
- c. The DRMD constantly communicated with the Local Social Welfare and Development Offices (LSWDOs) with pre-disaster assessments being conducted.
- d. DRMD maintained close coordination with the LGUs relative to the preparedness efforts undertaken for Flood, Landslide, and Storm Surge prone areas.
- e. Coordinated with SWAD Team Leaders and Provincial Action Team of the CALABARZON and advised them to monitor and coordinate with the LGUs to gather reports on the possible effects of TS AMBO.
- f. Coordinated with LSWDOs and LDRRMOs and instructed same to be on standby alert and prepare its respective evacuation centers and preposition family food packs, should the need arises.
- g. Coordinated with RDRRMC CALABARZON OpCen for updates on the preparedness level of the members of the Response Cluster within the Region.
- h. Informed member agencies of the response cluster to be on standby alert status and ready for mobilization in case of situation arises.
- i. Prepositioned Resources with details as follow:

Stockpiles and Standby Funds:

- **Family Food Packs:**

A total of 5,614 family food packs was made available in GMA and Dasmariñas warehouses amounting to ₱2,111,318.00 and available raw materials amounting to ₱12,977,170.58.

- **Standby Funds:**

The Standby Fund amounting to ₱13,930,365.60 can be utilized to augment the response operation.

- j. Placed the Human Capacity: Regional and Provincial Quick Response Team (QRT) members on standby alert status and ready for mobilization should the need arises.
- k. Trained personnel on Psychosocial Support Processing, Family Evacuation Preparedness and Camp Coordination and Camp Management, Inventory and Warehouse Management, Emergency Telecommunications, Incident Command System (ICS), Emergency Operation Center (EOC), Rapid Damage Assessment and Needs Analysis and Disaster Information Management that can be mobilized in case the needs arises.
- l. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

DENR-MGB CALABARZON

- a. Issued advisories to identified landslide and flood-prone areas.
- b. Alerted LGUs that are prone to flooding and landslide hazards.

DOH CHD CALABARZON

- a. Placed on Code Red status.
- b. Prepositioned medicines within the AOR.
- c. Conducted information dissemination to PHTO.
- d. Implemented duty strategy, Team A to F shifting duty to facilitate the concerns received by the office.
- e. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

DPWH CALABARZON

- a. Implemented the SOP and placed equipment and manpower on standby.
- b. Coordinated with the district offices for prepositioning of assets and resources.
- c. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

PRO CALABARZON

- a. Issued Memorandum to all PDs and FC, RMFB to undertake appropriate disaster preparedness and management activities stated in the IMPLAN SAKLOLO 2014 (POLICING During Disaster).
- b. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

PIA CALABARZON

- a. Placed PIA Information Officers on alert for information gathering and dissemination.
- b. Placed PIA provincial offices in the whole region on alert for update monitoring and while gathering situation-related status from LGUs, local DRRMCs, information, and development communication networks and the communities on the ground for posting on different multimedia platforms including offline platforms like Viber and Messenger;
- c. Disseminated situation reports and issues and concerns to the Office of the President through the Presidential Communications Operations Office on the situation on the ground.
- d. Received disaster alerts from NDRRMC through PIA personnel representative and shared these alerts on various PIA platforms.
- e. Required PIA employees to report for work in exigency of service during day-offs as the need arises.
- f. Placed PIA Information Officers on alert for information gathering and dissemination.
- g. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

BFP CALABARZON

- a. Issued Memorandum addressed to all BFP Units advising to be vigilant as well as to prepare and ensure the serviceability of all equipment and response vehicles.
- b. Coordinated with local DRRMCs for the integration of respective preparation and response plan within the AOR.
- c. Placed additional 1,100 personnel on standby in its respective Fire Stations.

- d. Implemented the “Oplan Paghalasa” (Paghahanda Laban sa Sakuna).
- e. Placed BFP to integrate with Local IMTs.
- f. Placed rescue Units on standby.
- g. Placed 70 personnel from RHQ on standby for possible augmentation.
- h. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

SOLCOM/ 2ID/ 202BDE

- a. Presented the HADR Units of the SOLCOM, DRUs, resources, assets and its capacities.
- b. Placed the naval and air assets, as well as other resources and capacities on standby.
- c. Coordinated with the different LGUs and its respective LDRRMCs.
- d. Prepared DRO Teams for possible deployment and its positioning to “prone areas”.
- e. Prepared alternate communication capability to ensure continuous coordination with different DRO Teams and LGUs.
- f. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.
- g. Provided air assets for the conduct of aerial assessment of the RDRRMC CALABARZON member agencies on 17 May 2020.

NICA CALABARZON

Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

DENR-MGB CALABARZON

- a. Issued advisories to identified landslide and flood-prone areas.
- b. Alerted LGUs that are prone to flooding and landslide hazards.
- c. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

Local DRRMCs

All PDRRMCs

- a. Continuous coordination to Council members, Provincial Government key officials/offices, Local DRRMOs and other concerned offices regarding the status within their respective areas of responsibility
- b. Continuous dissemination of advisories, weather forecasts, general flood advisories and updates to all LDRRMCs through all means of available media such as SMS, e-mail and social networking sites.
- c. Conducted information dissemination through social media.
- a. Continuous monitoring and assessing of situation due to weather disturbance.

PDRRMC Cavite

- a. Operation Center maintained its alert status (since COVID-19).
- b. Placed the PDRRMC-Operations Center on 24/7 standby alert status.
- c. Continuously disseminated public advisories and weather bulletin via text messaging and social media through respective local DRRMOs.
- d. Prepositioned rescue/ emergency equipment and vehicles.

- e. Ensured monitoring of Early Warning Devices installed in disaster-prone areas in different cities/municipalities.
- f. Coordinated with the Provincial Social Welfare and Development Office for the availability of stockpile and updated list of evacuation centers.
- g. Placed PDRRMC personnel on 24/7 standby duty for continuous monitoring and possible deployment for pre-emptive evacuation and response operations.
- h. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

PDRRMC Laguna

- a. Placed on standby alert status.
- b. Coordinated with the social media team.
- c. Prepared deployment plan.
- d. Conducted inventory and preparations of equipment and supplies.
- e. Updated data of the C/MDRRMC inventory of resources.
- f. Placed PDRRMC Members on standby alert.

PDRRMC Batangas

- b. Communicated with Local DRRMOs relative to preparedness measures.
- c. Coordinated with PDRRM Council to prepare resources especially FNFI and logistics.
- d. Maintained skeletal workforce with regular duty team on 24/7 shifting.
- e. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

PDRRMC Rizal

- a. Placed on alert status.
- b. Ensured cascading of information and advisories to the LDRMMOs and PDRRMC.
- c. Conducted an inventory of resources.
- d. Ensured that response agencies were well informed.
- e. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.

PDRRMC Quezon

- a. Conducted Provincial PDRA on 12 May 2020, 10:00 AM.
- b. Participated in the Regional PDRA Meeting on 11 May 2020, 2:00 PM via Zoom Teleconference.
- c. Reminded DRRMCs to continuously disseminate advisories through local/community leaders and/or local media to inform communities, particularly residents in low-lying areas, near mountain slopes and coastal areas of possible flooding/flash floods, and landslides.
- d. Activated the RDANA team and placed on standby alert status.
- e. Conducted RDANA together with the PDRRMC member agencies' assessment teams on 17 May 2020.
- f. Joined the RDRRMC CALABARZON member agencies during the aerial assessment of the affected areas in the province.
- g. RDANA team composed of PDRRMO Quezon, Health Emergency Management, Provincial Engineering Office, and Office of the Agriculturist conducted field RDANA in the 1st, 3rd, and 4th District of Quezon.

- h. Led the ongoing consolidation of damage assessment data.
- i. On-going consolidation of damage assessment data.
- j. Conducted Field Rapid Damage Assessment and Needs Analysis in 1st, 3rd and 4th District of Quezon by the RDANA team composed of PDRRMO Quezon, Health Emergency Management, Provincial Engineering Office and Office of the Agriculturist done.

Response

- a. Conducted pre-emptive evacuation in high risk areas such as flood and landslide prone areas as well as dilapidated and makeshift houses.
- b. Secured and/or anchored seacrafts (vessels and bancas).
- c. Prepositioned equipment and resources for response.

5. RDRRMC MIMAROPA

OCD MIMAROPA

- a. Issued Memorandum Order No. 075 to MIMAROPA P/M DRRMOs for the Identification of Specific Evacuation Centers intended for evacuees of possible flooding due to TS “AMBO”.
- b. Participated in the MGB PDRA Videoconference Meeting on 11 May 2020.
- c. Conducted PDRA for TS AMBO VTC Meeting on 12 May 2020, 10:00 with RDRRMC Member Agencies and P/CDRRMOs.
- d. Advised LDRRMOs and Field Officers, OCD MIMAROPA to keep on monitoring its AOR, report any incident monitored, and take appropriate actions.
- e. Prepositioned standby 1,000 boxes of family kits and two (2) Emergency Tents in OCD MIMAROPA Warehouse.
- f. Prepositioned Rigid Hull Inflatable Boat (RHIB) in the Province of Occidental Mindoro since November 2019.
- g. Prepositioned one (1) 75KVA Generator Set for the Provinces of Marinduque and Romblon.

DSWD MIMAROPA

- a. Prepositioned a total food/non-food items and standby funds amounting to ₱19,425,647.94 as of 9 May 2020 with breakdown as follows:

PARTICULARS	AMOUNT INVOLVED
Standby Funds	₱3,069,989.19
Family Food Packs (Kitted)	₱6,577,650.00
Other Food Items (Raw Materials)	₱4,313,203.00
Non-food Items	₱5,464,805.75
Grand Total	₱19,425,647.94

- b. Ensured available standby vehicles for transportation of FFPs and a total of 2,210 R/P/C/M Quick Response Team (QRT).
- c. Prepositioned a total of 14,617 Family Food Packs (FFPs) amounting to ₱6,577,650.00, Other Food Items (Raw Materials) amounting to ₱4,313,203.00 and Non-food Items amounting to ₱5,464,805.75 are available FNIs of the region as of 9 May 2020 with breakdown as follows:

WAREHOUSE	TOTAL NO. OF	TOTAL AMOUNT
------------------	---------------------	---------------------

LOCATIONS	AVAILABLE FFPS	INVOLVED (₱450.00/PACK)
Regional Office, Manila	980	₱441,000.00
Occidental Mindoro	4,427	₱1,992,150.00
Oriental Mindoro	61	₱27,450.00
Marinduque	4,003	₱1,801,350.00
Romblon	256	₱115,200.00
Palawan	4,890	₱2,200,500.00
GRAND TOTAL	14,617	₱6,577,650.00

DOH MIMAROPA

- Activated Code Alert in the DOH Regional Office, Provincial DOH Offices and DOH-Retained Hospitals through the Health Emergency Response and Operation Center.
- Placed two (2) Regional Offices on Code Alert Red, Oriental Mindoro-CoViD Code Alert Red Sub Level 1, and all other provinces on Code Blue.
- Placed all logistics and manpower on standby and ready for deployment since COVID-19 response.
- Activated the Emergency Operation Center (EOC) on 24/7 basis and manned by emergency officers on duty.
- Put up dome Tent in the strategic and areas of concern for health services in MIMAROPA composed of twelve (12) Multipurpose PVC Tents (42x42) and eleven (11) multipurpose tents (72x42).
- Prepositioned drugs and medicines in various regional offices and provincial DOH offices with details as follows:

Province	Drugs/Medicines (Amount in: Php)	Transportation Assets	Location
Occidental Mindoro	To follow	1	Mamburao PDOHO
Oriental Mindoro	₱2,235,515.00	0	Calapan City PDOHO
Marinduque	₱2,602,045.00	2	Boac PDOHO
Romblon	₱452,734.24	1	Odiongan PDOHO
Palawan	₱2,474,772.00	3	Palawan PDOHO
Region Proper	₱10,985,967.00	7	HEMS Warehouse/LMU
TOTAL	₱18,751,033.24	14	

DILG MIMAROPA

- Disseminated DILG Advisories to provinces and municipalities down to the barangay level relative to TS AMBO.
- Informed all concerned DILG personnel relative to the weather updates from the DILG Central Office Disaster Information and Coordinating Center (CODIX).
- Advised LGUS through DILG field officers to monitor the PAG-ASA weather advisories and typhoon bulletins, establish critical preparedness actions based on the Operation L!STP protocols, and prioritize prepositioning of supplies and equipment for response.
- Constantly updated the LGUs by sending weather bulletins and advisories through email and official social media account (facebook).
- Disseminated the DILG Memorandum to LGUs regarding the Activation of the Monitoring and Reporting System on TD AMBO effective 12 May 2020, 8:00AM.

- f. Ensured that LGUs are actively carrying out actions as recommended in Operation LISTO.
- g. Continuously monitored all PAGASA weather advisories and typhoon bulletins.
- h. Ensured continuous monitoring of tool that can be used to generate indicative hazard assessment on the user's specified location via <https://hazardhunter.georisk.gov.ph>.
- i. Established critical preparedness actions based on the operation LISTO protocols, and prioritize preemptive evacuations and repositioning of supplies and equipment for response.
- j. Observed existing protocols including Proof of Service.
- k. LGUs convened their respective LDRRMCs, conducted PDRA, and initiated critical preparedness actions, which must take into consideration the health risks associated with COVID-19, in addition to the geo-hazards in the communities.
- l. Activated concerned Barangay DRRMCs for early warning measures and vigilant monitoring of areas with settlements at the base of sliding slopes or ridges with manifestations of rockslide/landslide, tension cracks, and areas identified as very high/critical landslide zones.
- m. Continuously informed all communities through local television and radio stations of situation updates and preparedness actions of the localities.
- n. Prepared to implement pre-emptive protocols, if necessary, in areas with high to very high susceptibility to storm surge, flood, and landslide.

BFP MIMAROPA

- a. Activated the Operational Procedures Manual: Sec 6.4 Response to typhoon and flood to build up the operational capability mobilizing, monitoring and response to typhoon occurring within AOR which may be necessary to reduce the number of casualties and injury to the affected community.

DENR-MGB MIMAROPA

- a. Ensured close monitoring of the track of TS AMBO.
- b. Provided Geohazard advisories to LGUs.
- c. Prepared preparedness measures for flooding and landslide hazards.
- d. Prepared the list of barangays and sitios identified by MGB-MIMAROPA as highly susceptible to flooding and landslide.
- e. Updated flood and landslide susceptibility maps.
- f. Provided information on Flood and Landslide Risk Exposure Maps and Related Data to the public.

DepEd MIMAROPA

- a. Ensured continuous monitoring of weather updates from DOST-PAGASA and inform/coordinate to divisions regarding the tropical depression.
- b. Advised/directed DRRMC/SDRRMC to prepare for the prevailing weather situation and instructed same to monitor updates on weather systems through radio, TV, and social media.
- c. Advised divisions relative to informing/reiterating schools re preparedness measures as per DO 83 s. 2011 and DM 108 s. 2016.
- d. Monitored divisions and schools that may be affected by the weather disturbance and schools to be used as evacuation center/area.

- e. Ensured regular dissemination of advisories from PAG-ASA to divisions/schools.
- f. Directed/instructed field offices to closely coordinate with LGUs for Local inter-agency actions to be taken.
- g. Advised SDO In-charge/ coordinator to attend virtual Pre-Disaster Risk Assessment (PDRA) and response cluster meeting within its AOR.
- h. Monitored updates from the various divisions.

PRO MIMAROPA

- a. Directed all PPO/CPO DIMTG to activate their respective Disaster Management Task Group to alert and secure respective AOR and if necessary, assist the LGUs.
- b. Directed all members of SAR Team to be on alert and ready for any possible Search and Rescue Operations.
- c. Advised the RMFB to prepare all SAR Equipment for immediate issuance to SAR Teams/Alert Teams.
- d. Strictly implemented Oplan "SAKLOLO" (Policy During Disasters).

2nd Infantry Division

- a. Closely monitored flood prone areas and landslide susceptible based on geo-hazard maps.
- b. Established the Radio Communication to effectively monitor via fast military radio network the passage and effects of TD "AMBO" in MIMAROPA.

PDRRMCs Palawan and Oriental Mindoro

- a. Activated the Emergency Operation Center.
- b. Activated the Palawan Rescue 165 Operations Center on 24/7 for monitoring and emergency response.
- c. Communicated weather advisories to all MDRRMO's.
- d. Identified a total number of 155 evacuation centers intended solely for evacuees of the foregoing weather disturbance.

PDRRMC Occidental Mindoro

- a. Monitored the track of TS AMBO.
- b. Ensured close coordination with MDRRMOs re weather condition and untoward incident within its AOR through SMS.
- c. Coordinated with PSWDO for possible deployment.
- d. Placed standby 24/7 personnel on duty at the PDRRM OpCen.
- e. Prepositioned food packs and rescue equipment.
- f. Advised Camp Management Team for advance response actions.
- g. Purchased the following for use:
 - 150 modular tents for the camp management
 - 2 rubber boats to support in the response operations of logistics and SRR cluster
 - Additional satellite phones intended for island municipalities to enhance their communication capabilities during response operations
 - Additional PPEs and tools for PQRTs and Provincial Volunteers.

PDRRMC Marinduque

- a. Maintained Red Alert Status and full activation of EOC.

- b. Coordinated with MDRRMOs regarding the Preparedness Measures and Actions Taken.
- c. Prepositioned 228 health kits from PSWDO, 500 sacks of Rice at NFA Warehouse to be pick-up at any time, 31 Sleeping Mats, 4 Blankets, 5 Mosquito Nets, 5 Jerry Can (Blue), 47 Collapsible Water Containers from PRC.
- d. CCCM Cluster placed the Provincial Evacuation Center (Convention Center) on standby status.
- e. Ensured that the Emergency Telecom Cluster has 24/7 operational VHF Repeater System, 3 Mobile Base Radio, 12 Handheld Radios, 1 HF Radio from DOST, 3 Network Radios with 50 members Kabalikat Civicom with handheld radios
- f. Ensured that the Logistics Cluster has 1 standby generator set 75KVA OCD generator set, 1 rescue vehicle, 1 rescue ambulance, 1 20,000 liters water truck, 1 man lift, 2 dump/slate truck, 4 wheel loader, 3 emergency lights, 5 flashlights, 9 dump trucks with 1 stationed at Sta. Cruz, 3 mini dump truck, 1 new big dump truck, 4 motor grader, 1 tractor head, 4 pay loaders, 1 backhoe loader, 2 road grader, 2 backhoe, 3 service vehicle, 8 power saws, 1 road loader, 1 elf truck and 1 ambulance.
- g. Ensured that the Law and Order Cluster have standby MPPO-3 Patrol Vehicles, Boac MPS-2 Patrol Vehicles, Buenavista MPS-2 Patrol Vehicles 2 Patrol Vehicles, Mogpog 2 Patrol Vehicles, Sta. Cruz MPS-3 Patrol Vehicles, Torrijos MPS-3 Patrol Vehicles, PMFP-3 Patrol Vehicles and 1 rubber boat.
- h. Ensured that the MDM Cluster has standby 80 CADAVER BAGS (adult and pedia), PPGs for retrieval, CRIME LAB, SOCO and will conduct the Family Tracing and Reunification when need arises.
- i. Ensured that the Health Cluster has standby medicines, medical supplies, WASH supplies equipment, nutrition supplies, assorted kits and equipment amounting ₱2,566,495.00.
- j. Issued PDRRMC Advisory No. 2 re Issuance of No Sail Policy and PDRRMC Advisory No. 3 re Suspension of Work.

PDRRMC Romblon

- a. Monitored the track of TS AMBO.
- b. Ensured close coordination with MDRRMOs re weather condition and any untoward incident on their AOR through SMS.
- c. Placed standby 24/7 personnel on duty at the PDRRM OpCen.
- d. Conducted inventory of all rescue equipment, stockpile of food and medicines, other QRF provisions.
- e. Conducted inventory of all designated evacuation centers in each municipality: schools, multi-purpose buildings and other available resilient structures in the province.

6. RDRRMC V

OCD V

- a. Placed on RED ALERT status effective 12 May 2020, 6:00 AM.
- b. Conducted PDRA at 11 May 2020 via VTC.
- c. Attended the NDRRMC PDRA Meeting on 14 May 2020.
- d. Issued memorandum to LDRRMCs to implement their respective Response Plans / Contingency Plans.

- e. Ensured that mobilities are on standby in case of deployment.
- f. Placed radio communications and satellite phone on standby.
- g. Provided logistical requirement to responders.
- h. Participated in the NDRRMC PDRA Meeting on 14 May 2020.
- i. Continuously coordinated with PDRRMOs and NGAs for response activities for TY “AMBO”.
- j. Issued a Memorandum to Local DRRMCs to implement their respective Response Plans/Contingency Plans; implement preparedness measures and local counter measures for floods and landslide, to include pre-emptive evacuation and no sailing policies when necessary; and activate its respective EOCs and put their response teams on stand-by alert.
- k. Instructed Regional Line Agencies to activate their respective EOCs and put on standby its respective Emergency Response Teams / Disaster Response Units stationed throughout the region for monitoring and prompt response.
- l. Placed mobilities on standby ready for deployment.
- m. Placed radio communications and satellite phone on standby.
- n. Provided logistical requirement of responders.
- o. Conducted aerial assessment on the effects of TY AMBO in Bicol region onboard PAF BELL 412 Combat Utility Helicopter (CUH).

DSWD V

- a. Encouraged the LGUs to distribute fresh farm produced products as alternative to family food packs.
- b. DRMD V continuously monitored weather updates and information.
- c. Resource Operation Section ensured the availability of family food packs and non-food items as need arises.
- d. Activated the DSWD FO V QRTs.
- e. Activated PAT and MAT members in the 6 provinces and instructed to coordinate with the P/MDRRMOs, C/MSWDOs for TY AMBO reports and updates.
- f. P/C/MATs attended the P/C/MDRRMC meetings regarding LGUs’ preparedness on TY AMBO.
- g. The MAT of Baleno, Placer, Esperanza and Aroroy in the province of Masbate assisted the LGU in the profiling of evacuees.
- h. Ensured that a total of 16,800 family food packs amounting to ₱7,596,209.70 are available at DSWD Warehouse and likewise, are prepositioned at the different areas in Bicol.

Warehouse area	Number of Food Packs
DSWD Warehouse Bogtong, Legazpi City	16,289 (13,576 FROM NROC and 2,713 locally pack)
DSWD Warehouse Daet, Camarines Norte	2
DSWD Warehouse Tigaon, Camarines Sur	505
Brgy. Tugbo, Masbate City	4
TOTAL	16,800 13,576 from NROC and 3,224 locally pack)

- i. Ensured that raw materials such as (99,770 kls), (1,699 sachet) San Mig 3-in-1 coffee, and (240,000 sachet) San Mig 3-in-1 crema white coffee amounting to ₱5,299,355.17 are also available:

- j. Recorded 15,000 FFP augmentation support from NROC arrived at the DSWD Warehouse Bogtong, Legazpi City, Albay.
- k. Continuously provided family food packs to LGUs who requested for augmentation.

DILG V

- a. Coordinated with CODIX re advisory on LPA relative to TD AMBO and disseminated the same to all Provinces.
- b. Received and disseminated Advisory re Activation of the Monitoring and Reporting System to all Provinces and provide additional information on the input of data in the SitRep to be submitted at 7:00 AM daily and to be updated every 24 HRS until deactivated.
- c. Forwarded Critical Cyclone Track Chart to all provinces
- d. Conducted follow up on the submission of SitReps from the Provinces.
- e. Continued to monitor weather updates.
- f. Forwarded email and updates of CODIX to Provincial Offices.

DOH V

- a. Placed on Code Red Alert on 12 May 2020 and on 24/7 alert status.
- b. Placed standby teams for possible deployment.
- c. Released advisories on typhoon, flooding, and landslides through official social media accounts.
- d. Released advisories to PDOH Offices re Expected Course of Actions to be undertaken by PDOH Offices during Tropical Cyclone.
- e. Conducted inventory of drugs and medicines at the Regional warehouse.
- f. Prepositioned logistics at the Provincial DOH Offices with details as follows:
 - Albay: 50,000
 - Camarines Sur: 100,000.00
 - Camarines Norte: 50,000.00
 - Masbate: 50,000.00
 - Catanduanes: 50,000.00
 - Sorsogon: 50,000.00
- g. Coordinated with the Provincial DOH Offices on the preparedness activities relative to the hazard.
- h. Submitted reports to OCD,HEMB and other partners.

DENR- MGB V

- a. Released timely Landslide Advisories to Local Government Units.
- b. Coordinated with PAGASA Southern Luzon on the developments of Typhoon AMBO for the preparation of MGB Advisories.

DPWH V

- a. Conducted clearing operations of the fallen electric wires at Donsol-Banuar Gurang road (K0578-500).
- b. Prepositioned DRRM Teams and ready for emergency response.
- c. Installed early warning signs to alert motorists against road blocks or hazards brought about by the typhoon to ensure road safety.

DA V

- a. Conducted assessment / validation of agricultural damages within the AOR mobilizing the Regional Response Center.

PRC Albay V

- a. Placed all PRC chapters on 24/7 duty at their Operations Center.
- b. Prepared response equipment, communications, and logistics (wash and relief logistics).
- c. Prepared and briefed team prior to deployment.
- d. Continuously coordinated with the National Headquarters and PDRRMCs.

DPWH V

- a. Prepositioned DRRM Team and ready for emergency response.
- b. Placed early warning signs to alert motorists against road blocks or hazards brought about by the typhoon to ensure road safety.

PNP PRO V

- a. Released memorandum to all PDs/APDs, PPOs, CD, NCPO and RMFB5 as Full Alert Status for Typhoon AMBO.
- b. Placed SAR personnel and equipment of the Regional Mobile Force Battalion 5 (RMFB5) on standby.
- c. Continuously monitored the situation.
- d. Placed SRR Teams on standby.
- e. Placed liaison officers on standby at RDRRMC Emergency Operations Center.
- f. Closely coordinated with Regional and Local DRRMCs.

Coast Guard District Bicol

- a. HQ CGD Bicol dispatched 1 WASAR Team with mobility and equipment to PDRRMC Camarines Sur Incident Management Team to augment response operations of the Province.
- b. Conducted patrol and manning of control points and patrols.
- c. Placed SRR Teams on standby.
- d. Placed personnel, equipment and mobility on standby for possible deployment.
- e. Placed all units on standby alert.
- f. Disseminated weather updates to all sub-stations.
- g. Continuous monitored the situation of sea ports within the Bicol Region.

JTF BICOLANDIA (PA, PAF, NAVY)

- a. Deployed 1 WASAR Team with mobility and equipment from TOG5-PAF to PDRRMC Camarines Sur Incident Management Team to augment response operations of the Province.
- b. Placed DRU Teams and mobility assets on standby alert for possible deployment.
- c. Continuously monitored the situation.
- d. Closely coordinated with Regional and Local DRRMCs.

BFP V

- a. Placed on Red alert status.
- b. Closely monitored respective areas of responsibilities.
- c. Placed on standby ready for deployment.

- d. Ensured that all available fire/rescue/emergency medical apparatus suit to all operation's needs.
- e. Closely coordinated with the C/MDRRMCs on DILG-LGU Operation LISTO.
- f. Activated OPLAN PAGHALASA (Paghahanda Laban sa Sakuna).
- g. Ensured submission of situational reports every Six (6) hours.
- h. Checked-in regional assets at RDRRMC EOC.
- i. Placed a total of 114 teams of 870 pax with 105 mobilities in BFP Regional Headquarters and BFP stations throughout the region on standby and ready for deployment.
- j. Activated Operations Center at BFP Regional Office V.
- k. Ensured all stations are monitoring the situation within AOR especially in the low-lying areas.
- l. Coordinated with the LGUs for immediate assistance in case of evacuation.
- m. Ensured availability of fire/rescue/emergency medical personnel, apparatus and auxiliary units to suit all operation's needs.
- n. Conducted river water level monitoring.
- o. Placed DRU Teams and mobility assets on standby alert for possible deployment.
- p. Ensured continuous monitoring of situation.

PAGASA V

- a. Ensured provision of weather updates/advisories including localized weather updates to the Regional and local DRRMCs and other stakeholders.
- b. Ensured continuous weather monitoring.

PHIVOLCS

- a. Issued timely lahar advisories to LGUs in Albay.
- b. Continuously monitored lahar deposits in Mayon and Bulusan.

Local DRRMCs

PDRRMCs Albay Camarines Norte, Camarines Sur, Catanduanes, Masbate and Sorsogon

- a. Conducted PDRA at the provincial level
- b. Disseminated weather advisories, thunderstorm advisories, and other relevant weather advisories through all means of available media
- c. Close coordination with PDRRMC member agencies, local DRRMOs and other concerned offices
- d. Continuous monitoring of weather forecast and rainfall advisory issued by PAGASA
- e. Closely monitoring the situation within AOR.

PDRRMC Camarines Norte

- a. Conducted Provincial PDRA Meeting on 13 May 2020.
- b. Activated the Emergency Operation Center, Incident Management Team, and Response Cluster.
- c. Advised the public to always monitor weather condition relative to the weather disturbance.
- d. Alerted the Emergency Responders and put on standby.
- e. Ensured the creation of groups and task forces for Typhoon AMBO.

- f. Governance Cluster conducted a cluster meeting on 14 May 2020.
- g. Issued Executive Order No. 33 s 2020 an order declaring the suspension of work both in all government offices National and Local in the Province of Camarines Norte on 15 May 2020.
- h. Placed on Red Alert Status.
- i. Response cluster together with the governance cluster conducted a meeting.
- j. Created a task group relative to TY AMBO.

PDRRMC Camarines Sur

- a. Conducted PDRA on TY “AMBO” on 11 May 2020 through video teleconference.
- b. Activated the IMT for TY “AMBO”.
- c. Issued the following memoranda:
 - Blue Alert Status (11 May 2020)
 - Red Alert Status (12 May 2020)
 - Preemptive Evacuation (13 May 2020)
 - Mandatory Evacuation (14 May 2020)
- d. Activated response clusters to facilitate response and coordination with respective agencies.
- e. Activated communication team with 20 personnel directly communicating to the barangay captains and C/MDRRMOs.
- f. Setup radio communication in the ICP in case of commercial telecommunication signal failure.
- g. Conducted trimming of trees in national highways and declogging of canals.
- h. Prepositioned food packs ready for distribution.
- i. Deployed 27 SRR teams to different city/municipalities.
- j. Distributed PPEs to 27 SRR teams.
- k. Relocated 111 IDPs from Milaor Quarantine facility to Rodriguez NHS Quarantine facility.
- l. Provided generators in quarantine areas.
- m. Provided sleeping kits to the suspected cases in Tigaon quarantine areas.
- n. Distributed 200 liters of disinfectant to city/municipalities.
- o. Deployed two (2) additional SRR teams in Buhi to assist in the Decampment.
- p. Deployed SRR teams in the different municipalities to monitor the coastal areas, flood, and landslide prone areas.
- q. School DRRM Coordinators facilitated the management of schools used as evacuation centers.

PDRRMC Catanduanes

- a. Convened a Pre-Disaster Risk Assessment meeting relative to preparedness actions for TY AMBO.
- b. Conducted inventory of assets and prepositioned same.
- c. Placed the City/Municipal DRRM Operation Centers and its responders on Red Alert Status.
- d. Alerted flood, landslide and storm surge prone barangays.
- e. Issued memoranda for disaster preparedness measures, and continuous monitoring and cascading of weather updates.

PDRRMC Masbate

- a. Activated the Search and Rescue Unit and BDRRMC.
- b. All Members of the PDRRM Council prepared all the necessary resources needed for immediate response.
- c. Activated the EOC and 24/7 OpCen of PDRRMO Masbate.
- d. Issued order for pre-emptive evacuation.
- e. Prepositioned assets and stock.

PDRRMC Sorsogon

- a. Conducted initial meeting and participated by SPDRRMO Head and Section Head.
- b. Conducted SPDRRMC Emergency Meeting.
- c. Issued an Executive Order No. 36-A-2020, Providing for Additional Guidelines on Checkpoints in relation to COVID-19 in the event of Typhoon forecasted to affect the province of Sorsogon and for other purposes”.
- d. Issued an Executive Order No. 40-2020, “Providing for a Contact Tracing System for the Management of COVID-19 in the Province of Sorsogon and for other purpose”.
- e. Issued an Executive Order No. 41-2020, “Ordering All Municipal and City Mayors to implement Forced Pre-emptive Evacuation starting 14 May 2020 and for other purpose”.
- f. Plotted coordinates to view the trajectory path of the Tropical Storm.
- g. Ensured clear lines of communication with all DRRMOs for updates and coordination.
- h. Placed all assets on standby and conducted inventory of resources.
- i. Conducted Media briefing for the Disaster Broadcast Plan for “ONE STATION, ONE INFORMATION”.
- j. Conducted inventory of prepositioned goods and rescue equipment.
- k. Conducted identification of registered chainsaw owners within the Province of Sorsogon.
- l. Activated the Emergency Operation Center.
- m. Activated the Satellite SPDRRMO at Irosin Sorsogon.
- n. Conducted check-in DPWH I, 31ST INF BATALLION ARMY, BERN and AFP Communications.
- o. Issued RED alert status effective 14 May 2020.

CDRRMC Naga

- a. Ensured continuous monitoring of TY AMBO and its possible effects to the Region.
- b. Conducted early warning systems monitoring.
- c. Placed standby capacities (rescue equipment, rescue vehicles, search and rescue team 24 hour duty) and prioritized prepositioning of supplies and equipment for response.
- d. Activated EOC/ Standby Activation of incident management team.
- e. Disseminated pertinent weather information and evacuation center information.

7. RDRRMC VIII

OCD VIII

- a. Placed on BLUE alert status effective 14 May 2020, 9:00 AM.

- b. Issued Memorandum to all RDRRMC member agencies, Chairpersons Local DRRMCs, and Communications group dated 13 May 2020 raising the Blue Alert Status at the RDRRMC EOC VIII ICOW Tropical Storm AMBO.

- d. Conducted Response Cluster Meeting relative to the latest situation updates, actions taken, and way forward on the response efforts of the agencies and LGUs affected.
- e. Coordinated with CENTCOM, DSWD NCR, and VII on the availability and transport of family food packs augmentation to DSWD VIII for the affected families in the Island of Samar.
- f. Coordinated with DepEd VIII on the possibility of maximizing occupancy of schools as temporary evacuation centers for affected families to follow social distancing protocols.
- g. Coordinated with OCD Central Office regarding the transportation of FFPs for augmentation to the Province of Northern Samar.
- h. Coordinated with concerned agencies on the conduct of aerial survey to the identified most affected LGUs in the island of Samar and Biliran.
- i. Coordinated with the DSWD, Philippine Navy, 546ECB and 8FSSU, Philippine Army for the transport of 5,000 family food packs from Cebu City to Tacloban City.
- j. Coordinated with DSWD, CENTCOM, 8ID PA and TOG 8, Philippine Air Force for the loading and unloading of 16 pallets or 1,600 foods packs for Catarman Northern Samar on-board C130 flight 4704.
- k. Requested 5,000 additional food packs from the DSWD FO VIII.
- l. Facilitated the transport of DSWD FO VIII FFPs through C130 from Cebu to Catarman, Northern Samar to be distributed to the affected residents of Samar Provinces in coordination with TOG-8 PAF and CENTCOM.
- m. Facilitated the transport of 5,000 FFPs from the DSWD FO VIII through the Philippine Navy vessel from Cebu to Tacloban City in coordination with CENTCOM.
- n. Coordinated and attended the distribution of financial and relief assistance of DSWD Central in Catubig, Northern Samar; Brgy. Poblacion, San Policarpio, Eastern Samar; and Brgy Catumsan, Arteche, Eastern Samar.
- o. Distributed shelter kits and sackolene to Jipapad, Arteche, and San Policarpio.**
- p. Coordinated with the Philippine Army for the transport of temporary shelter, non-food items, and OCD personnel.**

DILG VIII

- a. Conducted a Governance Cluster meeting with preparedness measures attended by all LGUs in the Region.
- b. Ensured that Operations Center is on 24/7 for monitoring as well as for the implementation of Operation LISTO.

DOH VIII

- a. Activated the DOH Code Alert System.
- b. Placed the Emergency Operation Center on Code Red Alert Status.
- c. Conducted active monitoring on other incidents related to the weather disturbance.

- d. Established an Incident Command System and activated the existing ICS.
- e. Ensured hotline number was reachable 24/7 of which, OpCen was in coordination with PDOH offices and Regional Hospitals.
- f. Implemented the Information Management System: HEM Info Mgt. Sys. at CHO, PHO and PDO HEM.
- g. Used communication System such as cell phone and email hotline from Regional to PDHO OPCEN.
- h. Ensured that HEM staff and OPCEN RO8 team were in place.
- i. Updated Inventory of drugs, medicines, supplies, and equipment.
- j. Ensured availability of DOH RO VIII Buffer amounting to ₱1,189,977.99.
- k. Prepositioned a total of ₱2,210,650.20 to the provincial DOH Office.
- l. Closely coordinated with HEMB OpCen relative to the weather disturbance.
- m. Disseminated Code alert to DOH EVCHD personnel.
- n. Closely coordinated with the RDRRMC through OCD VIII.
- o. Placed HO in Code Red and informed PHO /CHO DRRM-H Managers.
- p. Ensured that hospitals remain on Code Alert for COVID and other incident disseminated to all health facilities.
- q. Provincial DOH Offices disseminated code White to PDOH offices.

DSWD FO VIII

- a. Ensured availability of Standby Funds amounting to ₱23,951,050.00.
- b. Prepositioned a total of 4,814 Food Items (Family Food Pack).

Raw Materials:

• Rice (China Rice)	-	12,676
• Sardines 155g in tins	-	160
• Carne Norte	-	1,852
• Coffee 3in1	-	149,127
• Powdered Cereal Drink	-	1,970

Non-Food Relief Items:

• Kitchen Kit	-	99
• Sleeping Kit	-	49
• Blankets	-	191
• Malong	-	3,512

- c. Requested 20K FFPs at VDRC and ensured that 2 trucks from Northern Samar picked up the additional 1,100 FFPs to be prepositioned in strategic areas in Northern Samar.
- d. Ensured the availability of FFPs in warehouse and prepositioned goods in Northern Samar.
- e. Conducted Meeting with the Regional Director to plan the response operations in the affected areas.
- f. **Established monitoring tool for the delivery of Food and Non-Food items.**
- g. **Delivered 15,450 FFPs in Northern Samar and 22,454 FFPs in Eastern Samar.**

DA VIII

- a. Ensured the availability of farm products: rice, corn, vegetables, fish, meat, poultry, and eggs within the Region.
