18 July 2020, 8:00 AM – 19 July 2020, 8:00 AM**

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 19 July 2020

Source: OCD CALABARZON; OCD VI

I. Progress Report on the Fire Incident in Taytay, Rizal (Region CALABARZON)

A. Situation Overview

- On 18 July 2020, on or about 12:15 PM, a fire incident occurred in the residential area of Block 31, Sitio Lambak, Brgy. San Juan, Taytay, Rizal. It was raised to the 2nd alarm and declared fired out at 3:24 PM, same day.

B. Effects

- A total of more or less 50 families were affected.
- A total of 40 houses were damaged
- No reported casualty.

C. Actions Taken

OCD/RDRRMC CALABARZON

Continuously coordinating with BFP Taytay and MDRRMC Taytay regarding the incident.

BFP CALABARZON

Immediately responded to the incident together with other LGUs.

MDRRMC Taytay

Continuously monitoring the incident.

II. Progress Report on Oil Spill Incident due to Barge Explosion in Bo. Obrero, Iloilo City (Region VI)

A. Situation Overview

- On 03 July 2020, at 2:45 PM, an explosion incident transpired at Zone 3, Bo. Obrero, Lapuz, Ilo-Ilo, City involving the power barge 102 Starboars Side owned by AC Energy Corp. The tank contains 200,000 liters bunker oil during the incident. The cause of the explosion is due to the welding works on the hull.
- Immediately, BFP deployed fire trucks, personnel ambulance to the scene to address the fire. However, the explosion caused the barge to leak and the spillage was contained by the personnel of the power barge but a small amount of oil leaked from the cordon. The same were attended by the BFP in coordination with the PCG.
- The following information were recorded:
 - a. Approximate Volume of Oil Spilt: 268,948.61 liters (as of 08 July 2020)
 - b. Total Volume of Bunker Collected: **261,681.464 liters** (bunker oil mixed with water)
 - c. Contaminated Debris Collected: **1,969 kgs** + 40 drums + **626 sacks**
 - d. Total Mangrove Area Affected: 88.8 ha (Barangays Tacay, Taminla, Umilig, Tanag, and Getulio of Buenavista, Guimaras and Zone III, Brgy. Bo. Obrero, Lapaz, Iloilo City)

B. Effects

AFFECTED POPULATION

- *A total of 308 families / 1,091 individuals were evacuated in District 21 Hotel, Diversion 21 Hotel, and Marriot Hotel due to the strong odor from the oil spill. As of 18 July 2020, 12:00 PM, all evacuated families have already returned home.*
