Progress Report on Oil Spill Incident due to Barge Explosion in Bo. Obrero, Iloilo City (Region VI)

A. Situation Overview

- On 3 July 2020, at 2:45 PM, an explosion incident at Zone 3 of Bo. Obrero, Lapuz, Ilo-Ilo, City. This involved the power barge 102 Starboards Side owned by AC Energy Corp. The tank has the capacity of 320,000 liters of bunker oil which contains 200,000L bunker oil during the incident. The cause of the explosion is due to the welding works on the hull.
- Immediately, BFP deployed fire trucks, personnel ambulance to the scene to address the fire. However, the explosion caused the barge to leak and the spillage was contained by the personnel of the power barge but a small amount of oil leaked from the cordon. The same is now being attended by the BFP in coordination with the PCG.
- **Recorded the following information:**
 - a. Approximate Volume of Oil Spilt: 268,948.61 liters (as of 07 July 2020)**
 - b. Total Volume of Bunker Collected: 210,150 liters (bunker oil mix with water as of 07 July 2020)**
 - c. Contaminated Debris Collected: 600 kilos + 16 drums + 50 sacks**

B. Effects

AFFECTED POPULATION

- **A total of 248 families / 931 persons were evacuated in Bo. Obrero Elementary School and National High School, Technical Institute of Iloilo City, and Bo. Obrero Covered Gym due to the strong odor from the oil spill.**

C. Actions Taken

OCD VI

- **Conducted Meeting on the Updates of Oil Spill Response Operations with the concerned agencies via VTC at 3:00 P.M. on 4, 5, and 7 July 2020, all at 3:00 PM.**
- Facilitated the turn-over of the donated 420 pcs. KATSA from Angelina Bakeshop through Philippine Red Cross (PRC) Iloilo Chapter at the Oil Spill

ICP in CGWV District Office, Bo. Obrero, Iloilo City. It will be used as improvised spill boom.

- Distributed 150 pcs of gloves to CDWV District on 4 July 2020.
- Convened concerned RDRRMC members to provide updates on Oil Spill Incident Response Operations via zoom on 05 July 2020, 3:00 PM.
- Convened response agencies on the updates of Oil Spill incident response operations via zoom on 04 July 2020, 8:00 PM.
- Activated the Regional IMT and established ICP at Coast Guard Station Iloilo in Bo. Obrero, Iloilo City on 4 July 2020.
- Conducted series of coordination and small group meetings with CDRRMC Iloilo on 4 July 2020.
- Distributed 250 pcs of face masks to the affected families and 150 pcs to PCG.
- In close coordination with Iloilo City DRRM Office, CGDWV and concerned member agencies.
- Conducted emergency meeting via zoom on 3 July 2020, 10:00 PM
- Continuous monitoring of the AOR.

DILG VI

- Coordinated with and alerted coastal LGUs in Iloilo and Guimaras for a possible spread of oil spill.

PCG VI

- On-going collection and recovery of spilt oil.
- Continuous monitoring/inspection of threatened areas.
- CGS Iloilo and Guimaras conducted coastal survey on the extent of oil spill.
- Continued conduct of skimming and scooping of oil spill.
- Recorded the following MARPOL Assets:
 - Additional 1 segment oil spill boom from Global Energy Power Corp and 10 segment oil spill from Petron Corporation were being laid out at vicinity waters of Loboc.
 - Additional 4 skimmers, 1 came from Petron Corporation.
- CGS Iloilo and CGS Guimaras conducted seaborne patrol to assess the extent of oil spill.
- AC Power Phil. Inc. was reminded to provide PPE's for personnel who are helping in the operations.
- Deployed District Deployable Response Team (DRT), DF-347, Rubber Boats ofvMCS-3004 & 3006, Aluminum Boats 065 & 063 assisted MEPU WV in laying 25 segments spill boom, spreading of absorbent pads and started collecting oil by means of scooping.
- Deployed personnel and assets in responding to the incident.

DOH VI

- **Conducted ocular visit at Barrio Obrero Gym and TIIC evacuation centers to ensure the observance of health protocols with DSWD VI as Head Cluster for Camp Management.**
- **Provided hygiene kits, masks, and medicines to the affected families.**
- Conducted a meeting at CGDWV Headquarters, Bo. Obrero, Lapuz.
- Conducted a meeting with City MSWDO and school principal for some issues and concern in the evacuation center.
- Ensured augmentation of 2 Nurses in the Evacuation Center.

- Conducted assessment in the evacuation center re minimum health standard
- Visited site in the affected area.
- Coordinated with Iloilo DMO IV, CHO HEMS Coordinator, WASH Coordinator, and Logistics Officer of DOH WV CHD.
- Provided IEC materials like proper hand washing, respiratory etiquette, and proper way of putting on mask in the evacuation center.
- Provided a total of ₱ 72,153.80 worth of assorted medicines and supplies in the evacuation center.

DSWD VI

- Distributed the following assistance to the affected families:

Item	Qty	Cost per Pack	Total Cost of Assistance (₱)
Family Food Packs	120	360.00	43,200.00
Hygiene Kits	120	1,787.75	214,530.00
Comforters	120	1,300.00	156,000.00
Total Cost Assistance			413,730.00

- Provided technical assistance on Camp Coordination and Camp Management in Bo. Obrero Elem. School which served as evacuation center for the affected individuals.
- Provided sleeping kits and hot meals to affected individuals in the evacuation center.

BFP VI

- Deployed personnel and fire trucks and other equipment to suppress the fire and to contain the spill.
- Conducted mapping of the affected area and maintained infection control protocols.

DENR-EMB VI

- **Conducted sampling activity in the oil spill site and site assessment in the affected areas, including the areas of Dumangas and Leganes, Iloilo.**
- CENRO of Miagao, Iloilo conducted ocular inspection to affected mangrove area, around 1 hectare, and discussed rehabilitation plan.

PRC-Iloilo Chapter

- Provided 420 pcs katsa to the ICP donated by Angelina Bakeshop through PRC.
- Provided hot meals to the evacuees in Bo. Obrero Elem. School.

National Resilience Council

- Coordinated with LGU Ilo-Ilo to possibly engage UP Marine Science and UP NIGS in managing the oil spill if needed.

CDRRMC ILOILO

- **The Local Government Unit of Iloilo City provided a total of ₱304,798.00 worth of Food and Non- Food assistance.**
- Convened the Barangay Councils of Bo. Obrero, Mansaya and Loboc with AC Power Barge, the CDRRMO, UPV via zoom meeting re the local initiatives related to the conduct of coastal clean-up following the oil spill and the fabrication of the improvised spill booms to be installed in coastal communities among others.

- CDRRMO conducted a quick orientation on the latest situation on the oil spill with the Barangay Councils of Bo. Obrero, Mansaya and Loboc with AC Power Barge including the Harbor Star (third party) and its effect in the coastal areas using the drone shots.
- Conducted crowdsourcing for the environment friendly materials needed for the fabrication of the improvised spill booms.
- Harbor Star deployed 45 people (cash for work basis) to lead the coastal clean-up in the Zone 3 area of Bo. Obrero and Mansaya.
