### **"JULIAN" SLIGHTLY INTENSIFIES WHILE MOVING NORTHWESTWARD OVER THE PHILIPPINE SEA.**

#### **Track and intensity outlook:**

- "JULIAN" is forecast to gradually accelerate generally northward **tonight until** tomorrow (30 August) before turning northwestward on Monday (31 August). On the forecast track, the tropical cyclone will remain over the Philippine Sea throughout the forecast period, far from the landmass. It is forecast to exit the Philippine Area of Responsibility (PAR) on Monday evening.
- It is forecast to reach typhoon category **tomorrow morning** and may reach peak intensity by Monday.

#### **Hazards affecting land and coastal waters:**

- The raising of Tropical Cyclone Wind Signal is unlikely throughout the forecast period. Furthermore, "JULIAN" is less likely to directly cause high impact weather over the country.
- The Southwest Monsoon is forecast to bring moderate to rough seas (1.2 to 3.4 m) over the seaboard of Northern Luzon, the eastern seaboard of Central **and Southern Luzon, and the seaboard of Northern and Eastern Samar**. Those with small seacrafts are advised to take precautionary measures while venturing out to sea.

The public and the disaster risk reduction and management council concerned are advised to take appropriate actions and watch for the next update to be incorporated in the **4:00 AM** Public Weather Forecast and in the next Severe Weather Bulletin to be issued at **11:00 AM tomorrow**.

In order to better inform/warn communities, you are reminded to disseminate these through local/community leaders and through your local media, including community radio stations. Conduct press briefings as often as needed. This local effort will complement and reinforce efforts at the national level. Emphasis should be on proactive actions – evacuation rather than rescue.

Moreover, you are hereby directed to reiterate the guidelines on personal protection and hygiene such as respiratory etiquette and hand hygiene, social distancing, environmental, and food safety measures.

Let's untiringly aim for zero casualty.

Submit report on actions taken.
