NDRRMC UPDATE

**Sitrep No. 02 re Preparedness Measures and Effects for
Typhoon "ULYSSES" (I.N. VAMCO)**

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 12 November 2020, 5:00 PM

Sources: DOST-PAGASA, DILG, DSWD, DPWH, DOH, BFP, DA, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

I. SITUATION OVERVIEW

08 November 2020

At 10:00 PM, The Low Pressure Area East of Mindanao has developed into Tropical Depression "ULYSSES".

09 November 2020

At 2:00 PM, "ULYSSES" intensified into a Tropical Storm. Its center was estimated at 575 km East of Borongan City, Eastern Samar with maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h moving northwestward at 15 km/h.

At 10:00 PM, TS "ULYSSES" maintained its strength while moving over the Philippine sea. TCWS No. 1 was hoisted in the eastern portion of Camarines Sur, the eastern portion of Albay, Catanduanes, the northeastern portion of Sorsogon, and the eastern portion of Northern Samar.

10 November 2020

At 4:00 AM, "ULYSSES" had slowed down while moving northwestward. TCWS No. 1 was in effect in Catanduanes, Camarines Norte, Camarines Sur, Albay, Sorsogon, the eastern portion of Masbate including Ticao and Burias Islands, the southeastern portion of Quezon, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar. Strong breeze to near gale conditions is currently prevailing or will affect these localities within 36 hours of hoisting of the wind signal.

At 4:00 PM, TS "ULYSSES" intensified further as it continues to move northwestward. TCWS No. 2 is in effect in Catanduanes, Sorsogon, Albay, Camarines Sur, and the eastern portion of Camarines Norte while **TCWS No. 1** is hoisted in Quirino, Nueva Vizcaya, the eastern portion of Pangasinan, Aurora, Nueva Ecija, Tarlac, Pampanga, Bulacan, the central and southern portions of Zambales, Bataan, Quezon including Polilio Islands, Metro Manila, Rizal, Laguna, Cavite, Batangas, the rest of Camarines Norte, Masbate including Ticao and Burias Islands, Marinduque, Romblon, Oriental Mindoro,

Occidental Mindoro including Lubang Islands, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 7:00 PM, “ULYSSES” intensified into a Severe Tropical Storm. TCWS No. 2 is also in effect in the central and southern portions of Quezon including Polilio Islands, Burias and Ticao Islands, and Marinduque while the provinces of Mountain Province, Ifugao, Benguet, La Union, the central and southern portion of Isabela, Zambales, the rest of Quezon, and the rest of Masbate was put under **TCWS No. 1**.

At 10:00 PM, STS “ULYSSES” is now moving westward towards Southern Luzon. TCWS No. 2 is hoisted in the central and southern portion of Aurora, the southeastern portion of Nueva Ecija, the northern and eastern portion of Bulacan, Metro Manila, Rizal, Laguna, Quezon including Polilio Islands, Marinduque, Camarines Norte, Camarines Sur, Catanduanes, Albay, Sorsogon, Ticao Island, and Burias Island while **TCWS No. 1** is in effect in Isabela, Quirino, Nueva Vizcaya, Kalinga, Mt. Province, Ifugao, Benguet, Abra, Ilocos Sur, La Union, Pangasinan, the rest of Aurora, the rest of Nueva Ecija, Tarlac, Zambales, Bataan, Pampanga, the rest of Bulacan, Cavite, Batangas, Occidental Mindoro including Lubang Island, Oriental Mindoro, Romblon, the rest of Masbate, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

11 November 2020

At 10:00 AM, “ULYSSES” intensifies into a Typhoon while moving closer towards Quezon-Aurora Area. TCWS No. 3 is hoisted in the southern portion of Aurora, the southern portion of Nueva Ecija, the eastern portion of Pampanga, Bulacan, Metro Manila, Cavite, Laguna, Rizal, the northern and central portions of Quezon including Polillo Islands, Catanduanes, Camarines Norte, the northern portion of Camarines Sur, **TCWS No. 2** is hoisted in The central and southern portions of Quirino, the central and southern portions of Nueva Vizcaya, the southern portion of Benguet, the southern portion of La Union, Pangasinan, Zambales, Bataan, Tarlac, the rest of Pampanga, the rest of Nueva Ecija, the rest of Aurora, Batangas, the rest of Quezon, Marinduque, the northern portion of Occidental Mindoro including Lubang Island, the northern portion of Oriental Mindoro, the rest of Camarines Sur, Albay, Sorsogon, and Burias and Ticao Islands and **TCWS No. 1** is in effect in Isabela, the rest of Quirino, the rest of Nueva Vizcaya, Kalinga, Mountain Province, Ifugao, the rest of Benguet, Abra, Ilocos Sur, the rest of La Union, the rest of Occidental Mindoro, the rest of Oriental Mindoro, Romblon, and the rest of Masbate. Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 10:30 PM, TY “ULYSSES” made landfall in the vicinity of Patnanungan, Quezon. Its maximum sustained winds of 150 km/h near the center and gustiness of up to 205 km/h moving West Northwestward at 15 km/h.

At 11:20 PM, the center of the eye of Typhoon “ULYSSES” made its second landfall in the vicinity of Burdeos, Quezon.

12 November 2020

At 1:40 AM, TY “ULYSSES” made its third landfall in the vicinity of General Nakar, Quezon.

II. EFFECTS

A. INCIDENTS MONITORED (TAB A)

A total of **40 incidents** were monitored in Regions II, CALABARZON, and V due to TY “ULYSSES”:

TYPE OF INCIDENT	NO. OF INCIDENTS
Flooding	36
Landslide / Soil Collapse	2
Maritime	2
TOTAL	40

B. AFFECTED POPULATION (TAB B)

A total of **6,676 families** or **25,031 persons** in **273 barangays** in Regions II, CALABARZON, MIMAROPA and CAR were affected due to TY "ULYSSES". Of which, **3,769 families / 14,417 persons** are being served inside **245 evacuation centers** while **392 families / 1,464 persons** are being served outside evacuation centers.

C. CASUALTIES

A total of **1 dead, 1 injured, and 4 missing** persons were reported in the Province of Camarines Norte due to TY "ULYSSES".

D. STATUS OF LIFELINES

1. Roads and Bridges (TAB C)

A total of **76** road sections and **30** bridges in Regions I, II, and CAR are affected by flooding, mudflow, landslide, swollen river, and soil/rock collapse. Of which, **57** road sections and **26** bridges are not passable.

Sources: DPWH, OCDROs I, II, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

2. Status of ports

A total of **1,632 passengers, 159 rolling cargoes, 9 vessels, 3 motorbancas, and 299 other vehicles** were stranded in the different ports of Regions CALABARZON, V, and VIII. Moreover, **92 vessels and 11 motorbancas** are currently taking shelter to the different ports within the said region as precautionary measures against possible threat of TY "ULYSSES":

Sources: OCDROs CALABARZON, V, and VIII

3. Power Supply (TAB D)

A total of **85 municipalities** in Regions II, CALABARZON, V, and VIII have experienced power outage due to TY "ULYSSES". Of which, **4** were already restored.

4. Water Supply

The Provinces of Camarines Sur and Catanduanes are experiencing water outage due to TY "ULYSSES".

5. Communication Lines:

A total of **2** provinces and **11** municipalities in Region V have experienced network interruption due to TY "ULYSSES":

PROVINCE	DATE	REMARKS
Albay	11 November 2020	Intermittent connection within the Province.
Camarines Sur		Del Gallego, Bato, Balatan, Siruma, Garchitorena, Caramoan, Presentacion, Lagonoy, San Jose, Tigaon, Goa
Masbate		Province-wide

Note: Continuous disruption of power supply, water supply, and communication lines in some areas since STY "ROLLY".

E. SUSPENSION OF WORK AND CLASSES

- Work in government offices and classes in public schools at all levels in Regions II, III, CALABARZON, MIMAROPA, V, CAR, and NCR are suspended effective 11 November 2020, 3:00 PM per OP MC No. 82 dated 11 November 2020.
- The following provinces suspended classes in all levels both public and private due to TY "ULYSSES":

REGION	PROVINCE
CALABARZON	Laguna
	Rizal

	Quezon
	Albay
	Camarines Norte
	Camarines Sur
	Catanduanes
	Masbate
	Sorsogon
CAR	Apayao
	Paranaque City
NCR	Manila City
	Caloocan City

III. DISASTER PREPAREDNESS AND RESPONSE (TAB E)

A. PRE-EMPTIVE EVACUATION

A total of **53,752 families / 196,696 persons** were pre-emptively evacuated in Regions I, II, III, CALABARZON, MIMAROPA, V, and VIII due to TY "ULYSSES":

Region/Province	Number of Evacuees	
	Families	Persons
GRAND TOTAL	53,752	196,696

Leyte	12	-

B. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.

- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Prepared a total **41** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas.

C. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

Preparedness Measures and Effects of TY "ULYSSES" (I.N. VAMCO)

- j. Disseminated information, weather advisories and other relevant advisories regarding TY “ULYSSES”.
- k. Mobilities are on standby in case of deployment
- l. Radio communications and SATELLITE PHONE on standby.
- m. Provided logistical requirement of responders.

DSWD V

- a. DRMD V continuous to monitor weather updates and information.
- b. Resource Operation Section ensures the availability of family food packs and non-food items as need arises.
- c. DSWD FO V QRTs are activated.
- d. QRT on duty will captured report on LGU preparedness and activities/involvement of C/MATs in their respective areas
- e. PAT and MAT members in the 6 provinces are activated and instructed to coordinate with the P/MDRRMOs, C/MSWDOs for TY Rolly reports and updates.

- f. 21,978 family food packs amounting P 11,147,961.30 are available at DSWD Warehouse.
- g. Php 3,000,000.00 stand by funds.
- h. Food items are available such as NFA rice (27,250 kilos) Gold cup sardines (352 tins), Youngstown corned beef (352 tins), SanMlg 3in1 coffee (62,227 sachets)
- i. Non-food items are available such as 52 sets of tents, 4,882 boxes of sleeping kit, 477 boxes of family kit, 388 sets hygiene kit, 3,061 kitchen kit, 33, 335 pcs. malong, 1,734 rolls laminated sacks, 514 (10 meters) and 21,330 pcs blanket amounting Php 25,261,041.90.

DILG V

- a. Activate Regional Operation Center
- b. Issued Urgent Memorandum re: Activation of Provincial Operation Centers;
- c. Require our field officers to submit LGU's LISTO Preparedness Checklist
- d. Monitor the attendance of all Local Chief Executives
- e. Prepare Situation Reports once the Disaster Monitoring and Reporting System is activated

DOH-CHD V

- a. Still on Code Blue Alert Status
- b. ICS still activated with 24/7 OpCen operation
- c. Conducted inventory of logistics
- d. Coordinated with Provincial DOH Offices and Provincial DRRM-H Managers on the status of preparedness relative to the weather disturbance
- e. Reiterated DM No. 2020-0318 Re: Interim Guidelines in the Prevention and Control of COVID-19 during Disaster Evacuation and Displacement and DM No. 2020-0157 Re: Guidelines on Cleaning and disinfection in Various Settings as an Infection and Prevention Control against COVID-19
- f. Attended the RDRRMC Pre-Disaster Risk Assessment via Zoom
- g. Dissemination of advisories thru DOH CHD Bicol Official Facebook page
- h. Continuous monitoring of the weather disturbance and provided updates
- i. Dissemination of Regional Circular no. 2020-0068 re: Code Blue Alert in relation to TY "ULYSSES".
- j. Coordinated with Provincial DRRM-H Managers and PDOH Offices
- k. Standby medical/RHA teams for deployment
- l. Dissemination of advisories through Facebook page

Provincial DOH Offices

- a. On Code Blue status
- b. Conducted Inventory of logistics
- c. Coordinated with PDRRMS R/CHU, M/CDRRMO, HRH
- d. Assisted on the implementation of forced evacuation
- e. Dissemination of weather advisories and health advisories and health advisories thru FB page

DENR-MGB V

- a. Released timely Landslide Advisories to Local Government Units
- b. Coordination with PAGASA Southern Luzon of the developments of TY "ULYSSES". for the preparation of MGB Advisories

PAGASA SOUTHERN LUZON

- a. Provision of weather updates/advisories including localized weather updates to the Regional and local DRRMCs and other stakeholders.
- b. Continuous weather monitoring.

DPWH V

- a. DRRM Team are prepositioned and ready for emergency response brought about by the typhoon to ensure road safety.
- b. Clearing of National Roads

JTF BICOLANDIA (PA, PAF, NAVY)

- a. Installed the SMVRS (repeater) in order to provide communication support in the area.
- b. Conducted joint force evacuation at Brgy Tamban, Tinambac, Camarines Sur.
- c. Deployed teams to provide assistance to evacuation and distribution of relief in strategic location in the region.
- d. Continuously monitoring of situation in the AOR; and,
- e. Continues monitoring of situation;
- f. Close coordination with Regional and Local DRRMCs.

PNP-PRO V

- a. Released memorandum to all PDs/APDs, PPOs, CD, NCPO and RMFB5 as Full Alert Status for TY "ULYSSES".
- b. Activated Emergency Operations Center and respective DIMTGs and put on stand-by Search and Rescue Teams (SAR) for possible deployment
- c. Coordinate to the respective Local DRRMC on the preparation for flood, landslide and pre-emptive evacuation in AOR
- d. Advised all control point/checkpoints for the queuing of all delivery trucks and other vehicles bound to Visayas, Masbate, Catanduanes and other parts of the Region to avoid port and route congestion
- e. Employed initiatives and best practices during disaster to attain zero-casualty
- f. Prepositioned resources logistics and manpower
- g. Placed SAR personnel and equipment of the Regional Mobile Force Battalion 5 (RMFB5) on standby
- h. Continues monitoring of situation;
- i. Liaison officers on standby at RDRRMC Emergency Operations Center
- j. Close coordination with Regional and Local DRRMCs.

COAST GUARD DISTRICT BICOL

- a. Dispatched 1 DRU to the Province of Camarines Norte to augment response Operations
- b. Disseminated weather updates to all sub-stations;
- c. Continuous monitoring of situation of sea ports of Bicol Region
- d. Implementation of the NO SAIL POLICY
- e. On-going patrol and manning of control points and patrols
- f. Four (4) SRR Teams are on standby at the CGD Bicol Headquarters;
- g. Personnel, equipment and mobility are on standby for possible deployment
- h. Disseminated weather updates to all sub-stations;
- i. Continuous monitoring of situation of sea ports of Bicol Region

BFP V

- a. Provided manpower augmentation to the RDRRMC Emergency Operations Center
- b. Conducted Bandillo, Fire truck visibility and water level monitoring.
- c. Conducted Water Rationing at Bicol University Polangui Campus and Polangui
- d. General Comprehensive High School
- e. Continuous coordination with R/P/C/MDRRMCs.
- f. Assist in the evacuation operations of LGUs and in the repacking of relief goods
- g. Placed all personnel on stand-by in case of any deployment.

- h. The Regional Headquarters, Provincial Offices and Fire Stations are on Red Alert Status
- i. Continuous activation of OpCen at BFP Regional Headquarters 5 and at BFP Provincial Offices
- j. Regrouping of SRR teams in the Regional level and Provincial level shall be undertaken. All SRU Personnel detailed in BFP Regional Headquarters 5 and BFP
- k. Implement preparedness measures and extend assistance in the conduct of pre-emptive evacuation of the LGUs
- l. Tight coordination with the local DRRMCs on DILG-LGU Operation LISTO
- m. Undertake proactive steps in partnership and coordination with their Regional, Provincial, City/Municipal Risk Reduction and Management Councils, PNP, AFP, LGUs and other government and non-government agencies relevant to the delivery of fire safety rescue/emergency medical services and disaster related operations.
- n. Continuous activation of OPLAN PAGHALASA (Paghahanda Laban sa Sakuna) and Oplan Listo
- o. Standby/Operational readiness of all units ready to respond to any emergency and rescue operations.
- p. Ensured adherence to COVID19 Health Protocol in the event of emergency response

DA RFO V

- a. Activation of DA RFO 5 Regional Command and Action Center.
- b. On-going distribution and prepositioning of seeds for rice, corn drugs and biologics for livestock and poultry needs are ready and available at DA RFO 5 Research Outreach Stations

LTO V

Issued and Implement temporary suspension of land travel of vehicles bound for Visayas and Mindanao

PRC V

- a. Prepared response equipment, communications and logistics (wash and relief logistics)
- b. Prepared and briefing of team for deployment
- c. Continuous coordination with the National Headquarters and PDRRMCs

PDRRMC Albay

- a. Maintained coordination with PAGASA and close monitoring of weather bulletins.
- b. Monitored evacuation and maintained coordination with all LGUs in Albay.
- c. Provided public information and awareness through broadcast, print and social media.
- d. Issued of PDRRMC Advisories.
- e. Continuous coordination with all LGUs in Albay
- f. Continuous coordination with PAGASA and close monitoring of the impending threat of TY "ULYSSES".
- g. Hosted and facilitated a virtual meeting with local DRRM officers of Albay in preparation for the impending weather disturbance.

PDRRMC Camarines Norte

- a. Issued an unnumbered memorandum on 9 November 2020, stating the Red Alert Status for TY "ULYSSES".
- b. Conducted PDRA at the Operations Period Briefing of the

- c. Provincial IMT today November 10, 2020 in preparation for possible impact of TY “ULYSSES”.
- d. Issued an unnumbered memorandum today, 11 November 2020, stating the Suspension of Work in all Government Offices due to Severe Tropical Storm Ulysses effective. 11 November 2020
- e. Continuous monitoring of the weather update and wide information dissemination through Facebook page
- f. Updating of weather bulletins at the Provincial EOC and through FB page
- g. Continuous monitoring of the current situation of the 12 municipalities
- h. Continuous coordination with all the 12 municipalities for possible augmentation
- i. Coordination with the 12 municipalities for the request of augmentation and forward it to the Provincial IMT for possible response
- j. Conducted site inspection at Quarantine Checkpoint and LSI Facility at Tabugon, Sta. Elena, Camarines Norte as well as the LSI Facility turned over by DPWH at Poblacion III, Sta. Elena, Camarines Norte
- k. Response agencies augmented assets and rescue teams.

PDRRMC Camarines Sur

- a. Issued Memorandum No. 3 – Ensure Zero Casualty
- b. Continued evacuation activities, camp management, and other IMT operations in LGU Buhi
- c. Deployed interagency workforce with available resources in thirteen (13) high-risk areas to facilitate forced evacuation and provide immediate response assistance to the LGUs:
- d. Four (4) SRR teams available at the Incident Command Post ready for
- e. deployment, as needed
- f. Continuous monitoring of weather forecast and severe weather bulletins issued
- g. Issued Memorandum No. 2 – Suspension of Work in Government Offices
- h. Established Incident Command Post in Buhi to facilitate evacuation, camp management, and other IMT operations.
- i. Continued operations of the Provincial Emergency Operations Center (EOC) and activation of the Provincial Incident Management Team (PIMT) .

- d. Disseminated MGB data on flood and landslide prone LGUs and PAGASA weather advisories via email and messenger.

DSWD VIII

- a. Prepositioned a total of 10,400 FFPs in strategic areas in the region.
- b. With available standby funds amounting to ₱3,194,543.00

Coast Guard District Eastern Visayas

- a. Organized DRG teams, CMA floating assets and mobility.
- b. Prepared peculiar equipment for possible deployment.
- c. Ensure timely declaration of suspension of trips.

DA VIII

- a. Buffer stocks are made available at the regional field office.

PNP VIII

- a. Provided assistance in the imposition of forced evacuation of residents to evacuation centers in coordination with the LDRRMC.
- b. Mobilized force multipliers in AOR particularly the Barangay Peace Keeping Action Teams (BPATs) for disaster responses.
- c. Monitored road conditions particularly major thoroughfares and provide appropriate signage/detours/alternate routes and relays to RTOC/PTOC/LDRRMC for information of the SRR teams and the public.
- d. Ensure Police Security Assistance to maintain safety and order inside Evacuation Camps.
- e. Directed all PDs/COPS to ensure their presence and to supervise the conduct of Law and Order operations in the affected areas.

PDRRMC Eastern Samar

- a. Monitored weather updates, warnings and advisories and disseminated the same to LGUs through their MDRRMOs.
- b. Disseminated MGB List of LGUs and barangays susceptible to flooding and landslide.

PDRRMC Southern Leyte

- a. Assisted in the dissemination of DILG Advisory re the weather disturbance to all DRRMOs.

- b. Identified evacuation centers for vulnerable/affected families.
- c. Advised fisherfolks not to venture out at sea to avoid untoward maritime incidents.
- d. Conducted widest dissemination of weather advisories via Tri-Media outlets, social media and radio communication volunteer groups.
- e. Advised LDRRMCs to undertake precautionary measures and submit their actions taken to Regional EOC.

MDRRMC Tomas Oppus

- a. Convened LDRRMC upon receiving the severe weather bulletin.
- b. Reviewed LDRRMC Contingency Plan and Hazard Risk Maps.
- c. Conducted PDRA and prepared appropriate response plan.
- d. Organized Response teams and monitoring and reporting team.
- e. Conducted inventory of supplies, equipment and stockpile of goods.
- f. Disseminated public warnings thru established warning systems and weather bulletin especially to families in identified danger zones.
- g. Issued prohibition of sea travels and crossing rivers and deep waters.
- h. Secured communication, power, and water supply.
- i. Deployed barangay health workers and volunteers to provide medical, psycho-social and spiritual counselling to the evacuees.
- j. Placed all assets on standby.

8. RDRRMC CAR

OCD CAR

- a. Continuous coordination with the Local Disaster Risk Reduction and Management Councils (LDRRMCs) and council members of the Cordillera RDRRMC on the following concerns:
 - Monitored incidents
 - Local weather situations/status
 - Road networks conditions
 - Alert status of LDRRMOs and council members
 - Other disaster related reports/incidents.
- b. Coordinated with member-agencies like PAGASA Baguio Synoptic Station and DPWH-CAR and continuously sending advisories to the public, LDRRMCs and member-agencies of the Cordillera RDRRMC.
- c. Lead the information campaign and issuance of advisories through text blast and social media.
- d. Partnered with the Peoples' Television – Cordillera (PTV-CAR) relative to continuous airing of Emergency Broadcast System disseminated to the general public through digital TV applications and online platforms.

DOST-CAR

Continuous monitoring and maintenance of Community-Based Flood Early Warning Systems (CBFEWS) in coordination with LGUs and DOST-ASTI.

PAGASA Baguio Synoptic Station

Continuous monitoring of the area of responsibility and providing weather updates, advisories, and forecasts for dissemination.

DILG CAR

- a. Issued an advisory to all DRR-CCA Focal Persons, DILG Provincial Offices and Provincial DRR-CCA Focal Persons on weather disturbances.
- b. Instructed all DILG FOU's to take proactive measures and direct all LGUs to monitor all PAGASA weather advisories and bulletins, and use the Met-Hydro

- Decision Support InfoSystem (Meteopilipinas), drmmis.dostcar.ph, ASTI's Philsensor website, MGB's Geohazard Web Portal, and HazardHunterPH (to check for natural hazards and hazard assessment reports)
- c. Disseminated all available information to all concerned DILG FOs regarding the weather disturbances through texts and emails.
 - d. Ensured the utilization of Oplan L1sto manuals by the LGUs/LCEs.

DSWD CAR

- a. DSWD FOCAR ensured the availability of food and non-food items for augmentation to the Local Government Units in times of disaster.
- b. Placed all Provincial SWAD Teams on Alert
- c. Continuous monitoring of weather situation and advisories-rolled out 3-day Rainfall Forecast to Provincial SWAD Teams
- d. Ensured Quick Response Teams are on standby for possible augmentation
- e. Prepositioned Relief Resources (FNIs) in the Regional Warehouse
- f. Ensured for the availability and necessary use of standby funds and readiness of transport vehicles

DPWH CAR

- a. Disseminated information relative to the status of road networks.
- b. Continuous monitoring of the national (essential) road networks and bridges situations in the Cordillera region through DPWH District Engineering Offices (DEOs).
- c. Continuous sending of situational reports on national roads and bridges to the Cordillera RDRRMC EOC.
- d. Participated in the Regional PDRA conducted through a Video-Teleconference on 09 November 2020.

DICT-LCI

- a. Ensured the provision of free public Internet access in public places to augment emergency communication in various communities within the Cordillera.
- b. Continuous monitoring, operations, and maintenance of Regional Government Network in Baguio City.

DepEd CAR

- a. Coordinated with Local DRRMCs on the conduct of preparedness activities on response needs, among others.
- b. Placed on heightened alert and continuously monitor the AOR with rapid damage assessment teams on stand-by.
- c. Coordinated with LGUs for possible conversion of school facilities as Evacuation Centers.
- d. Conducted hazard assessment for flooding and landslide safety.
- e. Constant monitoring of the suspension of classes (including online classes) within the Region.

DA CAR

- a. Monitoring and relay of PAGASA weather advisory and early warning to DA APCOS for dissemination to partner LGUs and farmers for their urgent preparations: to harvest crops already matured and make necessary cleaning and repairs of irrigation canals, storage warehouses and production facilities reminding that ventilations should be closed; wind brakes and house bands of greenhouses be tightened to prevent entry of strong winds damaging structures.
- b. Reactivated the DA-Emergency Operations Center

- c. Continuous monitoring of supply and prices of prime agricultural commodities
- d. Continuous monitoring of standing crops by commodity and by crop growth stages as basis in the computation in case there are damages and losses thus avoiding bloated report.
- e. Continuous daily monitoring and tracking of storm updates released by PAGASA for dissemination to the APCO's, LGU partners, and farmers.

DOH CAR

- a. Continuous monitoring of uneventful health and health-related incidents, in close coordination with the Cordillera RDRRMC EOC.
- b. Activated the 24/7 operation of the Emergency Operation Center – for Non COVID and other concerns and Cordillera One Hospital Command Center – for COVID concerns.
- c. Ensured the adequacy of prepositioned logistics and buffer stock to the Provincial Department Offices (PDOHOs) such as CAMPOLAS Kit, Hygiene Kits, First Aid Kits, WASH Commodities (Disinfectants, chlorine granules, aquatabs), and PPEs.
- d. Ensured the adherence to COVID-19 minimum health standards at all times.
- e. Intensified health promo campaigns through BIDA Solusyon and distributed risk communication materials.

DENR CAR

- a. Continuous monitoring of trees (dead or alive) which poses danger for possible cutting.
- b. Continuous coordination with local counterparts, electric cooperatives, and other stakeholders for monitoring and possible augmentation.

MGB CAR

- a. Issued the updated list of barangays in CAR that are susceptible to landslide and flooding based on the 72-hour model of PAGASA.
- b. Issued landslide and flooding threat advisories to all PDRRMOs and MDRRMOs.

PROCOR

- a. Activated the PROCOR IMPLAN 13-2018 PROCOR Disaster Risk Reduction and Management Plan (Revitalized SAKLOLO).
- b. Placed the PNP PROCOR personnel and capabilities/resources on standby ready.
- c. Ensured on the on-call anytime to extend assistance or response in case of emergencies and other eventualities.
- d. Conducted inventory of SAR equipment.
- e. Sent memorandum to lower units to coordinate with their respective local MDRRMCs.
- f. Coordinated with the Cordillera RDRRMC EOC and on stand-by mode for possible disaster operations, deployment, and augmentation.

BFP CAR

- a. Coordinated with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment and augmentation.
- b. Activation of Oplan Paghalasa (Paghahanda Laban sa Sakuna) in anticipation of a worst-case scenario.

Cordillera RIMT

In close coordination with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment, and augmentation.

PIA- CAR

Continuous information dissemination on safety tips, public advisories, and road alerts in close coordination with the Cordillera RDRRMC EOC.

NTC CAR

- a. Placed on standby for possible augmentation.
- b. Placed the communication groups on standby for possible mobilization.

NAPOCOR/ Dams Mgmt.

- a. Continuous monitoring of dam levels and issuance of appropriate warnings to the possible affected communities in cases of spilling operations.

BENECO Inc.

Continuous issuance of news, updates, and notices of scheduled power interruptions and in close coordination with Cordillera RDRRMC EOC on other related concerns.

NGCP

- a. Continuous issuance of news, updates, and notices of Scheduled Power Interruptions and in close coordination with Cordillera RDRRMC EOC re related concerns.
- b. Ensured the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.

AFP

Placed on heightened alert and continuously monitors the AOR.

Tactical Operations Group 1 (TOG 1), PAF

- a. Placed on standby for possible response augmentation.
- b. Supported the conduct of Rapid Damage Assessment and Needs Analysis through aerial survey.

14th CAR RCDG, ARESKOM, PA

Placed on heightened alert and continuously monitor the AOR.

503IBDE, 5ID, PA and Naval Forces Northern Luzon (NFNL), PN

Placed on standby for possible response augmentation.

PDRRMC Abra

- a. Maintained the RED alert status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- b. Heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- c. Continuous monitoring of municipalities and barangays along Abra River Basin and other flood-prone areas.
- d. Placed SAR equipment and personnel on standby.
- e. Disseminated information through radio and social media.

DILG - Abra

- a. Disseminated weather updates all LGUs in the province through the issuance of advisory.

- b. Issued a memorandum to MLGOOs to activate their operation center for the monitoring of situational reports.
- c. Issued PO to activate operation center at the Provincial Offices.
- d. Disseminated a copy of the DILG advisory relative to the activation of EOC and critical preparedness actions for weather disturbances to concerned offices and departments of the LGUs.

PDRRMC Apayao

- a. Heightened the alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Maintains the RED Alert Status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- c. Continuous monitoring of the availability of Evacuation Centers in consideration of other facilities being used as COVID19 Isolation Facilities.
- d. Conducted prepositioning of goods to high risk barangays.
- e. Placed all responders and heavy equipment on standby.
- f. Utilized all available EWS to ensure widest dissemination of a timely weather and safety advisories.

DILG - Apayao

- a. Issued Advisory advising LCEs to take the necessary LGU Actions
- b. Continuous monitoring for the preparedness of LGU per LISTO Checklist
- c. Issued Memorandum on the Activation of DILG Disaster Monitoring and Reporting

PDRRMC Benguet

- a. Continuous coordination and updating with local suppliers in relation to their MOA for the provision of food and non-food items.
- b. Maintained the RED alert status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.

CDRRM Baguio City

CDRRM Baguio City

- a. Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring for COVID19 and weather disturbance.
- b. Issued CDRRM Memorandum to all Barangay DRRMCs re preparedness measures for the weather disturbance amidst COVID19 pandemic.
- c. Regular updating and issuance of public advisories through text-blasts system and various social media platforms.
- d. Distributed portable radios to all barangays to ensure uninterrupted communication line and connection.

PDRRMC Ifugao

- a. Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring for COVID19 and weather disturbance.
- b. Coordinated with MDRRMC relative to the weather disturbance.
- c. Alerted PDRRM council members and Emergency Rescue Volunteers relative to the weather situation.

DILG - Ifugao

Activated the Provincial Operation Center and Disaster Monitoring and Reporting System.

PDRRMC Kalinga Provincial DRRM Council

- a. Maintained the RED Alert Status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- b. Participated in the Regional PDRA conducted through a Video-Teleconference on 02 November 2020.
- c. Activated the Response Cluster, EOC, and IMT.
- d. Continuous coordination and monitoring of AORs with all LDRRMOs.
- e. Conducted inventory of all resources, personnel and equipment,
- f. Assessed Evacuation Facilities
- g. Alerted all response cluster and prepositioned resources of PDRRMC and other member agencies.
- h. Massive IEC dissemination of the updated weather bulletin/advisories and recommend preventive/precautionary measures to the local communities.
- i. Assessed and implemented pre-emptive and forced evacuation.
- j. Prepared evacuation centers and other facilities for possible evacuees,
- k. Provided 24-hour monitoring of fake news in social media with regard to weather disturbance updates and general situation of the province to keep the constituents of Isabela safe and prevent them from being misled from the true situation.
- l. Collected information regarding the impending disaster and situations of preparedness by LGUs and related agencies,

DILG - Kalinga

Activated the DILG Kalinga Operation Center and updated DORMs.

CDRRM Tabuk City

- a. Monitored barangays prone to flooding and rain induced landslide.
- b. Maintained close coordination with BDRRMCs and CDRRMC Response Cluster.
- c. Alerted the public on latest weather forecast and preparedness measures using tri-media.
- d. Stockpiling of relief goods.
- e. Continuous water level monitoring at Chico river.
- f. Maintained close coordination with Mt. Province PDRRMO and or Bontoc MDRRMO in relation to Chico River water level.
- g. Alerted all CDRRMC response team on stand by and ready for deployment

PDRRMC Mountain Province

- a. Heightened alert status to ensure the readiness of response teams in case of any untoward incident within the Area of Responsibility.
- b. Placed personnel on standby and advised all agencies concerned to be on alert for possible augmentations.
- c. Consolidated reports from the different MDRRMOs.
- d. Placed all Municipal DRRM Offices on high alert and volunteers on standby/on call.
- e. Activated the disaster monitoring and reporting system and ensured the dissemination of regular weather update through SMS.
- f. Prepositioned rescue equipment and food supplies.
- g. Continuous monitoring of risk areas, and coordination and preparation of designated evacuation center.
- h. Mobilized backhoes and loaders to the landslide areas.
- i. Conducted pre-emptive evacuation of individuals near landslide prone area and flood area.
- j. Recorded a total of 46 available evacuation centers in the province of Mt. Province.

- k. Coordinated with DILG Operations Center regarding the MLGU's implementation of Operation Listo

DILG – Mountain Province

Ensured the widest dissemination of weather advisories to all municipalities through MLGOOs email addresses.

9. RDRRMC NCR

OCD NCR

- a. Conducted PDRA meeting on 10 November 2020.
- b. Issued MMDRRMC Memo No. 85 re Conduct of pre-emptive and forced evacuation in preparation for TS “ULYSSES”.
- c. Continuous dissemination of weather advisories and updates via email, viber, busybee, and social media.

DILG NCR
