National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC UPDATE

Situational Report No. 05 regarding Preparedness Measures and Effects for Tail-End of a Frontal System (TEFS) in Regions V, VI, and VIII

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 16 January 2021, 5:00 PM

Sources: DOST-PAGASA, DSWD, OCDROs V, VI, and VIII

I. SITUATION OVERVIEW

16 January 2021

Tail-end of Frontal System (Shear line) affecting the eastern section of Southern Luzon. Northeast Monsoon affecting the rest of Luzon.

Hazards affecting land areas: In the next 24 hours, the Tail-End of a Frontal System (Shear Line) will bring moderate to heavy rains over Catanduanes. Light to moderate with at times heavy rains may prevail over the rest of Bicol Region.

15 January 2021

Tail-end of Frontal System (Shear line) affecting the eastern sections of Southern Luzon and Visayas. Northeast Monsoon affecting the rest of Luzon.

Hazards affecting land areas: In the next 24 hours, the Tail-End of a Frontal System (Shear Line) will bring light to moderate with at times heavy rains over Bicol Region. Meanwhile, light to moderate with at times heavy rainshowers during thunderstorms are also likely over Caraga and Northern Mindanao due to Easterlies.

14 January 2021

Tail-end of Frontal System (Shear line) affecting the eastern sections of Southern Luzon and Visayas. Northeast Monsoon affecting the rest of Luzon.

Hazards affecting land areas: In the next 24 hours, the Tail-End of a Frontal System (Shear Line) will bring moderate to heavy rains over Bicol Region. Light to moderate with at times heavy rains are also likely over the southern portion of Quezon, Marinduque, Romblon, Northern Samar, Samar, Eastern Samar, Capiz, and Aklan.

13 January 2021

The Low Pressure Area South of Zamboanga City has dissipated at 8:00 AM today. However, the Tail-End of a Frontal System (Shear Line) is still affecting the Eastern Visayas.

Hazards affecting land areas: In the next 24 hours, the Tail-End of a Frontal System (Shear Line) will bring moderate to heavy rains over Samar Provinces while, light to moderate with at times heavy rains over the rest of Eastern Visayas, Bicol Region, Dinagat Islands, and Surigao del Norte.

12 January 2021

At 10:00 AM, 12 January 2021, the Low Pressure Area (LPA) was estimated based on all available data at 170 km Southeast of General Santos City (5.1°N, 126.3°E). This weather disturbance is less likely to develop into a Tropical Depression in the next 48 hours. Hazards affecting land areas: In the next 24 hours, the combined effects of the Tail-End of a Frontal System (Shear Line) and the LPA will bring moderate to heavy rains over Eastern Visayas, Central Visayas, and CARAGA Region. Light to moderate with at times heavy rains are also likely over Bicol Region and the rest of Visayas and Mindanao.

11 January 2021

The combined effects of the Tail-End of A Frontal System (Shear Line) and the Intertropical Convergence Zone (ITCZ) will bring moderate to heavy rains over Eastern Visayas, Camotes Islands (Cebu), Dinagat Islands, Surigao Del Norte, Surigao Del Sur, Davao Oriental, and Davao de Oro. Light to Moderate with at times heavy rains are also likely over Sorsogon, Masbate Including Ticao Island, Bukidnon, Misamis Oriental, Camiguin, Balabac Islands (Palawan), Pangutaran Islands (Sulu), Mapun And Turtle Islands (Tawi-Tawi), and the rest of Visayas, Caraga, and Davao Region.

10 January 2021

Tail-end of a Frontal System (Shear line) affecting eastern section of Visayas. Northeast Monsoon affecting Luzon.

09 January 2021

The Tail-End of a Frontal System (Shear line) will bring moderate to heavy with at times intense rains over Camarines Sur, Catanduanes, Albay, Sorsogon, Ticao Island, and Northern Samar. Light to moderate with at times heavy rains over Camarines Norte, Masbate including Burias Island, Cagayancillo Islands, Antique, Aklan, Guimaras, Capiz, Iloilo, the northern and central portions of Negros Occidental, the northern portion of Cebu including Bantayan and Camotes Islands, Eastern Samar, Samar, Biliran, and Leyte.

08 January 2021

Tail-end of a Frontal System affecting eastern section of Southern Luzon. Northeast Monsoon affecting the rest of Luzon

II. EFFECTS

A. INCIDENTS MONITORED (TAB A)

A total of **96 incidents** were monitored in Regions V, VI, and VIII.

TYPE OF INCIDENT	NO. OF INCIDENTS	REGION	PROVINCE/ CITY/MUNICIPALITY
Flooding	27	V	Camarines Sur and Sorsogon
	19	VI	Negros Occidental and Capiz
	21	VIII	Samar, Southern Leyte, Northern Samar, Eastern Samar, and Leyte

Landslide	20	V	Camarines Sur and Sorsogon
	5	VI	Negros Occidental
	4	VIII	Samar, Southern Leyte and Leyte

C. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared and issued a total of **41** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas from 08 January 2021 until 14 January 2021.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

Continuous weather monitoring and provision of weather updates.

3. Department of Social Welfare and Development (DSWD)

Continuous coordination with DSWD FO VI for significant reports on the status of affected families, assistance, and relief efforts.

D. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs V, VI, and VIII are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC V

OCD V

- a. Provided information and conducted interviews with media.
- b. Coordinated with PAGASA re weather updates.
- c. Continuous coordination with LDRRMCs and response agencies re Situation within AOR.

DOST-PAGASA V

- a. Provided weather advisories including localized weather updates.

DPWH V

- a. Prepared situational reports on the effects of the TEFS in Bicol Region.
- b. Mobilized response assets and clearing teams to affected national roads and bridges.

PDRRMCs Albay, Catanduanes, Camarines Norte, and Masbate

Continuous monitoring of weather forecast and rainfall advisory issued by DOST-PAGASA V

PDRRMC Camarines Sur

- a. Provided initial data on evacuation, flooding, and landslide incidents within the AOR.
- b. Continuous monitoring of local situations in coordination with LDRRMCs.
- c. Continuous monitoring of weather forecast and dissemination of weather advisories.

PDRRMC Sorsogon

- a. Provided initial data on flooding and landslide within the AOR.
- b. Continuous monitoring of weather forecast and dissemination of advisories.
- c. Continuous coordination with barangays especially those from low-lying areas for any possible effects of landslide and flooding.
- d. Consolidated reports from LGUs and PDRRMCs.
- e. Activated the 24/7 Emergency Operations Center (EOC).
- f. Observed and monitored the public health standards amidst COVID-19.
- g. Conducted Search and Rescue (SAR) operation together with MDRRMCs Irosin, Juban, and Casiguran regarding the missing person in Irosin, Sorsogon.

2. RDRRMC VI

OCD VI

- a. Coordinated with PDRRMC Negros Occidental and continuous monitoring of AOR.
- b. Disseminated weather advisories and updates.
- c. Conducted coordination meeting with the Province of Negros Occidental and concerned LDRRMCs on 14 January 2021.

DSWD VI

- a. Assisted in interviewing families for DAFAC administration.
- b. Visited Evacuation Centers (ECs) and coordinated with EC Managers and assisted in the distribution of food packs
- c. Monitored status of affected families through Barangay Captains and 4Ps parent leaders via text brigade
- d. Ensured the availability of stockpiles and standby funds amounting to ₱23,885.91.
- e. Provided ₱ 4,307,200.00 cost of assistance to the affected families.
- f. Conducted emergency meeting with DILG, NEDA, DOST, DSWD, PDRRMC Negros Occidental and concerned C/MDRRMCs via VTC.

PNP VI

Deployed personnel for SAR, ECs, and for patrolling in various affected areas.

PDRRMC Negros Occidental

- a. Disseminated information through media, radio outlets, email, SMS, and social media.
- b. Dispatched PDRRMO response team and vehicles.
- c. Continuous monitoring of Bantay Panahon of Negros Occidental.
- d. DPMP OPCEN disseminated the damage report to concerned agencies
- e. Conducted relief operations of the affected areas.
- f. Deployed Emergency Response Team at Victorias City.
- g. Conducted pre-emptive evacuation and admitted evacuees to city/municipal/barangay level.

CDRRMC Victorias City

- a. Dispatched CDRRMO Response Team.
- b. Continuous monitoring of AOR.

CDRRMC Talisay City

- a. Conducted water level monitoring with BFP Talisay.
- b. Advised the barangay to start evacuation in high-risk areas.
- c. Conducted rescue operation together with BFP, PCG, PNP, 303rd IB PA, La Carlota DRRMC, Radiant Inc., and Amity Volunteer Fire Brigade.
- d. CSWD facilitated evacuation of affected individuals, provided hot meals, and relief assistance.
- e. City Health Office deployed flood response team.

CDRRMC Silay City

- a. Placed all BDRRMCs under alert level and prepared Barangay Evacuation Centers/Assembly Areas.
- b. Alerting of population living in low-lying areas.
- c. Coordination with the SCDRRM Council/Chairman.
- d. Activated SCDRRMO-EOC 24/7 and SCDRRMC-Operations Center 24/7 and all DRRM Personnel were placed on standby for possible deployment.
- e. Prepared City Level Evacuation Center, other evacuation centers, rescue equipment, and supplies.

CDRRMC Capiz City

- a. Continuous monitoring of weather forecast from PAGASA
- b. Deployed one (1) response team to monitor water levels in various overflows and rivers within the AOR and ERTs for evacuation.
- c. Prepositioned of resources and assets at the command center.
- d. Established hot kitchen and provided hygiene kits for displaced families.

- e. Close coordination with CHO, CSWD, PNP, BFP, CEO, and Punong Barangays.
- f. Mobilized resources to support various barangays in the conduct of pre-emptive evacuation.
- g. Deployed inspection team for damage assessment.

CDRRMC Escalante City

- a. Conducted rescue operation at the flooded areas together with BFP and PNP.
- b. Evacuated affected individuals to nearest evacuation center.
- c. Disseminated current weather situation to the public and monitoring of water levels especially in flood-prone areas.

MDRRMC Manapla

- a. Coordinated with the BDRRMCs.
- b. Conducted shoreline water level monitoring in the area of Brgy. Purisima
- c. Placed all units to standby in the areas for possible evacuation.
- d. Checked and prepared all Evacuation Centers.
- e. Continuous monitoring in all flood-prone areas.

MDRRMC EB Magalona

- a. Assisted in the transportation of affected families to return to their respective homes
- b. Advised barangays to monitor their respective AOR for water build-up and rainshowers
- c. Conducted flushing at affected areas together with BFP

CDRRMC Sagay City

- a. Distributed 1,552 food packs to the affected families.
- b. Continuous monitoring of bridges, infrastructures and emergency response for any untoward incident.

MDRRMC Toboso

- a. Provided warnings on possible flooding, flashfloods, and landslides in hazard-susceptible areas, and are advised to take precautionary measures and evacuate as soon as possible through local community FM station.
- b. Informed DPWH regarding the landslide along the National Highway to inspect and make assessment on the road and advised motorists to take extra precaution when passing the area.

CDRRMC Bacolod City

- a. Continuous monitoring of weather updates at CDRRMC Command Center.
- b. Disseminated information to all Barangay DRRM Committee Chairpersons.
- c. Conducted flood monitoring by DRRMC Flood Control Team and USAR Team.

PDRRMC Capiz

- a. Continuous monitoring of the weather situation and dissemination of weather updates thru social media to concerned offices and the general public.
- b. Continuous coordination with C/MDRRMCs for updates in their respective AORs.
- c. Placed all response unit on standby for possible deployment.

MDRRMC Sigma

- a. Placed response unit and BDRRMCs on standby for possible deployment and monitoring its AOR.
- b. Advised BDRRMCs to take precautionary measures and preparedness with the rising of water levels that may cause flooding in low-lying areas
- c. Conducted ocular inspection of flooded areas.

MDRRMC Dumalag

- a. Placed response unit on standby and monitoring the AOR.
- b. Conducted "rekorida" together with BFP.
- c. Advised BDRRMCs to monitor respective AOR for possible evacuation.
- d. Conducted rescue operation together with BFP and Barangay Rescue Unit (BRU) at affected areas.

MDRRMCs Dao, Pontevedra, Sapián, Cuartero, Mambusao, and Panitam

- a. Placed response unit on standby for possible deployment and monitoring its AOR.
- b. Conducted ocular inspection of flooded areas.

3. RDRRMC VIII**OCD VIII**

- a. Continuous monitoring of current weather condition and coordination with P/C/MDRRMCs re its current status.
- b. Sent letter request to Provincial / City DRRMCs regarding the LPA.
- c. Coordinated with PDRRMO Northern Samar regarding flooding on the Municipality of Allen.
- d. Coordinated with DPWH VIII on the provision of Wing Vans for the delivery of FFPs to Eastern Samar.
- e. Provided FOL for the DPWH VIII Wing Vans for the delivery of FFPs to Eastern Samar.
- f. Coordinated with DOH VIII and DSWD VIII for the transport of medical supply to PDOH Eastern Samar.
- g. Coordinated with TOG8 PAF regarding availability of air assets for the conduct of SAR Operation for the missing fisherman of Silago, Southern Leyte.

DSWD VIII

- a. Prepositioned 5,500 family food packs amounting to ₱2,871,736.00.
- b. Prepositioned Family Food Packs (FFPs) in Samar Island which can be distributed immediately by the P/C/MATs to Local Government Units that need augmentation support.
- c. Alerted the SWAD Teams and City/Municipal Actions Teams on the weather disturbance.
- d. Provincial Action Team (PAT) and DRMD PDO assigned were in close coordination with C/MDRRMO and C/MSWDO to have a situational overview on the ground and to ensure response activities of LGUs had considered the health protocols, especially during the management of their respective evacuation centers.

DOH VIII

- a. Placed on Code Alert.
- b. Activated the Regional EOC and ICS.
- c. Augmented assorted drugs, medicines, and supplies to North and East Samar.

- d. Continuous coordination with concerned PDOHOs, LGUs, and DRRMCs in all levels.

Armed Forces of the Philippines (AFP)
8th INFANTRY DIVISION, PHILIPPINE ARMY

- a. Placed Disaster Response Units (DRU) on standby and ready for deployment.
- b. Tasked line units to closely coordinate with the different with P/C/MCDRRMCs and monitor the effect of TEFS for the possible conduct of HADR operations.
- c. DRO team of 543ECB proceeded to Brgy. Cabacungan, Allen, Northern Samar to conduct clearing operation.

Philippine Coast Guard Eastern Visayas

- a. Advised CGDEV Stations and Sub-Stations to ensure strict implementation of HPCG Memorandum Circular Number 02-13 (Guidelines on the Movement of Vessels during Heavy Weather and HPCG Memorandum Circular 03-02 (Guidelines on Vessels/Motorboats in the Absence of Weather Bulletin in the locality).
- b. Disseminated the Weather updates to EV-Stations and Sub-Station.
- c. Directed all EV-Stations and Sub-Stations to activate their respective Quick Response Team (QRT) and on standby for possible emergency response.
- d. Continuous monitoring of the bad weather condition and Stations/Sub-Stations Situations.

PDRRMC Leyte

- a. Continuous monitoring on rainfall and water levels in the different stations installed.
- b. Activated the interoperability communication and response networks.
- c. Disseminated advisories to frontline service departments in Provincial Government of Leyte.
- d. Prepositioned all goods in PSWD Office, water assets, and other equipment for any untoward incidents.
- e. Placed 24/7 SAR Team on standby for possible deployment.
- f. Continuous monitoring of weather advisories, reports, or any related issuances and disseminated the same to the PDRRM Council members, LGUs, other stakeholders, and the public.

C/MDRRMCs of Leyte

- a. Continuous monitoring of weather updates in Operations Center within AOR.
- b. Placed response team on alert and standby for possible deployment.

PDRRMC Samar

- a. Coordinated with LGUs and concerned offices/agencies for preparation of SRR Teams for immediate response if needed and activation of Evacuation Centers and CCCM Teams in preparation for pre-emptive/forced evacuation on low lying areas and hazard prone areas specially LGUs with Storm Surge Warning.
- b. LGUs conducted clearing operations.
- c. Continuous updating and monitoring of Weather Updates from PAGASA and dissemination of gathered information to LGUs
- d. Placed heavy equipment on standby alert ready for dispatch.

PDRRMC Eastern Samar

- a. Continuous dissemination of weather updates to the LDRRMCs.
- b. Conducted 24/7 monitoring on current weather condition.

MDRRMC Oras

- a. Advised all barangays identified as High to Very-High Susceptibility Ratings to Flooding and Landslide to conduct pre-emptive evacuation especially those vulnerable groups.
- b. Advised residents of Barangay Saurong for pre-emptive evacuation.
- c. Activated all BDRRMCs and constantly monitoring their situation especially those flood-prone areas.
- d. EOC conducted constant monitoring of situation in the AOR especially at identified vulnerable areas together with PNP, BFP, AFP, Coastguard, and Oras Emergency Response Team.
- e. Recorded reports submitted by BDRRMCs.

MDRRMC Guiuan

- a. Cancelled all maritime activities due to issued Gale Warning.
- b. Advised BDRRMCs near the low-lying areas to conduct pre-emptive evacuation if sudden rise of flood waters occurs.
- c. Issued travel advisories to sea travelers to island barangays will be prohibited.
- d. Advised fishermen not to venture out to sea and land travelers outside Guiuan to take precautionary measures regarding possible landslides in their AORs.

PDRRMC Northern Samar

- a. Coordinated with Barangay Disaster Risk Reduction and Management Councils and monitoring of flooded areas, water level at Brgy. Polangi Bridge, Catarman River, and Macagtas Dam.
- b. Placed emergency response cluster on standby alert for any untoward incidents.
- c. Conducted 24/7 monitoring on current weather condition.
- d. Conducted RDANA on the affected areas.
- e. Deployed rescue teams on the affected municipalities brought by the LPA.
- f. Continuous dissemination of weather updates to the LDRRMCs.

MDRRMC Catarman

- a. Placed emergency response cluster on standby alert for any untoward incidents.
- b. Continuous monitoring and info dissemination of latest weather updates and rainfall advisory thru social media, two-way radio and text blasts.
- c. Monitoring of flooded areas and water level at Brgy. Polangi Bridge, Catarman River and Macagtas Dam.
- d. Continuous coordination with BDRRMCs.

MDRRMC Capul

- a. Continuous monitoring weather update and disseminated information to BDRRMC.
- b. BDRRMC prepared the evacuation center in case families affected are to be evacuated.
- c. Coordinated with LGU Victoria for foods of the stranded individuals as well as with those in Allen.
- d. Cancelled all motorboat trips as preparedness measures.

MDRRMC Biri

- a. Continuous monitoring of current weather report from PAGASA.
- b. Continuous dissemination of current weather reports to barangay level.

MDRRMC Rosario

- a. Continuous monitoring of landslide-prone areas of the AOR due to several days of continuous to intermittent rain.
- b. Continuous dissemination of current weather reports to the barangay level.

MDRRMC Mapanas

- a. Continuous monitoring of current weather report from PAGASA.
- b. Continuous dissemination of current weather reports to the barangay level.

MDRRMC Palapag

- a. Continuous monitoring of flood water level station in Palapag River.
- b. Continuous dissemination of current weather reports to the barangay level.

MDRRMC Mondragon

- a. Continuous monitoring of current weather report from PAGASA
- b. Continuous monitoring of flood water level station.
- c. Continuous dissemination of current weather reports to the barangay level.

PDRRMC Southern Leyte

- a. Informed all CMDRRMOs in the province re updates on the LPA.
- b. Advised CMDRRMOs to take the necessary precautionary safety measures including activation of LDRRMCs.
- c. Activated the EOC, continuous monitoring, and dissemination of weather updates.
- d. Coordinated with MDRRMO Sogod and DPWH re Maharlika highway that was blocked with mud debris due to landslide for immediate clearing operations.

MDRRMC Silago

- a. Conducted rescue operations for trapped flood victims in Barangay Mercedes, Silago, Southern Leyte.
- b. Continuous monitoring of flood and landslide prone areas.

C/MDRRMCs of Southern Leyte

- a. Informed all Punong Barangays in the respective AORs re updates on LPA.
 - b. Activated the EOCs and advised Punong Barangays to take the necessary precautionary safety measures including activation of BDRRMCs.
