NDRRMC UPDATE

Sitrep No. **12** re Preparedness Measures and Effects of
Severe Tropical Storm "AURING"

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 03 March 2021, 8:00 AM

Sources: DOST-PAGASA, MBG, DILG, DSWD, DPWH, DOH, DA, DICT, BFP, PCG, DepED, RDRRMCs/OCDROs III, CALABARZON, MIMAROPA, V, VI, VII, VIII, IX, X, XI, CARAGA, BARMM, CAR, and NCR

I. SITUATION OVERVIEW

17 February 2021

At 10:00 AM, Tropical Depression (TD) southeast of Hinatuan, Surigao del Sur has entered the Philippine Area of Responsibility (PAR) and was named "AURING" with maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h.

At 10:00 PM, TD "AURING" continued to maintain strength while moving westward. It was estimated at 755 km East Southeast of Hinatuan, Surigao del Sur with maximum sustained winds of 55 km/h near the center and gustiness of up to 70 km/h moving Westward at 10 km/h.

18 February 2021

"AURING" intensified into a Tropical Storm (TS) while moving slowly northwestward over the Philippine sea. At 10:00 AM, the center of TS "AURING" was estimated at 685 km East Southeast of Hinatuan, Surigao del Sur with maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h moving Northwestward slowly.

At 11:00 PM, TS "AURING" continued to intensify while moving slowly westward. Tropical Cyclone Wind Signal (TCWS) No. 1 was hoisted in Davao Oriental and the eastern portion of Davao de Oro (Pantukan, Maragusan, Compostela, New Bataan).

19 February 2021

At 10:00 AM, "AURING" intensified into a Severe Tropical Storm (STS) as it moves slowly over the Philippine Sea East of Mindanao. STS "AURING" was estimated based on all available data at 535 km East Southeast of Hinatuan, Surigao del Sur, with maximum sustained winds of 95 km/h near the center and gustiness of up to 115 km/h.

At 2:00 PM, "AURING" weakened into a Tropical Storm and moved westwards.

20 February 2021

At 4:00 AM, **TS "AURING" slightly weakened over the Philippine Sea.** It has maximum sustained winds of 75 km/h near the center and gustiness of up to 90 km/h.

At 10:00 AM, the center of "AURING" was estimated at 595 km East Southeast of Hinatuan, Surigao del Sur.

21 February 2021

At 4:00 AM, TS "AURING" was estimated at 395 km East of Hinatuan, Surigao del Sur.

"AURING" slightly decelerated while moving towards the west-northwest. At 7:00 AM, the center of TS "AURING" was estimated at 370 km East of Hinatuan, Surigao del Sur.

At 7:00 PM, "AURING" maintained its strength as it continues to move towards eastern Visayas-CARAGA area. It has maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h.

At 10:00 PM, **"AURING" weakened into a Tropical Depression.** All TCWS No. 2 were lifted. **TCWS No. 1** was raised over Sorsogon, Masbate including Ticao and Buriyas Islands, Albay, Catanduanes, and the eastern portion of Camarines Sur, Northern Samar, Eastern Samar, Samar, Biliran, Leyte, Southern Leyte, Bohol, Cebu, Siquijor, the northern and eastern portions of Negros Oriental, the northern and central portions of Negros Occidental, the eastern portion of Iloilo, and the eastern portion of Capiz, Dinagat Islands, Surigao del Norte, the northern portion of Surigao del Sur, Agusan del Norte, the northern portion of Agusan del Sur, the eastern portion of Misamis Oriental, and Camiguin.

22 February 2021

At 4:00 AM, TD "AURING" continues to weaken as it approaches Dinagat Islands-Homonhon Island area. It has maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h, moving West Northwestward at 15 km/h.

At 9:00 AM, **TD "AURING" made landfall over Batag Island** and headed towards the Albay-Sorsogon Area.

"AURING" weakened into a Low Pressure Area at 11:00 AM. TCWS was lifted.

II. EFFECTS

A. Affected Population (TAB A)

A total of **71,737 families** or **268,224 persons** were affected in **597 barangays** in Regions V, VIII, X, XI and CARAGA. Of which, **33 families** or **142 persons** are **currently taking temporary shelter inside 3 evacuation centers** and **4 families** or **11 persons** sought shelter with their relatives and/or friends.

B. Incidents Monitored (TAB B)

1. **Nine (9) landslide/ rock slide incidents** and **one (1) mudflow incident** were reported in Regions V, VIII, and XI.
2. A total of **65 areas** were reported flooded in Regions V, VI, VII, and CARAGA. Of which, **flood water in 48 areas** have already subsided.

C. Casualties

A total of **1 dead**, **2 injured**, and **4 missing persons** were reported in CARAGA.

Note: For validation

D. Status of Lifelines

1. Roads and bridges (TAB C)

A total of **12 roads** and **2 bridges** were reported not passable or one lane passable in Regions V, VI, VIII, XI, and CARAGA. Of which, all **12 roads** and **1 bridge** are already passable.

2. Power Supply

Five (5) provinces in Regions VII, XI, and BARMM experienced power interruption.

Region / Province	Areas Affected	Date / Time of Interruption	Remarks
Region VII			
Negros Oriental	Barangay Bajumpandan, Dumaguete City		Restored
Region XI			
Davao del Sur	Davao City (Portion of downtown Area)	20 February 2021, 1:20 PM	Line cleared and restored
	Sibulan Plant	20 February 2021, 1:38 PM	Line cleared and restored
	Toril going to Sirawan	20 February 2021, 1:38 PM	Line cleared and restored
Davao del Norte	Panabo, Panabo City	19 February 2021, 1:08 PM	Replaced cut-out fuse link. Restored as of 21 February 2021
	Lasang, Panabo City	19 February 2021, 5:52 PM	Replaced cut-out fuse link. Restored as of 21 February 2021
	Little Panay, Panabo City	19 February 2021, 2:05 AM	Replaced cut-out fuse link. Restored as of 21 February 2021
Davao Oriental	Cateel and Boston	Intermittent since 19 February 2021	NGCP Power Interruption. Restored as of 21 February 2021
	Manay, Caraga, Baganga, Cateel, Boston	19 February 2021, 12:23 PM	Bamboo toppled down the mainline due to strong winds. Restored as of 21 February 2021
	Lupon and San Isidro	20 February 2021, 10:22 AM	Transient Fault. Restored as of 21 February 2021
BARMM			
Lanao del Sur	Various municipalities	19 and 20 February 2021	Restored all power lines as of 20 February 2020

3. Flights

A total of **42 domestic Philippine Airlines' flights** were cancelled on 19-22 February 2021.

4. Sea Trips and Stranded Passengers, Rolling Cargoes, and Vessels

Sea trips in the various ports of Regions V, VI, and VII resumed its operations.

E. Damage

1. Damaged Houses (TAB D)

A total of **1,995 houses (390 totally / 1,605 partially)** were damaged in Regions VIII, X, XI, and CARAGA.

Source: OCDRO XI and DSWD

Note: Figures are still subject to change due to ongoing assessment and validation. The decrease in the number of totally damaged houses in Marihatag, Surigao del Sur is based on the validated report submitted by DSWD-FO CARAGA.

2. Damage to Agriculture

A total of **₱79,383,663.00** worth of damage to agriculture was incurred in CARAGA.

REGION / PROVINCE	AREA AFFECTED (HA)		RICE (₱)	CORN (₱)	HVC (₱)	FISHERIES (₱)	LIVESTOCK AND POULTRY	
	TOTALLY	PARTIALLY					NO OF HEAD	VALUE (₱)
CARAGA	3,948	851	75,041,651.00	94,936.00	515,176.00	304,250.00	2,781	3,427,650.00
Agusan del Norte	173	12	2,295,615.00	32,436.00	247,676.00	146,250.00		
Agusan del Sur	442	9	2,567,661.00	62,500.00				
Dinagat Islands	10		40,000.00		27,500.00	158,000.00		
Surigao del Norte	5	26	359,722.00				22	54,000.00
Surigao del Sur	3,318	804	69,778,653.00		240,000.00		2,759	3,373,650.00

Source: DA

3. Damage to Infrastructure (TAB E)

A total of **₱53,052,436.02** worth of damage to infrastructure was incurred in Regions V, VIII, X, XI, and CARAGA

Sources: OCD CARAGA, DOH, DepEd

F. Suspension of Classes and Work

The following Local Government Units **suspended classes and work in government** on 20-22 February 2021.

a. Suspension of Classes

LGU	DATE	REMARKS
MIMAROPA		
Province of Romblon	22 February 2021	All levels
REGION VII		
Negros Oriental	20 and 21 February 2021	
Madridejos, Cebu	22 February 2021	All levels
REGION VIII		
Tacloban City, Leyte	22 February 2021	All levels
Tolosa, Leyte	22 February 2021	All levels
Tanauan, Leyte	22 February 2021	All levels
Barugo, Leyte	22 February 2021	Preschool to high school
Jaro, Leyte	22 February 2021	All public and private
Carigara, Leyte	22 February 2021	All public and private
Sogod, Southern Leyte	21 February 2021	kindergarten, elementary and high school level
REGION XI		
Compostela, Davao de Oro	22 February 2021	All levels
CARAGA		
Cantillan, Surigao del Sur	22 February 2021	All levels

b. Suspension of Work

LGU	DATE	REMARKS
MIMAROPA		
Calatrava, Romblon	22 February 2021	Resumed on 23 February 2021
Province of Romblon	22 February 2021	Per Office of Governor Memo No. 050 s.2021 Resumed on 23 February 2021
REGION VII		
Negros Oriental	20 and 21 February 2021	
REGION VIII		
Tacloban City, Leyte	22 February 2021	Per EO No. 2021-0208
Barugo, Leyte	22 February 2021	
Jaro, Leyte	22 February 2021	Per EO No. 3, series of 2021
Carigara, Leyte	22 February 2021	
Sogod, Southern Leyte	21 February 2021	Per EO No. 01, series of 2021
Province of Southern Leyte	22 February 2021	EO No. 7, series of 2021

G. Declaration of State of Calamity

The Province of Surigao del Sur was declared under state of calamity on 26 February 2021 with Resolution No. 1359-21, s. 2021.

III. DISASTER PREPAREDNESS AND RESPONSE (TAB F)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT status since COVID-19 response operations.
- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMOC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Conducted PDRA meeting re TD "AURING" on 17 February 2021, 1:30 PM and convened on 19 February 2021, 2:00 PM for Weather Updates.
- d. Prepared 16 Emergency Alert and Warning Messages (EAWM) and sent the same to Telecommunication Companies for dissemination to affected areas.

2. National Response Cluster

- a. Issued NDRRMOC Memorandum dated 19 February 2021 advising select clusters (Food and Non-Food Items, Camp Coordination and Camp Management, Internally Displaced Persons Protection, Health, Logistics, Emergency Telecommunication, and Search, Rescue and Retrieval) to prepare and place its resources on standby for possible augmentation to areas to be affected.
- b. Facilitated the request of DSWD for the delivery of essential food and non-food items bound for Surigao.
- c. OCD coordinated with the members of the Logistics Cluster for the identification of logistics needs and delivery of response requirements.
- d. Convened the Logistics Cluster on 21 February 2021.

A. Pre-emptive Evacuation (TAB G)

A total of **18,993 families** or **69,656 persons** were pre-emptively evacuated in Regions VI, VII, VIII, X, XI, and CARAGA.

B. Cost of Assistance

A total of **₱21,621,432.91** worth of assistance was provided by the DSWD and LGUs to the affected families in the Regions X and CARAGA.

**Preparedness Measures and Effects of Severe Tropical Storm “AURING”
DISASTER PREPAREDNESS AND RESPONSE
As of 03 March 2021, 8:00 AM**

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. Philippine Atmospheric Geophysical Services Administration (PAGASA)

Continuous weather monitoring and provision of weather updates.

2. Department of Environment and Natural Resources - Mines and Geosciences Bureau (DENR-MGB)

- a. Activated 24/7 Geohazards Operations Center in Central and Regional Offices on 17 February 2021.
- b. Disseminated Geohazard Advisory for TS “AURING” and List of Cities/Municipalities Susceptible to Flood as of 19 February 2021, 2:00 PM.

3. Department of Social Welfare and Development (DSWD)

- a. The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to **₱1,258,822,330.15**.

Standby Funds

A total of **₱502,446,273.45** standby funds in the CO and FOs. Of the said amount, **₱459,860,852.15** is the available **Quick Response Fund (QRF)** in the CO.

Stockpiles

A total of **306,411** family food packs (FFPs) amounting to **₱139,929,039.17**, **other food items** amounting to **₱203,974,340.89** and **non-food items (NFIs)** amounting to **₱412,472,676.64** are available.

Note: Inventory Summary as of 20 February 2021, 4 PM

- b. Coordinated with the concerned field offices for significant disaster response updates.
- c. Placed all Quick Response Team (QRT) members and emergency equipment are on standby and ready for deployment.

- d. Participated in the Online PDRA Meeting on Tropical Depression (TD) “AURING” on 18 February 2021 with other response cluster member agencies.
- e. Deployed 2 wing vans carrying 3,000 FFPs (1,500 FFPs per truck) from Iligan to Butuan City and 5 wing vans carrying 8,400 FFPs from VDRC, Cebu City to Butuan City on 22 February 2021.

DSWD-DRMB

- a. Coordinating with the concerned field offices for significant disaster response updates.
- b. Placed all QRT members and emergency equipment on standby for deployment.

4. Department of the Interior and Local Government (DILG)

- a. DILG-CODIX attended PDRA re TD “AURING” on 17 February 2021, 1:30 PM.
- b. Activated EOC and Disaster Online Reporting and Monitoring System (DORMs) for TS “AURING”.
- c. Directed all concerned regions to undertake the following:
 - Advise concerned LGUs to establish critical preparedness actions based on the Operation LISTO Protocols, and DILG Memorandum Circular No. 2020-125 - LISTO SA TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020, and prioritize the prepositioning of supplies, equipment, and personnel for response
 - Remind LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes, and ensure that they can withstand the strong winds brought about by TS “AURING”;
 - Continue to monitor all PAGASA weather advisories and typhoon bulletins
 - Assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID-19 testing requirements will not hamper and/or delay the entry, passage, and operations of all government and the private sector disaster response personnel
 - Activate concerned Barangay DRRMCs for early warning measures and vigilant monitoring of areas with settlements at the base of sliding slopes or ridges with manifestations of rockslide/landslide, tension cracks, and areas identified as very high/critical landslide zones
 - Vigilant monitoring and reporting of weather disturbances and other incidents
 - Continuously inform and advise all communities thru, but not limited to, the local television and radio stations, of situation updates and preparedness actions of the localities
 - Intensify the use of social media platforms for public information
 - Monitor with vigilance the level of river waters and settlements in low-lying areas such as rice lands or near riverbanks, which have experienced recent and repeated flooding; vigilant monitoring for possible riverbank erosion and shift of river flow direction
 - Monitor, and prepare the necessary critical preparedness actions for the possible overflow of dams and sudden release of water that may affect the communities
 - Implement pre-emptive evacuation in areas with high to very high susceptibility to storm surge, floods, and landslides, especially residents whose dwellings are susceptible to damage due to strong winds; Ensure that physical distancing is always observed in the evacuation centers
 - Ensure the availability of sanitation stations in the evacuation centers

- Ensure that clean, running water and hand soaps are always available
 - Ensure that doctors and other emergency response personnel are prepositioned in clusters of evacuation centers
 - Ensure that evacuation centers are properly and regularly disinfected;
 - Ensure that communication lines are working properly
 - Restrict or ban tourist activities such as, but not limited to, mountaineering, hiking, surfing, diving, etc., within their areas of jurisdiction during this period
 - Warn small-scale miners to stay on safer grounds and stop all mining activities
 - Enforce a no-fishing policy and ensure that sea travel and small-scale fishing activities are closely monitored and prohibited
- d. Provided all available information to all DILG Regional and Field Offices regarding TS “AURING” thru texts and emails.
- e. Regional Offices coordinated with Provincial and Field Offices on the status of the pre-emptive evacuation in the affected LGUs.

5. Department of Agriculture (DA)

- a. Activated the DRRM Operations Centers.
- b. Conducted inventory and prepositioning of rice, corn, vegetable seeds, drugs, and biologics for livestock and poultry in safe storage facilities.
- c. Prepositioned rice, corn and vegetable seeds, drugs, and biologics for livestock and poultry.
- d. Mobilized Agricultural Program Coordinating Offices (APCOs) for the dissemination of advisory to farmers and fisherfolks.
- e. Closely monitoring of standing crops that could be affected by TS “AURING”.
- f. Ensured the availability of QRF for the rehabilitation of affected areas, Survival and Recovery (SURE) Loan Program of Agricultural Credit Policy Council (ACPC), and Philippine Crop Insurance Corporation (PCIC) funds to indemnify affected farmers.
- g. Coordinating with concerned LGUs and other DRRM-related offices for the impact of “AURING” especially the damage and losses that may be incurred in the agri-fisheries sector.

6. Department of Health (DOH)

- a. Raised Code Alert.
- b. Sent weather alert memorandum to all Centers for Health Development and BARMM Ministry of Health and DOH-retained hospitals on the following:
 - Weather disturbance
 - Activation of Code Alert and 24/7 Operations Center
 - Health Emergency Response Teams are on standby and ready for deployment
- c. A total of **₱8,237,548.42** worth of drugs, medicines, medical supplies, health kits, including PPEs and other COVID-19 supplies were prepositioned by different CHDs. Moreover, a total of **₱27,880,352.74** worth of commodities are available at the DOH Central Office warehouse.

REGION	PREPOSITIONED LOGISTICS (₱)	LOGISTICS AVAILABLE IN REGIONAL WAREHOUSE
VI	448,956.09	939,446.40
VII	967,410.15	58,753,472.69
VIII	2,908,235.22	1,636,844.53
IX	1,140,573.00	2,000,000.00
X	350,000.00	3,058,663.20
XI	537,110.00	20,850,927.34
XII	945,000.00	59,000,000.00
CARAGA	940,263.96	36,000,000.00

Central Office	-	27,880,352.74
TOTAL	8,237,548.42	210,119,706.90

Note: The decrease in the total amount of prepositioned logistics was due to the removal of unaffected Regions (I, MIMAROPA, CALABARZON, and V).

- d. Sent advisories on TS “AURING” to all CHDs concerned regarding the compliance to the Minimum Public Health Standard Package (MHSP).
- e. Sent memorandum to CHDs on the use of Surveillance in Post Extreme Emergencies and Disasters (SPEED) in hospitals and evacuation centers in their area.

7. Department of Education (DepEd)

- a. Attended the PDRA on 17 February 2021.
- b. Monitored schools on their preparedness measures as per DO 83 s. 2011 and DM 108, s. 2016 and in connection with the ongoing COVID-19 pandemic.
- c. Disseminated advisories from DOST-PAGASA and IECs on preparedness measures for tropical cyclones, storm surge, and flood to exposed and affected regions and divisions.
- d. Coordinated with the exposed regions on schools with class suspension, schools used as evacuation centers, flooding incidents, and other incidents related to TS “AURING”.
- e. Participated in Regional PDRA and NDRRMC Full Council Meeting.
- f. Convened Region and Division DRRM Coordinator of affected regions and divisions for PDRA.
- g. Generated RADaR based on submission of FOs.

8. Department of Information and Communications Technology (DICT)

DICT Luzon Cluster 3 - Southern Luzon

- a. Sent out HF radio to Marinduque for activation.
- b. Prepared VSAT for deployment to Oriental Mindoro and Palawan.
- c. Participated in the activation of a Virtual EOC together with the Office of Civil Defense on 20 February 2021.
- d. Prepared emergency devices such as LHG Kit, Microtik, and LTE routers for possible deployment to DRRM-member agencies when needed.
- e. DICT Masbate started the installation of the VSAT delivered to their office and is ready for activation once needed.

DICT Visayas Cluster 1 - Western Visayas

- a. Continuous monitoring of weather bulletin from PAGASA thru social media, radio, and TV.
- b. In close coordination with OCD and PDRRCs.

DICT Visayas Cluster 2- Central and Eastern Visayas

- a. Conducted cluster-wide communications check using DICT HF radios on 21 February 2021.
- b. Continuous coordination with Provincials Offices in respective AOR for real-time incident monitoring.
- c. In close coordination with radio amateur groups in the Visayas Area.

DICT Mindanao Cluster 2- Northern Mindanao and CARAGA

- a. Continuous monitoring and close coordination with other agencies thru VHF Radio.
- b. Continuously conduct radio communication checks to verify connectivity with other agencies.
- c. Provided free internet access to evacuees at Brgy. Mangagoy Gymnasium, Bislig City, Surigao del Sur at the height of STS “AURING”.

9. Department of Public Works and Highways (DPWH)

- a. Continuous monitoring of the status of national roads and bridges.
- b. Deployed maintenance crew and equipment for clearing operations.
- c. Installed warning signs and road safety devices.
- d. Deployed 239 equipment and 1,055 manpower to regions X, XI, XII, and CARAGA.
- e. Prepositioned 818 equipment and 4,432 manpower to Regions CALABARZON, MIMAROPA, VII, VIII, X, XI, XII, and CARAGA.

10. Armed Force of the Philippines (AFP)

- a. Deployed one (1) C130 flight laden with 1,264 family food packs (FFPs) from DSWD bound to Butuan.
- b. Committed one (1) C130 flight for the delivery of additional relief items from DSWD on 24 February 2021.

11. Bureau of Fire Protection (BFP)

- a. As of 24 February 2021, deployed 269 personnel and 87 land assets to Regions CALABARZON, V, VII, XI, CARAGA, and NCR:

NO. OF PERSONNEL		
FIRE SUPPRESSION	EMS	SRR
205	34	30

FIRE TRUCK	RESCUE TRUCK	AMBULANCE
80	0	7

- b. Assisted in evacuation activities in CARAGA.

12. Philippine Coast Guard (PCG)

- a. Provided one (1) PCG sea vessel for the transportation of DSWD relief items from Port of Manila to Surigao. Cargo is as follows:

Item	Qty
Tents	1,000 pcs
Hygiene Kit	1,000 pcs.
Family Kit	1,000 pcs.
Kitchen Kit	1,000 pcs.
Sleeping Kit	1,000 pcs.
Alcohol	1,000 bottles
Slotted Cartons	20,000 pcs.

- b. Provided transportation assistance for the pick-up of the above-stated NFIs from NROC, Pasay City to Port of Manila.

13. World Food Programme (Humanitarian Organization)

Provided three (3) 10-wheeler trucks used to transport relief items from NROC, Pasay City to Port of Manila, Manila City on 23 February 2021.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs III, CALABARZON, MIMAROPA, VI, VII, VIII, IX, X, XI, CARAGA, BARMM, CAR, and NCR are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC III

Office of Civil Defense (OCD) III

- a. Attended PDRA on 17 February 2021.
- b. Closely monitored weather conditions in all Provinces and HUCs.
- c. Continuous dissemination of weather advisories to all DRRMOs and member-agencies thru SMS, social media, and email.
- d. Continuously monitor landslide-prone areas and low-lying areas, roads, bridges, dams, and rivers in Central Luzon.

DENR-MGB CALABARZON

- a. Alerted LGUs and issued advisories to areas identified as landslide and flood-prone areas.
- b. Disseminated list of barangays susceptible to landslide and flood-prone areas and reiterated the recommendation to closely monitor areas in high risk.

PMS CALABARZON

Monitored and coordinated with RDRRMC CALABARZON and submitted information to the Office of the President.

PDRRMC Laguna

- a. Placed all resources on standby.
- b. Maintain physical distancing and promote proper use of facemask and face shield.

PDRRMC Cavite

Activated the Operations Center and prepositioned rescue/emergency supplies, equipment, and vehicles.

PDRRMC Rizal

- a. Conducted inventory of supplies and response assets ready for possible deployment.
- b. Conducted trimming of trees near powerlines.

PDRRMC Batangas

- a. Activated the EOC.
- b. Provided 600 FFPs on a temporary relocation site and 246 FFPs for the Municipality of Talisay.

PDRRMC Quezon

- a. Advised LGUs to be on alert.
- b. Conducted inventory of supplies and placed response cluster and assets on standby alert ready for deployment.

3. RDRRMC MIMAROPA

OCD MIMAROPA

- a. Issued Memorandum No. 33, 2021 re Preparedness Action ICOW TD “AURING”.
- b. Prepositioned Rigid Hull Inflatable Boat in the Province of Occidental Mindoro.
- c. Activated the RDRRMC MIMAROPA Virtual EOC on 20 February 2021 for TS “AURING”.
- d. Conducted functionality and connectivity test of high-frequency radio equipment, satellite phone, and generator set for OCD MIMAROPA office in preparation of TS “AURING”.
- e. Joined the NDRRMC’s PDRA meeting for TD “AURING” on 17 February 2021.
- f. Issued Memorandum No. 37, 2021 re Simultaneous Red Alert Status at the MIMAROPA RDRRM EOC for COVID-19 Pandemic and TS “AURING” dated 19 February 2021.
- g. Issued Memorandum No. 36, 2021 re Emergency Preparedness Actions for TS “AURING” dated 19 February 2021.

DILG MIMAROPA

- a. Activated Disaster Monitoring and Reporting System for “AURING”.
- b. Disseminated MGB’s List of Barangays susceptible to landslide and flooding.
- c. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.
- d. Disseminated DILG advisories and advised LGUs to monitor weather advisories/bulletins and established critical preparedness actions based on the Operation LISTO Protocols and DILG MC 2020-125-LISTO SA TAGULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020, and prioritize prepositioning of supplies and equipment for response actions.

DSWD MIMAROPA

- a. Has 32,963 FFPs amounting to ₱14,833,350.00.
- b. Ensured that there are on-call transportation services for the delivery of goods and equipment to areas to be affected.

DOH MIMAROPA

- a. Activated Code Alert of the DOH RO, PDOHO, and DOH-Retained Hospitals.
- b. Checked inventory of logistics in all warehouses.
- c. Ensured that all communications equipment is operational.
- d. Prepositioned drugs and medicines in the regional office and Provincial DOH offices.
- e. Prepositioned dome tent in strategic areas and areas of concern for health services.
- f. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.
- g. Activated EOC on a 24-hour basis, raised code alert to RED, and established ICS.

DICT MIMAROPA

- a. Prepositioned communication assets (VHF/HF radios, handheld radios).
- b. Advised checking of generator sets and oil in preparation for a possible power outage.
- c. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

PRO MIMAROPA

- a. Ensures all search and rescue assets are operational.
- b. Alerted all Police Provincial Offices (PPOs) to continuously monitor their respective AOR.
- c. Directed all members of Regional Headquarters and Regional Mobile Force Battalion SAR Team to be on standby.

BFP MIMAROPA

- a. Alerted Disaster Response Teams (947 personnel, 303 SRU personnel, 125 fire trucks, and 478 tools).
- b. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

PCG Palawan

- a. Reminded all stations and substations to comply with HPCG MC 02-13, HPCG MC 03-2001, and HPCG SOPG 01-12.
- b. Directed to conduct information dissemination and heighten the conduct of coastal security patrols to prevent the unauthorized departure of any watercraft.
- c. Ensured preparedness of all SAR assets and other responding teams/units for immediate dispatch/deployment for assistance during maritime incidents and flooding.
- d. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

AFP

- a. Joined the RDRRMC MIMAROPA PDRA Meeting on 189 February 2021.
- b. Ensured availability of assets and Disaster Response Unit.
- c. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

PIA MIMAROPA

- a. Disseminated weather forecast through News on the Go SMS version (AM releases) and sitreps of provincial information center manager.
- b. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

PDRRMC Oriental Mindoro

- a. Prepositioned 400 cavans of rice and food packs.
- b. Prepositioned rescue equipment and teams.
- c. Implemented “NO SAIL POLICY”.
- d. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

CDRRMC Calapan City, Oriental Mindoro

- a. Attended RDRRMC MIMOROPA PDRA meeting via teleconference on 18 February 2021 and joined the MIMAROPA Virtual EOC on 20 February 2021.
- b. Prepositioned rescue equipment in flood-prone barangays.

MDRRMCs in Oriental Mindoro

- a. Continuous monitoring and dissemination of weather advisories and warnings.
- b. Activated EOCs.

PDRRMC Occidental Mindoro

- a. Prepositioned food packs.
- b. Coordinated with MDRRMOs re preparation of their evacuation center, prepositioning of food packs, equipment, and other necessary supplies.
- c. Alerted PQRTs for possible deployment.
- d. Prepositioned 210 modular tents for camp management, rubber boats, PPE, and other response tools.
- e. Strengthened radio communication in island municipalities (Lubang and Looc).
- f. Joined the MIMAROPA Virtual EOC for TS “AURING” on 20 February 2021.

CDRRMC Sablayan, Occidental Mindoro

- a. Activated Blue Alert status on 18 February 2021 and raised it to RED on 19 February 2021.
- b. Continuous monitoring and dissemination of weather advisories and warnings.
- c. Issued “No Sailing Policy” to 22 barangays.

CDRRMC Abra de Ilog, Occidental Mindoro

Continuous monitoring and dissemination of weather advisories and warnings.

- c. Issued Memorandum 2021-02 regarding the alert status of SPDRRMO to Blue and Memorandum No. 0221-01 regarding Weather Advisory.
- d. Implemented the Executive Order No. 77-2020, First IN First OUT (FIFO) system.
- e. Issued Memorandum No. 2021-0014 by the PHO Sorsogon regarding declaration code alert.

- f. Conducted inventory of resources, goods, and rescue equipment.
- g. Prepositioned all assets at the staging area ready for deployment.
- h. Plotted coordinated and conducted assessment of all possible affected municipalities.
- i. Ensured communication lines with all DRRMOs for updates and coordination.

5. RDRRMC VI

OCD VI

- a. Conducted PDRA re TD “AURING” on 18 February 2021, 2:00 PM.
- b. Closely coordinated with PDRRMOs and Highly-Urbanized Cities for updates.
- c. Placed on Red Alert Status due to COVID-19 pandemic and other natural hazards.
- d. Issued RDRRMC Memo No. 6, s. 2021 Activation of COVID-19 and All-Hazard RIMT.
- e. Ensured availability of NFI in OCD Warehouse.
- f. Conducted virtual press briefing/terminal briefing on the effects of TD “AURING” on 22 February 2021.

MGB VI

- a. Disseminated List of Barangays Susceptible to landslides and flooding based on the DOST-PAGASA rainfall data as of 18 February 2021, 8:00 AM.
- b. Advised all LGUs to consult the geohazard maps and to check the susceptibility of its AOR to flooding, flash flood, and rain-induced landslides.

DSWD VI

- a. Issued an advisory to all QRTs to monitor their respective local situation.
- b. Placed focal persons on standby to consolidate reports from the affected municipality.
- c. Ensured availability of FFPs at the Regional Warehouse worth ₱7,540,329.54.
- d. Prepositioned a total of 18,200 FFPs worth ₱7,830,520.00.
- e. Ensured availability of non-food items at the regional warehouse.
- f. Alerted QRT members at the provincial/municipal level for any augmentation assistance in providing FFPs to requesting LGUs.
- g. Issued agency memo activation of Blue Alert status to all QRT members
- h. Continuous monitoring Severe Weather Bulletin updates through the DOST-PAGASA.
- i. Continuous monitoring of actual weather updates from concerned LGUs through MSWDOs, DROMIC Focal, and QRT members.
- j. Monitoring/providing technical assistance on CCCM to concerned LGUs.
- k. Activation of DOH WV CHD Incident Command System (ICS) and OpGen.

DOH HEMS

- a. Prepositioned logistics for TD “AURING” in the 6 provinces amounting to ₱492,956.09.
- b. Disseminated Regional Weather Forecast to all units DOH WV CHD, DOH Hospitals, 6 provinces, and 2 HUCS.
- c. Posted key messages for the rainy season Facebook of DOH WV CHD Health Emergency Management Staff.
- d. Placed CHD Quad cluster team, focal persons (HEMS, WASH, NIE, MISP-SRH, MHPSS) on standby alert and ready for deployment.
- e. Coordinated with PHOs to closely monitor its AOR.

DOST VI

Monitored rainfall and water level via *Bantay Panahon*.

DILG VI

Issued advisory to LGUs regarding "AURING".

PRO VI

- a. Placed on Full Alert.
- b. Ensured availability of all resources.

3ID

- a. Activated all the Disaster Task Groups and alerted the Disaster Response Task Units under Infantry Brigades.
- b. Placed RCDG Reservists on call to support manpower in case of relief operations.

PCG

- a. Alerted all sub-stations relative to the weather condition.
- b. Disseminated advisories on the cancellation of trips due to the weather condition.
- c. Ensured the readiness of floating assets and responders.

PIA VI

- a. Activated the Information Networks.
- b. Disseminated press releases, text blasts/alerts, and advisories on disaster preparedness.

TOG VI

Alerted DRTU Teams.

PDRRMC Aklan

- a. Continuous monitoring of the river basins through DOST Automated Weather System (AWS).
- b. Disseminated all PAGASA bulletins and advisories to LGUs through social media.
- c. Conducted maintenance of rescue equipment.
- d. Closely coordinated with the Provincial Health Office on health protocol to be observed at the evacuation centers.

PDRRMC Antique

- a. Activated the EOC to Blue Alert status to establish close monitoring, intensified coordination, and operational readiness for the possible impact of the weather disturbance in the province.
- b. Dispatched and prepositioned assets in the northern part of Antique particularly in the municipalities of Libertad and Barbaza to establish close monitoring and coordination likewise provide prompt emergency response support to any untoward emergencies.

PDRRMC Capiz

- a. C/MDRRMOs continuously monitor their respective AORs.
- b. Provided weather updates and information dissemination using social media to the public.
- c. Continuously coordinate with the C/MDRRMOs utilizing unified command radiofrequency or social media to obtain real-time updates on its respective AOR.
- d. Placed all response units on standby for possible deployment.
- e. Conducted ocular inspection at the coastal areas of Roxas City and operational briefing in preparation for deployment for "AURING" at PDRRMC Operation Center on 21 February 2021.

MDRRMC Malay

- a. Monitored weather updates and prepositioned logistics and manpower for response actions.
- b. Facilitated PDRA meeting and issued the latest weather bulletin to all seventeen (17) BDRRMCs.
- c. Initiated text blast, early warning, and advisories to all the constituents of the municipality.
- d. Facilitated the transport of stranded individuals from the port to the evacuation center.

PDRRMC Guimaras

- a. Alerted the Municipal and BDRRMCs.
- b. Conducted PDRRMC meeting re Preparedness Measures for TD "AURING".
- c. Prepositioned stockpile, supplies, and disaster equipment.

PDRRMC Iloilo

- a. Disseminated early warnings to LGUs.
- b. Continuous monitoring of the weather condition at the Provincial Civil Defense Operation Center and Safety Office.

PDRRMC Negros Occidental

- a. Heightened preparedness, preparation of emergency/evacuation plan, initiate proactive measures, and take appropriate precautionary actions for possible flooding, flash floods, or landslides.
- b. Reviewed contingency plans and mitigate possible risk in AOR.
- c. Advised all district hospitals to heightened alert to ensure the preparedness of all district hospitals.

CDRRMC Iloilo City

- a. Released advisory re Tropical Cyclone to all BDRRMCs and Cluster Leads and members.
- b. Intensified information dissemination on preparedness for TD "AURING" and other related hazards.
- c. Intensified family disaster preparedness campaign.
- d. Reviewed and updated all other preparedness plans in connection to both weather and man-made hazards that may occur.
- e. Activated Emergency Operation Center and raised alert status to BLUE.
- f. Conducted "Recorda" together with BFP Iloilo City particularly in coastal communities.
- g. PCG Iloilo City disseminated public/media advisory on the cancellation of trips on 21 February 2021.
- h. CSWDO identified the evacuation center and instructed district personnel to be on standby alert.
- i. Placed CHO/GSO personnel and vehicle on standby alert and ready for deployment.

CDRRMC Sagay City

- a. Established community kitchen in each evacuation center.
- b. Provided community kitchen in each evacuation center conducted by BDRRMCs.

CDRRMC San Carlos City

- a. Conducted preparedness meeting attended by City Engineering Dept., CSWDO, City Environment Management Office, Liga ng mga Barangay, PNP, BFP, CMO

Carpooling Services, DepEd, Accounting and Internal Audit Services, BAC Secretariat, Traffic Management Authority, and CDRRMO.

- b. Barangays submitted their preparedness and contingency plan.
- c. PNP San Carlos attended barangay meetings for possible pre-emptive evacuations, deployed a team for "Recorida", and warned the residents of the upcoming effects of "AURING".
- d. Prepared all schools that may be used as evacuation centers in case needed through DepEd San Carlos.
- e. Placed CEMO, CED, CMO Carpooling Services, CSWD personnel, and resources on standby and ready for deployment.
- f. Prepared FNFI, hygiene kits, and medicines ready for distribution in the event of a pre-emptive evacuation.
- g. Provided FFPs to the affected families.

CDRRMC Bago City

- a. Activated Operation Center and raised alert status to RED.
- b. Distributed DANA forms and emergency contact numbers to the twenty-four (24) barangays.
- c. Conducted a meeting together with the council members and representative/s from various barangays via zoom meeting.
- d. Disseminated weather updates through text blast system and social media to all barangays.
- e. Prepared evacuation center and placed CDRRMO together CBERT Bago personnel on standby alert.

CDRRMC Bacolod City

- a. Placed BDRRMCs and member agencies on standby in preparation for TD "AURING".
- b. Conducted PDRA meeting on 18 February 2021, 3:00 PM.
- c. Continuous monitoring of the PAGASA weather bulletins.
- d. Disseminated weather forecasts/bulletins, rain/flood/thunderstorm advisories released by DOST-PAGASA text blast to all 61 barangays and other stakeholders.

- d. Monitored weather condition

DILG Mandaue City

- a. Disseminated advisories and alerts to the City DRRM Council and sent a letter to the Mayor regarding the activation.
- b. Signed Proof of Service and monitoring of flood-prone areas.

DILG Lapu-Lapu City

Attended PDRA 2:00 PM, 18 February 2021, 2:00 PM, and coordinated with LDRRMCs.

DILG Siquijor

Reviewed Operation LISTO Protocol and advised LGUs regarding their preparedness action.

DILG Bohol

- a. Required the C/MLGOOs to submit SitRep regarding the weather disturbance.
- b. Required C/MLGOOs to secure proof of service and to submit critically.
- c. Preparedness Action/Measures (35-item checklist)
- d. Informed mayors regarding weather advisories through the MLGOOs.

DILG Negros Oriental

- a. Disseminated advisories/weather updates received from DILG VII DRRM Focal Person to all 25 cities and municipalities.
- b. Coordination between the DILG and PDRRMO for an intensified preparedness monitoring and appropriate actions to be done.
- c. Advised the general public especially the residents living near river channels, in low-lying areas, and in the mountainous area to take appropriate actions against possible flooding and landslides.

- d. Advised LGUs with coastal barangays through Field Officers to prohibit fisherfolks and those with small seacrafts from not venturing out over the seaboards in the area with TCWS and the eastern seaboards of Visayas and Mindanao.
- e. Informed LGUs with coastal barangays to take precautionary measures when going out to sea and be alerted to any warnings as disseminated by their respective DRRMCs.
- f. Continued monitoring by DRR-CCA Focal.

DSWD VII

- a. Regional/Provincial/City/Municipal QRT is on standby alert and ready for mobilization for any assistance and augmentation support needed from the LGUs.
- b. City and Municipal Action Team and SWAD Offices were alerted and already requested to closely coordinate with their local counterparts and their respective LDRRMCs. Field staff requested to monitor AOR and provide reports and updates to the Regional DROMIC Focal for any impacts/effects.
- c. Continuous monitoring by the DSWD Regional DROMIC Focal for the latest weather updates from PAGASA and cascading the same for widest dissemination to Provincial /City/Municipal Action Teams.
- d. The Regional Disaster Division is in close coordination with OCD VII and other members of the RDRRMC for any response mobilization activities/strategies. Regional QRT members and warehouses located in the three island provinces are on standby alert for any response activities and relief augmentation.
- e. Assisted in the LGUs provision of needs for the families inside evacuation centers and stranded passengers at various ports.
- f. Provided lunch and dinner through Crisis Intervention Section (CIS) to the stranded passengers accommodated in San Roque Gym. A total of ₱11,520.00 worth of assistance was distributed by the QRT members on duty.
- g. Continuously coordinating with the affected LGUs through the City and Municipal Social Welfare Offices for any augmentation support needed.
- h. Released 242 family food packs worth ₱105,270.00 to LGU Calape, Bohol for families living in island barangays whose livelihood was disrupted by the typhoon and those residents staying in hazard-prone areas who were subjected to pre-emptive evacuation.

MGB VII

- a. Presented the Hazard data on areas susceptible to landslide during the conduct of PDRA:
 - 30 Barangays in Cebu to moderate landslide
 - 38 Barangays in Cebu susceptible to high to very high flooding
- b. Disseminated MGB list of barangays to concerned LGUs with very high, high, and moderate susceptibility to landslide and flood classified based on the cumulative GSM and WRF 72-hour model of PAGASA as identified during PDRA once PAGASA declares that a tropical depression or tropical cyclone would enter the PAR.
- c. Disseminated advisories to all LGUs upon the declaration of La Niña by DOST-PAGASA and about "AURING"
- d. Conducted virtual IEC to LGUs on updated geohazard maps and Risk Exposure Maps resulting from Vulnerability and Risk Assessment (VRA) undertaken in targeted LGUs.
- e. Distribution of updated 1:10,000 scale Landslide and Flood Susceptibility Map and Risk Exposure Maps during VRA-EIC to targeted LGUs.

- f. Provision of posters/pamphlets/CDs on Geohazards as part of the Information Education and Communication Campaign (IEC) to LGUs. • Provision of warning signages (tarpaulin) in hazard-prone areas in coordination with the LGU/s.
- g. Disseminated Geohazard Advisory for "AURING" to Local Government Units (LGUs)

PIA VII

- a. Activated the Information Networks.
- b. Disseminated press releases, text blasts/alerts, and advisories on disaster preparedness.

BFP VII

- a. BFP Bohol issued a memorandum to all stations in the province to be on Red Alert, even their personnel who are off duty are directed to be on alert.
- b. Assigned personnel at Mandaue City EOC and placed SRR Teams on standby alert and ready for deployment.

DPWH VII

- a. Attended PDRA meeting and submitted reports.
- b. Placed two (2) trucks on standby alert.
- c. Monitored status of roads and bridges within its AOR.

BJMP VII

- a. Issued memorandum placing all jail units in this region under BLUE ALERT STATUS due to "AURING".
- b. All jail units have their Operational Plans (OPLANs) for "Typhoon", "Baha", "Landslide", "Tsunami" and "Earthquake" ready for execution in times of eventualities as another emergency measures.
- c. Advised all jail units to prepare an adequate supply of water, flashlights, and first aid kits.

NFA VII

- a. Issued a total of 78 bags of rice to LGU Cebu.
- b. Coordinated with PDRRMO Cebu re rice availability.
- c. Attended PDRA with PDRRMC Negros Oriental.
- d. Opened a total of 12 Buying stations across the provinces of Bohol, Cebu, and Negros Oriental.
- e. Monitored prices of commercial rice in Cebu Province.

PDRRMC Bohol

- a. Issued memorandum directing all Local Chief Executives in the Province of Bohol to remain in their respective AOR to lead and convene the LDRRMCs in conducting preparedness and mitigating measures.
- b. Placed PRC Bohol emergency responders to be on standby alert and prepositioned non-food packs in case needed.
- c. BOHECO placed 50 linemen on standby alert for possible deployment.
- d. BOHOL LIGHT (BLCI) conducted regular clearing operations and dispatched their clearing operations team to critical areas in the city.
- e. BOHOL WATER (BWUI) delivered generator sets to the seven (7) pumping units in the city for possible utilization.
- f. PHO EOC continuously monitored its AOR both for COVID-19 and "AURING" and placed ambulance units on alert for possible deployment.
- g. Prepositioned provincial motorpool office heavy equipment and trucks on standby for possible transport of goods.

- h. Provincial Engineer's Office (PEO) readied allocation for fuel for the heavy equipment and dump trucks lodged at Motorpool Office.
- i. PSWD Bohol has standby 1,000 food packs and 30 stress debriefers ready in case there is a need for them to be deployed.
- j. Placed PDRRMC personnel and TaRSIER 117 on a 24-hr basis for continuous monitoring of AOR and ready for deployment.
- k. Ordered the TaRSIER 117 Headquarters and its substations to conduct continuous system checks in all the towns in the province, especially the towns where major rivers are located and those with major dams.
- l. Placed SRR, SAR, and WaSAR teams on standby for possible deployment.
- m. TaRSIER 117 disseminated text blast to all P/M/BDRRMCs members for continuous monitoring and updating.
- n. Deployed SRR and WaSAR teams to the Municipality of Ubay for possible augmentation in the northern towns.

CDRRMC Tagbilaran City

- a. Conducted PDRA and discussed preparedness measures for "AURING".
- b. Informed barangays regarding the weather disturbance and preparedness measures to be implemented.
- c. Prepositioned SRR team, two (2) Emergency Medical Services, all WASAR/USAR equipment, and vehicles on standby for possible deployment.
- d. Identified flood-prone and coastal areas have corresponding evacuation centers determined and prepared.
- e. Activated EOC on a 24-hour basis and raised the alert status to BLUE on 20 February 2021.
- f. Continuously monitoring its AORs and coordinating with the GSO, CEO, CSWD, CHO, PNP, and BFP for their preparedness measures.
- g. Organized IMT for "AURING".

CDRRMC Candijay City

- a. Issued Office Memorandum No. 02-04, series, 2021, raising the alert status of EOC to "BLUE" and operated on a 24-hr basis.
- b. Activated response clusters.
- c. Issued Office Memorandum No. 02-05, series 2021, activating the ICS.
- d. Conducted PDRA meeting on 9:00 AM, 18 February 2021.
- e. Decided during PDRA meeting that pre-emptive evacuation of residents particularly Barangay Cambane, Cadapdapan, Panadtaran, Cogtong, Panas, Lungsodaan, Poblacion, San Isidro, and Mahangin will be conducted on 8:00 AM, 20 February 2021.
- f. Conducted ocular visit and information dissemination within AOR to make sure preparation for "AURING" is in place.
- g. Dispatched Candijay Emergency Rescue Unit (CERU) to facilitate the transfer of Two (2) LSIs in Brgy. Cambane to NCDC Building in Poblacion.
- h. MSWDO conducted the relief operations for the evacuees.
- i. Conducted massive information dissemination through BDRRMCs "Rekoreda", text blasts, and house-to-house IEC "pagbalaybalay" to ensure all residents informed and prepared regarding "AURING".

MDRRMC Anda

- a. Conducted PDRA and discussed preparedness measures for "AURING".
- b. Activated 24/7 EOC and ICS.
- c. Conducted clearing operations, assessed structures, inventory of supplies, equipment, and a stockpile of goods.

- d. Placed adequate guide markers at strategic locations for evacuees and operations teams.
- e. Warned fisher folks in coastal and island barangays to take precautionary measures when going out to sea.
- f. Issued advisory regarding prohibitions for sea voyage and fishing (includes rivers) and prevented people from crossing in any body of water to coastal and island barangays.
- g. Advised household to prepare survival kits and secured roof, wall, power lines.
- h. Secured communication, power, and water supply lines.
- i. Coordinated with PNP and BFP for reporting of casualties (dead, missing, injured) and damage to structures, if any.
- j. C/MHO coordinated with PNP and funeral parlors to manage dead if any.
- k. Informed Barangay Captains “Punong Barangays” through memorandum and social media regarding the weather advisory.
- l. Activated ICS and organized SRR Teams, Monitoring and Reporting Team, Clearing Operations Team, Security Teams, and Medical Teams in ECs.
- m. Conducted inventory of supplies, equipment, and a stockpile of goods.
- n. Warned fisherfolks to take precautionary measures when going out to sea.
- o. Issued advisory regarding prohibitions for sea voyage and fishing including rivers and prevented people to cross in any body of water.
- p. Assessed evacuation centers and coordinated with PNP and BFP for reporting of casualties and damage to structures, if any.

MDRRMC Bilar

- a. Conducted an emergency meeting and PDRA to discuss preparedness measures for “AURING”.
- b. Monitored water level of the barangay bridges and rivers and conducted information dissemination of weather updates to the Barangay Captains and households living in landslide and flood-prone areas.
- c. Placed the SAR team on standby alert and prepared equipment/vehicles for evacuation operations.

MDRRMC Guindulman

- a. Informed Punong Barangays of necessary actions, monitoring, and preparations regarding weather disturbance.
- b. Convened and activated BDRRMC and led in conducting preparedness measures in their respective barangays.
- c. Conducted “bandilyo”, text blasts, and phone calls to monitor barangays and on the latest updates and weather advisories.
- d. Placed vehicles, SAR equipment on standby, and constant monitoring of coastal and hazard-prone areas.

MDRRMC Dimiao

- a. Convened the council for the municipal preparedness and plan for possible mitigating measures regarding “AURING”.
- b. Issued No sail policy (fishing) from 6:00 PM, 19 February 2021 to 6:00 PM, 21 February 2021.
- c. Conducted pruning/possibly cutting of trees that may pose harm or threat to life, limb, and property during the height of the weather disturbance.
- d. Conducted clearing operations of waterways and roads.
- e. Activated BDRRM Council and conducted an assessment of the current capability of the barangay to respond to any crisis, before, during, and after the weather disturbance.

- f. Assessment and preparation of the present capability of the evacuation centers, should the need to evacuate arise
- g. Prepared municipal assets (ambulance, transport vehicle, seagoing vessel, fire trucks, police car, etc) for possible deployment.
- h. Assessment and preparation of relief goods, should the need to distribute such arise
- i. Disseminated hourly announcement through the municipal radio communication system on the status of the weather disturbance.
- j. Convened the local team of responders to discuss and reminded the team of what needs to be done, especially since the typhoon is expected to hit Bohol on the weekend

MDRRMC Corella

- a. Conducted an urgent meeting with all staff and personnel to briefly instructed preparedness and mitigating measures regarding “AURING”.
- b. Dispatched and instructed Search and Rescue Team (COSTAR) to be on standby for any possible rescue operation in their respective barangay.
- c. Conducted PDRA on 4:00 PM, 19 February 2021, and discussed to its member and sectoral groups and/or emergency response teams (ERTS) the reminders and advisories on the preparation and mitigating measures.
- d. Eight (8) BDRRMCs conducted their respective PDRA.

MDRRMC Carmen

- a. Conducted information dissemination through SMS, handheld radios, and social media.
- b. Coordinated with the Barangay Officials for updates and monitoring.
- c. Instructed the Barangay Captains and Barangay Committee on the weather disturbance and to activate the BDRRMCs.
- d. LGU responders surveyed the areas prone to landslides and flashfloods.
- e. Stockpiled and prepositioned relief goods and all DRRM assets.
- f. Activated the MDRRM OpCen on a 24-hour basis and placed Carmen Search and Rescue Team on standby alert for possible deployment.
- g. Recommended pre-emptive evacuation to the flood and landslide-prone areas.
- h. Placed Municipal Siren (EWS) on standby in case there is a flash flood within its AOR.

MDRRMC Alicia

- a. Convened the MDRRM with the different clusters.
- b. Conducted “Reorida” in the barangays and clearing operations for hazardous trees.
- c. Monitored flood-prone barangays for possible response operations.

MDRRMC Calape

Conducted the MDRRM Meeting, information dissemination by the BDRRM, and pre-emptive evacuation.

MDRRMC Lila

Monitored weather situational in AOR.

PDRRM Negros Oriental

- a. Conducted PDRA Meeting.
- b. Enjoined all Local Disaster Risk Reduction and Management Councils (City and Municipal level) to:

- Reinforce the current EOC and establish critical preparedness measures.
 - Activate respective Barangay DRRMCs for active early warning measures and continue to be vigilant in monitoring areas prone to floods and landslides.
 - Intensify early warning and information dissemination through all information and media platforms.
 - Implement pre-emptive evacuation in areas with high to very high susceptibility to storm surges, floods, and landslides.
 - Actively coordinate and report status in Area of Responsibility (AOR) to and among all levels of DRRM system (from the Barangay Level to City/Municipal Level then to Provincial Level)
 - Enforce No-Fishing Policy and ensure that all sea travel and small-scale fishing activities are closely monitored and prohibited.
 - Ensure health protocols and COVID-19 measures are observed in all response activities.
- c. Reinforcement of LDRRMD EOC for intensified 24/7 monitoring and possible response operations.
 - d. Prepositioned rescue assets and other operational logistical supplies for possible SRR operations.
 - e. Prepositioned FFPs by the PSWDO.
 - f. Ensured adequate rice inventory by NFA in case the need arises.
 - g. Heightened alert all uniformed services and ensured preparedness for humanitarian and disaster response operations.
 - h. Activated Engineering cluster for a possible response.
 - i. Placed all Coast Guard stations and substations in Negros Oriental on heightened alert for possible response and active enforcement of sea travel preparedness protocols.
 - j. Advised capitols regarding the conduct of pre-emptive evacuation in areas with high to very high susceptibility to storm surges, floods, and landslides.
 - k. Provided food packs for the stranded passengers by PPA management.

MDRRMC Tanjay City

Activated EOC and monitoring of weather situations within AOR.

CDRRMC Dumaguete City

- a. Set-up logistical requirements and support services at the EOC (PIO & DILG Office).
- b. Monitored and disseminated weather advisories to the stakeholders and general public.
- c. Conducted orientation regarding Emergency Operation Center (EOC) to personnel who rendered duty at the EOC.
- d. Provided the proper information and awareness to the public through media interviews.
- e. Coordinated with BFP, and Barangay Emergency Response Team for possible conduct of Search and Rescue Operation.
- f. Ensured functionality of equipment and availability of logistical requirements and support mechanisms.
- g. Ensured availability of all personnel by rendering duty to the operations center and to other organizations which may be created.
- h. Briefed properly on safety and health protocols especially when there is a need for pre-emptive evacuation for the families of CDRRMC personnel.
- i. Initiated the conduct of PDRA to prepare the risk and manage its possible adverse impact on the community.
- j. Activated EOC and the appropriate Response Clusters.
- k. Organized IMT and conducted a regular inventory of resources.

- l. Institutionalized the collaboration of government and non-government agencies paving the way to a multi-sectoral and multi-disciplinary approach in DRRM.
- m. Ensured the compliance of minimum health standards in preparing for and responding to emergencies.
- n. Established operations center on health emergency management at the emergency room.
- o. Prepositioned and placed CDRRMC personnel, IMTs, social workers, health workers, rescue vehicles/equipment, and other response assets on standby alert and ready for response action.
- p. Assigned one (1) multi-cab for the delivery of supplies to the barangays.
- q. Coordinated with barangay officials for evacuation centers and camp management organization.
- r. Established ICP in front of Treasurer's Office, Burgos St., Dumaguete City, and activated SAR Teams.
- t. Provided radio communication assistance to CDRRMO by NORAD VII.
- u. CEO requested barangay captains to help warn those who extracted sand and gravel at Banica River to stop their illegal operation.
- v. Assigned rooms for evacuation centers at the following barangays of Motong, Pulantubig, and Buñao, including conjugal room and provide another evacuation in schools upon the request of barangay officials in coordination with school heads to identify proper room for evacuation by DepEd Dumaguete.

PDRRMC Cebu

- a. PHO and PSWDO prepared stockpiled food and medicine ready for distribution.
- b. PEO and PDRRMO prepared and prepositioned vehicles and heavy equipment in Southern, Central, and Northern parts/LGUs of the Province ready for deployment.
- c. Directed all Capitol frontline offices to constantly coordinate with their office counterparts in 51 LGUs for updates and other necessary actions.
- d. Raised alert status to BLUE on 18 February 2021.
- e. Cebu PHO raised the alert level of Hospitals to CODE WHITE on 19 February 2021.

CDRRMC Mandaue City

- a. Coordinated with 27 Barangays for the activation of weather disturbance preparedness.
- b. Conducted preparedness meeting with the Mandaue DRRM Preparedness and Response Cluster.
- c. Joined the PDRA conducted by RDRRMC together with City DRRMC and twenty-seven (27) barangays.
- d. Activated and manned the Emergency Operation Center (EOC).
- e. Conducted "Recorida" to 27 Barangays, landslide/flood-prone areas, and areas along Butuanon River and Mahiga Creek.
- f. Placed 30 personnel from DGS and eight (8) dump trucks on standby and ready for deployment.
- g. Activated three (3) City Health Disaster Medical Teams and assigned three (3) personnel at EOC.
- h. Placed Barangay Health Center on standby in the evacuation centers.
- i. Stockpiled medical supplies and ready for distribution
- j. Sent letter request to DepEd for the use of schools as an evacuation center.
- k. Advised the Barangays to convene their respective DRRM Response Team.

- l. Conducted trimming and cutting of branches of trees that will possibly fall during the storm.
- m. Placed MCPO personnel and QRT on standby for Peace and Order 24/7.
- n. Activated the Operation LISTO Protocol.
- o. Placed SRR team from Mandaue City Fire Office on standby alert and ready for deployment.
- p. Prepositioned Visayan ECO ready to cut trees and branches along power lines.
- q. Placed all response teams and medical teams on standby for possible deployment.
- r. Assisted barangays in trimming/cutting branches and trees as preemptive measures.
- s. Placed SAR vehicles of AFP on standby alert and ready for deployment.

MDRRMC Tabuelan

Activated LDRRMC-EOC and continuously monitoring its AOR.

MDRRMC Santander

- a. Conducted PDRA together with LDRRMCs and activated the LDRRMC-EOC.
- b. Prepositioned all available resources and placed on standby alert for possible deployment.
- c. Conducted "Recorida" in all coastal barangays and trimming of trees that could fall.
- d. Monitored upland barangays.
- e. Disseminated information, coordinated with BDRRMCs thru phone/social media, and monitored upland barangays.

MDRRMC Ronda

Conducted ocular survey of landslide-prone areas.

MDRRMC San Francisco

- a. Conducted MDRRMC Emergency planning and preparedness meeting.
- b. Issued and distributed the local advisory to all barangay captains, presidents of different organizations, purok presidents, and principals.
- c. Conducted public service announcements through Radio Kalampunan and "Recorida", trimming of trees, and declogging/clean up waterways.
- d. Activated Purok Disaster Risk Reduction and Management Committee and monitored coastal areas for possible response operations.

PDRRMC Siquijor

- a. Monitored and disseminated the weather updates/advisories to all members of the PDRRMC and LDRRMCs through SMS.
- b. Conducted PDRA regarding "AURING" on 4:00 PM, 20 February 2021.
- c. Provided assistance to LGUs.
- d. PNP Siquijor conducted an inventory of their resources and placed personnel, equipment, and vehicles on standby alert and ready for deployment.
- e. Placed personnel of PSWDO, Philippine Army (PA), PCG, DPWH, BFP, and vehicle/equipment on standby alert and ready for deployment.
- f. PCG conducted "Recorida" to all coastal barangays and announced the cancellation of trips due to TCWS in the province.
- g. PPA monitored ports of Siquijor Province.
- h. Monitored all health-related incidents by IPHO.
- i. Ensured the availability of health personnel and resources.

7. RDRRMC VIII

OCD VIII

- a. Continuous monitoring and coordination with P/C/MDRRMOs on their status.
- b. Conducted PDRA meeting on 19 January 2021 to discuss the preparedness measures being undertaken relative to the possible effects of the weather disturbance.
- c. Conducted HF Radio checking in preparation for the incoming weather disturbance for possible utilization.

DSWD VIII

- a. Prepositioned FFPs in Samar Island and Biliran that can be distributed immediately by the P/C/MATs to Local Government Units that need augmentation support.
- b. Ongoing packing of FFPs in the DRMD Operations Office with staff augmentation from a different division.
- c. Continuous monitoring of the weather situation through live updates of PAGASA.
- d. In close coordination with SWAD Teams and City/Municipal Actions Teams to be alerted on the impending Tropical Depression "AURING" as it may intensify in the coming days.
- e. The Regional Resource Operations Center (RROC) is conducting repacking of FFPs from the available raw materials and the Disaster Response Information Management Section is in coordination with SWAD Teams and DRMD PDOs on the ground to collect data and information as to the situation and effect of TS "AURING" in Eastern Visayas.

DENR-MGB VIII

- a. Issued Advisory on the possible effects of "AURING" to provinces, cities, and municipalities in the region and to take precautionary measures especially in hazard-prone areas.
- b. Issued list of municipalities/cities/barangays in the region with possibly affected areas based on the 120-hour model of DOST-PAGASA.

DILG VIII

- a. Released advisories and memorandum advising LCEs and field offices to monitor PAGASA bulletins from different platforms.
- b. Implemented Operation LISTO Disaster Preparedness Protocol.
- c. Implemented DILG MC 2020-125.
- d. Utilized tool in Hazard Hunter PH to generate indicative hazard report.

PRO VIII

- a. Activated Disaster Incident Management Task Group (DIMTG).
- b. Assisted in the imposition of forced evacuation of residents to evacuation centers (if situation warrants) in coordination with the LDRRMC and ensuring the COVID-19 protocols on the proper wearing of face mask and social distancing;
- c. Assessed the area and coordinate with LGU and Local DRRMC
- d. Deployed uniformed personnel to damaged commercial and business establishments and other vital installations and conduct regular foot and mobile patrol to prevent crimes against persons and property.
- e. Coordinated with Barangay Officials/community and other organized force multipliers in the area to identify would-be criminals;
- f. Increased police presence and intensify police interventions in established evacuation centers;
- g. Established Police/WCPD Assistance Desk in evacuation centers with readable Hotline Numbers and coordinate with MSWDO for the establishment of

- Women/Child-Friendly Spaces to prevent incidents of abuse, exploitation, violence, and neglect against women, elderly, girls and boys.
- h. Established checkpoints to ingress/egress in AOR especially when there is a reported incident of jailbreak and/or escape of prisoner(s).
 - i. Requested for augmentation of PNP personnel to augment the strength of local police and BJMP personnel to deter jailbreaks/escape of prisoners (if situation warrants).
 - j. Coordinated with Logistics Cluster and Search, Rescue and Retrieval (SRR) Cluster for road clearing operations.
 - k. Deployed personnel for crowd control during the distribution of relief goods in coordination with PSWDO/MSWDO in the area.
 - l. Coordinated with Local DRRMC in collating and reporting data of the dead and missing persons.
 - m. Coordinated with DPWH and Agriculture Officer for possible assessing the infrastructure and agricultural damage(s) caused by the disaster.
 - n. Directed all PDs/COPs to ensure their presence and to personally supervise the conduct of Law and Order (LAO) operations in the areas affected.
 - o. Placed 1,525 SRR personnel and 16 RSSF personnel on standby alert while 7 patrolling personnel were deployed at the evacuated communities.

DOH VIII

- a. Raised Emergency Operation Center Code Red Alert Status for COVID-19 and Code White Status for “AURING” on 18 February 2021.
- b. Monitoring and surveillance on COVID-19 and other incidents in Eastern Visayas.
- c. Activated and operational existing ICS COVID.
- d. Disseminated advisory to PDOHO offices and Regional Hospitals.
- e. Prepositioned HEM Logistics and Commodities as of December 12, 2020:

PROVINCE	TOTAL COST OF PREP LOGISTICS
Leyte	₱283,281.87
Biliran	₱121,857.50
S. Leyte	₱664,426.57
W. Samar	₱1,317,510.40
E. Samar	₱228,412.74
N. Samar	₱292,746.14
TOTAL PREPOSITIONED	₱2,908,235.22
DOH R.O. 8 Total allocated buffer	₱1,636,844.53

Note: This does not include the entire program logistics of DOH VIII.

- f. Prepositioned logistics to 6 PDOH offices and buffer commodities for an initial response.
- g. Placed all DOH transport vehicles reserved for COVID and other incident response.
- h. Organized DOH EVCHD composite teams with pre-identified members currently assigned for COVID Response. Cluster Teams will be reorganized depending on the need of the incident:
 - WASH Team
 - Health/Medical Team
 - NIE Team
 - Disease Surveillance
 - ESU (PIDSR & ESR)
 - DOH EV-CHD Response Team
- i. Disseminated Code alert to DOH EVCHD personnel and cluster partners
- j. Dissemination of code alert to PDOHO offices.

DA VIII

- a. Continuous monitoring of current weather conditions and coordination with P/C/AO on their status.
- b. Has buffer stocks of rice seeds, corn seeds, and vegetable seeds available at the regional/provincial office.

DPWH VIII

- a. Conducted inventory of functional equipment.
- b. Prepositioned all equipment on standby alert for any eventuality.

AFP VIII**Tactical Operations Group – Philippine Army**

- a. Prepared the Group's DRRO equipment for possible deployment;
- b. Alerted the Group's DRTU and placed on standby alert; and,
- c. Continues monitoring of the present weather condition.

546th Engineer Construction Battalion, Philippine Army

Issued administrative order dated 17 February 2021 regarding the list of personnel as Disaster Response Operation (DRO) Team to be on standby alert and ready for response action.

DTI Eastern Samar and Northern Samar

Conducted price and supply monitoring on Basic Necessities, Prime Commodities, and Construction Supplies to ensure compliance to SRP and availability of supply in the market.

CAAP VIII

Issued memo regarding preparedness measures on "AURING" to preserve vital facilities of the airport.

BFP VIII

Activated Blue Alert Status, conducted inventory, and checked the functionality of all available manpower, assets, and equipment for an operational response.

PCG VIII

- a. Dissemination of weather updates to all CG stations and sub-stations.
- b. Monitoring of all ports for any cancellation of trips.
- c. Directed all CG Station and sub-station to advise all motor bancas below 3 gross tonnes not to venture during bad weather and activate their respective Disaster Response Group (DRG) and prepare all rescue assets for immediate response.
- d. Placed personnel and equipment on standby alert for possible deployment.

PDRRMC Samar

- a. Coordinates with LGUs and concerned offices/agencies for preparation of SRR Teams for immediate response if needed, activation of Evacuation Centers and CCCM Teams in preparation for pre-emptive/forced evacuation on low lying areas and hazard-prone areas;
- b. Conducted clearing operations through LGUs.
- c. Continuous updating and monitoring of Weather Updates from DOST-PAGASA and dissemination of gathered information to LGUs.
- d. Placed heavy equipment ready for dispatch.

PDRRMC Biliran

- a. Activated Operations Center on a 24-hour basis.

- b. Conduct of visitation of MDRRMCs on 19 February 2021.
- c. Information dissemination thru text (SMS) blast/ group chat
- d. Stockpiling of relief items through PSWDO and prepositioned equipment (backhoe/dump truck) on standby alert through DPWH and PEO.

PDRRMC Eastern Samar

- a. Monitoring of weather updates, warnings, and advisories and dissemination to LGUs through their MDRRMOs and other agencies concerned.
- b. Dissemination of MGB List of LGUs and Barangays susceptible to flooding and landslides once received.
- c. Activation of PDRRMC, Emergency Operation Center, and ICS as needed.
- d. Placed PDRRMC Emergency Response Team on standby alert for possible deployment.
- e. Prepositioned relief goods and conducted ongoing relief preparation.

PDRRMC Southern Leyte

- a. Activation of Provincial/City/Municipal EOC (P/C/MEOC) on a 24-hour basis and placed ERTs on standby for possible deployment.
- b. Identified dedicated Evacuation Centers for pre-evacuation of vulnerable/affected families separate from those currently utilized as Isolation/Quarantine Facilities to prevent the spread of the COVID-19 in the AOR.
- c. Conducted widest dissemination of weather advisories to the communities via Tri-Media Outlets, Social Media, and Radio Communication volunteer Groups.
- d. Advised City and Municipal DRRMCs enjoins BDRRMCs to undertake precautionary measures and submit their actions taken/situation reports to City/Municipal EOCs for monitoring and reference.
- e. Conducted the daily roll call of all DRRM EOCs via our Province-Wide Radio Communication Network including our partners at the Radio Communications Groups.

CDRRMC Tacloban City

- a. Raised Blue Alert Status and activated CDRRMC Operations Center on a 24-hour basis.
- b. Advised all concerned to take precautionary measures and to prepare for the possible impact of the weather disturbance
- c. Advised Barangays under its AOR to:
 - Submit preparedness measures to include emergency response goods and materials and inventory of evacuation centers intended for hydro-meteorological or other hazards

- d. Produced and published news stories and photo releases relative to “AURING”

PDRRMC Agusan del Norte

- a. Conducted PDRA Meeting on 18 February 2021.
- b. Activated EOC.

- c. Prepositioned response vehicles and equipment (4 Dump trucks on standby) at Sanghan Motorpool. All Fire Stations on standby for deployment.

PDRRMC Agusan del Sur

- a. Activated EOC on a 24-hour basis.
- b. Disseminated weather updates/warnings/advisories to P/C/M/BDRRMC Members
- c. Advised the LDRRMCs to undertake precautionary measures emphasizing proactive measures—pre-emptive evacuation rather than rescue to ensure zero casualties but with the observance of COVID-19 Health Management Protocols.
- d. Conducted PDRA with PDRRMC Members and C/MDRRMCs.
- e. Prepositioned search/rescue equipment, FNFI including medicines.
- f. Placed SRR Teams (AFP/PNP/544ECB/Reservist/BFP/SARAS) on standby alert and ready for deployment.
- g. Conducted massive information dissemination regarding precautionary measures through Provincial Public Information Office (PPIO) with other media.
- h. Advised all MDRRMCs to activate their EOC on a 24-hour basis.
- i. Tapped Sangguniang Kabataan for weather update information dissemination and other disaster preparedness activities.

PDRRMC Surigao del Sur

- a. Conducted PDRA Meeting and advised LDRRMOs to conduct the same.
- b. Issued Memorandum to MDRRMCs and BDRRMCs activation of Municipal/Barangay EOCs.
- c. Conducted Inventory of resources and preposition.
- d. Issued advisory on no sailing policy.
- e. Conducted pre-emptive evacuation in island barangays (Aengasa, Cagwait-, Bacolod, Babuyan, Dahican, Panikian, and Tag-anito in Cantilan).
- f. Issued Executive Orders re Work Suspension, No Sailing, and No Swimming policy.
- g. Issued memorandum to MDRRMCs and BDRRMCs for the activation of Municipal/Barangay EOC 24/7, the establishment of evacuation centers compliant to minimum health standard for possible evacuation of highly vulnerable families, no sailing policy, work suspension, and coordination/reporting system protocols.

PDRRMC Dinagat Islands

- a. Conducted PDRA Meeting on 18 February 2021.
- b. Issued Executive Order No.02-06 s, of 2021 reactivation of the Public Safety Protocols of the Province of Dinagat Islands to address the threat of “AURING”.
- c. Activated Provincial EOC into Blue Code Alert and Response Cluster.
- d. Conducted clearing operations through the cutting of trees as a potential hazard in Provincial Care and Containment Center (PCCC).
- e. DEPED identified the rooms that are used as quarantine facilities (Sta. Cruz ES and Cuarenta ES), the rest of the schools ready to be used as an evacuation center.
- f. NAPOCOR prepositioned standby power to support Loreto and a portion of Mabini, Tubajon.
- g. DIELCO conducted preventative maintenance in preparation for “AURING”.
- h. Food and Non-Food Items Response Cluster initiated packing of relief goods in preparation for possible augmentation of food packs to affected populace.
- i. Emergency Telecommunication Response Cluster ensured functionality of three (3) radio base in Provincial EOC, Brgy. Cab-ilan, Dinagat, and Surigao City Satellite Operations Center.

- k. DENR collaborated with the Provincial EOC in generating GIS-based monitoring of evacuees vis-à-vis families' subject for pre-emptive/force evacuation.
- l. Conducted the following activities through Provincial Information Office (PIO) about "AURING" and its effects in Dinagat Islands:
 - Generated news reports in Bisaya for broadcasting via radio and television and posting via social media
 - Compiled URLs of Executive Orders and other issuances of MLGUs posted on their respective Facebook Pages
 - Maintained continuous radio broadcasting to provide regular weather news and updates at different times since 19 February 2021.
 - Produced and broadcasted Bantay Bagyo, a new program for the continuing coverage of "AURING" and the public safety protocols and response activities of the Provincial Government and its partners in the MLGUs and national line agencies.
 - Continued the radio broadcast of Balitaang Dinagatnon, the flagship news program of the PIO, and Mystical Moments, an entertainment and music program where topics concerning disaster preparedness were discussed
 - Broadcasted infomercials containing relevant hotlines (disaster response, health, and public safety) via radio and television
 - Posted regularly disaster-related advisories, issuances, infographics, and other relevant news in the PIO Facebook Page and other social media platforms based on information gathered from DOST-PAGASA, Provincial EOC, MLGUs through MIOs, other verified sources
 - Managed the live streaming of news radio programs broadcasted through the DXPH / DTV Facebook Page
 - Posted and disseminated infomercials containing relevant hotlines (disaster response, health, and public safety) via social media
 - Responded to queries regarding sea travel and other matters, affected by "AURING" sent to the PIO Facebook Page inbox by citizens

PDRRMC Surigao del Norte

- a. Activated EOC and conducted PDRA Meeting.
- b. Prepositioned SAR equipment and food and non-food items including medicines.
- c. Activated and deployed ERTs for flooded areas in the province.
- j. Conducted pre-emptive and forced evacuation to flooded areas in the province.
- k. Issued advisory to LDRRMCs to undertake precautionary measures emphasizing proactive measures and pre-emptive evacuation rather than rescue to ensure zero casualties but with the observance of COVID-19 Health Management Protocols.

CDRRMC Butuan City

- a. Conducted PDRA Meeting on 18 February 2021, 1:00 PM.
- b. Activated EOC effective 19 February 2021 and IMT and the Response Cluster.
- c. Implemented pre-emptive and forced evacuation in barangays located along riverbanks.
- d. Prepositioned response assets/resources for deployment and FNFI and medicines for provision and augmentation.
- e. Conducted inventory of logistics and emergency response assets.
- f. Prepositioned NFI (1,135 blankets, 963 plastic mats, 1,115 cooking pots, 7,536 plastic plates, 7,344 plastic drinking glass, 430 stainless fork, 4,427 stainless spoons and 1,467 family bags) and 2,000 FFPs.
- g. Coordinated PCG Agusan del Norte Station for the issuance of advisory on the suspension of voyages of sea vehicles/watercraft once TCWS No. 1 is issued.
- h. Conducted pre-emptive and forced evacuation in several areas of Butuan City located along the riverbanks.

12. RDRRMC CAR

- a. Conducted PDRA meeting thru video-teleconference participated by different member-agencies and LDRRMCs on 19 February 2021.
- b. Heightened alert and monitored its AOR.
- c. Participated in the PDRA meeting conducted by NDRRMC on 17 February 2021 via video-teleconference.

OCD CAR

- a. Coordinated with the Local Disaster Risk Reduction and Management Councils (LDRRMCs) and council members of the Cordillera RDRRMC particularly on monitored incidents, local weather situations/status, road network conditions, the alert status of LDRRMOs and council members, and other disaster-related reports/incidents.
- b. Disseminated weather advisories to the public thru Emergency Broadcast System in digital TV application and online platform.

DOST CAR

Continuous monitoring and maintenance of Community-Based Flood Early Warning Systems in coordination with LGUs and DOST-ASTI.

DILG CAR

- a. Ensured availability of food and non-food items for augmentation to the LGUs in times of disaster.
- b. Placed QRTs on standby for possible augmentation.
- c. Prepositioned relief resources in the regional warehouse.
- d. Ensured availability and necessary use of standby funds and readiness of transport vehicles.
- e. Continuous coordination with Cordillera RDRRMC EOC.

DSWD CAR

- a. QRTs are on standby and ensured the availability of FNFI for augmentation to LGUs.
- b. Continuous cascading of the alert advisories and rainfall forecasts to Social Welfare and Development Teams (SWADTs).
- c. Updated the master list of all available and active evacuations centers and ensured compliance to Camp Coordination and Camp Management (CCCM) and Internally Displaced Person (IDP) Protection COVID-19 guidelines and other issuances to COVID-19 response in the event of an evacuation.
- d. Ensured the availability of 13,527 FFPs amounting to ₱6,770,475.65, NFIs amounting to ₱21,795,886.34, and Standby funds amounting to ₱657,790.56.

DPWH CAR

- a. Disseminated information on the status of road networks.
- b. Monitored the national road networks and bridge situations in the Cordillera region through DPWH District Engineering Offices (DEOs).

DICT LCI

- a. Provided free public internet access in public places to augment emergency communication in various communities in the Cordillera.
- b. Continuous monitoring, operations, and maintenance of Regional Government Network in Baguio City.

PROCOR

- a. Placed PNP PROCOR personnel and capabilities/resources on standby.
- b. Conducted inventory of SAR equipment.
- c. Closely coordinated with the Cordillera RDRRMC EOC and on standby mode for possible disaster operations, deployment, and augmentation.

BFP CAR

- a. Coordinated with the Cordillera RDRRMC EOC and placed on standby alert for possible disaster operations, deployment, and augmentation.
- b. Placed on standby for the possible activation of Oplan Paghalasa (Paghahanda Laban sa Sakuna) in anticipation of a worst-case scenario.

DOH CAR

- a. Continuous monitoring of uneventful health and health-related incidents, in close coordination with the Cordillera RDRRMC EOC.
- b. Ensured adequacy of prepositioned logistics and buffer stock to the Provincial Department Offices (PDOHOs).

PIA CAR

Continuous information dissemination on safety tips, public advisories, and road alerts in close coordination with the Cordillera RDRRMC EOC.

AFP

Placed on heightened alert and continuous monitoring of the AOR.

Tactical Operations Group (TOG) 1, PAF

Placed on standby for possible response augmentation and to support the conduct of RDANA through an aerial survey.

14th CAR RCDG, ARESOM and 503IBDE, 5ID, PA

Placed on heightened alert and placed on standby for possible augmentation.

PDRRMCs Abra, Apayao, Benguet, Ifugao, Kalinga, Mountain Province, and CDRRMC Baguio City

- a. Placed on heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- b. Monitored municipalities and barangays along Abra River Basin and other flood-prone areas.
- c. Maintained RED alert status to continuously monitor the COVID-19 and weather disturbance.

13. RDRRMC BARMM

OCD BARMM

- a. Coordinated with MDRRMOs and PDRRMO of LDS and Maguindanao for updating on effects of TS "AURING".
- b. Furnished report to BARMM Rapid Emergency Action on Disaster Incidence (READI) OpCen, MSSD-Maguindanao, MILG, and MOH-BARMM
- c. Continuous monitoring and dissemination of Alert/Warning Advisories to affected Municipalities/Province in BARMM.
- d. Attended the PDRA Meeting conducted by NDRRMOC.
- e. Connected through Virtual EOC established by NDRRMOC.

PDRRMCs Maguindanao and Lanao del Sur

Continuous monitoring within the AOR.

14. METRO MANILA DRRMC

OCD NCR

- a. Continuous dissemination of weather advisories and updates via email, Viber, Busybee, and social media.
- b. Continuous dissemination MGB Geohazard advisory via email and Viber.
- c. Issued MMDRRMC Memo No. 7 re Submission of Preparedness Measures re TS "AURING".

CDRRMC Pasay City

- a. Continuous coordination among LDRRMC member agencies in preparation for TS "AURING".
- b. Continuous monitoring of weather advisories and updates within the AOR.
- c. Established ICP and installed Rainfall Gauge Monitoring at Pasay City Sports Complex, FB Harrison St., Pasay City.
- d. Maintained 24/7 Operations.
- e. Prepositioned response vehicles: 2 ambulances, 1 rescue truck, 1 rescue vehicle, 1 RDANA vehicle, 1 tricycle, and 1 E-Tricycle and equipage to identify high-risk areas.
- f. Close coordination with BDRRMCs thru FB Page and Group Messages.

CDRRMC Caloocan City

- a. Continuous monitoring of weather through the PAGASA website and dissemination of advisories and updates to BDRRMCs and CDRRMC members.
- b. Advised BDRRMCs to monitor their AOR, especially those in low-lying areas.

CDRRMC Mandaluyong City

- a. Conducted PDRA meeting via Zoom on 3:00 PM, 19 February 2021.
- b. Monitored weather conditions and provided regular weather updates to twenty-seven (27) barangays, CDRRM Council Members, and the general public via radio, telephone, SMS, and social media accounts.
- c. Instructed the city response cluster members to continue to monitor weather updates.
- d. Placed city, barangay, and volunteer response units on standby alert for possible deployment.
- e. Conducted tree trimming operations in coordination with MERALCO and barangays personnel

CDRRMC Quezon City

- a. Released Yellow Alert Status and placed all clusters, IMT, and BDRRMCs on standby alert for possible deployment on 19 February 2021.
 - b. Released localized weather forecast, tropical cyclone advisory, and 5-day localized weather outlook thru QCDRRMC FB Page.
 - c. Alerted all low-lying, flood-prone, and landslide-prone barangays for the possible effects of "AURING".
 - d. Monitored rainfall, all flooded areas per district, and river water levels.
 - e. Inspected prepositioned assets in Apolonio Samson, Tatalon, Sto. Domingo and Del Monte.
-

Preparedness Measures and Effects of Severe Tropical Storm "AURING"
