TO : ALL MEMBERS OF DISASTER RISK REDUCTION AND MANAGEMENT COUNCILS AT THE NATIONAL, REGIONAL, PROVINCIAL, CITY, MUNICIPAL LEVELS AND BARANGAY DISASTER RISK REDUCTION AND MANAGEMENT COMMITTEES, HEADS OF NATIONAL GOVERNMENT AGENCIES, CONSTITUTIONAL OFFICES, STATE UNIVERSITIES AND COLLEGES, GOVERNMENT OWNED AND/OR CONTROLLED CORPORATIONS, AND PRIVATE STAKEHOLDERS

SUBJECT : Digitization of Advisories, Bulletins and Updates via NDRRMC Situation Monitoring Dashboard

In the effort to streamline the delivery of disaster response services, this Memorandum is hereby issued to inform all stakeholders on the ongoing digitization of Advisories, Bulletins and Updates through the **NDRRMC Situation Monitoring Dashboard**. The NDRRMC Situation Monitoring Dashboard shall provide real-time monitoring and categorization of hazards and incidents as reported by warning agencies, OCD Regional Offices and other stakeholders. The reports will be digitally organized based on the regional location of the hazard/incident and the time of report issuance.

Presently, the OCD is in the process of testing the NDRRMC Situation Monitoring Dashboard to replace the routinary printing and manual sending of NDRRMC Advisories, Bulletins and Updates. During the testing period, usual appropriate emergency channels shall be used by the OCD in cases of major eventualities that require NDRRMC response intervention. **By 01 October 2020, the testing of the NDRRMC Situation Monitoring Dashboard shall be completed and the site shall be made accessible for public use via <https://www.ndrrmc.gov.ph/>.**

For information and guidance.

For the Chairperson, NDRRMC:
