

NDRRMC UPDATE

Sitrep No. 10 re Preparedness Measures and Combined Effects of Intertropical Convergence Zone (ITCZ) and Tropical Storm "DANTE" (I.N. CHOI-WAN)

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 11 June 2021, 8:00 AM

Sources: DOST-PAGASA, DSWD, MGB, DOH, DILG, DA, DPWH, OCDROs NCR, CAR, I, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, XI, XII, CARAGA, and BARMM

I. SITUATION OVERVIEW

A. CHRONOLOGY (TAB A)

05 June 2021

Tropical Depression "DANTE" moved northwestward towards the vicinity of Yaeyama Islands near the northern limit of the Philippine Area of Responsibility. At 4:00 AM, it was estimated at 330 km North Northeast of Itbayat, Batanes or over the sea south of Yonaguni Island (Okinawa), Japan with a maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, and central pressure of 1000 hPa. No tropical wind signal was in effect.

At 10:00 AM, TD "DANTE" left the Philippine Area of Responsibility.

As of 02 June 2021, 8:00 PM, TS "DANTE" made a total of 8 landfalls from 01 to 02 June 2021.

TS "DANTE" LANDFALLS			
No.	Location	Date	Time
1	Sulat, Eastern Samar	01 June 2021	8:30 PM
2	Cataingan, Masbate	02 June 2021	1:00 AM
3	Balud, Masbate	02 June 2021	3:30 AM
4	Romblon, Romblon	02 June 2021	8:00 AM
5	San Agustin, Romblon	02 June 2021	8:50 AM
6	Pola, Oriental Mindoro	02 June 2021	2:00 PM
7	Tingloy (Maricaban Is.), Batangas	02 June 2021	7:20 PM
8	Calatagan, Batangas	02 June 2021	8:00 PM

II. EFFECTS

A. Related Incidents (TAB B)

The following incidents were monitored and reported in Regions MIMAROPA, VII, VIII, XII, CARAGA, and BARMM:

REGION	MARITIME INCIDENT	LANDSLIDE	FLOODING / FLASHFLOOD	RIVER SWELLING	RIVER SCOUR	FLASHFLOOD & SOIL EROSION	SOIL EROSION
TOTAL	7	3	61	1	1	4	2
CALABARZON	2	0	0	0	0	0	0
MIMAROPA	5	1	13	0	0	0	0
VII	0	0	1	0	0	0	0
VIII	0	0	19	0	0	0	0
XII	0	2	27	1	1	4	0
CARAGA	0	0	0	0	0	0	2
BARMM	0	0	1	0	0	0	0

Sources: OCDROs

B. Affected Population (TAB C)

A total of **30,892 families** or **129,015 persons** were affected in **509 barangays** in **Regions III, CALABARZON, MIMAROPA, V, VI, VII, VIII, XI, XII, and CARAGA**. Of which, **17 families** or **53 persons** are currently taking temporary shelters in **2 evacuation centers**.

Source: DSWD DROMIC No. **10** on TS "DANTE" as of **10 June 2021, 6:00 PM**

Note: Ongoing validation is being conducted

C. Casualties

A total of **11 dead, 2 missing, and 3 injured** persons were reported in Regions MIMAROPA, VI, VII, VIII, XI, and XII.

Note: Ongoing validation and verification.

Sources: OCD Regions MIMAROPA, VI, VII, VIII, XI, and XII

D. Suspension of Work and Classes (TAB D)

A total of **18 provinces** in Regions I, III, CALABARZON, MIMAROPA, **V, VI, VIII,** and CARAGA declared work and class suspension due to TS "DANTE".

Sources: OCDROs

E. Status of Lifelines

1. Roads and Bridges (TAB E)

A total of **15 road sections** and **4 bridges** were affected in Regions CALABARZON, VII, VIII, XI, XII, and CARAGA. Of which, **3 bridges** are still not passable.

Sources: DPWH and OCDROs

2. Power (TAB F)

A total of **20 provinces** in Regions **I, III, CALABARZON, MIMAROPA, V, VI, VII, VIII,** and CARAGA experienced power interruption due to TS "DANTE".

As of 3 June 2021, power was restored in all provinces.

Sources: OCDROs

3. Communications

A total of 2 provinces in Region VIII experienced network interruption due to TS "DANTE".

REGION / PROVINCE / CITY / MUNI	STATUS	DATE AND TIME OF INTERRUPTION	REMARKS
Region VIII			
Northern Samar	26 barangays without mobile signal		Restored on 2 June 2021
Eastern Samar			
Jipapad	Whole Municipality without mobile signal	01 June 2021	Restored on 2 June 2021, 9:00 PM

F. Status of Ports

1. Airport

A total of **8 domestic flights** were cancelled on 01-02 June 2021 due to weather disturbance.

AIRLINE	TYPE	FLIGHT NO	ROUTE	DATE CANCELLED	DATE RESUMED
CebGo	Domestic	DG 6881/6882	Manila-Surigao-Manila	01 June 2021, 10:55 AM	3 June 2021
Pal Express	Domestic	2P 2905/2906	Manila-Antique-Manila	02 June 2021, 7:30 AM	5 June 2021
	Domestic	2P 2041/2042	Manila-Caticlan-Manila	02 June 2021, 10:10 AM	3 June 2021
	Domestic	2P 2043/2044	Manila-Caticlan-Manila	02 June 2021, 1:40 PM	3 June 2021

Source: NAIA/MIAA Official Facebook

2. Seaport (TABs G-1 and G-2)

A total of 341 passengers and 110 rolling cargoes are currently stranded in CARAGA.

As of 3 June 2021, all ports had resumed its operation.

H. COST OF DAMAGE

1. Agriculture (TAB H)

A total of **₱152,110,102.08** worth of damage to agriculture was incurred in Regions I, III, CALABARZON, MIMAROPA, V, VI, VIII, XI, XII, and CARAGA.

REGION	TOTAL
GRAND TOTAL	152,110,102.08
I	351,000.00
III	10,581,379.05
CALABARZON	22,336,606.45
MIMAROPA	15,099,082.57
V	9,210,991.64
VI	19,921,965.04
VIII	14,374,741.73
XI	3,121,082.70
XII	38,836,521.01
CARAGA	18,276,731.89

Note: For further validation and verification.

Sources: Department of Agriculture and NIA MIMAROPA

2. Infrastructure (TAB I)

A total amount of **₱155,088,000.00** worth of damage to infrastructure was incurred in Regions MIMAROPA, VII, XII, and CARAGA.

REGION	TOTAL
GRAND TOTAL	155,088,000.00
MIMAROPA	39,071,000.00
VII	36,200,000.00
XII	78,317,000.00
CARAGA	1,500,000.00

*Note: Figures are still subject to change due to ongoing assessment and validation.

III. DISASTER PREPAREDNESS (TAB J)

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensures dissemination of Severe Weather Bulletins, Weather Advisories, Gale Warning, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Issued NDRRMC Memorandum No. 52, s. 2021 regarding Emergency Preparedness and Response Measures for TS "DANTE" dated 01 June 2021.
- Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- Conducted PDRA Core Group Meeting together with RDRRMCs NCR, CAR, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, IX, X, XI, XII, and BARMM on 31 May 2021, 4:00 PM via video teleconferencing.
- Disseminated a total of **27** Emergency Alert and Warning Messages (EAWM).
- Established and activated the Virtual Emergency Operations Center (EOC) on 01 June 2021.
- Issued NDRRMC Memorandum Nos. 55 and 57, s. 2021 re Activation and Deactivation of the Response Clusters ICOW "DANTE" dated 02 and 08 June 2021, respectively.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs NCR, CAR, I, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, XI, XII, CARAGA, and BARMM are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warning, Severe Weather Bulletins, and General Flood Advisories through SMS, facsimile, and official social media websites.

C. PRE-EMPTIVE EVACUATION (TAB K)

A total of **775 families / 2,700 persons** were pre-emptively evacuated in Regions III, V, and VII.

*Note: Figures are still subject to change due to ongoing assessment and validation.
Sources: DSWD DROMIC No. 3 on TS "DANTE" as of 02 June 2021, 6:00 PM, and OCDROs*

IV. DISASTER RESPONSE (TAB L)

The NDRRMC Response Cluster ICOW TS "DANTE" was activated on 02 June 2021, 6:00 PM through NDRRMC Memorandum No. 55, s. 2021. Hence activating the following clusters to monitor and facilitate emergency response and humanitarian assistance:

- Food and Non-Food Items (DSWD)
- Camp Coordination and Camp Management (DSWD)
- Internally Displaced Persons Protection (DSWD)
- Health (DOH)
- Logistics (OCD)
- Search, Rescue, and Retrieval (AFP) *(on stand-by)*
- Emergency Telecommunications (DICT) *(on stand-by)*
- Education (DepEd) *(as the need arises)*
- Law and Order (PNP) *(as the need arises)*

A. COST OF ASSISTANCE

A total of **₱4,815,162.25** worth of assistance was provided by the DSWD and LGUs to the affected families in Regions III, CALABARZON, MIMAROPA, VI, XI, XII, and CARAGA.

REGION / PROVINCE/ CITY / MUNI	COST OF ASSISTANCE (₱)			
	DSWD	LGU	OTHERS	GRAND TOTAL

Preparedness Measures and Combined Effects of Intertropical Convergence Zone (ITCZ) and Tropical Storm “DANTE” (I.N. CHOI-WAN)

CHRONOLOGY TROPICAL CYCLONE BULLETIN

As of 11 June 2021, 8:00 AM

25 May 2021

At 3:00 PM today, a Low Pressure Area (LPA) was estimated based on all available data at 885 km East of Mindanao (6.7°N, 133.8°E). It is embedded along the Intertropical Convergence Zone (ITCZ) affecting Mindanao. Easterlies affecting the rest of the country. Mindanao experienced cloudy skies with scattered rainshowers and thunderstorms caused by ITCZ.

26 May 2021

Intertropical Convergence Zone (ITCZ) affected the Southern Mindanao while Easterlies affected the rest of the country. Zamboanga Peninsula, Bangsamoro, and SOCCSKSARGEN experienced cloudy skies with scattered rainshowers and thunderstorms caused by ITCZ.

27 May 2021

Intertropical Convergence Zone (ITCZ) affected Mindanao. Easterlies affecting Luzon and Visayas. Metro Manila and the rest of the country experienced partly cloudy to cloudy skies with isolated rainshowers caused by ITCZ.

28 May 2021

Intertropical Convergence Zone (ITCZ) affected Mindanao. Easterlies affecting Luzon and Visayas. Partly cloudy to cloudy skies with isolated rainshowers caused by ITCZ / Easterlies.

29 May 2021

Intertropical Convergence Zone (ITCZ) affected Mindanao. Metro Manila and the rest of the country experienced partly cloudy to cloudy skies with isolated rainshowers or thunderstorms caused by ITCZ / localized thunderstorms.

30 May 2021

At 5:00 AM, Tropical Depression east of Mindanao entered the Philippine Area of Responsibility (PAR) and was named “DANTE”. At 4:00 AM, the center of TD “DANTE” was estimated at 1,000 km east of Mindanao with maximum sustained winds of 45 km/h near the center, gustiness up to 55 km/h, the central pressure of 1,004 hPa, and moving West Northwestward at 15 km/h.

At 5:00 PM, TD “DANTE” decelerated and moved west-northwestward over the Philippine Sea east of Mindanao. At 4:00 PM, it was estimated at 835 km east of Mindanao with maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, the central pressure of 1,002 hPa, and moving west Northwestward at 15 km/h.

At 11:00 PM, TD “DANTE” maintained its strength while moving northwestward. At 10:00 PM, it was estimated at 685 km east of Davao City with maximum sustained winds of 55 km/h

near the center, gustiness up to 70 km/h, the central pressure of 1,000 hPa, and moving Northwestward at 15 km/h.

31 May 2021

At 5:00 AM, TD "DANTE" intensified into a Tropical Storm (TS). At 10:00 AM, the center of TS "DANTE" was estimated at 625 km East of Davao City, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, and moved North Northwestward at 15 km/h. Gale-force winds extend outward up to 50 km from the center.

At 11:00 AM, TS "DANTE" slightly intensified while moving northwestward over the Philippine Sea.

At 5:00 PM, TS "DANTE" maintained its strength as it continued to move Northwestward over the Philippine Sea. At 4:00 PM, it was estimated at 375 km East Northeast of Hinatuan, Surigao del Sur or 455 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

TCWS No. 1 was raised in the eastern portion of Northern Samar (Mapanas, Gamay, Lapinig, Palapag, Laoang) and the northeastern portion of Eastern Samar (Arteche, San Policarpio).

At 11:00 PM, TS "DANTE" maintained its strength as it continued to move Northwestward over the Philippine Sea. At 10:00 PM, it was estimated at 375 km East of Surigao City, Surigao del Norte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 1 was raised in LUZON: the eastern portion of Sorsogon, Northern Samar, Samar, Eastern Samar, Biliran, the eastern portion of Leyte, the eastern portion of Southern Leyte (Sogod, Libagon, Saint Bernard, San Juan, Anahawan, Hinundayan, Silago, Hinunangan), Dinagat Islands, and Siargao, and Bucas Grande Islands.

01 June 2021

As of 5:00 AM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated at 310 km East of Surigao City, Surigao del Norte or 380 km East of Maasin City, Southern Leyte (10.2°N, 128.3°E), with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, and a central pressure of 996 hPa.

As of 8:00 AM, TS "DANTE" turns west-northwestward while over the Philippines Sea East of Dinagat-Siargao Island. At 7:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 270 km East of Maasin City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 11:00 AM, TS "DANTE" maintains its strength while moving westward over the Philippine Sea east of the Dinagat-Siargao Islands area. At 10:00 AM, the center of TS "DANTE" (CHOI-WAN) was estimated based on all available data at 235 km east of Maasin

City, Southern Leyte, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa, moving westward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 2:00 PM, TS “DANTE” is now moving north-northwestward towards the southern portion of Eastern Visayas. At 1:00 PM the center of TS “DANTE” (CHOI-WAN) was estimated on all available data at 220 km East Northeast of Maasin City, Southern Leyte, or 125 km east southeast of Guiuan, Eastern Samar, with maximum sustained winds of 75 km/h near the center, gustiness up to 90 km/h, the central pressure of 996 hPa. Moving North Northwestward at 15 km/h, and gale-force winds extend outward up to 100 km from the center.

As of 5:00 PM, TS “DANTE” slightly weakens as it continues to move north-northwestward closer towards Eastern Samar. At 4:00 PM, the center of TS “DANTE” (CHOI-WAN) was estimated based on all available data at 85 km East Northeast of Guiuan, Eastern Samar or 110 km East Southeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, the central pressure of 998 hPa, moving North Northwestward at 25 km/h, and gale-force winds extend outward up to 100 km from the center.

TCWS No. 2 was raised over Catanduanes, Camarines Sur, the southern portion of Camarines Norte, Masbate including Ticao and Burias Island, Albay and Sorsogon, Eastern Samar, Samar, Northern Samar, Biliran, and the northeastern portion of Leyte.

Meanwhile, TCWS No. 1 was raised over Rizal, Laguna, the southeastern portion of Batangas, Quezon including Polillo Islands, the rest of Camarines Norte, Marinduque, and Romblon, the northeastern portion of Aklan, the northeastern portion of Capiz, the northeastern portion of Iloilo, the northeastern portion of Negros Occidental, the northern portion of Cebu, the northeastern portion of Bohol, the rest of Leyte and Southern Leyte, Surigao del Norte including Siargao and Bucas Grande Islands, Dinagat Island, the northern portion of Agusan del Norte, the northern portion of Agusan del Sur, and the northern portion of Surigao del Sur

As of 8:00 PM, TS “DANTE” maintains its strength and is about to make landfall over the northern portion of Eastern Samar. At 7:00 PM the center of TS “DANTE” was estimated based on all available data at 55 km East Northeast of Borongan City, Eastern Samar, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, and a central pressure of 998 hPa, moving northwestward at 30 km/h, and gale-force winds extend outward up to 100 km from the center.

At 8:30 PM, the center of TS “DANTE” made its landfall in the vicinity of Sulat, Eastern Samar.

02 June 2021

As of 2:00 AM, TS “DANTE” made another landfall in the vicinity of Cataingan, Masbate. At 1:00 AM the center of TS “DANTE” was estimated based on all available data in the vicinity of Cataingan, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and a central pressure of 998 hPa, moving west-northwestward at 20 km/h, and gale-force winds extend outward up to 80 km from the center.

As of 5:00 AM, TS “DANTE” is now off the southwestern coast of Masbate and is heading towards the vicinity of Romblon. At 4:00 AM the center of Tropical Storm “DANTE” (CHOI-WAN) was estimated based on all available data including those from Mactan and Iloilo

Doppler Weather Radars over the western coastal waters of Balud, Masbate, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 8:00 AM, TS "DANTE" is about to make landfall in the vicinity of Romblon. At 7:00 AM, The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Iloilo Doppler Weather Radar over the southern coastal waters of Romblon, Romblon, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and Gale-force winds extend outward up to 50 km from the center.

As of 11:00 AM, TS "DANTE" is now moving Northwestward and is approaching the eastern coast of Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving west at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 2:00 PM, TS "DANTE" continues to move northwestward towards the southwestern portion of Batangas - northeastern portion of Oriental Mindoro. At 1:00 PM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the over the coastal waters of Pola, Oriental Mindoro or 45 km East Southeast of Calapan City, Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 1000 hPa, moving northwestward at 25 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 5:00 PM, TS "DANTE" is now moving west northwestward ang is heading towards the Southwestern coast of Batangas. At 4:00 PM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Calapan, Oriental Mindoro, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving West Northwestward at 15 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 8:00 PM, TS "DANTE" is now over the Verde Island passage and is moving towards the southwestern coast of Batangas. At 7:00 PM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Calapan, Oriental Mindoro, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 20 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 11:00 PM, TS "DANTE" has crossed the southwestern portion of Batangas and is now heading towards the Bataan Peninsula-Southern Zambales area. At 1:00 AM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data ncluding those from Subic Doppler Weather Radar over the coastal waters of Nasugbu, Batangas, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 15 km/h, and gale-force winds extend outward up to 50 km from the center.

03 June 2021

As of 2:00 AM, TS "DANTE" maintains its strength and is now over the coastal waters west of the Bataan Peninsula, with The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data including those from Subic Doppler Weather Radar

over the coastal waters of Morong, Bataan, maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving Northwestward at 20 km/h, and with gale-force winds extend outward up to 50 km from the center.

As of 5:00 AM, TS "DANTE" now over the coastal waters of Northern Zambales after passing very close to the western coast of central and Southern Zambales. At 4:00 AM, The center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data over the coastal waters of Santa Cruz, Zambales, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving North northwestward at 25 km/h, and with Gale-force winds extend outward up to 50 km from the center.

As of 8:00 AM, TS "DANTE" continues to move north northwestward over the coastal waters west of Pangasinan. At 7:00 AM the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data 145 km West Northwest of Dagupan City, Pangasinan, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, north northwestward at 35 km/h, and gale-force winds extend outward up to 50 km from the center.

As of 11:00 AM, TS "DANTE" maintains its strength while moving northwestward over the West Philippine Sea. At 10:00 AM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data 205 km West Northwest of Dagupan City, Pangasinan or 190 km West Southwest of Sinait, Ilocos Sur, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving northwestward at 35 km/h, and with gale-force winds extend outward up to 50 km from the center.

As of 5:00 PM, TS "DANTE" decelerates as it moves northwestward over the West Philippine Sea. At 4:00 PM, the center of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data 255 km West of Sinait, Ilocos Sur, with maximum sustained winds of 65 km/h near the center, gustiness up to 90 km/h, and central pressure of 998 hPa, moving northwestward at 25 km/h, and with gale-force winds extend outward up to 50 km from the center.

As of 11:00 PM, TS "DANTE" is now moving generally northward over the West Philippine Sea West of Ilocos Norte. At 10:00 PM, the enter of Tropical Storm "DANTE" (CHOI-WAN) was estimated based on all available data 260 km West Northwest of Sinait, Ilocos Sur or 250 km West Northwest of Laoag City, Ilocos Norte, with maximum sustained winds of 65 km/h near the center, gustiness up to 80 km/h, and central pressure of 998 hPa, moving northward at 20 km/h, and with gale-force winds extend outward up to 80 km from the center.

04 June 2021

At 3:00 AM, the center of Tropical Storm "Dante" (CHOI-WAN) (OUTSIDE PAR) was estimated based on all available data at 285 km Northwest of Laoag City, Ilocos Norte with maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h. It is moving Northward at 20 km/h. Meanwhile, the Low Pressure Area (LPA) was estimated based on all available data at 690 km East of Legazpi City, Albay.

"DANTE" weakened into a Tropical Depression and was inside the PAR. At 4:00 PM, the center was estimated at 210 km West Northwest of Basco, Batanes or 185 km West of Itbayat, Batanes. TCWS No. 1 was raised in Batanes.

At 10:00 PM, the center of Tropical Depression “DANTE” (CHOIWAN) was estimated at 160 km North of Itbayat, Batanes or over the coastal waters of Orchid Island, Taiwan.

05 June 2021

Tropical Depression “DANTE” moved northwestward towards the vicinity of Yaeyama Islands near the northern limit of the Philippine Area of Responsibility. At 4:00 AM, it was estimated at 330 km North Northeast of Itbayat, Batanes or over the sea south of Yonaguni Island (Okinawa), Japan with a maximum sustained winds of 55 km/h near the center, gustiness up to 70 km/h, and central pressure of 1000 hPa. No tropical wind signal was in effect.

At 10:00 AM, TD “DANTE” left the Philippine Area of Responsibility.

Preparedness Measures and Combined Effects of Intertropical Convergence Zone (ITCZ)
and Tropical Storm "DANTE" (I.N. CHOI-WAN)
RELATED INCIDENTS
As of 11 June 2021, 8:00 AM

AREAS AFFECTED	CITY/MUNICIPALITY	BARANGAY	TYPE OF INCIDENT	DATE OF OCCURRENCE	TIME OF OCCURRENCE	DESCRIPTION

Preparedness Measures and Combined Effects of Intertropical Convergence Zone (ITCZ) and Tropical Storm “DANTE” (I.N. CHOI-WAN)

DISASTER PREPAREDNESS

As of 11 June 2021, 8:00 AM

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring and ensures dissemination of Severe Weather Bulletins, Weather Advisories, Gale Warning, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Issued NDRRMC Memorandum No. 52, s. 2021 regarding Emergency Preparedness and Response Measures for TS “DANTE” dated 01 June 2021.
- d. Conducted Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 31 May 2021, 2:00 PM via video teleconferencing.
- e. Conducted PDRA Core Group Meeting together with RDRRMCs NCR, CAR, II, III, CALABARZON, MIMAROPA, V, VI, VII, VIII, IX, X, XI, XII, and BARMM on 31 May 2021, 4:00 PM via video teleconferencing.
- f. Disseminated a total of **27** Emergency Alert and Warning Messages (EAWM).
- g. Established and activated the Virtual Emergency Operations Center (EOC) on 01 June 2021.
- h. Issued NDRRMC Memorandum Nos. 55 and 57, s. 2021 re Activation and Deactivation of the Response Clusters ICOW “DANTE” dated 02 and 08 June 2021, respectively.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Participated in the Pre-Disaster Risk Assessment (PDRA) Analyst Group Meeting on 30 May 2021, 2:00 PM and provided Weather Update re Tropical Storm “DANTE” during Pre-Disaster Risk Assessment (PDRA) via video teleconferencing on 31 May 2021, 4:00 PM.
- b. Continuous weather monitoring and provision of weather updates.

3. Department of Social Welfare and Development (DSWD)

- a. Disaster Response Management Bureau (DRMB) closely coordinated with the concerned field offices for significant reports on the status of affected families, assistance, and relief efforts.

4. Department of Health (DOH)

- a. Raised Code Alert.
- b. Sent weather alert memorandum to all Centers for Health Development and BARMM Ministry of Health and DOH-retained hospitals.
- c. Monitored the weather disturbance through DOST-PAGASA.
- d. Placed 51 Health Emergency Response Teams for deployment.
- e. Prepositioned ₱12,476,830.79 worth of drugs and medical supplies.
- f. Ensured the availability of supplies worth ₱37,446,427.52 at the DOH Central Office warehouse.
- g. Coordinated with TG Service Continuity Plan for possible vaccination sites that will be affected by TS “DANTE”.

- h. Attended Pre-Disaster Risk Assessment on 31 May 2021.
- i. Provided hygiene kits, medicines, and jerry cans in CARAGA Region.
- j. Implemented strict adherence to health protocol and minimum standards for COVID 19.
- k. Reiterated DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID19 during disaster evacuation and displacement in Region V.
- l. Coordinated with concerned Provincial DOH Offices (PDOHO), Provincial Health Offices (PHOs), Office of the Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Council.
- m. Joined in the Vaccination Preparedness and Response Meeting with NVOC and RVOC and presented Situation Report re Typhoon DANTE.

5. Department of the Interior and Local Government (DILG)

- a. Provided all available information (i.e., PAGASA's Global Spectral Model/Weather Research Forecasting Model Forecast Rainfall, Severe Weather Bulletins and Tropical Cyclone Warning for Shipping; and MGB's Updated Barangay List of LGUs Prone to Landslide, Debris Flow and Flood) to all DILG Regional and Field Offices regarding Tropical Depression DANTE through texts and e-mails.
- b. Activated the Emergency Operations Centers and Disaster Online Reporting and Monitoring System (DORMs) for Tropical Depression DANTE in DILG Regions X, XI, and XII as of 31 May 2021, 12:00 NN.
- c. Advised concerned LGUs to establish critical preparedness actions based on the Operation L!STO Protocols, and DILG Memorandum Circular No. 2020-125 - LISTO SA TAG-ULAN AT COVID-19: Preparedness Measures of LGUs for the Rainy Season CY 2020.
- d. Attended LDRRMC PDRA meetings.
- e. Informed and advised LCEs, LDRRMOs, and Punong Barangays to activate its respective EOCs.
- f. Prioritized the prepositioning of supplies, equipment, and personnel for response.
- g. Reminded LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes.
- h. Directed all concerned regions to assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID-19 testing requirements will not hamper and delay the entry, passage, and operations of all government and private sector disaster response personnel.
- i. Recommended the activation of BDRMMCs for early warning measures and monitoring of weather updates and hazard prone areas, conduction of canal clearing operations, implementation of pre-emptive evacuation in areas with high to very high susceptibility to hazards brought by the weather disturbance, restriction or ban of tourist activities, cessation of mining activities, and implementation of No-fishing policy and sea travel restrictions.

6. Department of Agriculture (DA)

- a. Activated the DA Regional DRRM Operation Centers.
- b. Issued advisories to provinces through the Agricultural Program Coordinating Offices (APCOs).
- c. Coordinated with LGU counterparts and other RDRRM related offices and monitored the actual field situation for possible agricultural damage.
- d. Prepositioned seeds of rice and corn, and drugs and biologics for livestock and poultry.
- e. Ensured the availability of Quick Response Fund (QRF) for the rehabilitation of affected area, Survival and Recovery (SURE) Loan Program of Agricultural Credit

Policy Council (ACPC), and the Philippine Crop Insurance Corporation (PICC) to indemnify affected farmers.

7. Department of Public Works and Highways (DPWH)

- a. Activated the DPWH DRRM Teams of possibly affected Regional and District Engineering Offices.
- b. Monitored the status of national roads and bridges.
- c. Placed maintenance crew and equipment on standby ready for deployment.
- d. Conducted clearing operations.

8. Mines and Geosciences Bureau (MGB)

- a. Provided a list of cities and municipalities susceptible to landslide and flood to the NDRRMOC and other concerned offices for information, reference, and redundancy of information.
- b. Attended the NDRRMC Emergency Meetings and PDRA Meetings, and presented and recommended the following:
 - Vigilant monitoring of areas showing signs of landslides such as tension cracks, seepages, terracettes, and tilting of trees.
 - Avoid areas affected by repeated flooding, meandering with riverbank erosion, floodplain with shifting and braiding streams, coastal areas, affected by storm surge, flashflood areas, and river deltas with many distributary channels.
 - Be aware of the geohazard in its respective area thereby informed re availability of MGB Geohazard maps in the barangay, municipal, and provincial LGUs nationwide as well as its respective MGB Regional Offices.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs NCR, I, CAR, II, CALABARZON, MIMAROPA, V, VI, VIII, IX, X, XI, XII, and BARMM are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with its respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC NCR

OCD NCR

- a. Continuously disseminates weather advisories, updates and MGB Geohazard advisory via email, Viber, Busybee, and social media
- b. Issued MMDRRMC Memo No 25 re Submission of Preparedness Measures and Actions Taken re TS “DANTE”

DOST-PAGASA

Continuous dissemination of weather advisories, warnings, and severe weather bulletins.

DILG NCR

- a. Shared online monitoring templates with the DILG Field Offices, which they shall accomplish, concerning the LGU weather situations and LGU preparedness and response actions, based on L!sto and COVID19 protocols.
- b. Assigned duty officers who will assist in the monitoring of the preparedness and response actions undertaken by the LGUs.
- c. Provided updates to LGUs, through DILG Field Offices, about the effects of TS “DANTE”.

DILG Field Offices

- a. Informed LGUs re TS “DANTE”, take necessary preparedness actions
- b. Implement pre-emptive evacuation and/or forced evacuation if necessary.

DSWD NCR

- a. Stockpiled and status of commodities and standby funds.
- b. Continuous monitoring of weather conditions and other emergencies through telephone, internet, cellphone, etc. by the Response Management Division Staff and Quick Response Team Leaders.
- c. FO-NCR and the FO-DROMIC Focal tasked to prepare the consolidation of disaster reports in the event of 24 hours monitoring.
- d. Continuous provision of Disaster Assistance Family Access Card (DAFAC) to requesting LGUs.
- e. Maximized the availability and accessibility of at least four (4) vehicles.
- f. Activated QRT FO-NCR in response to any eventualities.
- g. Established EOC.

MMDA

- a. Mobilized 2 Light USAR Teams, 1 Rescue Van, 2 Military Truck, 6 ambulance, 36 personnel, 5 ambulance, 3 tow trucks, 3 fire trucks, 2 fork lift, 1 crane, 3 chainsaw, and 4 RB with OBM.
- b. Disseminated typhoon information advisory to MMDRRMC member agencies, LGUs and other Stakeholders.
- c. Continuously coordinates for any updates.
- d. Activated MMDRRMC EOC and ensured radio connectivity to MMLDRRMC attached agencies.
- e. Standby of 1 team composed of 3 personnel for rubber boat, 1 K9 personnel and 4 personnel for EOC/IMT.

CDRRMC Malabon City

- a. Reviewed contingency plan for typhoon and flood and hazard Risk Map.
- b. Discussed Operation Listo to concerned agencies and official.
- c. Monitored weather condition from PAGASA Bulletin and issued weather advisory to 21 barangays.
- d. Issued “Alert and Monitoring” status to all Malabon City DRRMC member agencies and BDRRMC.
- e. MCDRRMC and BDRRMC on standby/on call status and advised BDRRMC to activate their respective EOC to undertake precautionary measures.
- f. CSWDD prepositioned relief goods for possible evacuees.
- g. Checked all pumping stations and flood gates to ensure all is working.
- h. Ensured availability of medicine and supplies for possible medical operation.
- i. Prepositioned Search and Rescue and conducted inventory of resources and equipment.
- j. Identified high-risk area per barangay with estimated number of population and possible evacuation center.
- k. Prepositioned RDANA team, debris cleaning team, vehicles and other logistical support.

CDRRMC Parañaque City

- a. Disseminated advisories and coordinated with 16 barangay DRRMs Committees regarding possible effects.

- b. Advised barangays to take necessary preparedness measures for flooding especially in low-lying areas.
- c. Standby WaSAR Team, CSWDO Response Team, CHO HEMS Medical Teams and Parañaque Central Fire Station Teams.
- d. Prepositioned 100 family food packs available.
- e. Conducted ocular visit of flood prone areas and waterways.
- f. Monitored waterways and flood prone areas.
- g. CENRO Task Force conducted clearing operation, de-clogging and trimming operations in major roadways and waterways.

CDRRMC Makati City

- a. Released weather information to the members of the Makati DRRM Council.
- b. Alerted SAR personnel for possible recall and check condition and functionality of equipment.
- c. Prepositioned of Water Search and Rescue Equipment in flood-prone barangays.
- d. Placed personnel and vehicles on standby for possible deployment.
- e. Alerted and assigned personnel in flood-prone areas.
- f. Conducted inventory of supplies and alerted MSWD disaster response team for possible recall or deployment.
- g. BFP ensured availability of fire rescue, medical personnel, apparatus and auxillary unit in strategic location.
- h. HEMS prepared emergency medical kits, tents and medicine. Standby for medical services.
- i. Makati Central Police deployed mobile patrol cars for monitoring of flood-prone areas and alerted personnel of Makati CPS for possible deployment.
- j. Engineering Office put engineering personnel on standby for possible evacuation operations and prepared equipment such as dump trucks, tower lights and genset.
- k. Disseminated weather forecasts to BDRRMCs.

CDRRMC Pasig City

- a. Monitored weather updates and disseminated weather advisory.
- b. Continuous coordination with PCDRRM Council members, barangay, school and public sectors on possible effects.
- c. Advised barangays to submit situation report for documentation purposes.
- d. Continuous coordination with PCDRRM Council members, barangay, school, and public sectors on the effects of TD "DANTE" within their AOR.

CDRRMC Caloocan City

- a. Closed monitoring and dissemination of weather advisories through PAGASA website.
- b. Prepositioned OCA Boat in low-lying areas.
- c. Vehicles and Equipment are on stand-by status.

CDRRMC Valenzuela City

- a. Conducted inventory of supplies, equipment, and stockpile of goods for evacuees and responders.
- b. On standby for prepositioning of resources for typhoon/flooding.
- c. Identified low-lying areas/barangay for immediate response and possible pre-emptive or force evacuation.

CDRRMC Navotas City

Released advisories related to flood, rainfall, safety and evacuation.

CDRRMC Las Piñas City

- a. Disseminated NDRRMC and PAGASA Severe Weather Bulletin Advisories
- b. Standby personnel for possible activation of SRR and WASAR.

2. RDRRMC I

- a. Conducted Regional PDRA meeting on 31 May 2021 via VTC.
- b. Conducted an Emergency Meeting on the Possible effects of TS “DANTE” on 2 June 2021.
- c. Monitored its respective AOR.

OCD Region I

- a. Participated in the Regional PDRA on 31 May 2021 via VTC.
- b. Disseminated severe weather bulletins and weather advisories.
- c. Issued and disseminated the following RDRRMC Memoranda:
 - No. 21 re Raising of Blue alert status ICOW TS “DANTE” effective 2 June 2021, 8:00 AM.
 - No. 22 re Activation of Bravo Protocol as Level for Disaster Response Actions ICOW TS “DANTE”.
 - No. 23 re Raising of Red Alert Status ICOW TS “DANTE” effective 2 June 2021, 12NN.
 - No. 24 Advisory on Pre-emptive Evacuation and No Sail Policy ICOW TS “DANTE”.
 - No. 26 re Downgrading of Alert Status from Red to Blue ICOW TS “DANTE” (CHOI-WAN) effective 04 June 2021, 5:00 PM.

DSWD FO1

- a. Coordinated with the RDRRMC1 and Provincial Operations Offices (POOs).
- b. Coordinated with the different Provincial/City/Municipal Disaster Risk Reduction and Management Councils (P/C/MDRRMCs) and Provincial/City/ Municipality Social Welfare and Development Offices (P/C/MSWDOs) to monitor the adverse effects that might be brought by the weather disturbance.
- c. Activated and placed DSWD FO 1 Incident Management Team (IMT) on duty while other DSWD staff are on standby for possible augmentation.
- d. Ensured availability and readiness of resources with details as follows:

Standby Funds

A total of ₱1,280,735.20 quick response funds are available and ready for disaster operations use

Stockpile

Food Items

A total of 18,936 Family Food Packs (FFPs amounting to ₱9,567,360.00 are prepositioned at different strategic locations as follows:

City/Province	No. of Stockpiled Relief Goods	Amount (₱)
DSWD FO 1 Regional Warehouse, Biday, City of San Fernando, La Union	10,769	5,492,190.00
Satellite Warehouse, Ayusan Sur, Vigan City, Ilocos Sur	2,267	1,156,170.00
Satellite Warehouse, Rosales, Pangasinan	1,900	969,000.00

Satellite Warehouse, Maningding, Santa Barbara, Pangasinan	2,000	1,020,000.00
Satellite Warehouse, Alaminos City, Pangasinan	2,000	1,020,000.00
TOTAL	18,936	9,657,360.00

Non-Food Items

A total of 14,336 non-food items amounting to ₱21,101,779.00 are prepositioned at different strategic locations:

Items	No. of Stockpiled Relief Goods	Unit Cost	Amount (₱)
Family Kit	4,863	2,300.00	11,184,900.00
Hygiene Kit	498	1,787.75	890,299.50
	2,616	1,473.50	3,854,676.00
Kitchen Kit	920	758.00	697,360.00
	3,200	739.50	2,366,400.00
Sleeping Kit	2,212	757.75	1,676,143.50
Tent	27	16,000.00	432,000.00
TOTAL	14,336		21,101,779.00

DILG Region I

- Sent weather advisories and critical cyclone track charts to the Provincial Offices.
- Activated reporting and monitoring for TS DANTE.
- Monitored DORMs for TS DANTE.
- Collated and submitted narrative reports of LGUs' disaster preparedness measures.

DOH CHD I

- Monitored its respective AOR.
- Coordinated with the four (4) Provincial DOH Office Operations Center and other concerned agencies (RDRMC1 agencies).
- Activated code alert status of contingency plan as needed.
- Prepositioned Rapid Health Assessment Team.
- Prepositioned QUAD services namely WASH, Nutrition, MHPSS, Medical/PH services Surveillance Prepositioning of emergency supplies and medicines' latest inventory of emergency supplies and medicines.

PCG Northwestern Luzon

- Strictly implemented the No Sail Policy.
- Coordinated with PDRMC, CDRMC, and MDRMCs.
- Prepositioned Deployable Response Group (DRG) including water and land assets of respective units.
- Conducted information dissemination to all fisherfolks and residents nearby coastal areas.

Naval Forces Northern Luzon

- Activated the alert status to Red.
- Alerted all NFNL units to conduct precautionary measures.
- Mustered and accounted DRR Teams and equipment.
- Monitored the weather condition within its respective AOR.

702nd BDE Philippine Army

Prepositioned Disaster Response Task Group/Unit (DRTG/DRTU) personnel and equipment on standby.

DPWH I

- a. Conducted assessment of flood control and drainage structures.
- b. Prepositioned Quick Response Assets (QRAs) for any eventualities.

PNP I

- a. Prepositioned and placed mobility assets, and search and rescue equipment on standby.
- b. Police stations conducted roving and warned residents living in flood and landslide prone areas.

BFAR I

- a. Regional Command Center and Provincial Command Center continuously monitored the AOR.
- b. Implemented the preparedness and precautionary measures by all operating units concerned, and secured all critical floating assets.
- c. Monitored fisheries' projects and production facilities, and reporting by concerned PCs.

MGB I

- a. Issued advisories to identified landslide and flood-prone areas.
- b. Alerted Local Government Units (LGUs) that are prone to flooding and landslide hazards.
- c. Disseminated MGB List of Barangays susceptible to landslide and flood based on the most recent DOST-PAGASA Rainfall Data.
- d. Recommended Local Government Units (LGUs) to closely monitor the areas mentioned by MGB.

DENR-EMB I

- a. Disseminated RDRRMC Memorandum Nos. 24 and 24 to all personnel via viber.
- b. Monitored weather condition and PAGASA forecasts and bulletins within AOR for guidance and proper action.

PPMC

Conducted inspection within its AOR and noted no damages to property and injuries to persons.

DTI I

- a. Instructed DTI Provincial Offices to conduct intensified monitoring on the prices of basic necessities and prime commodities.
- b. Provided the list of products covered by the price freeze due to the declaration of state of calamity.

PDRRMC Pangasinan

- a. Raised its alert status to RED on 2 June 2021, 11:00AM.
- b. Prepositioned and placed the Incident Management Team on standby.
- c. Disseminated weather advisories and preparedness measures.
- d. Conducted Pre-Disaster Risk Assessment.

- e. Prepositioned and placed SAR team on standby for possible deployment.

PDRRMC La Union

- a. Activated the EOC to BLUE alert status effective 2 June 2021, 8:00 AM.
- b. Monitored and disseminated weather advisories, 24-hour public weather forecasts, gale warning, and other advisories to all C/MDRRMOs through La Union 911.
- c. Conducted PDRA and Operations Briefing re TS DANTE on 2 June 2021, 8:00 PM.
- d. Conducted inventory of resources for Disaster Response.

PDRRMC Ilocos Norte

Conducted PDRA.

PDRRMC Ilocos Sur

- a. Activated its alert status to Blue effective 2 June 2021, 8:00 AM.
- b. Monitored the weather situation within the AOR.

PDRRMC Pangasinan

CDRRMC Dagupan

- a. Coordinated with Dagupan City Police Station, Dagupan City Fire Station, PNP Maritime, Philippine Coast Guard and ABC President, City Health Office, City Social Welfare, City Nutrition Office, City Engineering Office, Dagupan Electric Company and Dagupan City Water District/PAMANA.
- b. Prepositioned equipment for clearing/rescue operations.

CDRRMC Alaminos City

- a. Activated the IMT
- b. Alerted and placed all personnel of the Alaminos Response Team and response cluster member agencies on standby.
- c. Prepositioned equipment and supplies.
- d. Conducted PDRA thru CDRRMC group chat and advised all BDRRMCs to be activated.
- e. In close coordination with members of the response cluster.
- f. Activated EOC for possible effects of TS "DANTE".
- g. Deployed roving teams.

- h. Ensured all emergency telecommunications are functional.

DILG II

- a. Activated the OpCen.
- b. Issued Memorandum to all Provincial Directors re activation of Operations Center.
- c. Disseminated and coordinated weather advisories to LCEs and MDRRMOs.
- d. Monitored and disseminated updates from field offices.
- e. Informed all LGUs and MLGOOs re activation of reporting system and necessary LGU preparedness actions.
- f. Attended the PDRA Core Group Meeting on 2 June 2021 via video teleconferencing.

DSWD-FO II

- a. Alerted all SWAD Teams/ MATs on the occurrence of TS "DANTE" and advised to coordinate with LDRRMCs.
- b. Monitored weather advisories and provided same to all RDRMTs, SWADTs, and Municipal Action Team (MATs).
- c. Ensured the availability of Food and Non-Food Items (FNFI).
- d. Prepositioned standby funds worth ₱3,000,275.68; Family Food Packs worth ₱7,554,396.00; and non-food items worth ₱12,475,531.00.

AFP

- a. Alerted the disaster response teams and ensured the availability of response assets.

- b. Coordinated with members of the CVRDRRMCs and LDRRMCs relative to the weather condition.
- c. Prepositioned response teams from 501 1BDE and 502nd BDE for possible deployment.

BFP II

- a. Strictly monitored the AOR including those landslide and flood-prone areas.
- b. Coordinated with LDRRMCs relative to the weather condition.
- c. Placed the SRU teams on standby for possible deployment.

DA II

- a. Monitored the situation within the AOR.
- b. Coordinated with the LGUs regarding the possible effects of TS "DANTE".

DENR- MGB II

- a. Attended the PDRA Core Group Meeting
- b. Issued General Public Advisory and Geohazard Advisory with list of barangays in Region II with High to Very High landslide and flood susceptibilities to OCD, DILG, and Provincial Governments.
- c. Activated the MGB RO II Geohazard Operations Center.
- d. Monitored the possible effects of TS "DANTE".
- e. Coordinated with MGB Central Office and other MGB Regional Offices for updates and effects of TS "DANTE".

DOH II

- a. Placed the ERT on standby and ready for deployment.
- b. Activated the Regional IMT.
- c. Activated the medical teams from the different DOH-retained hospitals for possible deployment.
- d. Conducted 24/7 monitoring through quad-media.
- e. Coordinated with HEMB, OCD, DRRM Offices, DMO IV, and V.
- f. Activated to Code White Alert.

DPWH II

- a. Placed the disaster response teams on alert.
- b. Ensured the availability of response assets.
- c. Closely coordinated with members of the CVRDRRMCs and LDRRMCs.
- d. Submitted timely update and advisory on road network status.
- e. Prepositioned assets to strategic locations in the region.

PIA II

- a. Disseminated weather updates and advisories.
- b. Coordinated with CVRDRRMC member agencies.
- c. Disseminated information provided by CVRDRRMC member agencies to the media and public.
- d. Posted social media cards and weather bulletins/advisories through social media.

PCG II

- a. Ensured the availability of response assets.
- b. Prepositioned personnel on standby and ready for possible deployment.

PNP PRO II

- a. Coordinated with CVRDRRMC member agencies and P/C/MDRRMCs.
- b. Disseminated weather updates/advisories to the public.
- c. Placed rescue and response assets on standby alert.
- d. Directed lower units to strictly monitor the AOR.

PDRRMC Batanes

- a. Continuous dissemination of weather advisories/bulletins through social media, email, and text messages.
- b. Coordinated with MDRRMCs and monitored the track of TS "DANTE".

PDRRMC Cagayan

- a. Activated the IMT located in the 7 strategic areas of the province.
- b. Disseminated information to C/MDRRMCs and general public through Cagayan Provincial Information Office FB Page and CPIO Teleradyo.
- c. Monitored the weather systems, all hazard web-based system, and water level of Tuguegarao Gauging Station and upper Cagayan River including all tributaries in the Province of Cagayan.

- e. Placed Task Force Lingkod Cagayan (TFLC), PDRRMO Alpha team, and other responders on standby alert.
- f. Monitored flood and landslide-prone areas within AOR and prepared for pre-emptive evacuation as situation warrants.
- g. Ensured the availability of F/NFIs and conducted inventory of resources.

MDRRMC Lal-lo

- a. Activated MDRRMC EOC on 24/7 duty.
- b. Placed Rescue-35 on standby alert.
- c. Coordinated with members of M/BDRRMC.
- d. Disseminated and monitored weather updates and water level at Cagayan River.

MDRRMC Lasam

- a. Placed on Blue Alert.
- b. Conducted PDRA.
- c. Monitored and disseminated weather update/advisories.
- d. Maintained hotline number open for inquiries and emergency.
- e. Prepositioned DARE Rescue 1204 on standby for possible mobilization.
- f. Conducted tune-up and maintenance of boat engines and clearing equipment.
- g. Prepositioned food and non-food items.

MDRRMC Pamplona

- a. Monitored the AOR and disseminated weather advisories.
- b. Placed responders on standby ready for deployment and conducted inventory of equipment and supplies.

PDRRMC Isabela

- a. Monitored the current weather condition.
- b. Coordinated with MDRRMC members and Punong Barangays and conducted IEC through MDRRMO Page.

MDRRMC Benito Soliven

Informed LDRRM Council regarding the weather advisory.

MDRRMC Cordon

- a. Informed LDRRM Council regarding weather advisory
- b. Placed responders on standby for possible response operation and monitored the weather updates.
- c. Monitored the weather updates and AOR.
- d. Conducted inventory of available stockpile.
- e. Checked supplies and facilities at evacuation centers.

MDRRMC Delfin Albano

- a. Placed on RED Alert.
- b. Monitored the weather update, water level, and AOR and coordinated with MDRRMC and BDRRMC.
- c. Disseminated IEC through social media, SMS, and radio message.
- d. Conducted inventory of response assets.

MDRRMC Divilacan

- a. Activated the EOC and disseminated warnings/bulletins regarding TS "DANTE" to BDRRMCs.
- b. Placed rescue team on standby.

MDRRMC Echague

- a. Activated the EOC and monitored the weather updates and overflow bridges.
- b. Maintained all communication/hotline for inquiries regarding TS "DANTE" and for all emergency assistance.

MDRRMC Quirino

- a. Activated the EOC and disseminated weather advisories.
- b. Organized Administrative/Logistical Support Team; and Search, Rescue and Retrieval Team.

MDRRMC Ramon

- a. Monitored the AOR and conducted inventory of stockpile and medicines.
- b. Prepositioned supplies and equipment.

MDRRMC San Mateo

- a. Placed on RED alert status.
- b. Placed MDRRMO/Rescue personnel, BFP, PNP, MSWDO, and MEO on standby alert for possible deployment.
- c. Conducted inventory of resources.
- d. Ensured availability and maintenance of evacuation centers in accordance with guidelines and protocols of COVID-19 response operations.
- e. Activated the IMT and Municipal Level Contingency.
- f. Placed Camp Coordination and Camp Management Team on standby.
- g. Disseminated advisories to MDRRMC member agencies and BDRRMCs.
- h. Monitored the track and possible effects of TS "DANTE".

MDRRMC Sto Tomas

- a. Activated the EOC.

- e. Monitored landslide-prone and low-lying areas all over Central Luzon.
- f. Monitored roads, bridges, dams, and rivers within the AOR.
- g. Attended EOC briefing on 1 June 2021 via Zoom.
- h. Conducted Regional PDRA Meeting on 1 June 2021 via Zoom.
- i. Conducted PDRA Analyst Group on 2 June 2021 via Zoom.

DOST III

Attended PDRA Analyst Group meeting on 02 June 2021 via Zoom.

DILG III

- a. Activated the OPCEN and DILG Regional Office, DMGC, Maimpis, and CSFP.
- b. Monitored the presence of LCEs in its respective areas.
- c. Disseminated track chart of TS "Dante" to all LGUs.
- d. Monitored the LGUs' preparedness and response actions.
- e. Attended the PDRA meeting on 1 June 2021 and PDRA Analyst Group meeting on 2 June 2021.

DSWD III

- a. Activated the Rapid Deployment Team DRMD to monitor the weather disturbance and coordinate with Provincial Extension Offices for the situation of its respective LGUs.
- b. Prepositioned 15 QRT's ready for deployment upon the activation of the Blue and Red Alert status.
- c. Placed QRT members, team leaders in Camp Coordination and Camp Management, trained personnel in mental health and psychosocial support and basic first aid ready for deployment.
- d. Provided a total of 7,613 family food packs stockpile, additional 24,420 FFPs and on-going procurement of 13,000 FFPs amounting to ₱ 6,725,980.000.
- e. Ensured the availability of a disaster response facilities and 1 equipment vehicles, 4 handheld radio, 13 emergency lights and 3 portable generator set.
- f. Validated the cost of assistance provided to the affected families in the Municipalities of Paombong, Orion, Orani, Mariveles, and San Marcelino.
- g. Repacked a total of 2,000 additional family food packs.

BFP III

- a. Maintained Code Red for possible rescue and response operations.
- b. Attended PDRA re TS "DANTE" on 1 June 2021.

DENR-MGB III

- a. Issued rain-induced landslide and flood advisory regarding TS "Dante".
- b. Attended PDRA regarding TS "DANTE" on 1 June 2021 and PDRA Analyst Group meeting via Zoom on 2 June 2021.

DOH III

- a. Conducted inventory of logistics at warehouses and PDOHOs.
- b. Prepositioned medicines and hygiene kits.
- c. Raised White Alert in response to TS "Dante", alerted emergency officers on duty, and placed medical response teams on stand-by.
- d. Monitored and coordinated with the PDOHOs and PHOs.
- e. Attended PDRA Analyst Group meeting on 2 June 2021 via Zoom.
- f. Formulated Regional Contingency Plan for Cold Chain Management Preparedness.
- g. Monitored the situation and conducted Rapid Health Assessment within its AOR.
- h. Reiterated the Cold Chain Contingency Plan to PHOs, PDOHOs, and DOH Hospitals.

PCG III

- a. Issued No Sail Policy Advisory in relation with Tropical Storm "DANTE".
- b. Attended PDRA re Tropical Storm "DANTE" on 01 June 2021.

Pampanga River Basin Flood Forecasting and Warning (PRFFWC)

Attended PDRA meeting re Tropical Storm "DANTE" on 1 June 2021 and PDRA Analyst Group meeting on 2 June 2021 via Zoom.

DPWH III

- a. Prepositioned resources in strategic areas within the AOR.
- b. Attended PDRA meeting on 1 June 2021 and PDRA Analyst Group meeting on 2 June 2021 via Zoom.

PDRRMC Aurora

- a. Prepositioned resources in strategic areas within the AOR.
- b. Maintained the alert status of EOC to Blue for monitoring of COVID-19 situation and TS "Dante".
- c. Coordinated with PCG to raise Gale Warning on 'No Sailing Policy' to warn fisherfolks that sea travel is risky for all types of sea crafts.
- d. Monitored and disseminated the weather condition.
- e. Coordinated with MDRRMCs and concerned agencies to monitor any untoward incident, water tributaries, and high-risk areas.

MDRRMC San Luis

- a. Issued MDRRMC memorandum re Preparedness Measures for TS "DANTE" on 31 May 2021.
- b. Conducted PDRA re TS "DANTE" on 1 June 2021.
- c. Monitored and disseminated weather advisories from PAGASA down to the BDRRMCs.
- d. Ensured the readiness of relief goods (foods and non-food items) in designated evacuation centers.

MDRRMC Dilasag

- a. Issued memorandum to activate BDRRMCs and advice Barangay officials to monitor its respective AOR for any untoward incidents.
- b. Coordinated with response agencies re possible pre-emptive evacuation.
- c. Advised fisherfolks together with PCG and BDRRMC to refrain from offshore fishing activities.
- d. Monitored river and flood-prone areas.

PDRRMC Bataan

- a. Prepositioned resources in strategic areas within the AOR.
- b. Conducted weather monitoring and dissemination of information/weather advisories.
- c. Coordinated with MDRRMCs and concerned agencies to monitor any untoward incident, water tributaries, and high-risk areas.
- d. Advised all DRRMOs and concerned agencies to respond to any eventualities within its respective AOR and reminded to comply as per Operation L!STO Checklist.

 - Vigilant monitoring within AOR for possible rise of waters prone to flooding especially on areas proximal to river channel and nood plains (prioritize areas which are highly susceptible to recent and repeated flooding for monitoring)
 - Monitor houses along esteros and riverbank for possible erosion, debris flow and flooding;
 - Conduct vigilant monitoring of landslide prone areas including moderately sloping ground with creeks/gullies;

- Strict observance of precautionary measures in responding to Search and Rescue Operations, Medical Response and Mass Evacuation;
 - Coordinate with other agencies for the assessment of safety of evacuation centers and other established COVID-19 isolation, quarantine and treatment facilities from hazards;
 - Ensure health and safety of all responders at all times
- b. All units are directed to closely monitor respective areas of responsibility, implement preparedness measures and ensure the availability of resources as necessary for monitoring and prompt responses. In addition, continuous implementation of BFPS Implan on OPLAN PAGHALASA in response to typhoons and its damaging effects.
 - c. Standby/Operational readiness of all units ready to respond to any emergency and rescue operations.

DA V

- a. Activated Regional Command and Action Center and personnel are instructed to conduct an inventory of machineries in their respective areas that can be used in evacuation and rehabilitation activities.
- b. Instructed their personnel to secure all properties, documents, computers and all electronic equipment in their work areas.
- c. On-going distribution and prepositioning of seeds for rice and high value crops and preparation of drugs and biologics for livestock and poultry needs are ready and available at DA RF05 Research Outreach Stations.

DENR-MGB

- a. Issued Landslide Warning Bulletin No 1 for Typhoon "Dante".
- b. Coordinated with PAGASA Southern Luzon of the developments of TS DANTE for the preparation of MGB Advisories.

DEPED V

- a. Advised school heads and school DRRM teams to take necessary measures to protect and secure important school documents, properties, and life; prepare for possible localized evacuation observing strict safety and health protocols.
- b. Monitored updates/advisories particularly issuances of the LGUS for suspension of classes.

DOH-CHD V

- a. On Code White Alert status per Regional Circular No. 2021-0050
- b. Activated OpCen on 24/7 alert status and attended RDRRMC PDRA thru VTC
- c. Reiterated DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID-19 during Disaster Evacuation and Displacement) during RDRRMC PDRA Meeting.
- d. Monitored weather system thru DOST PAG-ASA website/Facebook Page.
- e. Coordinated with PDO's, DOH Hospitals and DRRM-H Managers for inventory of logistics and action taken in their respective AOR.
- f. Prepositioned medical teams on standby drugs and medicines to PDO's worth ₱500,000.00.
- g. Released advisories on Typhoons thru DOH-BCHD facebook page
- h. Conducted inventory of logistics at Supply Section and Warehouse.
- i. Submitted reports to HEMS, OCD 5 and other partner agencies
- j. Buffer Stock at DOH BHD warehouse:
 - Drugs and medicines- 17,344,949.34

- Hygiene kits-4,10S,710.16
- Responder kits- 24,456.80
- Family kits- 56,828.00
- Collapsible water containers- 255,121.60
- Slim water container- 1,275,755.00
- k. Continuous monitoring of the weather disturbance
- l. Closely coordinated with the Provincial HEMS and PDOH Offices.
- m. Released regional advisory on Preparedness for TS "Dante" and Immunization-related activities (COVID-19 vaccination, OPV SIA Round 2, and Routine Immunization".
- n. Prepared logistics for delivery to Provincial Health Offices
- o. Submitted report to OCD5, HEMS and other partner agencies

Provincial DOH Offices

- a. On Code White Alert Status
- b. Coordinated with MDRRMO/RHU/LGU and monitored TS "Dante" through DOST-PAG-ASA website.
- c. Conducted inventory and prepositioned medicines.
- d. Attended SPDRRMC meeting.

DOH Hospitals

Bicol Regional Teaching and Training Hospital (BRTTH)

- a. Raised Blue Code Alert status.
- b. Conducted 24/7 monitoring of the latest tracking of the typhoon via media and all other reliable sources
- c. Conducted pre-disaster ocular inspection of hospital and secured identified vulnerable areas.
- d. Activated daily 9:00 habit meeting via Zoom application.
- e. Activated Code Blue Alert status, adjusted personnel staffing basing on the code alert raised.
- f. Continuous reporting to EXECOM, Senior House on Duty, Nurse Officer of the shift and OpCen Medical Officer on duty.
- g. Ensured availability of lifelines (communication, fuel and food).
- h. Facilitated transfers of vulnerable areas.
- i. Coordinated with OCD V regarding augmentation of manpower and logistics.
- j. Disseminated latest weather bulletin to hospital personnel
- k. Prepositioned necessary logistics at the COVID Ward, regular ward and emergency department
- l. Coordinated with network agencies
- m. Activated monitoring of typhoon related injuries at ER Department.
- n. Managed the preparation of timely and updated reports and documentation

Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

Activated on Code White Alert, standby evacuation center, and conducted pre-assessment.

Bicol Region Center (BMC)

Placed on Code White Alert and convened with safety officers regarding preparation to TS "DANTE".

DPWH V

- a. Prepositioned DRRM Team and other related assets ready for emergency response.
- b. Placed early warning signs to alert motorists against road blocks or hazards brought about by the typhoon to ensure road safety.

Joint Task Force BICOLANDIA (PA, PAF, NAVY)

- a. Placed ORO Teams and mobility assets on standby alert for possible deployment
- b. TOGS coordinated with OCDs for the prepositioning of air asset for Aerial Assessment of areas to be affected by TS "DANTE"
- c. Continuous monitoring of situation in the AOR and close coordination with R/LDRMMCs

LTO V

- a. Issued Memorandum No. 2021-05-009 - Precautionary measures on the imminent threat of TS "Dante".
- b. Implemented temporary suspension of land travel of vehicles bound for Visayas and Mindanao.

NFA V

- a. Activated Regional Operations Center.
- b. Conducted inventory of Rice at NFA warehouses in the Region V.

PCG V

- a. Implemented "NO SAIL POLICY".
- b. On-going patrol and manning of control points and patrols.
- c. Prepositioned SRR Teams on standby at the CGD Bicol Headquarters.
- d. Placed personnel, equipment and mobility on standby for possible deployment
- e. Disseminated weather updates to all sub-stations.
- f. Continuous monitoring of situation of sea ports of Bicol Region.

PNP-PRO V

- a. Attended the PDRA on 01 June 2021.
- b. Activated of Regional Disaster Incident Management Task Group (RDIMTG)
- c. Directed lower units to activate their EOC and SAR Team in preparation TS "DANTE".
- d. Activated Tactical Operations Center 24-hour close monitoring of the situation provided technical assistance and other public safety service to LDRRMC.
- e. Activated Reactionary Stand-by Support Force on 01 June 2021.
- f. Coordinated to different unit Commanders to other NGAs and PDRRMO/MDRRMO on preparation for incoming TS 'Dante'.
- g. Conducted safety reminders for security measures thru patrolling and monitoring of flood-prone areas and posting on social media.

PRC V

- a. Placed PRC chapters on 24/7 duty.
- b. Prepared response equipment, communications and logistics (wash and relief logistics).
- c. Prepared and briefing of team for deployment.
- d. Continuous coordination with the National Headquarters and PDRRMCs.

PDRRMC Albay

- a. Issued advisories regarding Preparedness Status and Evacuation Status of the Albay Province, Suspension of Work for both Private and Government, online and face-to-face classes and mall operations.
- b. Continuous coordination with the local DRRMCs and monitoring and updates of the weather disturbance.
- c. Conducted PDRA at the provincial level.
- d. Issued advisories to the public on preparedness activities.
- e. Disseminated of weather advisories and other relevant advisories to the public via sms, tri-media and social media platforms.
- f. Continuously monitors weather forecast and rainfall advisory issued by PAGASA.
- g. Attended Regional PDRA Meeting.
- h. Maintained 24-hour PDOC operation and PDRRMC-APSEMO, in close coordination and constant monitoring with LDRRMOs.
- i. Consolidated reports from LGUs, prepared and released daily activity and monitoring report and Issued PDRRMC Advisory No. 3.

PDRRMC Camarines Norte

- a. Attended Regional PDRA Meeting.
- b. Advised to monitor weather condition relative to the forthcoming weather disturbance.
- c. Disseminated weather advisories, thunderstorm advisories and other relevant weather advisories.
- d. Alerted emergency responders are alerted and put on stand-by.
- e. LCE is regularly monitoring the situation.
- f. Close monitoring of data and alert sources from PAGASA.

PDRRMC Camarines Sur

- a. Issued PDRRMC Memorandum No. 1
- b. Activated response clusters (SRR, Road Clearing, CCCM, ETC, Law and Order, Health, Education, MOM) and 24/7 IMT and EOC.
- c. Implemented no sailing policy and prohibition of other water activities starting 01 June 2021.
- d. Checked community-based early warning tool and early warning system
- e. Closely monitors AORs.
- f. Conducted pre-emptive evacuation and ensured implementation of minimum public health standards in evacuation centers.

PDRRMC Catanduanes

- a. Attended Regional PDRA Meeting
- b. Prepositioned and conducted inventory assets are inventoried and prepositioned
- c. Activated City/Municipal DRRM Operation Centers on 24/7 monitoring.
- d. Alerted barangays with flood, landslide and storm surge prone area.
- e. Disseminated warning/alerts/advisories from PAGASA MWS to PDRRMC member agencies, MDRRM Officers and to the general public.
- f. Coordinated with key PDRRMC member agencies and MDRRM Officers to closely monitor their AORs.

PDRRMC Masbate

- a. All Members of the PDRRM Council have prepared all the necessary resources needed for immediate response.
- b. Activation of EOC and 24n OpCen of PDRRMO Masbate.

- c. Close monitoring with PAGASA for latest weather updates.
- d. Close monitoring with all C/MDRRMOs of the Province of Masbate for their reports.

- a. Continuous monitoring and updates of the weather disturbance.
- b. Disseminated information and weather advisory obtained from PAGASA regarding the TS "DANTE" to SPDRRMC Member/LDRRMOs, public and concerned person thru broadcast, social media, INFOBOARD and INFOSYS.
- c. Issued Memorandum No. 0521-04 regarding Weather Advisory and Memorandum No. 2021 – 08 regarding Blue Alerts Status:
- d. Conducted PDRA Meeting with SPDRRMC Members/Stakeholders and LDRRMOs;
- e. Attended the Emergency PDRA Meeting for Tropical Storm "CHOI-WAN" or "DANTE" hosted by the RDRRMC Bicol.
- f. Issued of temporary cancelation of travel traversing to Visaya's and Mindanao;
- g. Reminded Quarry Operators to extract stockpile of materials that may block the flow of water ways and to avoid flooding, flash flood and blockage of river channels and tributaries.
- h. Conducted inventory of prepositioned goods, rescue equipment and resources;
- i. Pre-positioned soup kitchen for distribution to strategic areas for standees/travelers.
- j. Plotted coordinates and conducted assessment to all possible affected municipalities.
- k. Ensured clear lines of communication with all DRRMOs for updates and coordination.
- l. Operation Center on 24/7 standby alert.
- m. Issued PHO Memorandum No. 2021-0036, DOH Declaring of Code White Alert in relation to TS "DANTE".
- n. Advised LDRRMOs to conduct are advised of the preemptive evacuation within their AOR.
- o. Task-Force Tagapagbisay continuously monitoring and manage standees at Matnog Port, Pilar Port and along Maharlika Highway.
- p. Continuous distribution of commodities to Putiao, Matnog and Pilar Standees.

CDRRMC Naga

- a. Attended Regional PDRA Meeting
- b. Standby of Search and Rescue Personnel
- c. Conducted inventory of equipment.
- d. Timely monitoring of weather situation.

9. RDRRMC VI

OCD VI

- a. Conducted EOC Monitoring via Zoom to PDRRMCs and RDRRMC re TS DANTE on June 1, 2021 at 5:00 PM.
- b. Attended PDRA Core Group Meeting re TS DANTE on 31 May 2021, 4PM.
- c. Continuous dissemination of warning advisories and issuances.
- d. In close coordination with the PDRRMCs and CDRRMCs (Highly Urbanized Cities) for updates.
- e. Attended the Virtual EOC with NDRRM Operations Center on 01 June 2021.
- f. Continuous monitoring of the AOR.

DILG

- a. Issued Advisory on Activation of EOC and Disaster Online Reporting and Monitoring System.
- b. In close coordination with DRRM Focals for the latest updates on TS DANTE.
- c. Continuous information dissemination of the weather updates to DILG Field Offices.

DSWD

- a. Issued Memorandum on the activation of QRT and raising of Status to Red Alert.
- b. In close coordination with Provincial DROMIC Counterpart.
- c. On-going repacking of FFPs in the regional warehouse.
- d. Augmentation of QRT Isabela, NOC to MSWDO Staffs.
- e. Continuous monitoring and dissemination of weather updates.

MGB

- a. Disseminated Landslide and Flood Advisory for the Local Chief Executive in Region VI re TS "DANTE".
- b. Advised all LGUs to consult the geohazard maps and to check the susceptibility of their AOR to flooding, flash flood and rain-induced landslides. LGUs belonging to moderately to highly susceptible to be ready to evacuate in case of an imminent danger.

DPWH

Prepositioned all personnel in District Engineering Office.

PNP PRO VI

Deployment/Standby Teams and Equipment as of June 03, 2021 12:00NN:

- 149 SRR Personnel deployed, 1,094 Personnel on standby
- 18 RSSF Personnel deployed, 409 Personnel on Standby
- 18 PNP Personnel deployed in ECs, 0 Personnel in Vacated areas
- 18 PNP Personnel patrolling at evacuated communities

On-going monitoring status of TS "DANTE".

MDRMMC Jabonga , Tubay and Remedios T. Romualdez

- a. Continuously monitors the status of TS "DANTE".
- b. On-going evacuation of the affected families in their respective AORs.

MDRMMC Carmen

- a. Continuously monitors the status of TS "DANTE".
- b. Prepositioned rescue team on standby alert status.

MDRMMC Las Nieves

- a. Conducted PDRA Meeting.
- b. Continuous monitoring of TS "DANTE".

MDRRMC Kitcharao

- a. Continuous monitoring of TS "DANTE".
- b. Coordinated with BDRRMC Committee.

PDRRMC Agusan del Sur

- a. Activated EOC.
- b. Disseminated weather updates/warnings/advisories to PDRRMC, C/MDRRMCs and BDRRMCs members.
- c. Close monitoring of the weather and water level of C/MLGUs under AOR.
- d. Advised all LDRRMOs to undertake precautionary measures giving emphasis on proactive measures – pre-emptive evacuation rather than rescue to ensure zero-casualty.
- e. Conducted PDRA Meeting with PDRRMC and C/MDRRMCs members.
- f. Conducted massive information dissemination on precautionary measures.

15. RDRRMC BARMM**OCD BARMM**

- a. Continuous monitoring is being conducted by OCD-ARMM 24/7 OpCen.
- b. Coordinated with MDRRMOs and PDRRMOs re effects of TS “DANTE” and disseminated weathers advisories/updates of the weather disturbance.
- c. Coordinated with MDRRMOs and PDRRMOs regarding the effects of TS “DANTE”.
- d. Furnished report to BARMM READI OpCen, MSSD, MOH-BARMM, DOST-PAGASA Cotabato Station and MILG.
- e. Attended National PDRA Meeting on 31 May 2021.

MOH BARMM

- a. Coordinated with Provincial HEMS Maguindanao, BARMM READI, and OCD BARMM.
- b. Continuous monitoring of the flooding incidents.
- c. Attended National PDRA Meeting on 31 May 2021.

PDRRMC Maguindanao

- a. Continuous monitoring and dissemination of alert warning and advisories is being conducted by PDRRMO 24/7 Operation Center.
- b. In close coordination with PDRRMO Bukidnon re status of the four (4) Dams in the province of Bukidnon.
- c. Continuous monitoring of low lying/flood prone municipalities in Maguindanao.
- d. Conducted ocular assessment and validation on extent of flooding in Sultan Sa Barongis on 21 May 2021.

MDRRMC Datu Piang

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Continue/on-going assessment on the effect of floods with BDRRMC.
- c. Coordinating with BDRRMC on possible evacuation of affected residents.
- d. Continuous monitoring of water level at Rio Grande and Dansalan river and the movement of water hyacinths.
- e. In close coordination with RHU on health concerns.
- f. Municipal Agriculture Officer still on assessment re extent of agricultural damages.

MDRRMC Datu Saudi Ampatuan

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Conducted assessment and monitoring of affected barangays.

MDRRMC General Salipada K. Pedatun, Datu Hoffer, and Datu Adbullah Sangki

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Conducted validation and assessment re effects of flooding in the AOR.

MDRRMC Pagalungan

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Provided 300 sacks of quality rice to be repack and 500 pcs of Tarpaulin (Trapal) for the affected population.

MDRRMC Mamasapano

- a. Continuous monitoring is being conducted by MDRRMO 24/7 OpCen.
- b. Coordinated with OCD-BARMM and PDRRMO-Maguindanao regarding the effects of TS "DANTE".

MDRRMC Ampatuan

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Coordinated with BDRRMC re Flooding Incident and regularly checking of Water Level Marker at Dicolongan Bridge.
- c. Conducted ocular inspection and recorida for awareness of possible worst-case scenario on the affected barangays.
- d. Placed transportation vehicle on standby for possible pre-emptive evacuation.

MDRRMC Matanog and Shariff Saydona Mustapha

Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.

MDRRMC Sultan Sa Barongis

- a. Continuous monitoring and disseminating of Weather Advisories are being conducted by MDRRMO 24/7 OpCen in their AOR.
- b. Conducted validation and assessment of extent of flooding incident.
- c. Assisted the PDRRMO in the conduct of ocular assessment and validation re flooding incident in the AOR.

enhanced by Tropical Storm "DANTE" (I.N. CHOI-WAN)

DISASTER RESPONSE
As of 11 June 2021, 8:00 AM

I. DISASTER RESPONSE (In Cluster)

A. FOOD AND NON-FOOD ITEMS (F/NFIS)

1. Department of Social Welfare and Development (DSWD)

Actions Taken

DSWD- CAR

- Monitored the weather updates and information.
- Ensures availability of food and non-food items for resource augmentation as the need arises.
- DSWD-FO CAR ensures above 1,000 prepositioning of FFPs to satellite warehouses in the 6 Provinces of CAR.

DSWD V

- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.

DSWD VI

- Repacked family food packs in the regional warehouse.

DSWD VII

- Warehouses in the three island provinces are also on standby alert for any response activities. Repacking of goods is continuously being done to replenish stocks and maintain the needed quantity of stockpile of goods. Volunteers from the AFP including DSWD Regional staff and personnel came to assist the Labangaon warehouse.

DSWD VIII

- Prepositioned Family Food Packs (FFPs) in Samar Island, Biliran and Southern Leyte which can be distributed immediately by the P/C/MATs to Local Government Units that need augmentation support.

DSWD XII

- Released 500 family food packs, 146 malong, and 146 mats for the affected families in LGU of Banga.

DSWD CARAGA

- DSWD-FO Caraga facilitated the release and delivery of 1,338 Family Food Packs amounting to ₱571,132.44 for the flood affected families in Butuan City.
- Facilitated the release and delivery of additional 301 Family Food Packs amounting to ₱127,064.14 for the flood affected families in Butuan City.

B. CAMP COORDINATION AND CAMP MANAGEMENT and INTERNALLY DISPLACED PERSON PROTECTION (CCCM and IDPP)

1. Department of Social Welfare and Development (DSWD)

Camp Management Summary

- There are 241 families or 861 persons currently taking temporary shelter in 6 evacuation centers in Regions VI and Caraga.

C. SEARCH, RESCUE, AND RETRIEVAL (SRR)

1. Armed Forces of the Philippines

DPWH CARAGA	674	89
TOTAL	7,665	1,093

Source: BOM_SITREP_TS DANTE as of 3PM June 4, 2021

- Activated DPWH DRRM Teams of possibly affected Regional and District Engineering Offices
- Monitored the status of national roads and bridges
- Maintenance crew and equipment are on standby ready for deployment.

3. DOTr

- Processed the request of OCDRO V for the temporary suspension of land transportation bound for Visayas and Mindanao via Matnog Port or any ports in Region V

4. DOE

- Alerted members of the Task Force on Energy Resiliency (TFER), pursuant to the Department Circular No. DC2018-01-001,
- Activated respective Operations Center;
- Activated respective Operations Center;
- Activated action plans and / or contingency plans;
- Conducted inventory of oil supply in the affected areas through the DOE-OIMB.

5. NEA

- Send advisory to all Electric Cooperatives (ECs).
- Send reminder advisory to those ECs that might be directly affected.
- Coordinated with the Philippine Association of Technical Managers (PHILATMEC) for organization and dispatch of PRRD Task Force to affected ECs.
- Coordinate with the ECs for further guidance.
- Coordinate with the Task Force Energy Resiliency (TFER) and National Disaster Risk Reduction and Management Council (NDRRMC).

6. NATIONAL GRID CORPORATION OF THE PHILIPPINES (NGCP)

- Implemented necessary preparations and precautions to minimize the impact on transmission operations and facilities
- Ensures the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.
- Monitored flood at the substation and its access road and prepare anti-flooding materials such as sump pumps, clean drainage system, sandbags.

7. NATIONAL TRANSMISSION CORPORATION (TRANSCO)

- Monitored status of the grid before and after the typhoon thru physical presence in the National Control Center and report to TFER Viber Group as it happens
- Physical inspection of damaged TransCo facilities (if any) and submit a report to DOE.

8. NATIONAL POWER CORPORATION (NAPOCOR)

- Stationed personnel of the flood operation team at the dam offices and respective areas for the expected discharge warning operation;
- Coordinated with local officials and related agencies;
- Disseminated pertinent dam discharge warning information / notices to the public and concerned agencies;
- Conducted inspection of equipment and facilities required for the operation of spill gates; power supply system including auxiliary generator, telecommunication systems, telemetering and warning systems including patrol vehicles, and stock materials including fuel;
- Continuous intensive basin monitoring and analysis of hydro-meteorological data from a variety of sources relative to the flood operation for efficient assessment of the current and forecasted situation affecting basin;
- Implemented necessary measures to manage dam inflow and regulate outflow from the dam in order to avoid dam overtopping and endangering lives and properties downstream.

1. Department of Information and Communications Technology

DICT Central Office

- Attended Pre-Disaster Risk Assessment (PDRA) Meeting for Tropical Storm DANTE conducted on 31 May 2021, 1600H
- Continuous monitoring, coordination, collation and collaboration of reports from different regional offices

DICT LC1- Northern Luzon and CAR

- Continuous monitoring of weather conditions and inventory of emergency equipment

DICT LC2- Central Luzon

- Participated in the Quezon PDRMMC, Batangas PDRRMC and Regional Task Force 3 Pre-Disaster Assessment (PDRA) meetings

DICT LC3- Southern Luzon (MIMAROPA and Bicol)

- Installation and configuration of VSAT at DICT Sorsogon..
- Temporary disassembly of VSAT for equipment safety against wind, for reassembly and commissioning immediately after deemed safe.
- Coordinated with different partner agencies and volunteers on the status of telecommunication signals in their area of responsibility
- Attended PDRA Meetings with OCD Region 4B and with Camarines Norte PDRRMC
- Lending of TP link router with sim card to PDRRMC – Romblon. ● Attended PDRA Meeting

DICT VC2- Central and Eastern Visayas

- Restored the GovNet domain (went down at 9:00 AM and was restored at 1:20 PM)
- GECS Team tested HF Radio
- OCD Region 8 monitoring and on standby on their respective frequencies.
- Attended Pre-Disaster Risk Assessment Region 7 and submitted the preparedness measures of the cluster

DICT MC2- Northern Mindanao and CARAGA

- Attended the Region XIII PDRA Meeting for TS Dante. As agreed in the meeting, CARAGA region is on Standby (GREEN) Status. At 5 pm, raise EOC at BLUE Alert Status.
- Continuous monitoring of OCD-13 VHF frequency for updates.

Office of Civil Defense - Central Office

- HF Radio Operators at OCD Regional office on standby
- Radio checking to regional offices and other agencies
- Satellite phones at OCD Central Office and ROs on standby
- OCD ETC team and communication equipment on standby for possible deployment
- OCD Regional Offices collaboration with Volunteer Groups (PARA) through voice and data

Actions Taken

- Disseminated NDRRMC Memo No. 54 informing all regions on the activation of Bravo Protocol;
- Participated in the Pre-disaster Risk Assessment (PDRA) called by the Office of Civil Defense (OCD)
- Prepared a schedule of DRRMS staff assigned to prepare Situation Reports and Education Cluster Updates;
- Monitored schools on their preparedness measures as per DO 83 s. 2011 and DM 108 s. 2016 and in connection to the ongoing COVID-19 pandemic;
- Disseminated advisories from DOST-PAGASA and IECs on Preparedness Measures for Storm Surge and Flood to exposed and affected regions and divisions;
- Coordinated with the exposed regions on schools with class suspension, schools used as evacuation centers, flooding incidents, and other incidents related to TS "DANTE"
- Deployed TS "DANTE" Monitoring Sheet
- Generated report from field offices on schools/classrooms used as evacuation centers;
- Instructed affected schools to submit Rapid Assessment of damages Report (RADaR) and Divisions with no incurred damages to submit Certificate of No Damage (CND)
- Generated reports on infrastructure and non-infrastructure damages including estimated costs of repair and reconstruction;

1. Department of Health (DOH)

DOH Central Office

- Raised Code Alert
- Attended Pre-Disaster Risk Assessment last May 31, 2021
- Virtual Emergency Operations Center standby for activation
- Sent weather alert memorandum to all Centers for Health Development and
- BARMM Ministry of Health and DOH-retained hospitals on the following:
 - Weather Disturbance
 - Activation of Code Alert and 24/7 Operations Center
 - Health Emergency Response Teams are on standby and ready for deployment
- Coordinated with TG Service Continuity Plan for possible vaccination sites that will be affected by TY Dante
- Monitored the weather disturbance through DOST-PAGASA.
- Attended coordination meeting with the Department of Energy, MERALCO and Philippine Disaster Resilience Foundation in relation to the NGCP Power Grid Red Alert over Luzon Area
- Joined in the Vaccination Preparedness and Response Meeting with NVOC and RVOC and presented Situation Report Re Typhoon Dante
- Continuous monitoring on the weather disturbance through DOST-PAGASA

DOH Regional Offices

- Raised Code Alert
- Alerted concerned Provincial DOH Offices to actively monitor and report untoward incidents in their respective areas of responsibility
- Monitored the situation of TTMFs in the regions.
- Health Emergency Response Teams on standby
- Disseminated promotion and advocacy materials through social media, television and radio
- Provision of hygiene kits, medicines and jerry cans in CARAGA Region
- Strict adherence on health protocol and minimum standards for COVID-19
- Reiteration of DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID 19 during disaster evacuation and displacement in Region V
- Coordinated with concerned Provincial DOH Offices (PDOHO), Provincial Health Offices (PHOs), Office of the Civil Defense (OCD), Regional and Local Disaster Risk Reduction Management Council.

- CHD VIII augmented doxycycline, jerry cans, water purification tablets, hyposol and hygiene kits to its provinces amounting to Php 819,478.00

DOH V

A. Bicol Region Teaching and Training Hospital (BRTTH)

- Raised Blue Code Alert status
- Reiteration of DM 2020-0318 (Interim Guidelines on the Prevention and Control of COVID 19 during disaster evacuation and displacement in Region V
- Conducted pre-disaster ocular inspection of the hospital and secured identified vulnerable areas.
- Ensure availability of lifelines
- Coordinated with OCD V regarding the augmentation of manpower and logistics. Prepositioned necessary logistics at the COVID ward, regular ward and emergency department.

B. Bicol Region Geriatrics Hospital and General Medical Center (BRGHGMC)

- Raised White Code Alert status
- Conducted pre-disaster ocular inspection of the hospital and secured identified vulnerable areas.

C. Bicol Medical Center (BMC)

- Raised White Code Alert status
- Conducted a meeting with the safety officers in preparation to TS "DANTE".

DOH VIII

- Ongoing Rapid Health Assessment in North Samar and Samar

3. Others

Actions Taken

DSWD-DRMB

- The Disaster Response Management Bureau (DRMB) coordinated with the concerned field offices for significant reports on the status of affected families, assistance, and relief efforts.

DSWD NCR

- Daily monitoring of weather conditions and other emergencies through telephone, internet, cell phone, etc. by the Disaster Response Management Division Staff and Quick Response Team Leaders.
- The Quick Response Teams of FO-NCR composed of organic staff from the Field Office and Centers and Residential Care Facilities (C/RCFs) are activated and on standby in response to any eventualities. The assignment of said staff is scheduled per day.
- DSWD-FO NCR has established its EOC located at Room 109, FO-NCR, Sampaloc, Manila.

DSWD- III

- Activated Rapid Deployment Team-Disaster Response Management Division of DSWD Field Office and DSWD Provincial Extension Office Quick Response Team.
- Participated during the conduct of Pre-Disaster Risk Assessment with RDRRMC Members.

- Monitored weather updates in coordination with the DPEO's and concerned LGUs.

DSWD- CAR

- Monitored the weather updates and information.
- On standby for the possible effects of the weather disturbance.
- Monitored the weather updates and information.
- DRR Focal persons in coordinated with LDRRMOs and MSWDOs for weather reports and updates.

DSWD CALABARZON

- Emergency Operations Center (EOC) has been placed on heightened alert status to monitor the possible effects of Tropical Cyclone "Dante".
- EOC has constant communication with the Local Social Welfare and Development Offices (LSWDOs) with pre-disaster assessments being conducted.
- DSWD-FO CALABARZON DRMD conducted close coordination with the Local Government Units (LGUs) with regards to the preparedness efforts undertaken in the Flood, Landslide and Storm Surge prone areas.
- Coordinated with SWAD Team Leaders and Provincial Action Team of the CALABARZON and advised them to monitor and coordinate with the LGUs to gather reports on the possible effects of Tropical Cyclone "Dante".
- Coordinated with LSWDOs and LDRRMOs and advised them to be on standby alert and prepare their respective evacuation centers, and family food packs should need arises.
- Coordinated with RDRRMC IV-A OpCen for updates on the preparedness level of the members of the Response Cluster of the region.
- Informed member agencies of the response cluster to be on-stand-by alert status and ready for mobilization in case situation arises.

DSWD MIMAROPA

- Alerted SWADT Offices to monitor daily local weather condition and related eventualities, and ensure provision of information to all concerned offices, divisions, sections, and units.
- On-call status of the expanded R/P/C/M QRTs together with special projects staff on a 24/7 basis for possible activation of Operation Center to respond in case any untoward incident and eventualities are reported.
- Standby logistical equipment and workforce through coordination with SWADT Offices and concerned LGUs on the management of stranded passengers, if any, in ports and terminals.
- Information and Communication Technology Management Unit (ICTMU) is on standby status to ensure robust communication system.
- Cordinated with the Office of Civil Defense (OCD) and RDRRMC MIMAROPA for any updates for monitoring purposes and response mechanism for areas that will be affected.
- Coordinated with the Local SWDOs on the implementation of minimum health protocols related to Camp Coordination and Camp Management to prevent and mitigate the possible transmission of COVID19 and other illnesses during evacuation.

DSWD V

- Continuously monitored weather updates and information.

- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.
- Quick Response Team (QRTs) are alerted.
- PAT and MAT members in the six (6) provinces are activated and instructed to coordinate with the P/MDRRMOs and C/MSWDOs for weather reports and updates.
- DRMD team are activated and are now on duty at DSWD 5 Operation Center.
- Resource Operation Section ensures the availability of family food packs and non-food items, as need arises.

DSWD VI

- Close Coordinated with Provincial DROMIC Counterpart on the submission of DROMIC report.
- Real time Monitoring of weather report and information dissemination.
- QRT Isabela, Negros Occidental augmented last June 01, 2021 in the MSWDO since MSWDO staff are currently under quarantine.
- The Disaster Response Management Division coordinated with PSWDO for significant reports on the status of affected families, assistance, and relief efforts.
- Provided technical assistance on DROMIC Report Writing.

DSWD VII

- Regional/Provincial/City/Municipal Quick Response Team is on standby alert and ready for mobilization for any assistance and augmentation support needed from the LGUs.
- City and Municipal Action Team and SWAD Offices were alerted and already requested to closely coordinate with their local counterparts and their respective LDRRMCs. Field staff requested to monitor AOR and provide reports and updates to the Regional DROMIC Focal for any impacts/effects.
- Monitored the DSWD Regional DROMIC Focal for the latest weather updates from PAGASA and cascading the same for widest dissemination to Provincial /City/Municipal Action Teams.
- Regional Disaster Division coordinated with OCD-7 and other members of the RDRRMC for any response mobilization activities/strategies. Regional QRT members on standby alert.

DSWD VIII

- Communicated with SWAD Teams and City/Municipal Actions Teams to be alerted on the weather disturbance.
- Monitored the weather situation through watching the live updates of PAGASA regarding the weather disturbances.
